BACKGROUND AUTHORIZATION FORM

To maintain the safety of our customers, employees, and property, and to confirm the information obtained from you, the BOROUGH OF ROSELLE will request a background check in connection with your employment application, and in case you are hired or already employed by the BOROUGH OF ROSELLE, you may request additional background information on yourself for employment purposes.

I, _____, expressly consent to the above organization

obtaining information about me. The background report may contain information on, but is not limited to Social Security number verification; criminal, public, educational, and, where applicable, driving record checks; previous employment verification; reference checks, licenses, and certifications; credit reports; drug test results; and if applicable, workers' compensation injuries.

The nature and scope of the most common form of background check is an investigation of your education and/or employment history conducted by the New Jersey State Police.

I understand that this background check is necessary if I wish to meet all the criteria to be hired for the position for which I have applied and that a successful background check is not a guarantee of employment. I also understand that I have the right to request a copy of my background report.
