<u>Special Provisions/Needs</u>			
<p>Please list any special provisions or needs (sanitary, parking, etc.) requested, including any variances from the Township's Park Regulations (Chapter 12.24). Please cite the section of the Park Regulations from which relief is sought, if appropriate. Attach additional sheets if necessary and certificate of insurance. Costs to be borne by applicant may be incurred (if for example a parking attendant, port-a-john, or cleaning fee is required) at the discretion of the Township's agents. Any on-site preparation of food using open fire requires inspection by the Fire Official and County Department of Health. The erection of tents or temporary structures, small truck mounted kiddie rides, inflatable bounces, slides and other inflatable attractions will need inspection and approval by the Construction Official. A certificate of insurance naming the Township, Township officers, employees and volunteers as additional insured and considered primary is required with a minimum of \$1,000,000 Comprehensive General Liability coverage.</p>
