

# RIVERDALE PARK POLICE DEPARTMENT

## 2015 Annual Summary

# 2015: The Year in Pictures

- ▣ Community Walks
- ▣ Community Roll Call
- ▣ Public Safety Event
- ▣ Career Day
- ▣ Veterans Day
- ▣ National Night Out
- ▣ Food Basket & Toys for Tots
- ▣ Professional Recognition / Development

# Body Worn Cameras

# BWC Advantages

- Promote officer safety by potentially deterring criminal activity, uncooperative behavior during encounters between its members and the public, and acts of aggression against its officers.
- Visually record crimes in progress.
- Record events and statements taken during the course of an incident/investigation.
- Promote law enforcement accountability and improve professionalism.
- Preserve independent visual and audio information for use in current and future investigations.
- Collect and preserve evidence, including crime scene details, for use in criminal investigations and prosecutions.
- Record the advice of rights to individuals, when applicable.

# BWC Advantages

- ▣ Provide an impartial measurement for self-critique and field evaluation during officer training.
- ▣ Assist in resolving complaints against agency personnel including false allegations by members of the public.
- ▣ Aid in debriefing critical incidents.
- ▣ Provide realistic training to agency personnel.
- ▣ Reduce the number of false complaints made against its officers during the course of their duties.
- ▣ Enable the timely resolution of complaints against its officers when they do occur.
- ▣ Enhance public trust by preserving a recording of officer-citizen interactions from the perspective of its officers.

# BWC Disadvantages

- ▣ Initial Cost
- ▣ Storage Cost
- ▣ Data Redaction
- ▣ MPIOA Implications
- ▣ Privacy Concerns
- ▣ Evolving Technology
- ▣ Expectations

# Officer Productivity

Productivity Comparison  
2011, 2012, 2013, 2014, 2015
