WHEREAS, the parties recognize and acknowledge that the Company would not otherwise locate the Project in the County but for the delivery of the Incentives; and

WHEREAS, in accordance with Section 12-44-40 of the Act, and based on information provided by the Company, the County has determined that (i) the Project will benefit the general public welfare of the County by providing services, employment, recreation or other public benefits, not otherwise adequately provided locally; (ii) the Project will not give rise to any pecuniary liability of the County or incorporated municipality or a charge against the general credit or taxing power of the County or any incorporated municipality; (iii) the purposes to be accomplished by the Project are proper governmental and public purposes; and (iv) the benefits of the Project to the public are greater than the costs to the public.

2. **20-929 -- Emergency Ordinance Sumter County Council Declaration Of Continuing Public Health Emergency In Response To The Public Safety Threat Of The Novel Coronavirus ("Covid-19"), And Emergency Ordinance Effective June 9, 2020, Suspending Door-To-Door Sales.**

Mr. Bryan presented this proposed emergency ordinance to Council for consideration of approval. He stated that the City of Sumter has already adopted a similar ordinance. This ordinance, if approved, would suspend door-to-door sales within the County for a 60-day period. Since the City of Sumter's City Limits are not in a straight line, this ordinance would be helpful in the County since a similar ordinance has already passed in the City. Door-to-Door Sales occur periodically in the County, especially in Subdivisions. Some streets are split, having one side in the City and the other side in the County. For consistency in writing code violations by Code Enforcement Officers, it would be good to have this ordinance adopted in the County as well.

After discussion on this ordinance, Council took action on its adoption.

ACTION: MOTION was made by Councilman Edens, seconded by Councilman Baten, and carried by County Council to adopt the proposed ordinance with the dits to coincide with the City of Sumter which would include language stating ... "the 54th day after the effective date of this emergency declaration. Vice Chairman Byrd voted nay. The motion carried.

WHEREAS, the Governor of South Carolina, by Executive Order 2020-08, extended by Executive Order 2020-38 on May 27, 2020, has declared that a State of Emergency exists by virtue of the threat posed by the 2019 Novel Coronavirus ("COVID-19"); and

WHEREAS, Sumter County has taken, and must continue to take, all necessary and appropriate actions in proactively preparing for and promptly responding to the COVID-19; and

WHEREAS, as cases of COVID-19 continue to increase, causing an imminent threat to the citizens and visitors of Sumter County, it is necessary for Sumter County to implement emergency planning for anticipated problems and prepare for emergency actions needed to confront the challenges of this public health emergency.

NOW, THEREFORE, BE IT ORDAINED, in accordance with South Carolina Code of Laws Title 4, Article 9, Section 130, Sumter County declares that a State of Emergency exists, and that the threat thereof is imminent, and extraordinary emergency measures are deemed necessary to cope with the existing and anticipated situation. Sumter County has implemented the following COVID-19 operations plan, which is effective immediately until further notice.

2. The issuance by the Sumter City-County Business License Office of identification cards pursuant to Code Section 26-2 (a) of the Code of Ordinances for Sumter County is hereby suspended.

Effective the 9th day of June 2020, in the County of Sumter, South Carolina by the affirmative vote of at least two-thirds of the members of Sumter County Council present at the regularly scheduled meeting this date.
