PREFACE

THE 2026 CANDIDATE'S GUIDE

This Candidate's Guide has been prepared to provide information for candidates seeking office in 2026. Information is provided regarding nomination procedures and the objection process. A signature requirements section is included with each specific office in this guide. Answers to some of the more frequently asked questions about nominating petitions and procedures can be found on [page 75](#).

All citations contained in this guide refer to the Illinois Election Code (10 ILCS 5/1-1 *et seq.*, as amended) or as otherwise indicated. This guide may be amended to include new legislation and court decisions as they arise. Please visit the Illinois State Board of Elections' website (www.elections.il.gov) for any updates

Legal information contained in this guide is not binding and should not be construed as legal advice or sufficient argument in response to an objection to any candidate's nominating papers. The State Board of Elections recommends that all prospective candidates consult with competent legal counsel when preparing their nomination papers.

Statutory deadlines for filing objections and for withdrawing from all but one incompatible office will depend on the filing period. Specific deadline dates can be found in the SBE Election and Campaign Finance Calendar for 2026 located on the [publications](#) page under "Election Guides." The calendar, this guide, and filing date announcements can be found on the State Board of Elections' [website](#).

Additional information may be obtained by contacting your election authority or the State Board of Elections.

APPARENT CONFORMITY

The State Board of Elections conducts an "apparent conformity" review of all nominating petitions filed therewith. The review will take place after a petition is filed and will be limited to determining the following:

(1) whether a signed Statement of Candidacy has been filed, and (2) whether the filed nominating sheets contain gross signatures equal to or exceeding 10% of the minimum number of signatures required for the office sought.

All candidates whose petitions fail the apparent conformity review will be notified in writing and given the opportunity to appear before the State Board of Elections at its first meeting after the petition filing deadline to show good cause why the petition should not be rejected on the basis of non-conformity.

Please note, SBE employees are not available during filing periods to notarize documents.

OTHER PUBLICATIONS

The State Board of Elections also produces additional guides that can be helpful when preparing to run for office. [The Election and Campaign Finance Calendar](#) lists more specific dates and deadlines to follow, and the [County Officials book](#) and [Federal and State Officers book](#), located on the [publications](#) page under "Directory of Officials," have relevant contact information for elected officials. On our website under the [Campaign Disclosure](#) tab, you can find information regarding campaign disclosure and tutorials on the financial filing process.

FILING FOR OFFICE

GENERAL FILING INFORMATION

OBTAIN LEGAL COUNSEL

Candidates are strongly advised to obtain competent legal counsel regarding their legal qualifications for office, the proper method for completing the petition forms with respect to the office sought, the minimum and maximum number of signatures required, the qualifications of signers and circulators, and other information required for the candidate to appear on a ballot in Illinois.

FORMAT OF NOMINATION PAPERWORK

Election laws prescribe the general format to be submitted when seeking nomination to office. The State Board of Elections (“SBE”) has prepared suggested forms for petitions, statements of candidacy, and other applicable forms. The official SBE form number to be used is included under each office in this guide. The forms can be downloaded by clicking on the link or they may be obtained from your election authority. You may also purchase forms from election supply vendors.

FILING NOMINATING PAPERWORK

Nominating papers may be filed by mail or in person, either by the candidate or an agent of the candidate.

Filings must be made within the appropriate filing period as listed on [page 4](#).

The location of where paperwork shall be filed is included under each office in this guide.

Filings must be received no earlier than 8:00 AM, or the normal opening hour of the office indicated within this guide, on the first day of the filing period and no later than 5:00 PM, or the close of business of the same office whichever is later, on the last day of that filing period. *Welsh v. Education Officers Electoral Board*, 322 Ill. App. 3d 568, 750 N.E. 2d 222 (1st Dist. 2001) (10 ILCS 5/1-4(a), 7-12(6), 10-6.2) Filings received outside of this time period are not considered timely.

NOTE: The SBE **will not** accept any petition(s) for filing after 5:00 PM on the last day of the filing period. This applies to any individual(s) waiting in line as of the 5:00 PM deadline who have not yet filed their petition(s). (26 Ill. Adm. Code § 201.10, 202.10).

See the individual office page for more specific details on where to file nomination papers. These begin on page 26.

PETITIONS SENT IN BY MAIL

Nomination papers may be filed with the proper filing entity by mail. Those sent by mail (United States Post Office only) and received after midnight of the first day for filing, and in the first U.S. Postal Service delivery of that day, shall be deemed filed as of 8:00 AM or as of the normal opening hour of such day for purposes of the ballot placement lottery. (10 ILCS 5/7-12(6); 26 Ill. Adm. Code § 201.20(a), 202.20(a)). Candidates who file by mail with the SBE, and who wish to qualify for the lottery, must mail petitions to the Springfield office at 2329 S. MacArthur Blvd., Springfield, IL 62704. Nominating petitions received through other delivery methods (such as UPS and FedEx) are not considered “mail” and will not be included in the lottery. **It is important to note that petitions received before the first day of filing cannot be accepted and will be returned to the candidate.** (10 ILCS 5/7-12(6), 8-9, 10-6.2)

BALLOT PLACEMENT LOTTERY

Two or more petitions received simultaneously for candidates as of the opening hour of the filing period, and petitions received in the first mail delivery of the first filing day, are included in the lottery drawing to determine the first ballot position.

Two or more petitions filed within the last hour of the filing deadline, between 4:00 PM and 5:00 PM on the last filing day, shall be deemed filed simultaneously and are included in the lottery drawing to determine the final ballot position.

All other petitions are placed on the ballot in the order they are filed.

The lottery is held within nine days following the last day to file petitions. For further information on the lottery process, [page 24](#). (10 ILCS 5/7-12(6), 8-9, 10-6.2; 26 Ill. Adm. Code §201.40, 202.40)

MULTIPLE FILINGS OF NOMINATION PAPERS

If multiple sets of nomination papers are filed for a candidate for the same office, the SBE, appropriate election authority, or local election official where the petitions are filed shall, within two business days, notify the candidate of the multiple petition filings and that the candidate has **three business days after receipt of the notice** to notify the appropriate filing authority that the prior set of petitions may be canceled.

If the candidate notifies the proper filing authority, the last set of petitions filed shall be the only petitions to be considered valid. If the candidate **fails** to notify the proper filing authority, only the first set of petitions filed shall be valid and all subsequent petitions shall be void. (10 ILCS 5/7-12(11), 8-9(4), 10-6.2)

NOTE: If petitions for nomination have been filed for the same person for more than one political party, the candidate's name shall not be certified for the primary ballot for any party. (10 ILCS 5/7-12(9))

INCOMPATIBLE OFFICES

Incompatible offices are those where the same person cannot serve in both simultaneously. If petitions for nomination have been filed for the same person for two or more incompatible offices, that person must withdraw as a candidate from all but one of such offices **within five business days** following the last day for petition filing. If petitions are filed for the same person

for more than one political party, the candidate shall not be certified nor printed on the primary ballot of any party. (10 ILCS 5/7-12(9), 8-9, 10-7).

Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. (10 ILCS 5/7-12(9))

NOTE: When a candidate withdraws their nomination papers, the original petition is not returned to the individual, but remains in the office of either the State Board of Elections, the election authority, or local election official in which they filed. (10 ILCS 5/7-10, 10-4) Copies are available upon request.

The Office of the Illinois Attorney General has issued a number of opinions on incompatibility of offices. For questions concerning the same, contact the [Opinions Bureau](#) of the Attorney General's office at (217) 782-9070.

OBJECTIONS

A candidate's nomination papers may be challenged by the filing of an objection. The deadline for filing objections is five business days after the last day of the filing period. Objections to all nominating papers are heard by the proper electoral board as designated in the Election Code and decisions of the electoral board are subject to judicial review. (10 ILCS 5/10-8 through 10-10.1) See [page 22](#) for more detailed information on objections.

NOMINATION PAPERWORK & FORMATTING

COMPLETING A STATEMENT OF CANDIDACY

Each candidate, whether an individual candidate or one whose name appears on a slate or certificate of nomination, must complete and file a Statement of Candidacy. The form of the candidate's name, as printed and signed, should match the name as printed on the petition. The address of the candidate, the office which the candidate is running for, the political party designation, if applicable, and statements that the person is qualified for the office specified should also match the information that is printed on the petition. See each individual office in this guide for the correct SBE suggested Statement of Candidacy form.

The candidate must swear to or affirm the truthfulness of the statements within the Statement of Candidacy, sign the Statement of Candidacy, and have the statement notarized. The Statement of Candidacy must accompany the nomination papers and should be attached at the beginning of the packet. (10 ILCS 5/7-10, 8-8, 10-4)

PREPARING PETITION SHEETS

The petition signature sheets must be original, all one uniform size, and numbered consecutively, beginning with the top petition signature sheet as the number "1." The Statement of Candidacy, receipt for filing the Statement of Economic Interests, and optional filings (Loyalty Oath, Code of Fair Campaign Practices statement), should be attached to the petition sheets -- preferably on top. These forms do not need to be of uniform size to the petition sheets nor be numbered. The petition signature sheets must be neatly fastened together in book form at one edge in a secure and suitable manner (paperclips, clipboards, etc., are not secure ways to fasten petitions and those bound in this manner will not be accepted by the State Board of Elections). The petitions must contain the original signatures of the voters and the

original signature of the circulator, and shall not be photocopies or duplicates of such sheets.
(10 ILCS 5/7-10, 8-8, 10-4)

NOTE: Once the petition has been filed it cannot be modified, altered, or added to in any way. The only exception to this is adding the receipt for filing a Statement of Economic Interests, which must be filed no later than 5:00 PM for the State Board of Elections filers, or the close of business for other offices, on the last day to file nomination papers. (10 ILCS 5/7-10, 7-12, 8-8, 10-4, 10-5)

The heading of the nomination petition pages must include information relative to the election, the candidate, the office, political party (when applicable), and the candidate's place of residence. The headings on any particular page must be completed prior to the circulation of that petition sheet and the heading on each sheet shall be the same. **The State Board of Elections will certify each candidate's information as it appears on the first numbered page of the petition;** however, other election authorities may follow a different policy in regard to petition filing. (10 ILCS 5/7-10, 8-8, 10-4)

NAMES ON PETITION SHEETS AND STATEMENT OF CANDIDACY

The candidate's name should appear in exactly the same form on the petition sheet, Statement of Candidacy, and Loyalty Oath. The SBE will certify each candidate's name as it appears on the first numbered page of the petition (other election authorities may follow a different policy with regards to petitions filed with their offices). A candidate's failure to match their name on the petition to their name on the Statement of Candidacy can result in the candidate not being certified for the ballot.

NOTE: Petitions of candidates for specified offices, which are to be filed with the same officer (i.e. slate of candidates), may contain the names of two or more candidates of the same political party for the same or different offices; however, each candidate must submit their own Statement of Candidacy, receipt for filing a Statement of Economic Interests, and optional Loyalty Oath. (10 ILCS 5/7-10)

USING A NICKNAME OR OTHER TITLES ON FORMS

The candidate's given name(s), initial(s), nickname by which the candidate is commonly known, or a combination thereof may be used in addition to the candidate's surname. No other designation such as a title, degree or nickname suggesting or implying possession of a title, degree or professional status, or similar information may be used in

OPTIONAL FILINGS:

Loyalty Oath: The filing of the Loyalty Oath is optional. The following court cases have held that the requirement for filing the Loyalty Oath is unconstitutional: Communist Party of Indiana v. Witcomb, 414 U.S. 441 (1974); Communist Party of Illinois v. Ogilvie, 357 F. Supp. 105 (N.D. Ill. 1972); Socialist Workers Party v. Ogilvie, 357 F. Supp. 109 (N.D. Ill. 1972).

Code of Fair Campaign Practices: Candidates and committees are urged to abide by the provisions for campaigning outlined in the Code of Fair Campaign Practices. This is a voluntary statement made and filed prior to an election vowing that the candidate making the statement will conduct a positive, rather than negative, campaign. If a candidate or committee chooses to make such a statement, it shall be filed with the county clerk if the candidate is a local candidate or committee, or the State Board of Elections for offices that file within. (10 ILCS 5/29B-5 *et seq.*)

connection with the candidate's surname. Also, a candidate may not use a political slogan as part of their name on the ballot, notwithstanding that the political slogan may be part of the candidate's name. (10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e))

NOTE: The State Board of Elections, election authority, or local election official shall not certify any candidate name designation that is inconsistent with these provisions. (10 ILCS 5/7-17(c), 8-8.1, 16-3(f))

CANDIDATE LEGAL NAME CHANGE*

If a candidate has changed their name, whether by a statutory or common law procedure in Illinois or any other jurisdiction within three years before the last day for filing the petition or certificate for that office, whichever is applicable, then the following must ensue:

- 1) The candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the three year period) until name changed on (list date of each name change)";
- 2) The petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the specified period; and,
- 3) The date(s) each of those name(s) were changed.

Failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate.

***NOTE:** these requirements **do not** apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage or civil union to assume a spouse's surname, or dissolution of marriage or civil union or declaration of invalidity of marriage or civil union to assume a former surname, or a name change that conforms the candidate's name to their gender identity. (10 ILCS 5/7-10.2, 7-17(b)-(c), 8-8.1, 10-5.1, 16.3(e)-(f))

SIGNING AND CIRCULATING PETITIONS

PETITION CIRCULATOR REQUIREMENTS

- Must be at least 18 years of age or will be 18 by the date of the upcoming general election; and,
- A citizen of the United States (can be from outside of the district, county, or state).

The circulator must personally witness all signatures given and sign the required circulator's statement affirming that all signatures were given in their presence. No one may be considered a circulator of any petition page except the person who signs the circulator's statement. (10 ILCS 5/7-10, 8-8, 10-4)

Petition sheets **must not** be circulated more than 90 days prior to the last day for the filing of the petitions. The circulator's statement on a candidate's petition sheet must specify either the dates on which the sheet were circulated, the first and last dates on which the sheet was circulated, or that none of the signatures on the sheet were signed more than 90 days preceding the last day for filing the petitions. See [page 4](#) for dates when candidates may start circulating petition sheets. (10 ILCS 5/7-10, 8-8, 10-4)

NOTE: Blank nomination petitions may be reproduced prior to circulation. The signatures of the signers, circulator, and the notary public must be original. (10 ILCS 5/7-10, 8-8, 10-4)

CIRCULATOR'S STATEMENT

A petition circulator must complete the circulator's statement at the bottom of each petition sheet certifying their address, age, citizenship information, and that the signatures on that sheet were signed in their presence. They must certify that the signatures are genuine and, to the best of their knowledge, that the persons signing were duly registered voters of the political subdivision for which the candidate or candidates shall be nominated, or elected, and that their respective registration addresses are correctly stated therein. This statement shall be sworn to and signed by a notary. (10 ILCS 5/7-10, 8-8, 10-4)

Petition circulators shall indicate on such petition their residence address (written or printed) including the street address or rural route number, as well as the county, city, village or town, and state. (10 ILCS 5/7-10, 8-8, 10-4)

SIGNING A PETITION

A signer must sign their own signature on the petition, meaning they cannot sign for someone else, such as a spouse, family member, or other person in the household. Signers must also be registered voters in the political subdivision in which the candidate is seeking nomination or election. (10 ILCS 5/3-1.2, 7-10, 8-8, 10-2, 10-3, 10-4) Petition signers shall indicate on such petition their residence address (written or printed) including the street address or rural route number, as well as their city, village or town, county, and state. The state, county, city, village and town of residence may be pre-printed on the petition form when all of the electors signing the petition form reside therein. Standard abbreviations may be used in writing the residence address. A petition signer must be a registered voter from the address shown opposite their signature on the petition. (10 ILCS 5/7-10, 8-8, 10-2, 10-3, 10-4)

NOTE: A petition signer may change party affiliation from one election to another. *Kusper v. Pontikes*, 414 U.S. 51 (1973); *Sperling v. County Officers Electoral Board*, 57 Ill. 2d 81, 309 N.E. 2d 589 (Ill. 1974)

STRIKING SIGNATURES FROM A PETITION

Signatures may be struck from a petition by the circulator or the candidate prior to filing the petition. **All** of the following requirements are necessary to affect a valid striking of any signature:

- The person striking the signature must initial the petition at the place where the signature is struck;

CIRCULATING RESTRICTIONS:

- A circulator may not circulate petitions for **more than one** political party. (10 ILCS 5/10-4); *Schober v. Young*, 322 Ill. App. 3d 996, 751 N.E.2d 610 (4th Dist. 2001)
- A circulator may not circulate petitions for an independent candidate(s) **in addition to** candidates for a new political party. (10 ILCS 5/10-4)
- A circulator may not circulate petitions for **more than one new** political party. (10 ILCS 5/10-4)
- A circulator may not circulate petitions for an established party **and** an independent or new party candidate. (10 ILCS 5/10-4)

SIGNING RESTRICTIONS:

- A signer **may not** sign petitions for a candidate of **more than one** political party for the same election. (10 ILCS 5/7-10)
- A signer **may** sign petitions of one established political party for a primary election **and** one new political party or independent candidate for the following general election. (10 ILCS 5/10-3)
- A signer **may** sign petitions of as many candidates of the same political party as desired.*

*This differs for Nonpartisan/Independent candidates. The number of seats to be elected is the number of petitions that a voter can sign.

- The person striking the signature must sign a certification (such as [SBE Form P-2A](#)) listing the page number and line number of each signature struck from the petition, which is to be filed as a part of the petition; and,
- The person striking signatures from independent candidate petitions must sign an additional certificate ([SBE Form P-2B](#)) specifying the number of certification pages listing stricken signatures, which are attached to the petition, and the page numbers indicated on such certifications. This additional certificate must be filed as part of the petition, shall be numbered, and shall be attached immediately following the last page of voters' signatures and before the certifications of stricken signatures.

(10 ILCS 5/7-10, 8-8, 10-3)

COMPUTING SIGNATURE REQUIREMENTS

When figuring signature requirements, the number of primary electors is determined as follows:

- In a **district**: total votes cast for the candidate for such political party who received the highest number of votes, Statewide, at the last general election in the State at which electors for President of the United States were elected. For the 2026 Election Cycle, calculations should be based on results from the 2024 General Election.
- In a **political subdivision**: total votes cast for the candidate for such political party who received the highest number of votes in such political subdivision at the last regular election at which an officer was regularly scheduled to be elected from that subdivision. For the 2026 election cycle, calculations should be based on results from the 2024 General Election.
- In **wards or districts of political subdivisions**: total votes cast for the candidate for that political party who received the highest number of votes in the ward or district at the last regular election at which an officer was regularly scheduled to be elected from that ward or district. For the 2026 election cycle, calculations could be based on the 2022 or 2024 election cycle.

(10 ILCS 5/7-10)

NOTE: Signature calculations can be found with each office in this guide for offices that file with the State Board of Elections. For offices that do not file with the SBE, signature requirement information has been provided, but the candidate will need to contact the election authority to determine the exact signature calculations for that office.

STATEMENT OF ECONOMIC INTERESTS FORM AND RECEIPT

OBTAINING A STATEMENT OF ECONOMIC INTERESTS FORM

Candidates filing a petition with the State Board of Elections may obtain a Statement of Economic Interests form from the State Board of Elections or from the [Index Division](#) of the Office of the Secretary of State. Candidates filing with the county or local election official may obtain Statement of Economic Interests forms from the county clerk's office.

FILING THE FORM

For candidates that file petitions with the State Board of Elections, a completed Statement of Economic Interests **form** must be filed with the Index Division of the Office of the Secretary of State, 111 East Monroe, Springfield, IL 62756. For candidates filing with another election authority, the Statement of Economic Interests may be filed with the county clerk

in the county in which the principal office of the unit of local government with which the person is associated is located. For more information on filing the form, contact the election authority or the Secretary of State's Index Division at (217) 782-7017 or (312) 814-8218. (5 ILCS 420/4A-106)

EXCEPTION: The Illinois Statement of Economic Interests disclosure is not required for candidacy in federal or party offices.

FILING THE RECEIPT

Each candidate must file a **receipt** indicating that they have filed a Statement of Economic Interests as required by the Illinois Governmental Ethics Act. (10 ILCS 5/7-10, 7-12(8), 8-8, 10-5; 5 ILCS 420/1-101 *et seq.*)

EXCEPTION: The receipt is not required if the Statement of Economic Interests is filed with the same officer with which the nominating papers are filed (e.g. county officers). (10 ILCS 5/7-12(8))

Candidates are advised to file their receipt at the same time they file their nominating petitions. While the receipt does not need to accompany the nominating petitions at the time of filing, it must be filed not later than 5:00 PM for the State Board of Elections, or the close of business for other offices, on the last day to file nomination papers.

NOTE: The date and time at which a nominating petition was filed is not changed when the Statement of Economic Interests receipt is filed at another time during the filing period. (10 ILCS 5/7-12, 10-5)

CAMPAIGN CONTRIBUTIONS

NOTICE OF OBLIGATION

The official with whom nomination papers are filed must provide to each candidate a notice of obligation to comply with the Illinois Campaign Financing Act at the time they file nomination papers. If a candidate files their nomination papers by mail, or an agent of the candidate files the nomination papers, the clerk or secretary with whom the petitions were filed will send the notice to the candidate by first class mail. The notice will state that the manual of instructions and forms for statements required to be filed under Article 9 of the Election Code are available from the State Board of Elections. Forms may also be downloaded from the SBE's [website](#). (10 ILCS 5/7-12(7), 9-16, 10-6.1)

WHO IS REQUIRED TO FILE WITH THE SBE?

Candidates, groups, or individuals who raise or spend more than \$5,000 in any 12-month period in support of or in opposition to a candidate, question of public policy, or for electioneering communication generally must file paperwork to create a political committee with the State Board of Elections. (10 ILCS 5/9-3) Once created, political committees must then file disclosure reports with the Board, detailing the money they raise and spend. This filing obligation continues until a committee ceases operations, disposes of any remaining assets and files an acceptable "Final Report" with the Board – even if the committee has not raised money or made any contributions within a filing period. (10 ILCS 5/9-5, 9-10)

NOTE: Electioneering communication is defined as any broadcast, cable, or satellite communication, including radio, TV or internet communication, that refers to a clearly identified candidate, political party or question of public policy that will appear on the ballot, is made within the 60 days before a general or consolidated election, or 30 days before a primary election, is targeted to the relevant electorate, and is clearly an appeal to vote for or against the candidate, party or question. Electioneering communication does not include communications by Section 501(c)(3) organizations, exclusively between labor unions and their members or Section 501(c)(6) organizations and their members. (10 ILCS 5/9-1.14(a))

Any entity other than a natural person who spends more than \$5,000 during a 12-month period on independent expenditures, or other expenditures supporting or opposing a candidate, must organize as a political committee and file disclosure reports with the Board. Individuals who spend more than \$3,000 during any 12-month period on independent expenditures supporting or opposing a particular candidate are required to file a special written disclosure with the Board. This disclosure, which must be filed within two business days of exceeding the \$3,000 threshold, gives information about the person making the independent expenditure as well as the dates, amounts and nature of the spending. Once the threshold is reached, the individual is required to report additional independent expenditures made in connection with the same election, in \$1,000 increments, until the conclusion of the election. (10 ILCS 5/9-8.6)

NOTE: "Independent expenditure" means any payment, gift, donation, or expenditure of funds (i) by a natural person or political committee for the purpose of making electioneering communications or of expressly advocating for or against the nomination for election, election, retention, or defeat of a clearly identifiable public official or candidate or for or against any question of public policy to be submitted to the voters and (ii) that is not made in connection, consultation, or concert with or at the request or suggestion of the public official or candidate, the public official's or candidate's designated political committee or campaign, or the agent or agents of the public official, candidate, or political committee or campaign. (10 ILCS 5/9-1.15)

INFLUENCING VOTERS WITH PUBLIC FUNDS

No public funds shall be used to urge any elector to vote for or against any candidate or proposition, or be appropriated for political or campaign purposes to any candidate or political organization. This provision shall not prohibit the use of public funds for dissemination of factual information relative to any proposition appearing on an election ballot, or for dissemination of information and arguments published and distributed pursuant to law in connection with a proposition to amend the Constitution of the State of Illinois. (10 ILCS 5/9-25.1(b))

FAIR CAMPAIGN PRACTICES ACT

Candidates and committees are urged to abide by the provisions for campaigning outlined in the Fair Campaign Practices Act. This is a voluntary statement made and filed prior to an election, vowing that the candidate making the statement will conduct a positive, rather than a negative, campaign. Filling out and filing the “Code of Fair Campaign Practices” is voluntary. (10 ILCS 5/29B-5 and B-10)

The State Board of Elections shall accept, at all times prior to an election, all completed copies of the Code of Fair Campaign Practices that are properly subscribed to by a candidate or the chair of a political committee in support of or opposition to a question of public policy. The SBE will retain these completed copies for public inspection until 30 days after the election. (10 ILCS 5/29B-20)

TYPES OF CANDIDATES

ESTABLISHED POLITICAL PARTY CANDIDATES

WHAT DEFINES AN ESTABLISHED POLITICAL PARTY STATEWIDE?

A political party which at the last general election for State and county offices polled for its candidate for Governor more than 5% of the entire vote cast for Governor, is an “established political party” as to the State and as to any district or political subdivision thereof. If any other Statewide candidates of such political party polled more than 5% of the entire vote cast for the office for which they were running, then such political party shall be an “established political party” in the State, but not as to any district or political subdivision within the State. (10 ILCS 5/7-2, 10-2)

For example, if a Governor for the “Imaginary” party received more than 5% of the entire votes cast for Governor in Illinois, the “Imaginary” party would be an established political party throughout the entire State and for every office running established party candidates. If the Attorney General for the “Imaginary” party received more than 5% of the entire votes cast for Attorney General, the “Imaginary” party would only be an established political party for Statewide offices and not for any district offices, such as State Representative or State Senator.

NOTE: For the 2026 elections, the only Statewide established political parties in Illinois are the Democratic Party and the Republican Party.

WHAT DEFINES AN ESTABLISHED POLITICAL PARTY WITHIN THE JURISDICTION?

A political party which at the last election in any congressional district, legislative district, county, township, municipality, political subdivision, or district in the State polled more than 5% of the entire vote cast within such territorial area or political subdivision, as the case may be and has voted as a unit for the election of officers to serve the respective territorial area of such district or political subdivision, is an “established political party” within that district or political subdivision. (10 ILCS 5/10-2)

For example, if a candidate of the “Imaginary” party for Treasurer in “County #1” received more than 5% of the entire votes cast in the county in 2024, the “Imaginary” party would be an established political party in just “County #1” in 2026.

FILING PARTISAN IN THE PRIMARY & BEING DEFEATED FOR NOMINATION

A candidate for whom a nomination paper has been filed as a partisan candidate at a primary election and who is defeated for nomination is prohibited from being listed on the ballot as an independent candidate or as a candidate of another political party and may not file a Declaration of Intent to be a Write-In Candidate at that general election. (10 ILCS 5/7-43, 7-61, 10-3, 17-16.1, 18-9.1)

NEW POLITICAL PARTY CANDIDATES

WHAT DEFINES A NEW POLITICAL PARTY?

A new political party is created when nomination papers are filed for a new political group within the State, a specific district, or within a specific political subdivision. If the new party receives more than 5% of the total votes cast at the general election for Governor, it then becomes an established political party as to the State and as to any district or political subdivision thereof. (10 ILCS 5/7-2, 10-2) See “What Defines an Established Political Party Statewide” and “What Defines an Established Political Party within the Jurisdiction” above for further information.

NEW POLITICAL PARTY NAME

The name of the new political party cannot contain more than five words. The new party name cannot bear the same name or include the name of any established political party. (10 ILCS 5/10-2, 10-5(2))

CANDIDATES SEEKING ELECTION FROM DISTRICTS & AT-LARGE

When a petition to form a new political party is filed within a political subdivision for which officers are elected from districts and at-large, such petition shall consist of separate components for each district from which an officer is to be elected (e.g. District A, District B, or at-large) (see [SBE Form P-8B](#)). Each component shall be circulated only within the district of the political subdivision and signed only by qualified electors who are residents of that district. Each sheet of such petition must contain a complete list of the names of the candidates of the party for all offices to be filled in the political subdivision at-large, but the sheets comprising each component shall also contain the names of those candidates to be elected from the particular district.

Each component of the petition for each district from which an officer is to be elected must be signed by qualified voters of the district equaling not less than 5% of the number of voters who voted at the last regular election in such district at which officers were elected to serve the district. The entire petition, including all components, must be signed by a total of qualified voters of the entire political subdivision equaling in number not less than 5% of the number of voters who voted at the last regular election in such political subdivision at which an officer was elected to serve the political subdivision at-large.

(10 ILCS 5/10-2)

CERTIFICATE OF OFFICERS FORM

In addition to the candidate’s nomination papers for a new political party, the candidate’s paperwork must include a Certificate of Officers ([SBE Form P-8C](#)) listing the names and addresses of the new party officers authorized to fill vacancies in nomination. **Failure to file this certificate may result in the party forfeiting the right to fill vacancies in nomination, but will not invalidate the petition.** (10 ILCS 5/10-5 and 11); see *Peoples Independent Party v. Petroff*, 191 Ill. App. 3d 706, 548 N.E.2d 145 (5th Dist. 1989).

NOTE: If a new political party is invalidated in its entirety by an electoral board or upon judicial review, the new party officers cannot replace the entire slate of candidates on the pretext of filling vacancies in nomination. (10 ILCS 5/10-7); *People ex. Rel. Vigilant Party v. Village of Dolton*, 118 Ill. App. 2d 392, 254 N.E.2d 832 (1st Dist. 1969).

NOMINATION PAPERWORK

Petitions for new political party candidates **must** include the following:

- a) Statement of Candidacy for each candidate
- b) Receipt for filing a Statement of Economic Interests for each candidate. The receipt may be filed at a later date than the rest of the required paperwork, but it must be filed prior to the filing deadline
- c) Certificate stating the names and addresses of the party officers authorized to fill vacancies in nomination.

EXCEPTION: The Illinois Statement of Economic Interests disclosure is not required for candidacy in federal or party offices.

(10 ILCS 5/10-5)

Petitions **may** also include the Loyalty Oath, which is optional.

The party must nominate one candidate for each office to be filled within the political subdivision at the general election (also known as the full-slate requirement). In the case of a group of offices, the number of candidates nominated must equal the number of positions being elected. See Green Party v. Henrichs, 355 Ill. App. 3d 445, 822 N.E.2d 910 (3d Dist. 2005); Reed v. Kusper, 154 Ill. 2d 77, 607 N.E.2d 1198 (Ill. 1992).

NOTE: In 2017, the U.S Court of Appeals for the 7th Circuit held that the full-slate requirement for new political parties was unconstitutional. Libertarian Party of Illinois v. ISBE, 872 F.3d 518 (7th Cir. 2017).

FILING FOR AND/OR VOTING A PARTISAN OFFICE

A person who (i) filed a Statement of Candidacy for a partisan office as a qualified voter of an established political party or (ii) who voted the ballot of an established political party at a general primary election may not file a Statement of Candidacy as a candidate of a different established political party, a new political party, or as an independent candidate for a partisan office to be filled at the general election immediately following the general primary for which the person filed the statement or voted the ballot. A person may file a Statement of Candidacy for a partisan office as a qualified primary voter of an established political party regardless of any prior filing of candidacy for a partisan office or voting the ballot of an established political party at any prior election. (10 ILCS 5/7-43)

INDEPENDENT CANDIDATES

WHAT DEFINES AN INDEPENDENT CANDIDATE?

Independent candidates are those individuals who are not candidates of any political party, new or established, but who are candidates in a general election at which party candidates may appear on the ballot. Such candidates are listed on the ballot under the heading “Independent.” (10 ILCS 5/10-3)

NOTE: Because an independent candidate is an individual candidate not supported by a political party structure, there is no political party organization to fill a vacancy in nomination. (10 ILCS 5/10-7)

FILING PARTISAN IN THE PRIMARY & BEING DEFEATED FOR NOMINATION

A candidate who has filed a Statement of Candidacy as a partisan candidate at a primary election is prohibited from being listed on the ballot at a general election in that same election cycle as an Independent candidate or as a candidate of another political party (new or established), and may not file a Declaration of Intent to be a Write-In Candidate at that general election of the same election cycle.

(10 ILCS 5/7-43, 7-61, 10-3, 17-16.1, 18-9.1)

FILING OR VOTING A PARTISAN OFFICE

A person who (i) filed a Statement of Candidacy for a partisan office as a qualified primary voter of an established political party or (ii) who voted the ballot of an established political party at a general primary election may not file a Statement of Candidacy as a candidate of a different established political party, a new political party, or as an Independent candidate for a partisan office to be filled at the general election immediately following the general primary for which the person filed the statement or voted the ballot. A person may file a Statement of Candidacy for a partisan office as a qualified primary voter of an established political party regardless of any prior filing of candidacy for a partisan office or voting the ballot of an established political party at any prior election. (10 ILCS 5/7-43)

WRITE-IN CANDIDATES

HOW TO BECOME A WRITE-IN CANDIDATE

A write-in candidate must file a notarized “Declaration of Intent to be a Write-In Candidate” ([Form P-1F](#)) no later than 61 days prior to the election. The declaration **must be filed with the proper election authority or authorities** in those jurisdictions in which the candidate is seeking to be a write-in candidate. Declaration of Intent forms are **not to be filed** with the State Board of Elections. (10 ILCS 5/7-59(b), 17-16.1, 18-9.1)

The Declaration of Intent to be a Write-In Candidate form can be obtained from the election authority’s office. (10 ILCS 5/7-59(b), 17-16.1, 18-9.1)

NOTE: Whenever an objection to a candidate’s nominating papers for any office is sustained after the 61st day before the election, the candidate may file a notarized Declaration of Intent to be a Write-In Candidate form for that office with the proper election authority or authorities no later than seven days prior to the election.

(10 ILCS 5/7-59(b), 17-16.1, 18-9.1)

GENERAL PRIMARY WRITE-IN CANDIDATE QUALIFYING FOR THE GENERAL ELECTION

The write-in candidate must receive the number of votes that is equal to or greater than the number of signatures required on a petition for that office if the number of candidates whose names appear on the primary ballot is less than the number of persons the party is entitled to nominate or elect to that office at the primary election. (10 ILCS 5/7-59(c)(1))

The number of votes required for a write-in candidate to be nominated or elected to an office at a primary election, as outlined above, does not apply if:

- a) The number of votes they receive exceeds the number of votes received by at least one of the candidates whose name was printed on the ballot for nomination or election to the same office; or
- b) The number of candidates whose names appear on the ballot equals or exceeds the number of persons the party is entitled to nominate or elect to that office.

(10 ILCS 5/7-59(c)(1) and (2))

For example, if there are four Republicans running in the primary for one office, and there is one write-in candidate, then the write-in candidate has to receive the highest number of votes. If the only Republican candidate for the office is the write-in candidate, then that write-in candidate must get the number of votes equal to or greater than the number of signatures that were required to get on the general primary ballot for that office.

FILING PARTISAN IN THE PRIMARY & BEING DEFEATED FOR NOMINATION

A candidate who is defeated for nomination at the general primary election is prohibited from filing a Declaration of Intent to be a Write-In Candidate at the subsequent general election. (10 ILCS 5/17-16.1, 18-9.1)

WINNING IN THE PRIMARY OR GENERAL ELECTION

A winning write-in candidate in the general primary or general election **must** file a Statement of Candidacy and receipt for the filing of the Statement of Economic Interests (exception for federal and party offices only). Winning write-in candidates **may** also file a Loyalty Oath. (10 ILCS 5/7-60, 22-1)

For a general primary candidate these forms must be filed within 10 days of the canvass of the general primary and must be filed with the certifying officer or board. For example, winning write-in candidates for State Representative would file with the State Board of Elections. (10 ILCS 5/7-60)

For a general election candidate, these forms must be filed with the certifying officer or board prior to taking office. (10 ILCS 5/22-1) For example, a winning write-in candidate for State's Attorney would file with the county clerk.

OBJECTIONS TO NOMINATING PAPERS

FILING OBJECTIONS

Nomination papers shall be deemed to be valid unless objections are filed in writing, **with an original and two copies**, within **five business days after the last day for the filing of nomination papers**. Objection petitions should also include the name(s) and residence address(es) of the objector(s). Objection petitions that do not include two copies thereof shall not be accepted.

The objection shall be filed with the State Board of Elections, the election authority, or local election official with whom the original nomination petition was filed. The objections shall be filed within five business days after the last day for filing nomination papers. (10 ILCS 5/7-13, 10-8) The last day to file an objection will depend on the filing period. For specific deadlines, see the SBE Election and Campaign Finance Calendar for 2026 located under "[Election Guides](#)."

PROCESSING OBJECTIONS

No later than noon on the second business day after receipt of an objector's petition, the State Board of Elections, election authority, or local election official shall transmit by registered mail or receipted personal delivery the Certificate of Nomination or nomination papers and the original objector's petition to the chair of the proper electoral board designated in Section 10-9, or their authorized agent. The official shall transmit a copy of the objector's petition, by registered mail or receipted personal delivery, to the candidate whose Certificate of Nomination or nomination papers are objected to, addressed to the place of residence designated in said Certificate of Nomination or nomination papers. (10 ILCS 5/10-8)

STATE BOARD OF ELECTIONS AS THE ELECTORAL BOARD

Within 24 hours of the receipt of the objector's petition, the Chair of the State Board of Elections shall send a call, by registered or certified mail, to the objector and candidate whose Certificate of Nomination or nomination papers are objected to stating the day, hour, and place at which the State Board of Elections shall meet to hear the objection. (10 ILCS 5/10-10)

IN CASES WHERE THE SBE IS NOT THE ELECTORAL BOARD

The chair of the electoral board shall send a call by registered or certified mail to each of the members of the electoral board, the objector, and the candidate, and shall also cause the Sheriff of the county or counties in which such officers and persons reside to serve a copy of such call upon each of the officers and persons within 24 hours after the receipt of the objector's petition. (10 ILCS 5/10-10)

ELECTORAL BOARD MEETING

The meeting of the electoral board shall not be less than three nor more than five days after receipt of the objector's petition by the chair of the electoral board. The electoral board on the first day of its meeting shall adopt rules and procedures for the introduction of evidence and the presentation of arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons. (10 ILCS 5/10-10)

FILING FOR JUDICIAL REVIEW

Within five days after the decision of the electoral board, the candidate or objector aggrieved by the decision of the electoral board may file a petition for judicial review with the Clerk of the Circuit Court of the county in which the hearing of the electoral board was held. The petition for judicial review must name the electoral board, its members, and the prevailing candidates or objectors in the initial proceedings before the electoral board as respondents. The party seeking judicial review must serve a copy of the petition upon each of the respondents named in the petition for judicial review. The petition shall contain a brief statement of the reason why the decision of the electoral board should be reversed. Court hearings are to be held within 30 days after the filing of the petition and the decisions delivered promptly thereafter. (10 ILCS 5/10-10.1)

If no petition for judicial review has been filed within five days after the decision of the electoral board, the electoral board shall transmit a copy of its ruling, together with the original Certificate of Nomination or nomination papers or petitions, and the original objector's petitions to the officers or board with whom they were on file, and such officers or board shall abide and comply with the ruling so made to all intents and purposes. (10 ILCS 5/10-10 and 10.1)

LOTTERY

FILINGS REQUIRING A LOTTERY

Simultaneous filings of candidate nominating petitions for the same office occur for those candidates **in line at 8:00 AM** (or whenever the opening hour of the business may be; for example, if the office opens at 9:00 AM, all candidates in line as of 9:00 AM are in the lottery) or for petitions received after midnight of the first day for filing in the first U.S. Postal Service delivery of that day, on the first day of filing.

Simultaneous filings can also occur during the last day of filing **during the last hour** of the filing deadline between 4:00 PM and 5:00 PM.

Any lottery system to be used to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. (10 ILCS 5/7-12(6), 8-9(2), 10-6.2) To submit a lottery system for approval by the State Board of Elections, election authorities and local election officials can submit a narrative of how their system will be conducted. The State Board of Elections will evaluate the system to ensure it is fair, random, and impartial. Narratives can be sent by mail to the State Board of Elections' office or via email to Electionoperations@elections.il.gov

CONDUCTING THE LOTTERY

Per State Board of Elections' administrative rules, codified as 26 Ill. Adm. Code § 201.40 and 202.40, the following system has been approved:

1. The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively starting with the number one, which shall be assigned to the candidate whose name is listed first on the alphabetical list. Candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook, and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. If the same candidates filed, but Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
2. All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in Paragraph 1 above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four, and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
3. After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and

Edwards filed simultaneously at 8:00 AM on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot, and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition and number three is drawn first, then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth, and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order: 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams.

4. If two or more nominating petitions for the same office are presented between 4:00 PM and 5:00 PM on the last day for filing, they shall be deemed to be simultaneously filed and the last ballot position will be determined by a separate lottery using the same procedures detailed above. No nominating petitions will be accepted after 5:00 PM.
5. All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases where candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined above) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations where the law requires rotation on a district-by-district basis.

INFORMATION FOR ALL JUDICIAL CANDIDATES

ELECTION AND VACANCIES

Judicial vacancies and newly created judicial offices are initially elected on a partisan basis. The State Board of Elections is provided with a certification from the Chief Justice of the Illinois Supreme Court delineating which vacancies will be filled by election in 2026. Interested citizens may contact the Administrative Office of the Illinois Courts at (217) 558-4490 or the State Board of Elections at (217) 782-4141 to learn which judicial offices will be filled by election and of any newly created vacancies. The judicial office being sought is the vacancy of the preceding **elected** judge, not the judge appointed to fill the vacancy until the next election. The nominating petitions and Statement of Candidacy must state the exact vacancy (e.g. vacancy of the Hon. [name]) or the exact additional judgeship that the candidate is seeking.

NOTE: For an updated list of vacancies, please check our [website](#). The SBE will timely post any updates to our website upon receiving notice of the vacancy.

JUDICIAL RETENTION

Once elected to office, a judge may seek to retain that office at the expiration of the term by seeking retention on a special ballot separate from the regular ballot. No party affiliation is indicated on a retention ballot. Nominating petitions are not required to seek retention. A Declaration of Judicial Candidacy to succeed oneself must be filed in the Office of the Secretary of State on or before **Sunday, May 3, 2026**, not less than six months before the general election preceding the expiration of their term of office. (Illinois Constitution, Article VI, Section 12(d); 10 ILCS 5/7-12(1))

JUDICIAL SUBCIRCUITS

It is the duty of the Administrative Office of the Illinois Courts to assign judgeships to the subcircuits as vacancies occur and to assign additional judgeships created by legislation. (Illinois Constitution, Article VI, Section 16; Illinois S. Ct. Rule 39)

FILING FOR A CIRCUIT COURT SEAT AND/OR SUBCIRCUIT SEAT

Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. For any individual circuit court judge candidate, **the State Board of Elections will accept only one petition for a circuit court vacancy and/or only one petition for a subcircuit vacancy in any filing period.** It is the responsibility of the candidate to withdraw any incompatible petitions. (See [page 7](#) for information on multiple petition filings and [page 8](#) for incompatible petitions.) A new circuit court or subcircuit judgeship created by statute or by conversion of a resident judge position to a subcircuit position is a vacancy. A resident judge vacancy is a circuit court vacancy. (10 ILCS 5/7-12(9))

For in person petition filings: SBE staff will accept from any candidate (or filing agent) only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period. SBE staff will refuse to accept any additional judicial petition filings at the circuit court level for that candidate. **It will remain the responsibility of the candidate to withdraw any incompatible petitions if multiple are filed.** (10 ILCS 5/7-12(9))

For mail or commercial carrier filings: SBE staff will accept and process only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period for any candidate. **It will remain the responsibility of the candidate to withdraw any incompatible petitions if multiple are filed.** (10 ILCS 5/7-12(9))

MULTIPLE PETITIONS AT ONCE

If the candidate designates a particular petition as the chosen petition, staff will accept that petition and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate, and if the petitions are all oriented such that the print side of each petition faces the same way, staff practice is to accept the top petition in the pile and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate, and if the petitions are not all oriented with the print facing the same way, staff practice is to accept the petition that was on top of the pile when the petitions were removed from the envelope with the postage, postmarked and/or mailing label side of the envelope or package facing up, and return the rest of the petitions to the candidate.

If petitions are mailed in multiple envelopes, the first envelope processed will be the one accepted and all other petitions will be returned to the candidate.

WITHDRAWING PETITIONS

A withdrawal of a previously filed petition will be allowed, but no new petition for a different judicial vacancy will be accepted after a withdrawal. Withdrawal and filing of a new petition for the same vacancy will be permitted.

REDACTION – JUDICIAL PRIVACY ACT (705 ILCS 90/ ET SEQ.)

A judicial officer may submit a written request to the State Board of Elections or through the Administrative Office of the Illinois Courts to redact certain personal information from otherwise public documents. (705 ILCS 90/2-5(a)(1) and 2-10(b))

The judicial officer's home address would be redacted from the Statement of Candidacy, the headers of the petition pages, and the receipt for filing a Statement of Economic Interests. (705 ILCS 90/1-10)

The Judicial Privacy Act is not intended to restrain a judicial officer from independently making public his or her own personal information. Should a judicial officer include their information by voluntarily signing or circulating their petition page, that information would not automatically be redacted because they have voluntarily chosen to provide their information by signing or circulating the petition page. The State Board of Elections will redact the address from a signature line or circulator affidavit if the judicial officer specifies the petition and page(s) affected in their request for redaction.

FREQUENTLY ASKED QUESTIONS

SIGNING PETITIONS

How should the voter sign their name when they sign the petition?

The voter should sign the petition with the same name that they are registered to vote with; however, signing with a nickname will not invalidate the signature, provided the voter can be identified and it can be shown that the voter is lawfully registered to vote and qualified to sign the petition.

Are abbreviations allowed on petitions?

Standard abbreviations may be used in writing the voter's address, including the street number.

Are pencil signatures allowed?

Yes, but it is advisable to use a pen with dark ink.

Can ditto marks be used on the petitions?

Though ditto marks are not specifically prohibited, it is suggested they be avoided. The use of ditto marks could be objected to and the outcome of an objection cannot be predicted. A circulator can, however, fill in any missing information, except a voter's signature.

Can a registered voter sign petitions for candidates of more than one political party for the same primary election?

No. A "qualified primary elector" of a party may not sign petitions for or be a candidate in the primary of more than one party. (10 ILCS 5/7-10, 10-4)

Can a P.O. box be used as a signer's address?

Generally, no. Signers must list the residential address where they are registered to vote on petitions. However, there are some exceptions where voters may list a P.O. box as a residential address (e.g. Address Confidentiality for Victims of Domestic Violence, Sexual Assault, Human Trafficking, or Stalking Act (750 ILCS 61/1 *et seq.*)).

May a voter who voted Republican in the last Primary Election now sign a petition for a Democratic candidate?

Yes; however, no one may sign petitions for candidates of more than one political party for the same Primary Election. *Kusper v. Pontikes*, 414 U.S. 51 (1973); *Sperling v. County Officers Electoral Board*, 57 Ill.2d 81, 309 N.E.2d 589 (Ill. 1974).

Can a voter sign an established party petition, and a new party and/or independent petition?

Yes, a voter may sign an established party candidate's petition prior to a general primary election and subsequent to that election, sign a petition of an Independent or new political party candidate prior to a general election. The voter may not, however, sign a petition of more than one Independent or new political party candidate's petition for the same office. (10 ILCS 5/7-10, 10-3)

Can a voter sign more than one established party candidate's petition?

Yes, a signer can sign petitions for as many candidates of the same established political party as they want, but they cannot sign petitions for different established parties in the same election.

CIRCULATING PETITIONS

May a candidate circulate their own petitions?

Yes.

When can the circulator start collecting signatures?

No more than 90 days prior to the last day for filing petitions. (10 ILCS 5/7-10, 8-8, 10-4)

If a candidate finds something wrong with their petitions after they are filed, can a new set of petitions be circulated and filed before the end of the filing period?

Yes, but the candidate must cancel the first set of petitions in writing. If the candidate fails to cancel the first set of petitions, then only the first petitions shall be considered filed and all subsequent petitions shall be void. (10 ILCS 5/7-12(11), 10-6.2)

May a circulator circulate petitions for an independent candidate and an established party candidate in the same election?

No. (10 ILCS 5/10-4)

May a circulator sign as a voter on the petition they are circulating?

Yes, as long as the circulator is a registered voter in the applicable political subdivision or district.

May a circulator circulate petitions for an established party candidate and a new party candidate in the same election?

No. (10 ILCS 5/10-4)

Is the circulator required to be a registered voter?

No, but they must be:

- Must be at least 18 years of age or will be 18 by the date of the upcoming general election; and,
- A citizen of the United States (can be from outside of the district, county, or state). (10 ILCS 5/3-6)
- They must also include their current address on the circulator's affidavit. (10 ILCS 5/7-10, 8-8, 10-4)

Can a petition sheet be circulated by more than one individual?

No. Only the person who signs the page as circulator can circulate that sheet. By signing as a circulator, the circulator is attesting that all signers signed in their presence. (10 ILCS 5/7-10, 8-8, 10-4)

Who can remove a signature from a nominating petition?

Only the circulator or the candidate on whose behalf the petition was circulated may strike a signature; however, an individual can submit a written request to the proper filing office to have their name removed from the petition before the petition is filed. (10 ILCS 5/7-10, 8-8, 10-3)

Must the notary of the petition be an Illinois notary and may the notary also be a signatory of the petition?

Under the provisions of the Uniform Recognition of Acknowledgements Act (765 ILCS 30/2): “Notarial acts may be performed outside this State for use in this State with the same effect as if performed by a notary public of this State by the following persons authorized pursuant to the laws and regulations of other governments in addition to any other person authorized by the laws and regulations of this State...” “(1) a notary public authorized to perform notarial acts in the place in which the act is performed...”

It has not been definitively determined whether a notary may also be a signatory to a petition. Some electoral boards and circuit courts have upheld petitions where the notary was also a signer of the petition, but the issue has not yet been decided by the Supreme Court or any appellate court in Illinois. A cautious candidate might wish to avoid using a petition signer as the notary so as to avoid the risk of having to defend against an objection on this issue.

For additional information contact the [Index Division](#) of the Secretary of State’s office, 111 E. Monroe, Springfield, IL 62756-0001, (217) 782-7017.

FILING PETITIONS

May a candidate file in person or by mail?

Yes, however, if the candidate wishes to be in the lottery for the first ballot position, it is advisable to file in person as only candidates whose petitions are **received** in the first mail delivery on the first day of filing are eligible for the lottery. Candidates should use the United States Postal Service when mailing to the Illinois State Board of Elections. (10 ILCS 5/7-12(6), 8-9(2), 10-6.2)

Do candidates have to file their own nomination papers?

No. An agent of the candidate can file the candidate’s nomination papers.

May a petition contain the names of two or more candidates of the same established party?

Yes. An established party may file a slate of candidates for offices to be filled within the State, county, or district (e.g. judicial). However, each candidate of the slate must individually file a Statement of Candidacy and a receipt for filing a Statement of Economic Interests. (10 ILCS 5/7-10)

May a candidate file for more than one office?

Yes, however, the candidate must withdraw from all but one office within five business days following the last day of petition filing if the offices are incompatible. The withdrawal notice must be in writing and notarized. If the candidate does not withdraw, their name will not be certified for any office. Judicial candidates at the circuit court level are limited to filing a single petition for one circuit court vacancy and/or a single petition for one subcircuit vacancy in any filing period. (10 ILCS 5/7-12(9)) Withdrawal notices should be provided to the entity with which the candidate filed their nomination papers.

When may petitions be mailed?

There are no statutory requirements regarding a time element for mailing petitions; however, all petitions must be **received** during the filing period. All petitions received in the office prior to the opening of the office on the first day of the filing period or after the close of the office on the last day of the filing period will be returned to the sender. (10 ILCS 5/7-12.6, 8-9, 10-6.2)

If you are first in line or your petition is in the first mail delivery of the day, will you be first on the ballot?

Not necessarily. If there are two or more candidates in line prior to the opening of the office filing from the same party and for the same office, they would be considered as filing simultaneously along with any petition in the first mail delivery, and will be involved in a lottery to determine ballot position. (10 ILCS 5/7-12(6), 8-9(2), 10-6.2)

NOTE: Candidates who file petitions during the last hour of filing (between 4:00 PM and 5:00 PM) on the last day to file petitions are also eligible for a lottery to determine the final ballot position. (Illinois Administrative Code, Title 26, Section 201.40)

May a petition that has been filed be changed?

No. A petition once filed may not be added to or altered; however, the receipt(s) for filing Statements of Economic Interests may be filed at any time during the filing period. (10 ILCS 5/7-10, 7-12)

When a candidate withdraws their nominating petitions, are the petitions returned to the candidate?

No. The original documents are not returned, but remain in the office where they were filed. They must remain in the office for a period of at least six months. (10 ILCS 5/10-7)

Is a lottery conducted for party placement on the ballot?

For the general election a lottery is conducted by each election authority for all established parties to determine the proper order of party placement on the ballot. This lottery is held within 30 days following the proclamation of the results of the primary election. New parties are involved in a lottery when there is a simultaneous filing with the State Board of Elections or the county clerk. The State Board of Elections conducts the lottery for new parties that file in the Springfield office and the election authorities must use such order. No party lottery is done for the primary election because each party has its own ballot, separate from any other established party. (10 ILCS 5/7-60)

In filing a petition to fill a vacancy in the office of circuit judge, must the petition contain the vacancy for which the candidate is filing?

Yes. For example, "To fill the vacancy of the Honorable John Jones." The vacancy is for the preceding elected judge, not the interim appointee.

Are judges running for retention required to file petitions?

No. Judges running for retention are required to file a Declaration of Candidacy for Retention with the Secretary of State on or before Sunday, May 3, 2026, preceding the expiration of their term of office. (Illinois Constitution, Article VI, Section 12(d))

When are petitions open to the public?

Upon their filing with the proper office. As a practical matter, there will be some delay in availability while the State Board of Elections or the election authority processes each petition. All certificates of nomination and nomination papers when presented or filed shall be open (under proper regulation) to public inspection and the State Board of Elections, election authorities, and local election officials having charge of nomination papers shall preserve the same in their respective offices not less than six months.
