Planning Commission Staff Report

PD-05-09 (Revision 1), 350 Myrtle Beach Hwy. – Carolina Truck & Trailer Parts (County)

I. THE REQUEST

Applicant:	Carolina Truck & Trailer Parts
Status of the Applicant:	Property Owner
Request:	Request to amend Ordinance PD-05-09, specifically for the addition of Used Motor Vehicle Parts (SIC Code, 5015) as a permitted use on a 9.95 acre portion of the property (Identified on plat prepared by Mathis & Muldrow Land Surveying, Inc. dated May 29, 2018).
Location:	350 Myrtle Beach Hwy.
Present Use/Zoning:	Undeveloped & Vehicle Part Storage / Planned Development (PD)
Tax Map Number:	267-01-02-015
Adjacent Property Land Use and Zoning:	North – Residential / General Residential (GR) South – Vacant / Agricultural Conservation (AC) East – Residential / GR West – Truck Repair & Used Motor Vehicle Parts / Light Industrial-Warehouse (LI-W)

II. BACKGROUND

The applicant is requesting to amend to the text of the Ordinance for Planned Development (PD-05-09) *Section III* in order to allow for Used Motor Vehicle Parts (SIC Code 5150) as a permitted use. The use would be a continuation of the Carolina Truck & Trailer Parts Business located on property immediately adjacent to the west at 300 Myrtle Beach Hwy.

This business was approved for Truck Repair and Used Motor Vehicles Parts uses, which includes the wholesale and retail of used motor vehicle parts per SIC Code descriptions.

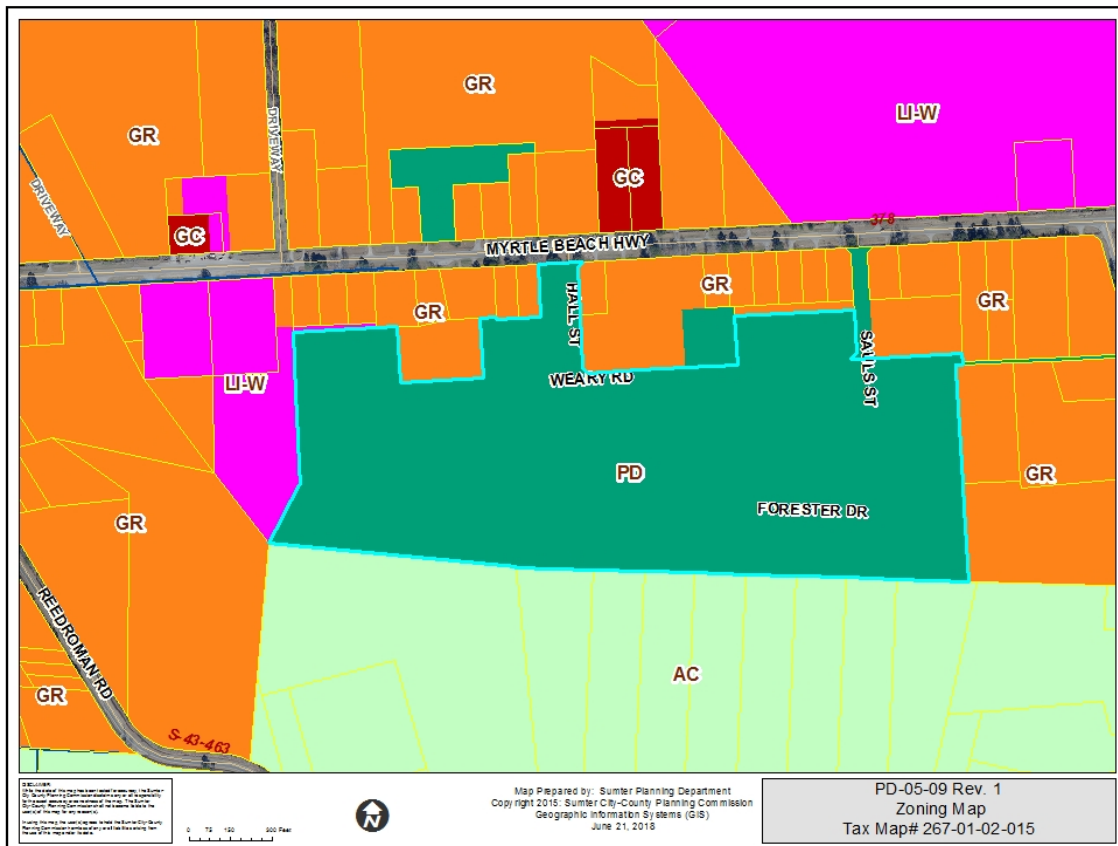

This PD Ordinance amendment request is specifically for a 9.95 acre portion of the overall +/- 47 acre property tied to this specific PD. This area is identified on a plat prepared by Mathis & Muldrow Land Surveying, Inc. dated May 29, 2018. A +/- 6 acre portion of the 9.95 acres is currently being used for overflow storage of motor vehicles and parts associated with the business. According to the business owner, this is an overflow area where trucks and parts are stored until they are hauled off-site for recycling and/or repurposing. The applicant has stated that in the future they may wish to expand the existing area, not to exceed the area shown on the plat below.

This request is a result of zoning enforcement action at the property. In February 2015, Carolina Truck & Trailer Parts, who owns property and operates a Truck Repair and Used Motor Vehicle Parts business on property immediately adjacent to the west of the subject property, purchased the +/- 47 acre property. Sometime later in that year, Carolina Truck & Trailer Parts cleared a +/- 6 acre portion of the subject property close to their existing business and began using this area for overflow storage associated with their business operation. This action on the +/- 6 acre portion of 267-01-02-15 constituted a violation of the Zoning Ordinance because the land is zoned Planned Development (PD-05-09). Per the adopted PD-05-09 Ordinance, the only

permitted uses on the property are Wholesale Nursery Stock (SIC Code 5193) and Retail Nurseries, Lawn and Garden Supply Stores (SIC Code 5261). Prior to PD-05-09 taking effect, the property was zoned GR and was the location of a residential subdivision that was never built.

Environmental:

According to high level wetlands data publically available through the US Fish & Wildlife Wetland Mapper, almost all of the +/- 47 acre PD is identified as a wetland. This data is for information purposes only and cannot be relied upon for an accurate determination of wetland boundaries or jurisdictional status. A wetlands delineation and an Army Corps of Engineers Jurisdictional Determination will need to be obtained prior to future land disturbance on the site.

III. ORDINANCE AMENDMENT

1. Amend *Section III* of Ordinance PD-05-09 to allow a Used Motor Vehicle Parts (SIC 5015) as a permitted use only on the 9.95 acre portion identified on a plat prepared by Mathis & Muldrow Land Surveying, Inc. dated May 29, 2018.
2. Staff recommends the following amendments to *Section II* of Ordinance PD-05-09 be considered by the Planning Commission (if the PC votes to pass along a favorable recommendation on this request):
 - No buildings or structures permitted on the 9.95 acre portion of TMS# 267-01-02-015.
 - A minimum of a 15' wide landscape buffer consisting of 3 canopy trees per every 100 feet on center, 8 evergreen trees per 100 feet on center, and 15 tall shrubs per 100 feet on center or equal equivalent as determined by the Zoning Administrator be installed or maintained around all boundaries of the 9.95 acre portion of TMS# 267-01-02-015, which the exception of the section adjacent to TMS# 267-01-02-018.

- Any new land clearing associated with development on the 9.95 acre portion of TMS# 267-01-02-015 will require site plan approval, land disturbance permit approval, and wetlands delineation submittal, in accordance with Sumter County Zoning & Development Ordinance requirements.
- All Development, land disturbance, clearing or other applicable activities on TMS# 267-01-02-015 must adhere to the requirements and standards outlined in the Sumter County Zoning & Development Standards Ordinance unless otherwise specified by this ordinance (Ordinance PD-05-09 Revision 1).

IV. COMPATIBILITY WITH THE 2030 COMPREHENSIVE PLAN

Per the 2030 Comprehensive Plan, the subject property lies within the Suburban Development Planning Area. The primary objective of this land use designation is to scrutinize and manage the existing development patterns, foster intentional mixed-use development and identify new commercial and industrial locations where form and design are a focus, all in a more efficient manner.

The primary applicable Suburban Development Planning Area policy is:

Industrial, light-industrial, warehouse, automotive repair, and uses with a dominant outdoor storage component should be directed to established area with like uses.

V. STAFF RECOMMENDATION

Staff recommends approval of this request. However, staff does have concerns about the clearing and disturbing of land that could be within a regulated wetland. Additionally, it appears that the main business operation at 300 Myrtle Beach Highway consists of the retail and whole sale of used automotive parts, which is covered under SIC Code 5015. However, the use as a whole has the characteristics of a Salvage Yard Use, as defined in Article 10 of the County Zoning & Land Development Standards Ordinance. A Salvage Yard use is not an allowed use in the underlying adjacent LI-W zoning district where the main business is located and it is not being specifically requested for the subject property.

VI. DRAFT MOTIONS

Motion #1:

I move that the Sumter City-County Planning Commission approve PD-05-09 (Revision 1), to amend Ordinance PD-05-09 allow Used Motor Vehicle Parts (SIC Code 5015) as a permitted use, with conditions as noted in the staff report and draft ordinance.

Motion #2:

I move that the Sumter City-County Planning Commission deny PD-05-09 (Revision 1), to amend Ordinance PD-05-09 to allow Used Motor Vehicle Parts (SIC Code 5015) as a permitted use

Motion #3:

I move that the Sumter City-County Planning Commission propose an alternate motion for PD-05-09 (Revision 1).

VII. PLANNING COMMISSION – JUNE 27, 2018

The Sumter City-County Planning Commission at its meeting on Wednesday, June 27, 2018 voted to recommend approval of this request to amend Ordinance PD-05-09 allow Used Motor Vehicle Parts (SIC Code 5015) as a permitted use, with conditions as noted in the staff report and draft ordinance.

Planning Commission Staff Report

RZ-18-06, 3425 Thomas Sumter Hwy. (County)

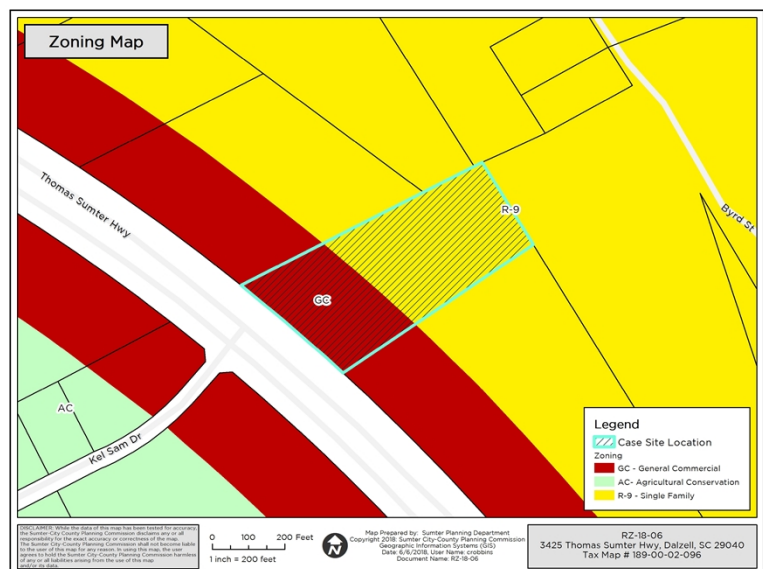

I. THE REQUEST

Applicant:	Anointed Word Christian Worship Center
Status of the Applicant:	Property Owner
Request:	A request to rezone a +/-1.9 acre portion of a 4.85 acre tract from General Commercial (GC) to Residential-9 R-9)
Location:	3425 Thomas Sumter Hwy.
Size of Property:	+/-1.9 acre portion of a 4.85 acre tract
Present Use/Zoning:	Undeveloped / GC & R-9 influenced by County Highway Corridor Protection District (HCPD)
Proposed Use of Property:	Off-site church cemetery
Tax Map Reference:	189-00-02-096
Adjacent Property Land Use and Zoning:	North – Undeveloped/R-9 South – Thomas Sumter Hwy. & Kel-Sam Farms/GC & AC East – Undeveloped/GC & R-9 West – Undeveloped/GC & R-9

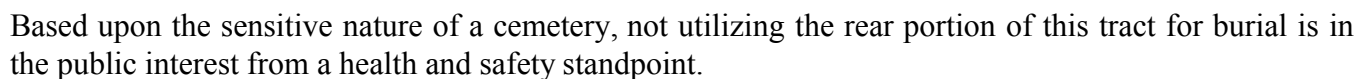

II. BACKGROUND

This request is to rezone a 1.9 acre portion of the split zoned 4.85 acre tract of land from General Commercial (GC) to Residential-9 (R-9) so that the entire parcel will be zoned R-9.

As shown on the zoning map to the right, the property is located on the east side of Thomas Sumter Hwy. adjacent to the median crossover for Kel-Sam Farms Subdivision. In June of 2017, Anointed Word Christian Worship Center received

In the GC district, cemeteries are permitted as an on-site accessory use with churches, however; cemeteries are permitted as stand-alone conditional uses in the R-9 district. Although 2/3rd of the property is already zoned R-9, the rear portion of the property is very wet and is within a special flood hazard area as shown in the FIRMETTE graphic below. Based on these environmental factors, the rear portion of the property is not ideal for the establishment of a cemetery. As such, the applicant requests this rezoning in order to establish a cemetery on the front 1.9 acre portion of the tract located outside of the floodplain. As shown in the graphic below, more than half of the tract is in the Special Flood Hazard area, and in 2015 this parcel did experience flooding to the 100 year boundary.

III. COMPATIBILITY WITH THE 2030 COMPREHENSIVE PLAN

The property is located in the Military Protection Planning Area (MP). The MP is intended to protect Shaw Air Force Base from encroachment of incompatible land uses and reduce the accident and noise potential to citizens in areas adjacent to this critical military installation. Protection of Shaw Air Force Base's mission is the community's primary goal in this area. Great care should be taken in evaluating any land use application in this planning area.

Based upon established Military Protection Planning Area Policies (LU 17) the County is supportive of very low-density residential uses of one acre or more on private well and septic tank only. Public sewer infrastructure will not be extended to the MP area for residential uses. It is the applicant's intent to use this property for an off-site cemetery for their congregation. Expansion of the R-9 zoning district would allow additional residential density above one unit per acre, which is not in line with MP area policies.

IV. TRAFFIC REVIEW

The property is located on the north side of Thomas Sumter Hwy/Hwy 261, a 4 lane divided highway classified as a principal arterial roadway. This section of Thomas Sumter Hwy. has an AADT of 9500. Any future use of the site will require an SCDOT encroachment permit, and site impacts will be reviewed at time of future development.

V. STAFF RECOMMENDATION

Planning staff is not opposed to a stand-alone cemetery use at this site. However, staff recommends that a text amendment be brought forward that would add stand-alone cemeteries as a conditional use in the GC district versus rezoning the subject property to R-9.

VI. PLANNING COMMISSION – JUNE 27, 2018

The Sumter City-County Planning Commission at its meeting on Wednesday, June 27, 2018, recommended forwarding the rezoning request to County Council for consideration. In the alternative, the Commission recommended that Council consider a zoning ordinance text amendment to allow cemeteries in the General Commercial (GC) zoning district.

OA-18-02, Miscellaneous and Temporary Signs (County)

I. THE REQUEST

Applicant: Sumter County Council

Request: Amend relevant portions Article 8, Section I: Sign Regulations of the *Sumter County Development Standards Ordinance* to allow certain fluttering devices, including feather flags in the County.

Sample Feather Flags

II. BACKGROUND

Pennants and Fluttering Devices (Feather flags)

In order to encourage business visibility, County Council suggests consideration of an amendment to the sign ordinance permitting a specific type of fluttering device called a feather flag.¹ Fluttering devices of any type are prohibited and have been since the 2009 sign ordinance update (OA 08-09).

Section 8.i.4.b. Fluttering devices, states: ***“floats, inflatable characters or objects, ribbons, pennants, spinners, streamers, or other types of fluttering devices shall not be permitted.”***

In 2012, the Building Industry Association requested permitting these devices on a temporary basis at model homes but withdrew this request during the planning commission review stage.

Consideration should be given to type, size, location, and frequency.

Suggested parameters for Feather Flag signs

1. Definition: a feather flag sign is a lightweight, portable, freestanding, on-premise sign typically constructed of a single plastic or metal shaft that is affixed to the ground or a base with an attached pendant vertically attached to the shaft.
2. Size: Maximum height of 12 feet; maximum width of 3 feet; maximum sign area 36 sq. ft.
3. Number:
 - Parcels with less than 50 linear feet of frontage measured at the primary street-2 flags
 - Parcels with 50 to 100 linear feet of frontage-3 flags
 - Parcels with 100 linear feet or more-4 flags
4. Feather flag signs shall be permitted on all properties with a commercial or industrial zoning designation (PO, NC, LC, GC, LI-W, HI) and on any parcel in the AC Zoning district.
5. Feather flags shall meet all district sign setbacks and be maintained in good repair at all times.
6. Feather flag signs shall be permitted as a conditional use and limited to up to three 30 day only periods per year for a total maximum of 90 days. A permit is required (\$25 temporary sign/conditional use). Those exact dates will be annotated on the permit issued by the Planning Department.
7. For Multi-tenant properties, each business/tenant shall be entitled to a conditional use for feather flag signs for up to three 30 day only periods per year for a total of 90 days so long as the total number of feather flags on the parcel at any one time does not exceed the limits established in #3 above. REVISED SUMTER-LEE REGIONAL DETENTION CENTER CONTRACT

WHEREAS, Sumter County and Lee County are legally obligated to provide detention centers for certain prisoners;

WHEREAS, Lee County has determined that the most economically feasible method for meeting its legal obligation is to house certain of the prisoners it is obligated to house in the Sumter-Lee Regional Detention Center and to contribute to the expansion, renovation, maintenance, and operation of the Sumter-Lee Regional Detention Center; and

WHEREAS, Sumter County has determined that the most economically feasible method for meeting its obligations to house its prisoners is with the fiscal support of Lee County in the expansion, renovation, maintenance, and operation of the Sumter-Lee Regional Detention Center;

NOW, THEREFORE, Lee County, by its duly constituted officials, and Sumter County, by its duly constituted officials mutually agree as follows:

1. Sumter County will house all Lee County prisoners, as designated by Lee County, at the Sumter-Lee Regional Detention Center (hereinafter "S-LRDC").
2. The Sumter-Lee Regional Detention Center shall be operated by the Sumter County Sheriff in accordance with an Agreement, the effective date of which is October 24, 2017. The Sumter County Sheriff shall appoint the Director of the S-LRDC and shall supervise his/her operation of the S-LRDC. The Sumter County Sheriff shall also have the sole power to terminate the appointment of the Director and to appoint his/her successor. All decisions concerning the scope and nature of capital projects relating to the S-LRDC, as defined below, shall be made by Sumter County, but Sumter County shall take into consideration such information and requests made by Lee County officials in making such decisions.
3. Lee County will contribute ten (10%) per cent of all costs of any capital projects related to the S-LRDC. These capital projects include, the expansion and renovation of the existing S-LRDC, the construction of a new S-LRDC, and any other future capital improvements to the S-LRDC.
4. The operating budget of the S-LRDC will be determined by Sumter County Council and such operating budget shall include the cost of Sumter County's obligation to transport Lee County prisoners under this agreement. A copy of the proposed annual operating budget shall be submitted to Lee County Council at least sixty (60) days prior to approval by the Sumter County Council in order to provide Lee County Council with the opportunity to provide input into the budget. Sumter County shall take into consideration such information and requests made by Lee County officials in determining the annual operating budget of the S-LRDC.

5. Until the end of the fiscal year ending June 30, 2018, Lee County will contribute and pay to Sumter County ten (10.09%) per cent of the annual operating budget of the S-LRDC. Beginning with the fiscal year beginning July 1, 2018, and every year thereafter, the responsibility of Lee County to contribute to the operating budget of the S-LRDC shall be based on the average percentage of Lee County detainees housed at the S-LRDC during the previous five fiscal years of the total average number of prisoners house at the S-LRDC during the previous five fiscal years, which shall be calculated on the basis of inmate days. However, the maximum increase or decrease for either county's contribution from one year to the next shall be one percentage point even if the number of inmate days for either county's detainees in any particular fiscal year exceeds one percent over the prior average of the past five fiscal years. The Director of the S-LRDC shall be responsible for keeping such records as may be necessary to make such determination and shall provide Lee County with a monthly tabulation of days for each county as well as the municipal days attributed to the City of Bishopville. In the event that the actual cost of operation of the S-LRDC exceeds the budgeted cost, Lee County shall pay to Sumter County its applicable percentage of the excess cost. Lee County shall make quarterly payments towards the operating cost of the S-LRDC within ten (10) days of receipt of an invoice from Sumter County. Any revenue generated by the S-LRDC shall also be shared by Sumter and Lee County on the same percentage basis as the operational expenses.

6. All costs of capital projects and the operating budgets of the S-LRDC, other than those assumed by Lee County under this agreement, shall be borne by Sumter County.

7. Each law enforcement agency in Sumter and Lee Counties shall be responsible for the initial transportation of a prisoner to the Correction Center, e.g. upon initial arrest of the prisoner. Thereafter the Sumter-Lee Regional Detention Center will transport such prisoners to and from such places in Lee County, or elsewhere, as necessary.

8. In the event Matching Grants are obtained for the benefit of the S-LRDC, each County shall be responsible for the matching funds in amounts proportional to the operating cost funding ratio in effect at the time the grant is secured.

9. The S-LRDC shall at all times keep full and accurate records of its actions and doings and of its receipts and expenditures. The receipts and expenditures of the S-LRDC shall be audited annually as part of the audit of Sumter County. A copy of the Sumter County audit report shall be provided to the administrator of Lee County. The records of the S-LRDC shall be at all times available for inspection by Lee County or its authorized representative. In addition, the Director of the Correction Center shall provide a quarterly statement of operations of the jail to Lee County.

10. Sumter County shall house all prisoners incarcerated at the S-LRDC in the legally required manner, in compliance will all applicable valid federal and State of South Carolina law. Sumter County assumes all liability for the operation of the jail.

11. In the event that the S-LRDC is unable to house a prisoner from either of the Counties, the Director of the S-LRDC shall make arrangements for the housing of such prisoner in suitable detention facilities elsewhere. The cost of housing such prisoner in a detention

facility elsewhere shall be considering an operating cost of the S-LRDC for purposes of this agreement.

12. There shall be a semi-annual meeting between the Lee County and Sumter County Administrators, the Sumter and Lee County jail administrators, and the Chairman of the Public Safety Committees for the respective counties for the purpose of discussing the operation of the jail. 13. Any disagreements regarding the construction of this agreement, and any complaints regarding the obligations of or the performance by either County under the agreement shall be submitted to a committee comprised of the Administrator of each County, the Chairperson of County Council of each County, and one member of the Public Safety Committee of each County. This committee shall meet at such time and place as designated by the Chairperson of Sumter County Council. The decisions of this committee regarding the matter before it shall be binding on each County.

14. The term of this agreement shall be thirty (30) years with an option to renew for an additional thirty (30) years. Each county shall notify the other no less than six months before the termination of the initial thirty year term of its decision whether to renew this agreement. Failure of either county to notify timely the other county shall constitute a forfeiture of the option. In the absence of a renewal, this agreement shall terminate on the last day of the fiscal year of the thirtieth year following the first day of the fiscal year beginning after the effective date of this agreement. The effective date of the agreement shall be July 1, 2018. Notwithstanding the foregoing, Lee County may terminate this contract effective at the end of the fiscal year of each county upon giving six (6) months notice to the Sumter County Council. Sumter County may terminate this contract effective at the end of the fiscal year of each county upon giving twenty-four (24) months notice to the Lee County Council or until such time as Lee County can construct a jail, not to exceed 48 months.

15. Lee County's 10% capital contribution funding obligations may be made in annual installments over a five year period, with no interest accruing, documented by a promissory note payable to Sumter County.
