

Water bill Due Date Extension

Due to an issue with the city's printer, water bills with a due date of Feb 5, 2024 were delayed in being printed and mailed to our residents. The city will be extending the due date for those bills, and they will now be payable without penalty until March 5, 2024. We apologize for the confusion and will be re-evaluating our printing options going forward. As a reminder, residents can pay water bills online with a credit card or can sign up for direct ACH payment from their bank accounts. Information on these payment options can be found on the city's website by visiting the Treasurers Dept.

Thank you for your patience.
