Commission members attending: Mike Herman, Jamie Neisen, Norm Olson, Brad Lewis, Arthur Handelman

New Member Orientation was held with Roger Ihrke from TCPA.

Mr. Roger Ihrke from the TCPA Staff reviewed the history and policies of the Rochester Township Planning and Zoning Commission. He will also provide access to various ordinance and policy documents for commission reference.

Following orientation, a commission chair, vice chair and secretary were selected. These are Mike Herman, Norm Olson and Brad Lewis respectively. The group expressed its gratitude to Steve Nichols for his service as Commission chair for the past two decades.

Regular meeting schedule was discussed and at the current time, we plan to hold a Commission meeting on the second Tuesday of each month IF there are items requiring our attention. The commission chair will continue to work with TCPA to arrange agendas and communication.
