- The agenda item on the 2nd Amendment is postponed indefinitely.
- The county will operate under Minnesota Statute 13D.021 and allow commissioners to participate in the meeting via telephone.
- The T-21 Discussion is postponed indefinitely. The public hearing on the tobacco ordinance scheduled for April 7 has been postponed indefinitely.
- The county board meeting will focus on the business necessary to continue county operations.
- An amended agenda will be posted on the county website later today showing the items that are specifically cancelled and the addition of a COVID-19 update
