General Class Information

This season we will be running US Figure Skating's Learn to Skate USA Program that was rolled out June 1st, 2016. Each skater skating in our Snowplow Sam or Basic Classes is required to have a US Figure Skating Learn to Skate USA Membership. This membership is included in your registration fee on a once a season basis. The first time you register you will be charged the additional fee and any time you register after you will NOT be charged that fee. With your membership you will receive a Welcome Packet which will include a membership card and a Learn to Skate USA Magazine.

Please arrive about 10 minutes prior to their scheduled class time allowing sufficient time to get skates on. Skaters will be assigned to classes according to their level and ability. Class times and instructor information will be posted on the Figure Skating Bulletin Board in Rink B the week classes start. You may also call the Arena Office for skate times. If an email address is provided on your form, the schedule will also be emailed out. Proper skating attire is required. No bare skin legs allowed.

Snowplow Sam & Learn to Skate Classes Information

Classes are held on Wednesdays in the following time slots: 6:00-6:30p.m.; 6:30-7:00p.m.; The 5th week of class is testing. Your half hour class time will change each new session. If there is a conflict with a work schedule you may make a request by writing it at the bottom of your form, but a request may not always be able to be accommodated based on the number of participants. We have student helpers to assist with classes but remember this is a class setting and not a private lesson.

There are four levels of Snowplow Sam and 6 levels of Basic Skills plus Pre Free Skate.

Snowplow Sam

Classes are offered for those who are at least at the age of three by July 1st, 2022. Tots are required to wear a safety helmet. You must provide your own helmet. They are not provided for you. All Snowplow Sam skaters must be potty-trained (no diapers or pull-ups). Snowplow Sam will not be allowed on the ice without a helmet and proper skating attire. All parents are requested to remain in the lobby or in the bleachers during class time.

Learn to Skate Classes

Skills skaters must be ages 6-17 years old. Skaters can be younger if they have already tested through our Snowplow Sam Skating Levels.

Adult Classes

Adult Classes will run on Thursdays from 6:30-7:00p.m. Our Adult Classes will follow the USFS Adult Badge Levels. Class will be held dependent on number of registrations*

Ice Show Information

We have an Annual Ice Show each year. Skaters MUST participate in **ALL THREE Sessions** to be a part of the Ice Show. Private Lessons

Most of our staff have private lesson availability for a range of prices. If you have any other questions about private lessons or specific coaches, you can speak with Jackie Timm or Lindsay Armos directly.

Newsletter

Each month your skater will receive a Figure Skating Club Newsletter that lets you know what is upcoming in the Club and in the building. Please make sure you read them !!! They are full of lots of useful information.

Last Week of Classes

During the sixth week of class, your skater will be tested on their skills. If they can complete all the requirements they will receive a certificate and can pickup their badge for completing the level immediately following class.

Makeup Classes

We do NOT offer any makeup classes if you have to miss any classes. In the case that we cannot hold classes due to building or weather related problems, we will do our best to reschedule those classes.
