RESOLUTION # 99-12

**WHEREAS:** *It is determined by the Township of Pinconning that prime farmland must be protected and preserved, and*

**WHEREAS:** *the provision of water and /or sewer infrastructure is conducive to development, and*

**WHEREAS:** *the Township may develop water and / or sewer infrastructure and service, and*

**WHEREAS:** *this development may change the land use from agricultural to residential, commercial, industrial, or other uses, and*

**WHEREAS:** *this development may be contradictory to the preservation of prime farm land, hereby*

**LET IT BE RESOLVED:** *that Pinconning Township wishes to protect and preserve prime farm land. Prime farm land is that which is properly drained and otherwise useable for agricultural purposes. The township will endeavor to preserve prime farm land through the regulation of water and / or sewer connections. Connections to water and / or sewer service will not be permitted for structures that are constructed after the date water and / sewer service is first made available in the township if the structure is constructed on a parcel that is zoned agricultural and is deemed to be prime farm land.*
