.....
COUNCIL MEMBERS PRESENT: James T. McCain, Jr., Chairman; James Byrd, Jr., Vice Chairman; Artie Baker, Eugene Baten, Charles T. Edens, Vivian Fleming McGhaney, and Chris Sumpter.

COUNCIL MEMBERS ABSENT: None

STAFF MEMBERS PRESENT: Gary Mixon, Mary W. Blanding, Johnathan Bryan, Valerie Brunson, Keysa Rogers; Helen Roodman, Joe Perry; Allen Dailey, Jeffery Richardson, and two Sheriff's Deputies;

MEMBERS OF THE PUBLIC: Approximately 63 members of the public were in attendance.

MEDIA: The Item Newspaper; Rachel Pittman

CALL TO ORDER: Chairman McCain called this meeting of April 23, 2019, to order.

INVOCATION: Council Member Vivian Fleming McGhaney gave the invocation.

PLEDGE OF ALLEGIANCE: All in attendance repeated the Pledge of Allegiance to the American Flag.

APPROVAL OF AGENDA: Chairman McCain asked Mary Blanding, the Clerk to Council, if there were any changes to the agenda for this meeting. She asked if Council would agree to move Item #1 Under New Business to be heard immediately after actions on the Minutes of April 9, 2019. Chairman McCain stated that he would entertain a motion concerning the approval of the agenda as recommended by the Clerk to Council.

ACTION: MOTION was made by Councilman Baker, seconded by Councilman Baten, and unanimously carried by Council to grant approval of the agenda as outlined by the Clerk.

APPROVAL OF MINUTES: Chairman McCain asked for a motion to adopt the minutes of Council's Regular Meeting held on Tuesday, April 9, 2019.

ACTION: MOTION was made by Councilman Baten, seconded by Councilman Sumpter, and unanimously carried by Council to grant approval of the Minutes of April 9, 2019, as presented by the Clerk.

NEW BUSINESS:

- (1) Recognition of Ms. Valerie A. Brunson, Sumter County's Veteran Affairs Officer, For Being Named The 2019 Veterans Service Officer of the Year By The S. C. Association Of County Veteran Service Officers.

The Honorable J. David Weeks, former Chairman of the Sumter County Legislative Delegation, presented this agenda item to Council. He stated that after the vacancy in the Veterans Affairs Office, the Delegation decided that when they hire the next person, this person would need to be a veteran and a person that is sensitive to the needs of the veterans and willing to work to make the Veterans Affairs Office a place for the veterans to come with expectations of excellent services from those working in the office.

Representative Weeks stated that he did not participate in the voting for obvious reasons (Ms. Brunson is his niece.) However, Ms. Brunson has done an excellent job. Once there were many complaints, but now there are calls from the veterans about the many positive projects, services, programs, events, etc. that have been

implemented under her leadership. Also, during a recent statewide meeting of the Veterans Affairs Service Officers, Valerie Brunson was selected as the Veterans Affairs Office of The Year for 2019.

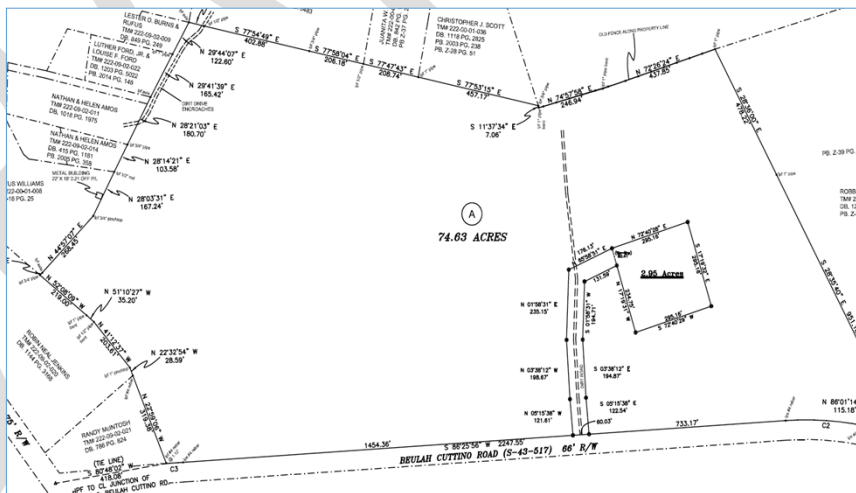

Representative Weeks presented the Trophy to Valerie Brunson on behalf of the S. C. Association Of County Veteran Service Officers. Members of Sumter County Council also presented Ms. Brunson with a gift and pictures were taken with Mrs. Brunson, Council members, and Representative Weeks.

Councilman Baten stated that, as a veteran, he can truly say that the Veterans in this community have the utmost respect for Ms. Brunson. He also said that he believes that Sumter County has the best Veterans Affairs Director not only in the state, but in the nation.

LAND USE MATTERS AND REZONING REQUESTS: Planned Development/Rezoning Requests

- (1) **RZ-19-04 – Second Reading/Public Hearing -- Beulah Cuttino Road (County) -- Request To Rezone A +/- 74.69 Acre Parcel Located On Beulah Cuttino Road From Residential-15 (R-15) To Agricultural Conservation (AC). The Property Is Represented By Tax Map #222-00-01-013. (Council Will Hold A Public Hearing Prior To Action On Second Reading Of This Rezoning Request.)**

Helen Roodman presented this proposed request to Council for second reading consideration. She stated that Donnie Beard and Robin Beard, the owners and applicants for this request, were not present during this meeting. The request is to rezone approximately 75 acres of property located on Beulah Cuttino Road from Residential-15 to Agricultural Conservation. The Beards hope to use approximately 3+ acres of this property for a home that they plan to build. The other portion of the property will be used for other agricultural purposes. The Planning Commission and Planning staff recommends approval of the request as presented.

Public Hearing

Mr. Dreyfus Williams stated that he has a parcel of land connecting to the property on Beulah Cuttino Road. He also stated said that the property he owns has been in his family since the 1800's. The property has been used for agricultural property during the 1800's; his family worked on the property. He stated that he is proud to stand on behalf of allowing the properties to remain as agricultural property. He supports agricultural land. A big mistake is on the way if we do not stand for agricultural property which will affect food, cultural, transportation, medication, clothing, and many other areas. We must come together as citizens to protect agricultural property.

After Mr. Williams' comments, Chairman McCain asked if anyone else wished to speak. No one else spoke; therefore, the Chairman closed the public hearing and Council took action on second reading.

ACTION: MOTION was made by Councilman Edens, seconded by Vice Chairman Byrd, and unanimously carried by Council to grant second reading approval.

OTHER PUBLIC HEARINGS:

- (1) **19-907 – An Ordinance To Amend Sumter County Code Of Ordinances, Sections 6-19, 6-20 And 6-23 Of Chapter 6, Article II, Relating To Dogs And Other Animals. (Council Will Take Action Third Reading Immediately After The Public Hearing Or During Old Business.)**

Prior to the public hearing, Councilman Edens stated that he has not been having problems with his email and did not see the information about the ordinance until today. He further stated that it was his understanding that there was information in the ordinance about the adoption of puppies. He asked the County Attorney, Mr. Bryan if there was additional language that should have been included in the ordinance about the puppies. Mr. Bryan stated that there was some discussion, but no decisions were made about what was, if anything, would be included about adoption of puppies.

Councilman Edens asked that this matter be deferred until such time that Council can discuss this matter with those that will be running the animal shelter and law enforcement about what is to be done with puppies if they are brought to the Animal Shelter.

Because a public hearing was advertised for this meeting, the Chairman stated that he would proceed with the public hearing, and if necessary reschedule another at a later date. After the public hearing, action on the ordinance is recorded under Old Business.

Chairman McCain convened the public hearing; he asked if anyone wished to speak in favor of or opposition to this proposed ordinance as presented. No one spoke to this matter; therefore, the Chairman closed the public hearing and Council took action on third reading.

NEW BUSINESS:

- (1) **Recognition of Ms. Valerie A. Brunson, Sumter County's Veteran Affairs Officer, For Being Named The 2019 Veterans Service Officer of the Year By The S. C. Association Of County Veteran Service Officers.**

This matter was heard earlier in the meeting right after the approval of the minutes as listed above.

- (2) **It May Be Necessary To Hold An Executive Session To Discuss An Economic Development Matter, An Employment Matter, A Legal Briefing, Or Other Matters Pertaining To An Executive Session, And Take Appropriate Actions Thereafter If Required.**

No executive session was held.

OLD BUSINESS:

- (1) **19-907 – Third Reading -- An Ordinance To Amend Sumter County Code Of Ordinances, Sections 6-19, 6-20 And 6-23 Of Chapter 6, Article II, Relating To Dogs And Other Animals.**

After discussion on this matter, as listed under public hearing, the Chairman called for a motion on third reading.

ACTION: MOTION was made by Councilman Edens, seconded by Councilman Byrd, and unanimously carried by Council to defer third reading until such time that the appropriate staff can meet along with Councilman Edens to discuss the inclusion of adoption of puppies in this proposed ordinance. If necessary, another public hearing will be scheduled.

COMMITTEE REPORTS:

(1) Budget Workshop To Be Held At 5:00 p.m. On Tuesday, April 23, 2019, In County Council's Chambers.

The County Administrator, Gary Mixon, stated that Council and staff had a budget workshop today for about one hour. The County's projected revenue stream for the impending year is \$50,517,369. This is a very fluid number at this time. Based on the information we have today. Mr. Mixon thanked Mr. James Michaelson, the County's Finance Director, for being very thorough in his presentation concerning the budget projects for the remaining of the year and the upcoming fiscal year.

Mr. Mixon stated that the next budget workshop will involve the expenditure for County Government and it will be held on April 30, 2019. The time will be determined later.

(2) Report From Council Members On Other Meetings, Trainings, And/Or Conferences; And Any Other Council Comments.

No report was given.

PUBLIC COMMENT

Larry Huff – stated that he is the Chairman of the Sumter County's Veterans Association and Valerie is the Secretary of the Association. He also asked Council members and other members of the public that if they know a veteran, ask them to become a member of some of the local Veterans organizations.

Since the Veteran's Park will not be completed by the event's date, the program will be held at the American Legion on Artillery Drive. All Council members are asked to attend. Mr. Huff also elaborated on the great job that Valerie Brunson is doing for the veterans.

Jackie Humes asked Council members not to bail out the School District Board by balancing the budget on the taxpayers. She also read a statement about what she spoke to the School District Board and asked them to do what they were elected to do for the students and teachers of this County. Ms. Humes further stated that she worked with Valerie Brunson and enjoyed her time working as the van driver for the Veterans. She also said that Valerie is an asset to this County and a great help for the veterans. Mrs. Humes asked Council to provide her with an update about the litter problem in Sumter. The Chairman asked Ms. Humes to talk to Mr. Mixon after the meeting.

ADJOURNMENT

After all discussion and all comments from the public, Motion was made by Councilman Edens, seconded by Councilman Sumpter to adjourn the meeting of Sumter County Council at 6:33 p.m.

Respectfully submitted,

MEMORANDUM

FROM: George K. McGregor, AICP, Planning Director

DATE: April 16, 2019

SUBJECT: COUNTY COUNCIL AGENDA – APRIL 23, 2019

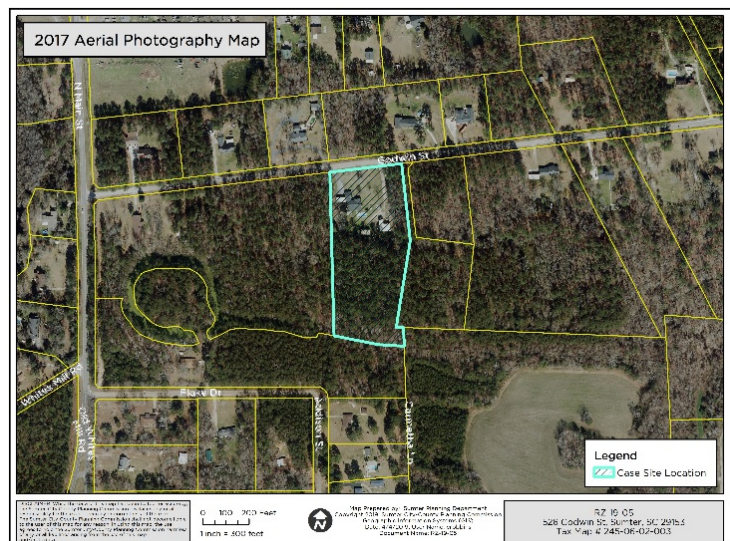

The Sumter City-County Planning Commission will have the following land use item(s) for review at County Council on Tuesday, April 23, 2019:

SECOND READING / PUBLIC HEARING

RZ-19-04, Beulah Cuttino Rd. (County)

Request to rezone a +/-74.69 acre parcel located on Beulah Cuttino Rd. from Residential-15 (R-15) to Agricultural Conservation (AC). The property is represented by Tax Map # 222-00-01-013.

If you have any questions or need additional information, please contact me at (803) 774-1660.

In the Agricultural Conservation (AC) zoning district Auto Repair is considered a Conditional-300 use (C-300) subject to Planning Staff review and approval. In addition to Staff review, signatures from at least 70% of the surrounding property owners within 300 feet of the subject parcel are required as part of the Conditional Use Approval process.

Historically, the property has a business license for go-kart sales, but in 2016 the business license was discontinued by the business owner. The applicant's family has lived on this property since this area was first developed, and multiple businesses have operated out of the existing shop building, however; automotive repair has never been a legally licensed use. This rezoning request is an effort bring the property into compliance with current zoning regulations and business licensing requirements.

View of the property from Godwin St.

As shown on the zoning map to the right the subject property is currently zoned R-15. Adjacent to the subject property to the north, east, and west is R-15 zoning. To the immediate south, the property abuts AC zoning.

The purpose of the AC zoning designation is to protect and preserve areas of the county which are presently rural or agricultural in character and use, and are uniquely suited to agricultural uses.

While the AC zoning designation allows for Single-Family dwellings and Agricultural Uses by right, there are a host of commercial activities that are classified as conditional uses within the district, this includes automotive repair as a C-300 use.

If the property is successfully rezoned it will be possible to file a conditional use application for Auto Repair to operate on the property. At that time, the property will be brought up to site development standards as required for Auto Repair.

III. COMPATIBILITY WITH THE 2030 COMPREHENSIVE PLAN

As shown in the 2030 Land Use Map, the property is located within the Rural Development planning area.

The goal of the Rural Development planning area is to support low-density residential development and selected non-residential and agricultural uses in a relaxed regulatory climate. At no greater than one unit per acre.

Staff finds that the request is compatible with the 2030 Plan.

IV. TRAFFIC REVIEW

Godwin St. is an SCDOT owned two lane road which is functionally classified as a Local Road. Godwin St. does not have an annual daily trip count (AADT) conducted by SCDOT. Godwin St. is located off of US-15 North. The nearest SCDOT AADT in the vicinity is located on US-15 North. In 2017 US-15 North received an AADT of 6400.

The 2010-2040 Sumter Long Range Transportation Plan does not propose any changes to Godwin St. or to US-15 North.

Where applicable, any proposed future development at the subject property will have its transportation impacts evaluated at time of site plan approval with appropriate mitigation measures required.

V. STAFF RECOMMENDATION

The request to rezone +/- 4.98 acres from Residential-15 (R-15) to Agricultural Conservation (AC) is supported by the 2030 Future Land Use policies.

VI. PLANNING COMMISSION – APRIL 24, 2019

The Sumter City-County Planning Commission at its meeting on Wednesday, April 24, 2019, voted to recommend approval of this request.

Planning Commission Staff Report

RZ-19-06, 1449 Camden Hwy. (County)

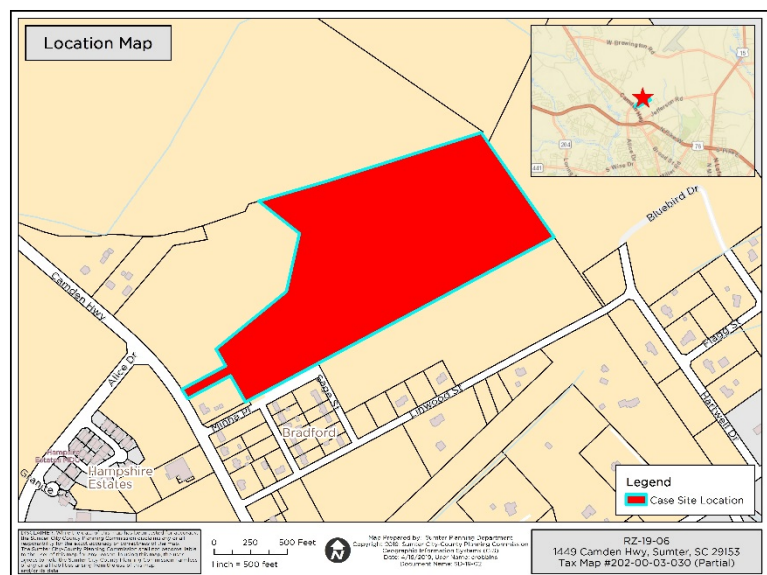

THE REQUEST

Applicant:	Bradford Meadows Development Co. LLC
Status of the Applicant:	Developer
Request:	A request to rezone a +/- 45.78 acre portion of a 147.9 acre parcel from Agricultural Conservation (AC) to Residential-15 (R-15).
Location:	1449 Camden Hwy.
Size of Property:	+/- 45.78
Present Use/Zoning:	Undeveloped / AC
Proposed Use of Property:	Residential Subdivision
Tax Map Reference:	202-00-03-030 (Part)
Adjacent Property Land Use and Zoning:	North –Undeveloped / General Commercial South – Bradford Subdivision / R-9 and AC East – Undeveloped / Agricultural Conservation West – Hampshire Estates Subdivision / Planned Development (PD)

II. BACKGROUND

This request is to rezone a +/- 45.78 acre portion of a 147.9 acre parcel from Agricultural Conservation (AC) to Residential-15 (R-15). The subject property, shown in the graphic to the right in red, is an undeveloped parcel of land along Camden Hwy.

The applicant is requesting to rezone the +/-45.78 acres of the subject parcel closest to Camden Hwy. in order to develop the site at a higher residential density than AC zoning currently permits.

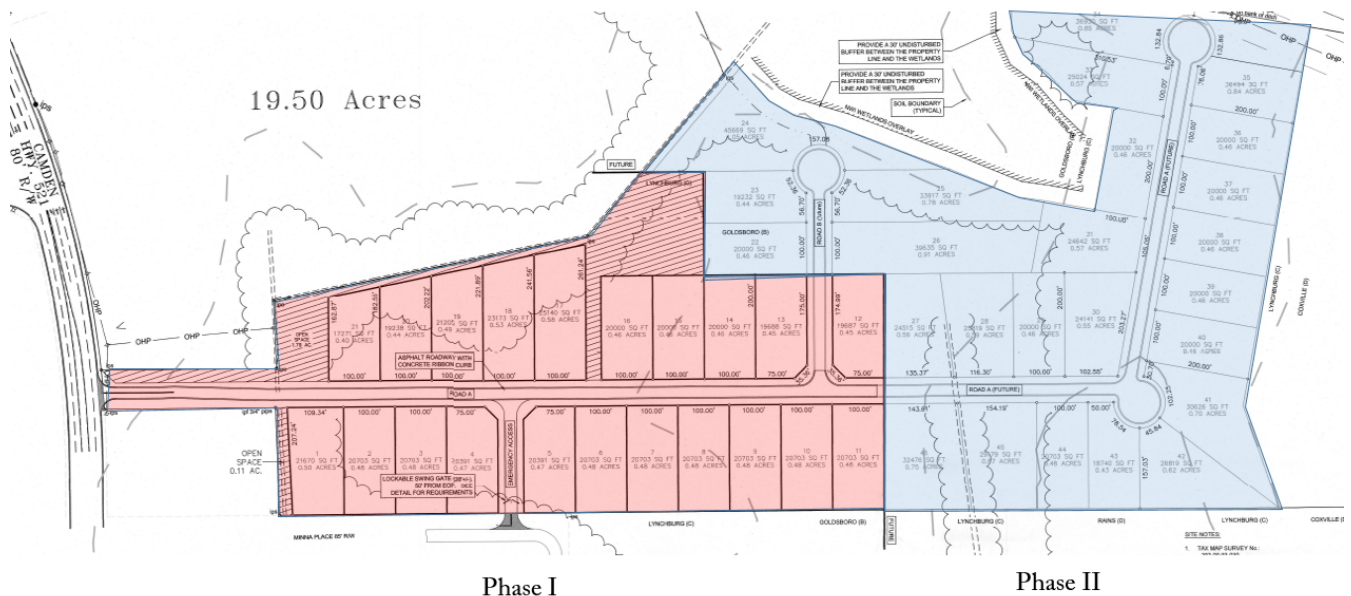

A photo of the subject property as it exists today is shown below.

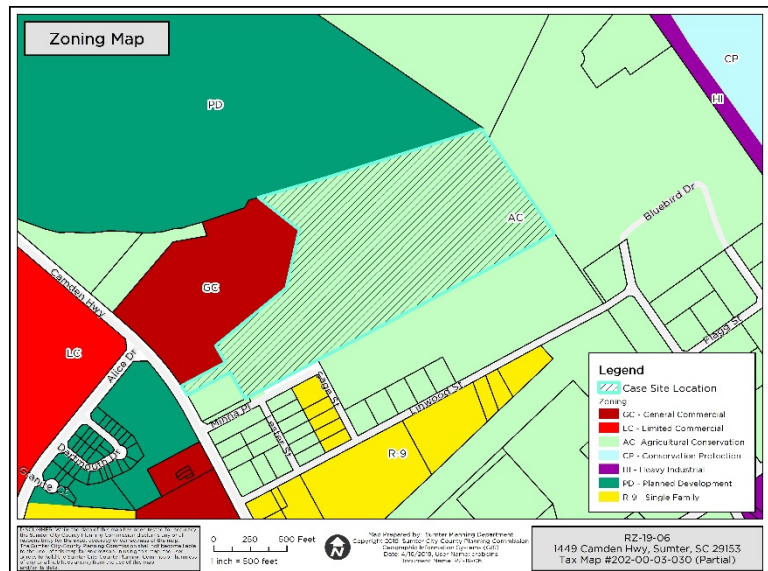

Above: View of the subject property from the dirt access drive

The applicant intends to develop this land into a single family residential subdivision. The graphic below shows the preliminary subdivision plan for the property. As proposed development will consist of 46 total lots ranging from 0.4 to 0.85 acres in size, with Phase I of the development accounting for 21 of those lots. This preliminary subdivision design will be reviewed and evaluated in the event an R-15 zoning entitlement is granted.

While municipal water and sewer services are available in the vicinity of Camden Hwy., the applicant has indicated that they do not intend to annex into the City for municipal services. This is based on the expense of extending services to the site. As planned the development would be served by individual well and septic.

As shown in the zoning map to the right, the subject property is currently zoned AC. This zoning designation is characterized by minimum lot sizes of over one acre, and is intended to preserve Sumter's rural and agricultural character. While the AC district plays a critical role in preserving rural areas with low density development, the area near the intersection of Alice Dr. and Camden Hwy. is already experiencing developmental pressure. Over the past 20 years, the area has been undergoing a shift from its rural, agricultural roots towards higher density residential and commercial development in response to Sumter's westward growth patterns.

The applicant intends to rezone the property to Large Single Family Lot Residential (R-15). Like the current AC zoning, an R-15 zoning designation would ensure the subject property remains primarily residential in nature, but would allow for higher density residential development than is currently permitted within the AC district. As per **Article 3, Section 3.b.5.a** of the **Sumter County – Zoning and Developmental Standards Ordinance**, if the property were rezoned to R-15, the future residential subdivision would be held to the following development standards

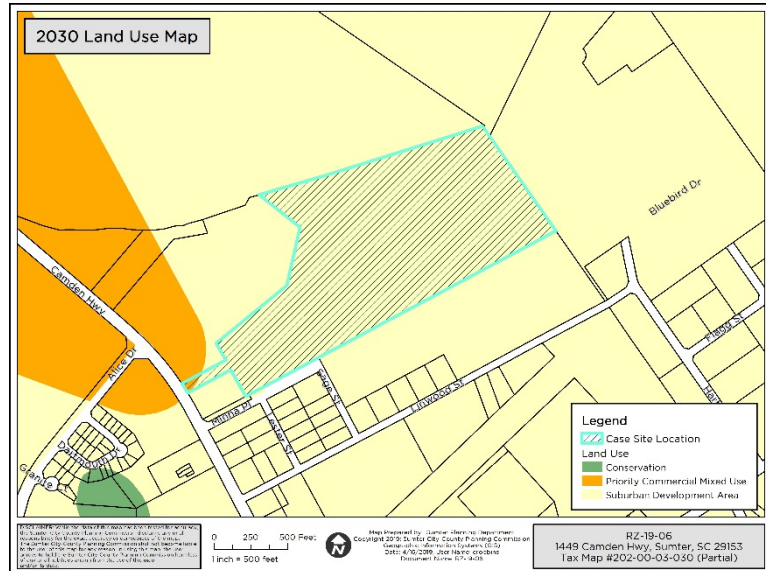

Minimum Lot Size: 15,000 sf.
Minimum Lot width: 100ft.
Minimum Lot Depth: 120ft

The proposed R-15 rezoning will fall below the density levels displayed by nearby zoning districts. To the south, in the Bradford subdivision, R-9 zoning is present which allows for lot sizes as small as 9,000 sf., and directly to the west, the Hampshire Estates subdivision is operating under PD zoning that permits lot sizes as low as 3,500 sf. While this proposed R-15 zoning is out of scale with the densities of neighboring residential uses, it does contain the developmental standards necessary to accommodate the applicant's proposed development.

III. COMPATIBILITY WITH THE 2030 COMPREHENSIVE PLAN

As shown in the 2030 Land Use Map on the following page, the property is located within the Suburban Development Area. The purpose of this land use area is to manage the existing growth patterns of Sumter. Suburban Development Area policies prioritize infill development, and call for new residential development to have a mix of housing types with residential densities of 3-4 units per acre. While the proposed R-15 zoning designation does not lend itself to diverse housing options or mixed use opportunities, the resulting minimum lot sizes of the R-15 district are in line with Suburban Development Area policies.

However, the area is also influenced by a Priority Commercial Mixed Use Area. This designation represents areas along major corridors that are opportunities for high quality residential and mixed use development. Priority Commercial Mixed Use Area policies call for intentional mixing of uses, and increased design and use standards with the goal of creating a destination driven commercial and residential experience. While the area in close proximity to the subject property has received this designation, at this time large scale commercial or mixed use development has yet to occur in the area.

While consistent with the broader Suburban Development Area policies, the R-15 zoning designation would not allow for the type of higher density, pedestrian oriented development that would be most appropriate near a Priority Commercial Mixed Use Area.

IV. TRAFFIC REVIEW

Camden Highway (US 521) is a state maintained major arterial road with a 2017 annual average daily trip (AADT) count of 19,200 near the subject property. Alice Dr. is a state maintained minor arterial road with a 2016 AADT count of 5,700 near the subject property.

While overall road network impacts will be evaluated at time of site development plan submission, it should be noted that the SUATS 2040 LRTP envisions Alice Dr. being extended across portions of the subject property to connect with N. Wise Dr. to the north, and the 2045 LRTP continues this vision of future Alice Dr. extension. Any proposed development on the site will need to be reviewed within the context of this planned future road alignment, which could significantly alter and proposed subdivision plan.

An excerpt from the LRTP related to Alice Drive Extension is on the following page.

Project RR – Alice Drive Extension

Alice Drive Extension (Project RR) is a proposed roadway between US 521 and Wise Drive. This project would extend the existing Alice Drive corridor up to Wise Drive in the northern portion of the study area. Extending Alice Drive would create an alternative route for multimodal traffic between the city center and the northern portion of the study area. This facility will improve network continuity and promote economic development. This recommendation was suggested during the public outreach process.

V. STAFF RECOMMENDATION

The Alice Drive and Camden Highway corridors are slated to be the site of significant future residential and commercial development. In light of this pattern of growth, the current AC zoning designation is no longer appropriate for areas along this corridor. While a higher density zoning designation than the applicant's proposed R-15 zoning would be most appropriate due to the subject property's location in relation to the Priority Commercial Mixed use area, the requested R-15 zoning designation is consistent with some Suburban Development area policies. However, it is staff's interpretation that as a whole, the Sumter 2030 comprehensive plan favors higher residential densities in this area.

The intersection of these two major corridors constitutes one of Sumter's most viable locations to establish high quality mixed use development. Developing this area at lower residential densities in a piecemeal and uncoordinated manner wastes an opportunity to create a cohesive commercial and residential destination at this primary intersection. A coordinated effort to provide higher density residential development in the area would be more effective in ensuring the long term success and viability of the corridor, while providing an environment that can foster high quality mixed use development.

Planning Commission Staff Report

RZ 19-04, 2834 Beulah Cuttino Rd. (County)

THE REQUEST

Applicant:	Donnie Ryan Beard & Robin Beard
Status of the Applicant:	Property Owner
Request:	A request to rezone a +/- 74.69 acre parcel from Residential-15 (R-15) to Agricultural Conservation (AC)
Location:	2834 Beulah Cuttino Rd.
Size of Property:	+/- 74.69 acres
Present Use/Zoning:	Undeveloped / R-15
Proposed Use of Property:	Residential
Tax Map Reference:	222-00-01-013
Adjacent Property Land Use and Zoning:	North – Undeveloped / Residential-15 (R-15) South – Undeveloped / Agricultural Conservation (AC) East – Residential-15 (R-15) West – Residential-15 (R-15)

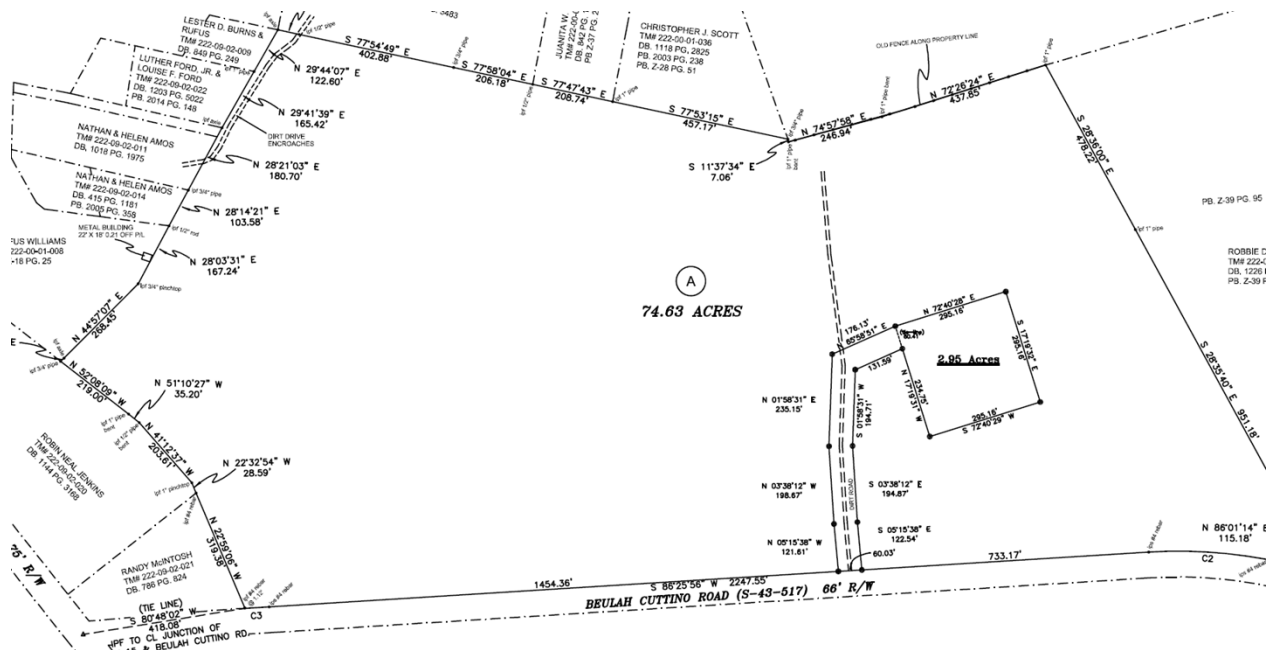

II. BACKGROUND

This request is to rezone a +/- 74.69 acre parcel from Residential-15 (R-15) to Agricultural Conservation (AC).

The applicant is requesting this rezoning in order to create a new 2.95 acre lot for the purposes of building a house. The proposed dimensions of this new lot are not in conformance with R-15 development standards. However, the dimensions are in conformance with Agricultural Conservation (AC) development standards. Also, the applicant has tentative future plans to construct an accessory structure (a personal work

shop) towards the western side of the future 74.63 acre parcel. Per the applicant, there are no further plans to develop the property other than to build a house and accessory structure on the proposed new lots.

The above graphic shows the proposed subdivision of the larger property. The proposed subdivision does not meet required R-15 lot width to depth ratio requirements that are applicable to residential lots. Residential lots in the AC district are exempt from this standard, per *Article 8.e.13.f—Lots of the Sumter County Zoning & Development Standards Ordinance*. Furthermore, the proposed subdivision does not meet the R-15 lot minimum width requirement. R-15 lots are required to have a minimum lot width of 100ft., per *Article 3.b.5.a. —Lot Requirements (Minimum) of the Sumter County Zoning and Development Standards Ordinance*.

View of the property from Beulah Cuttino Rd.

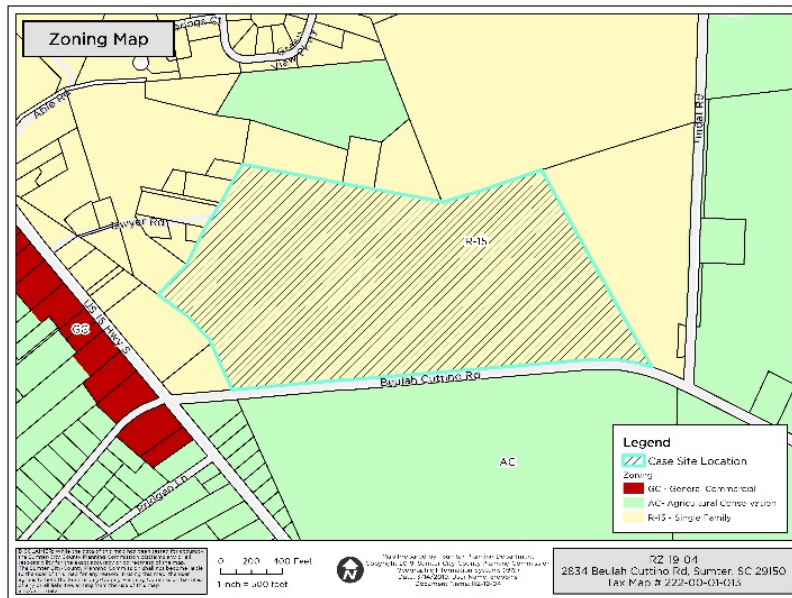

View of the Property from Beulah Cuttino Rd.

The purpose of the R-15 zoning district is to recognize the essential suburban living character of significant portions of Sumter County where low and medium density single-family residential development is the predominant living environment of the existing and future population.

The purpose of the AC zoning designation is to protect and preserve areas of the county which are presently rural or agricultural in character and use, and are uniquely suited to agricultural uses. A few of the permitted uses in AC zoning allow for Single-Family dwellings, Agricultural Uses and Manufactured Housing/Mobile Homes.

The subject property is adjacent to R-15 zoning to the north, east, and west. The property is immediately adjacent to AC zoning to the south.

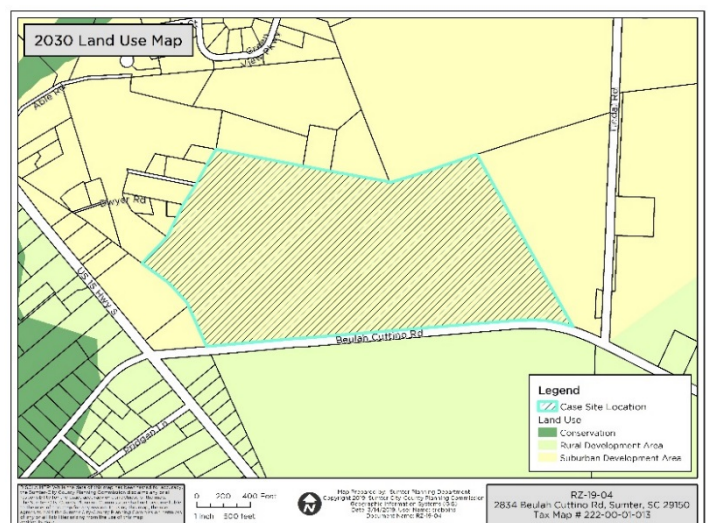

Based on available water and sewer infrastructure location data, the property is over 9,000 ft. away from the closest sewer main and approximately 400 ft. away from water mains along US Hwy 15 South. Without utility expansions, the property would require private septic tanks and private wells for development. In areas without sewer infrastructure, septic tank drain field areas that are established based on site specific soil conditions ultimately determine development density. Typically, this means development densities significantly less than 15,000 sf per lot as permitted under R-15 district standards.

III. COMPATIBILITY WITH THE 2030 COMPREHENSIVE PLAN

As shown in the 2030 Land Use Map, the property is located within the Suburban Development planning area. However, the property is at the extreme edge of this planning area and is considered to be influenced by the Rural Development planning area located immediately to the south.

The goal of the Suburban Development planning area is to scrutinize and manage existing development patterns. The goal of the Rural Development planning area is to support

low-density residential development at no greater than one unit per acre and to support selected non-residential and agricultural uses in a relaxed regulatory climate.

Specifically, this request is supported by the following Suburban Development policy:

- Low density development on private well and septic (one unit per acre or more) is appropriate adjacent to the rural planning area and military protection area, or in cases where environmental constraints dictate that low density residential is more appropriate.

Additionally, since the site is considered to be influenced by Rural Development planning area, staff finds that the request is compatible with the following specific Rural Development policies:

- Residential densities shall be supported at no greater than one unit per acre.
- Public sewer shall not be extended into the Rural Development planning area. *(If public sewer was extended to this site it would put development pressure onto the immediately adjacent areas in the Rural Development area).*

Staff finds that the request is compatible with the 2030 Plan.

IV. TRAFFIC REVIEW

Beulah Cuttino Rd. is an SCDOT owned two lane road which is functionally classified as a Minor Collector Road. In 2017, Beulah Cuttino Rd. had an annual daily trip count (AADT) of 750 vehicles.

Where applicable, any proposed future development at the subject property will have its transportation impacts evaluated at time of site plan approval with appropriate mitigation measures required.

V. STAFF RECOMMENDATION

The request to rezone +/- 74.69 acres from Residential-15 (R-15) to Agricultural Conservation (AC) is generally supported by the 2030 Future Land Use policies. Additionally, there is a lack of adequate utility infrastructure for the site to develop at R-15 densities.

VI. PLANNING COMMISSION – MARCH 27, 2019

The Sumter City-County Planning Commission at its meeting on Wednesday, March 27, 2019, recommended approval of this request.

VII. COUNTY COUNCIL – APRIL 9, 2019 – FIRST READING

The Sumter County Council at its meeting on Tuesday, April 9, 2019, gave First Reading approval for this request.

VIII. COUNTY COUNCIL – APRIL 23, 2019 – SECOND READING/PUBLIC HEARING

The Sumter County Council at its meeting on Tuesday, April 23, 2019, gave Second Reading approval for this request.

IX. COUNTY COUNCIL - MAY 14, 2019 – THIRD / FINAL READING

**AN ORDINANCE TO AMEND SUMTER COUNTY CODE OF ORDINANCES,
SECTIONS 6-19, 6-20 AND 6-23 of CHAPTER 6, ARTICLE II, RELATING TO DOGS
AND OTHER ANIMALS**

WHEREAS, Sumter County Council has previously enacted ordinances concerning dogs and other animals; and

WHEREAS, those ordinances, as compiled, are promulgated, in pertinent part, in the Code of Ordinances for Sumter County, South Carolina in Chapter 6, Article II, Sections 6-19 through 6-27; and

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL OF SUMTER COUNTY, SOUTH CAROLINA, AT ITS REGULAR MEETING DULY ASSEMBLED AND BY THE AUTHORITY THEREOF:

That Sumter County hereby amends its Code of Ordinances Sections 6-19, 6-20 and 6-23, of Chapter 6, Article II, so that those sections shall read as follows:

- 1. The following definitions shall be added to Section 6-19. Definitions**

***Tethering* means attaching an animal to a stationary object by means of a chain, cable, rope, running line, harness or similar devise. It shall not include the use of an appropriate leash to walk a dog. It shall not include appropriate leashes attached to trolley lines.**

***Trolley line* means a run line at least ten feet in length between two pulley stop points suspended at least three feet above the dog's head which allows five feet lateral movement for the dog on each side of the primary trolley line as measured on the ground. The secondary line attached to the dog shall have a rolling trolley freely moveable a distance of at least ten feet along the primary line with a spring/shock absorber attachment and swivels at both ends. A trolley line must allow the dog free access to food, water and shelter and may restrain only one dog at a time. All collars used must be made of nylon, leather or other durable and non-metallic material and must be fitted so as not to cause injury to the dog or embed itself in the dog's neck.**

- 2. New subsection (f) shall be added to Section 6-20. Certain actions unlawful, which new subsection (f) provides:**

(f) It shall be unlawful for any person to tether, fasten, chain, tie, restrain or otherwise cause an unattended dog to be fastened, chained, tied or restrained without limitation to houses, trees, garages or other stationary or immobile objects by means of a chain, cable rope, running line, harness or other physical restraint for the purpose of confinement except in circumstance in which all of the following requirement are met:

(1) The tether must be attached to a properly fitting harness or collar and not directly to the dog's neck. All collars used must be made of nylon, leather or other durable and non-metallic material and must be fitted so as not to cause injury to the dog or embed itself in the dog's neck. The tether must be at least 15 feet in length and positioned so that,

at its greatest length, it prevents injury, strangulation or entanglement with any obstruction, man-made or natural, or another animal and shall employ a swivel on at least one end of the tether to minimize tangling.

(2) If the tether is a chain it shall not be heavier than #2 gauge chain.

(3) A tethered dog must have access to adequate shade, shelter, food and water.

(4) A tethered dog may not be left unattended during extreme weather conditions including, but not limited to, extreme heat or near-freezing temperatures, hurricanes, thunderstorms or floods.

(5) A tethered dog must be at least 15 feet from the edge of any public road or sidewalk and not in an area open to teasing or attacks, or where the ground is continuously wet or muddy. A tethered dog must be tethered in a manner that will prevent the dog from leaving the owner's property.

(6) A tethered dog must be six months of age or older.

(7) A tethered dog must not be sick or injured.

(8) If there are multiple tethered dogs on one parcel of land, each dog must be tethered separately with sufficient space placed between the dogs to ensure that there is no contact with another tethered animal.

Exemptions: It is not unlawful for dogs in training for hunting or working to be tethered when supervised by the owner or a person with custody and control of the dog.

3. Section 6-23. Disposition of unclaimed dogs., shall be revised to read as follows.

(a) After any dog that is not positively identifiable has been impounded in the animal shelter for ten days and is unclaimed by its owner, the pound employees may dispose of such dog by a humane form of destruction. However, any dog that is not positively identifiable that has been impounded for six days may be turned over to any organization established for the purpose of caring for animals such as the Society for the Prevention of Cruelty to Animals or to any person who is approved to adopt or rescue such a dog under the effective adoption/rescue policies and procedures, provided the requirements of S.C.Code Ann. 47-3-60 (2017) or any other state statute, do not require impoundment for a longer period. Complete records shall be kept by animal shelter officials as to the disposition of all animals impounded.

(b) This section shall be implemented and enforced by employees or volunteers under the supervision of the County Administrator.

General Fund Recap

The following table updates the current version of the General Fund Budget:

	April 30 Version	May 14 Version
Estimated Revenue	\$50,541,170	\$51,612,920
Expenditures		
Personnel Services (wages, payroll taxes, fringe benefits)	30,947,649	30,985,149
Operating Expenditures	<u>20,534,752</u>	<u>20,896,853</u>
Total operating expenditures	<u>\$51,482,401</u>	<u>\$51,882,002</u>
Excess (deficit) of revenues over operating expenditures	(941,231)	(268,082)

The increase in revenue for this version of the budget is a result of updating trend information based upon current activity in ROD fees, EMS fees and building rentals. Adjustments were made to public safety operating expenditures as well as the addition of the summer youth program funding omitted from the April 30 version.

The carryover capital items are the special appropriations for the Sheriff, Detention Center and EMS building projects.
