PUBLIC HEARING
LOCAL CONCERNS MEETING FOR THE ST. ALBANS HEALTH PATH PROJECT
TUESDAY, JUNE 28TH, 2022
ZOOM ID: 885 6616 3354

Notice is hereby given to the residents of the Town of St. Albans that the Planning Commission will hold a public hearing on Tuesday, June 28th, 2022 at 6:30 p.m. in the St. Albans Town Hall Boardroom to conduct a local concerns meeting for the St. Albans Health Path Project. This public hearing may be attended in person or via Zoom.

In the Fall of 2021, the Town of St. Albans was awarded a scoping study grant by the Vermont Department of Transportation to study the feasibility of a 10 foot wide, multi-modal health path to connect the Missisquoi Valley Rail Trail to the Collins Perley Sports Complex. This path would run along VT-104, through the Northwest Medical Center Campus, Hard'ack and ultimately to the Rail Trail. Your thoughts and opinions on such a path are helpful in the ultimate design and construction of this community asset.

To submit questions or comments, or for the Zoom password, please send an email to AJ Johnson at a.johnson@stalbanstown.com
