

WEED CONTROL ORDINANCE # 8

BE IT RESOLVED that for the control of Canada Thistle (*Cirsium Arvense*) White Top (*Lepidium draba*, *Lepidum repens*, *Hymenophyssa pubescens*) Russian Knapweed (*Centurea Picris*) and Morning Glory, (*Convolvulus Arvensis L.*) the following methods, rules and regulations are hereby established:

That the same shall be cut or seed production otherwise prevented prior to, or during the blooming period in a thorough manner by the owner of the crop land, the cost of such prevention to be paid by the owner of said lands; and if said weeds are not so cut, or seed production prevented, the Weed Inspector shall cause the same to be cut or seed production prevented at the expense of the owner in the manner provided by law.

Passed by the Board of County Commissioners Apr./9, 1948.
