BOARD OF COUNTY COMMISSIONERS
WALLA WALLA COUNTY, WASHINGTON

ORDINANCE NO. 286

**REGARDING TECHNICAL NON-SUBSTANTIVE CORRECTIONS TO THE
COUNTY COMPREHENSIVE PLAN LAND USE AND ZONING MAPS**

WHEREAS, the attached exhibits represent the official Walla Walla County zoning and land use maps, hereafter referred to as Exhibits A and B, which were originally adopted pursuant to amended Ordinance No. 274, and which now require technical non-substantive corrections, and

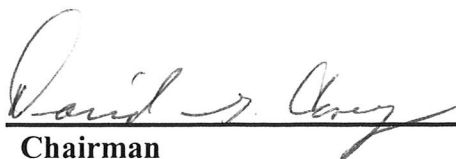

WHEREAS, the technical corrections will remove the referenced parcel of land from the Attalia Industrial Urban Growth Area and will designate said property with a respective land use designation and zoning designation of "Agricultural Residential-10" and "Agricultural Residential-10", and

WHEREAS, a technical correction to land use and zoning maps which does not involve substantive interpretations of the criteria for the various land use designations in the Walla Walla County Comprehensive Plan is necessary as parcel level mapping was not available at the time the maps were developed and said parcel was incorrectly designated, and

WHEREAS, the above corrections may be considered as an exception to the annual amendment process as outlined pursuant to Chapter 14.10.030(4) of the Walla Walla County Code, now therefore

BE IT HEREBY ORDAINED by this Board of Walla Walla County Commissioners that they do approve the technical corrections to the Walla Walla County Comprehensive Land Use and Zoning Maps.

Done this 10th Day of June, 2003.
