Established 1873

NO 91-13

## RESOLUTION

RE: EXCAVATION AND SOIL OR SAND REMOVAL PERMITS

WHEREAS, on 12-10, 1991, the Pinconning Township Board has reserved the right to approve or deny any excavation permit issued in Pinconning Township.

WHEREAS, applicant must apply for permit through the Zoning Administrator of Pinconning Township according to Section 5.05 of Pinconning Township Zoning Ordinances.

WHEREAS, Zoning Administrator must assure that property is in compliance, with permits that must be obtained from Bay County under Ordinance #30 and under The Michigan Soil Erosion and Sedimentation Act, 1972, PA 347.

WHEREAS, after applicant has obtained necessary permits and apply to the Zoning Administrator for a permit to excavate or remove soil or sand in Pinconning Township, The Pinconning Township Board will meet within 14 days to approve or deny said permit.

WHEREAS, excavation, sand or soil removal permit, shall contain the signatures of Applicant, Zoning Administrator, and after approval or denial of permit the signature of the Township Supervisor, and Township Clerk.

BE IT RESOLVED, that the Pinconning Township Board reserves the right to approve or deny Excavation, Sand or Soil removal in said Township, and the right to specify the expiration date on permit and/or extent of excavation.
