Open Meetings Act Now Requires Posting of Salaries of Certain Government Employees

The Illinois General Assembly recently enacted Public Act 97-0609 amending the Illinois Open Meetings and the Illinois Pension Code, as of December 1, 2013.

The new posting requirements are effective January 1, 2012 and require the following:

Within six days after approving its budget and IMRF employer must post the total compensation package for each employee receiving a total compensation package that exceeds \$75,000.00 a year. At least six days before an IMRF employer approves an employee's total compensation package that will equal or exceed \$150,000.00 a year, the employer must post the total compensation package for that employee.

Under the new law, "total compensation package" is defined as salary, employer-paid health insurance premiums, housing allowance, vehicle allowance, clothing allowance, bonuses, loans, vacation days which will be earned in that year and sick days which will be earned that year.
