

CHAPTER 8.32 - DEPARTMENT OF COMMUNITY HEALTH FEE SCHEDULE

8.32.010 - Establishment of schedule.

The Walla Walla Board of County Commissioners acting as the Walla Walla County Board of Health ordains that the fee schedule set out in this chapter be established for the environmental health services of the Walla Walla County Department of Community Health.

(Ord. No. 410, § III(Exh. C), 4-30-2012; Ord. No. 418A, § III(Exh. C), 11-4-2013; Ord. No. 431, § III(Exh. A), 4-27-2015)

8.32.015 - General conditions.

- A. Any permitted establishment that has an outstanding balance with the Department of Community Health must pay all fees before a renewal permit can be issued. Example: A food establishment is assessed a fee for a follow-up inspection but fails to pay that fee and renewals are sent out for the next year. That establishment will not receive a renewal permit until all fees are paid.
- B. Miscellaneous Program Fee: A charge of \$100.00 per hour after the first hour with a minimum charge of \$100.00 will be assessed to any Environmental Health Program that does not have a per hour rate already assigned to it or if work in a program goes beyond what the normal fee covers. For Example: A customer is proposing a new composting facility and review of the application takes five hours instead of three hours. The customer would then be charged for an additional two hours of review time because the permit review fee for a new composting facility gives a three-hour allowance for review of the application.
