Memorandum

To: Honorable City Council Members

From: Dan Marsh, City Administrator

Date: November 9, 2022

Re: Proposed Sale of Old Fire Department Equipment

Please find the attached letter from Fire Chief Hatfield requesting approval to send to auction Fire Department equipment that has been replaced and is no longer in use. Fire Chief Hatfield has determined that the equipment could generate in excess of five hundred dollars (\$500), which would go back to the Equipment and Supplies line of the Fire Department budget.

The administration recommends the approval of the equipment described in Fire Chief Hatfield's letter to be sold at the Metro Detroit Auction Center on December 20, 2022.

Your favorable consideration is appreciated.

MEMORANDUM

DATE: November 9, 2022

RE: Recommendation for Ice Arena Floor Scrubber **(WAIVER OF BID)**

To: Dan Marsh, City Administrator
From: Julie Goddard, Parks & Recreation Director
Date: November 9th, 2022
Re: Floor Scrubber for Ice Arena

The Parks & Recreation Department is in need of a commercial floor scrubber. Our scrubber was over 15 years old and cannot be repaired. We have currently been renting a scrubber when needed, but it is not cost effective at 442.00 a week. We need to have one on hand.

We have tried out several different sizes and types. The one we have selected works the best for our needs and is small enough to fit everywhere in our buildings and has the ability to go in the locker rooms as well. Our old scrubber was not able to do so.

It is my recommendation that we waive the bid process and purchase the Viper AS510B 20" Battery Compact Scrubber from Southeastern Equipment & Supply Inc. in West Columbia, South Carolina in the amount of \$4,129.65. This price includes free shipping and is stock to ship immediately.

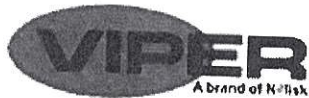

Funds are available to purchase the scrubber with Recreation Funds.

I appreciate your consideration in this matter.

Respectfully Submitted,

Julie Goddard
City of Southgate
Parks & Recreation Director
