Call to Order

Chairman Munda called the meeting to order at 1:30 P.M.

Roll call and Introduction of guests

No guests were present.

Approval of August meeting minutes

No official minutes were taken from the previous month as there was no quorum.

Identify/review relevant chemical incidents

There were no Incidents to report for the previous month.

Honeywell reported that the EPA stopped for an unscheduled visit at plants 1 and 4. Employees were unable to give them tours at that time and rescheduled for a later date. Upon return the EPA was satisfied with their findings. This was reported by Jeff Choppie.

Sub-committee reports

- Tier II Committee by W. Rosemeier

We have been awarded the password and access to the new State Tier II program. This office has been going through and learning the new program and its abilities, plus making sure the information matches what we have in our files.

CAMEO Training is being offered in Rockford on 10/13 through 10/15.
Register through IEMA's website under the training tab.

- G.I.S. Committee by T. Groves
Nothing new to report at this time
- Membership Committee by S. Holbert
Nothing new to report at this time
- Chemical Response Plan by S. Holbert
Still waiting on some of the facility inspection sign off sheets from local fire departments.

HMEP application is ready to sign. \$10,061.00 is available for next year.

Identify next steps

Need more facilities to be present.

Community questioning and PSA's. Possible community involvement of somehow.
Thoughts of public access Television.

Sue Coers commented on Training + Reviews. Learn and train on some of the chemicals in the area. Train members of the LEPC on First Aid, CPR and First Responder.

Locations of facilities to area of population.

Confirm next meeting date

October 27, 2009 at 1:30 P.M. is the next scheduled meeting.

Meeting was adjourned at 2:05 P.M. with a motion from Rick McDonough and a second from Scott Allshouse. Motion Carried.
