BEYOND THE BELL: FINDING NEW WAYS TO REACH LEARNERS

English Landing Elementary 22-23

2022-2023 FOCUS

AVID Strategies and Goal Reflection: Provide a model of success for students through daily planners, weekly goal reflection, and engaging in higher-level thinking

Academic Focus: Incorporate specific math academic focus and practice for students to support classroom instruction, reteaching missing concepts, and math enrichment

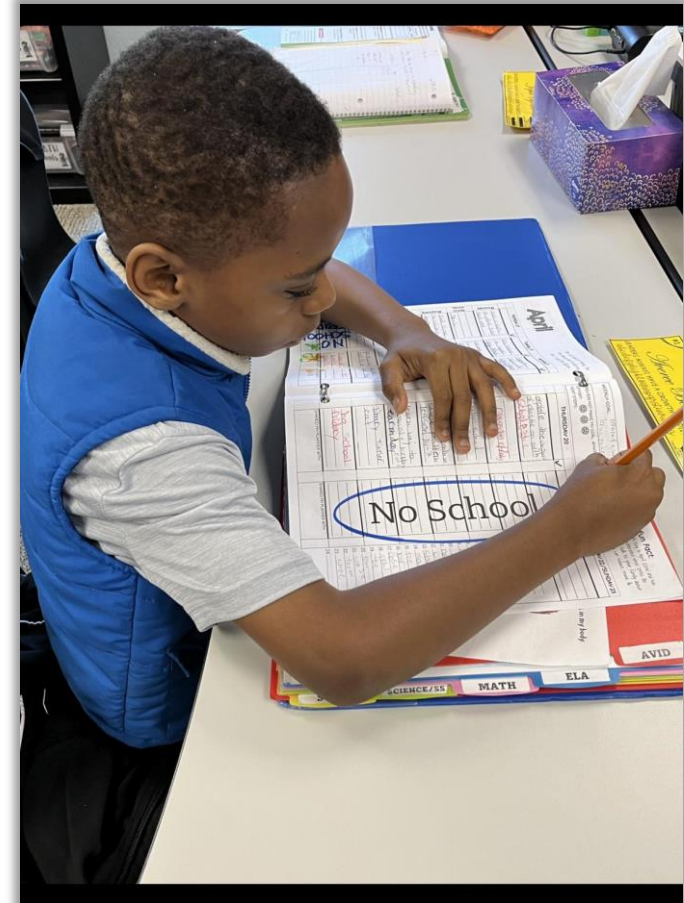

Social Emotional Focus: Use peer groups to provide opportunities for social skill practice and teaching. Use Steve, our therapy dog, to assist with teaching empathy and kindness to others

Parent & Community Involvement: Utilize the community's resources to teach students real life skills. Continue to invite families to participate in scheduled events.

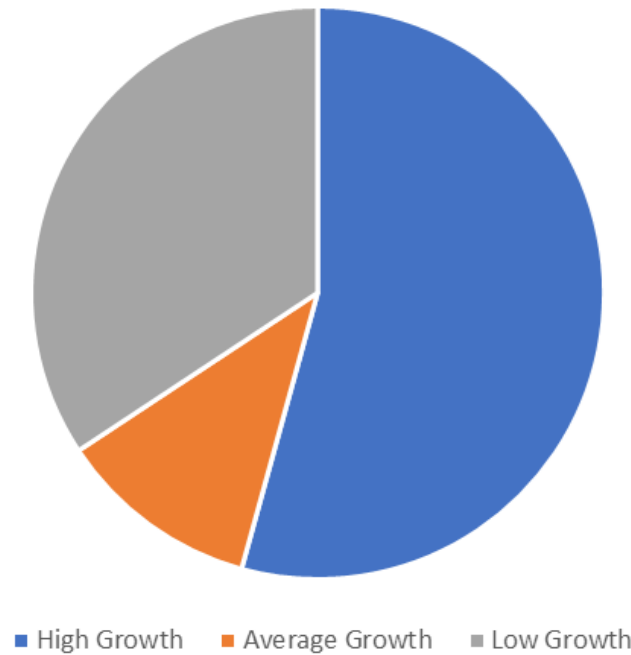

AVID STRATEGIES AND GOAL REFLECTION

AVID (Advancement via Individual Determination) planners and individual goals for the week are reviewed each session. Students reflect on their individualized goals and discuss ways to meet those goals with teacher leaders.

ACADEMIC FOCUS: MATH

Student Growth Rate

District NWEA Data was used to evaluate student growth. 47 Beyond the Bell students took NWEA in the Fall and Spring. 51% of students showed high growth from the Fall assessment to Spring. 17% of students showed average growth and 32% of students showed low growth.

Social Emotional Focus:

Beyond the Bell also incorporated peers working together in group STEM activities and games throughout the year to practice social skills and understand the perspective of others. Our therapy dog, Steve, attended Beyond the Bell, too! Students learned about Steve and interacted with him throughout the year.

On February 15, 2023, nearly a million fans gathered in downtown Kansas City to celebrate the Kansas City Chiefs Super Bowl victory. The victory celebration was filled with the excitement of a parade and rally hosted at Union Station.

Celebrations of this magnitude involve many moving parts. Every person assigned to the event played a vital role in its success. The celebration was televised live and because of your hard work, Kansas City was portrayed as a safe place to have fun and unite with fans from all walks of life.

Excited fans descended upon our downtown/Union Station and celebrated the Kansas City Chiefs victory with a feeling of safety and security. That is in no small part due to the service and dedication provided by hundreds of law enforcement officers from the Kansas City Police Department and from our regional and federal partners.

We could not have provided the security needed for this event without your help. I have received numerous expressions of praise and gratitude for the excellent job. I personally observed so many of you doing your part to reflect a positive light on law enforcement and our city. Thank you!

Please accept my sincerest thanks and gratitude for your help in keeping Kansas City safe for all to enjoy.
