

BMRCHP

Blue Mountain Regional
Community Health Partnership

April 16, 2019

Walla Walla County Training Room

Agenda

- ▶ Welcome and Introductions
- ▶ CHIP Priority Area Updates
- ▶ GCACH Updates
- ▶ Training Policy
- ▶ Announcements

Introductions

- ▶ Name
- ▶ Organization

Blue Zones Updates – Meghan DeBolt

- ▶ Proposal from Blue Zones and next steps

Behavioral Health Updates – Meghan DeBolt

- ▶ Behavioral Health Task Force

Early Learning Updates – Samantha Bowen

- ▶ The Early Learning Coalition is moving forward on its goals for 2019.
- ▶ The ELC Advisory Team identified 4 priorities and will form workgroups to address the measures and outcomes over the next few months:
 - ▶ Identify and Develop Social/Emotional/Behavioral Health Strategies
 - ▶ Address our region's Infant/Toddler childcare shortage and lack of options for families who do not qualify for state/federal programs, but private pay is still too expensive
 - ▶ Re-think the approach to reaching "fringe families"
 - ▶ Create a unifying gathering place welcome to all children and families
- ▶ At the same time, we are continuing our work with the National League of Cities to become an Early Learning Community.
 - ▶ Next steps in that initiative include:
 - ▶ Completing the Progress Rating Tool
 - ▶ Developing an Action Plan around the 4 building blocks: Commitment, Services, Neighborhoods, and Policies

Housing Updates – Sierra Knutson

- ▶ Council on Housing

GCACH Updates – Ruben Peralta

- ▶ Sentinel Network Survey
- ▶ Opioid Trauma-informed Summit
- ▶ Semi-Annual Report

Sentinel Network Survey

- ▶ Share healthcare recruiting hurdles, common skill gaps, and other workforce challenges.
- ▶ Data used to make recommendations to policy makers, workforce planners, and educators
- ▶ Data will also assist GCACH in allocating over \$400,000 in healthcare scholarship money within its region
- ▶ Who should Participate?

- Behavioral-mental health clinic/outpatient mental health and substance abuse clinic
- Skilled nursing facility
- FQHC or community clinic providing care free or on a sliding fee scale.
- Acute Care Hospital (25 beds or fewer)

- Primary care medical clinic (not FQHC) or community clinic)
- Intermediate care facility
- Specialty medical clinic
- Home health care services
- Psychiatric/substance abuse hospitals
- Home health care Services and hospice

- Education
- Medical/diagnostic laboratory
- Public health
- Dentist office/dental clinic
- Acute care hospital (more than 25 beds)
- Nursing and personal care facility
- Other health care facility type

Sponsorship Policy

- ▶ Event sponsorship for organizations not currently receiving Medicaid Demonstration dollars from GCACH
- ▶ Requests should be between \$500 and \$5,000 and cannot be the only source of funding for the event

Training Policy

- ▶ \$5,000 to attend training, seminars, or conferences or bring a trainer to the community
 - ▶ Must submit request at least 1.5 months in advance
 - ▶ Should benefit GCACH's goals, local LHIN goals, and create long-term value

Announcements

- ▶ Summer Parkways 6/2
- ▶ Reach Out Suicide Prevention Walk 5/10
- ▶ Youth Mental Health First Aid Training 5/14 & 5/23, 6/5
- ▶ Collaborative Psychiatry event 5/1
- ▶ Lewis and Clark Walk in Dayton 5/14
