

Violet Township Fire Department

Michael J. Little, Chief
For Emergencies, Dial 9-1-1

We are Your Friends For Life!

Welcome!

On behalf of the Violet Township Fire Department (VTFD), we would like to take this opportunity to congratulate you on your new home. The VTFD takes great pride in delivering rapid, efficient, professional and state of the art services. Emergency services provided include fire suppression, emergency medical paramedic and rescue services. We also provide a number of non-emergency services that include assisting with malfunctioning smoke detectors, carbon monoxide alarm activations, and any other situation that you find a need for assistance.

Our community education and outreach services include:

Community CPR, Automated External Defibrillators (AED) and First Aid Training, Home Fire Inspections, Fire Extinguisher Training, School Presentations, Programming Weather Alert Radios, Reflective Address Signs, Fire Station Tours, Home Safety Visits, and presence at Community Events. We also participate in the Big Brothers / Sisters Program, Chamber of Commerce LEADS program, PCMA Food Pantry, and our Annual Holiday Toy Drive.

As part of our continued outreach, we have included a home inspection checklist that will help make your new home a safer experience.

We would also like to invite you to attend our annual open house, which will be held in October. You can check our website for further details as the date gets closer.

We are proud to provide emergency services from 3 stations located in the community. If at any time you need assistance with any of the above items, *please do not hesitate to contact us.*

If you would like more information about the VTFD, feel free to visit us at www.violet.oh.us, find us on Facebook™ at www.facebook.com/VioletTownshipFire, or follow us on Twitter™ @VioletTwpFire

Thank you for choosing our community as your place to call home.

Respectfully,

Michael J. Little, Fire Chief
