

Club Heights Dog Area

The Club Heights Dog Area is now open!

We have been in the process of remodeling the dog area and it is now 90% complete. There will be a few sprinklers that will need adjusting when the water is turned on and routine maintenance on the newly planted sod. We have put up temporary fencing around the sod area until the root system has been established, so please avoid that area at this time. If you have further question's you may call the Public Works Department at 801-622-2901

The Dog Area is located at 4100 South Palmer Drive. It is open from dusk to dawn. All breeds and sizes of dogs are welcome as long as they are well behaved and their "parent" stays with them. The dogs must be well mannered and under control at all times and also need to be current on all immunizations.
