SWEETWATER COUNTY SIGN PERMIT SUBMITTAL REQUIREMENTS

- Site Plan:** A site plan, legibly drawn to scale and based on legally established lot corners that are permanently marked and identified, showing the following information:
 - Address of the property.
 - Legal Description
 - Location and dimensions of the land area in question
 - Size, shape, dimensions and location of existing or proposed structures
 - Location of fire hydrant or water supply
 - Access including dimensions, distance from property corners and size of culvert
 - Show general drainage of lot or parcel
 - Parking and loading areas
 - Commercial signage, if applicable
 - Septic and well locations
 - Fuels being used or stored on the property
 - Utilities
 - Easements
- Sign Diagram (See Example Sign Diagram):** The following items shall be shown on your Sign Diagram:
 - Scale of drawing
 - A detail (elevation drawing) to scale of the wall area or area on the lot with the proposed sign drawn on it.
 - Scaled drawing of sign including the following:
 - Sign dimensions (height & width)
 - Vertical clearance
 - Sign copy (Those letters, numerals, figures, symbols, logos and graphic elements comprising the content or message of a sign)
 - Total Sign area
- Engineer Certification:** Free standing signs, billboards and roof signs require construction plans certified by a Professional Engineer licensed in the State of Wyoming certifying compliance with the International Building Code.

SIGNATURE REQUIRED

I acknowledge that I have read and understand this application and the pertinent regulations. I further agree if the permit is approved, I will comply with all regulations and conditions of approval. I grant Sweetwater County the right of ingress/egress as reasonably necessary to determine compliance with County regulations or conditions of this permit. I certify that the information provided with this application is true and correct.
