

Proposal C would:

- Split Alder between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 2,186, District 2 Population: approx. 42)
- Move Birch from Commissioner District 2 to Commissioner District 1. (Population: 1,198)
- Move Clark from Commissioner District 2 to Commissioner District 1. (Population: 596)
- Move College from Commissioner District 2 to Commissioner District 1. (Population: 1,459)
- Split Edison between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 576, District 2 Population: approx. 556)
- Split Green Park between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 524, District 2 Population: approx. 308)
- Split Isaacs between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 251, District 2 Population: approx. 560)
- Split Jefferson between Commissioner District 1 and Commissioner District 3. (District 1 Population: approx. 833, District 3 Population: approx. 730)
- Move Cottonwood from Commissioner District 1 to Commissioner District 2. (Population: 765)
- Split Carey between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 155, District 2 Population: approx. 34)
- Split Maple between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 993, District 2 Population: approx. 157)
- Split Marcus between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 2,018, District 2 Population: approx. 326)
- Split Monroe between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 752, District 2 Population: approx. 540)
- Split Veterans between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 0, District 2 Population: approx. 31)
- Split Pine between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 1,572, District 2 Population: approx. 2,606)
- Split Pleasant between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 622, District 2 Population: approx. 1,024)
- Move Sharpstein from Commissioner District 2 to Commissioner District 1. (Population: 582)
- Move Stadium from Commissioner District 2 to Commissioner District 1. (Population: 1,024)
- Move Wainwright from Commissioner District 3 to Commissioner District 1. (Population: 1,638)
- Move Watertown from Commissioner District 2 to Commissioner District 1. (Population: 639)
- Move Abbott from Commissioner District 1 to Commissioner District 2. (Population: 690)
- Split Baker between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 296, District 3 Population: approx. 1)
- Move Berney from Commissioner District 1 to Commissioner District 2. (Population: 606)
- Split Blalock between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 500, District 3 Population: approx. 526)
- Split Braden between Commissioner Districts 1, 2, and 3. (District 1 Population: approx. 46, District 2 Population: approx. 99, District 3 Population: approx. 761)
- Move Derry from Commissioner District 1 to Commissioner District 3. (Population: 285)
- Split Eureka 5 between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 1,023, District 3 Population: approx. 56)
- Split Garrison between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 284, District 3 Population: approx. 315)
- Split Gose between Commissioner Districts 1, 2, and 3. (District 1 Population: approx. 12, District 2 Population: approx. 211, District 3 Population: approx. 22)
- Split Lincoln between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 136, District 3 Population: approx. 3)
- Split Moore between Commissioner District 1 and Commissioner District 2. (District 1 Population: approx. 37, District 2 Population: approx. 409)
- Split Prospect Point between Commissioner Districts 1, 2, and 3. (District 1 Population: approx. 66, District 2 Population: approx. 651, District 3 Population: approx. 554)
- Split College Place 2 between Commissioner District 2 and Commissioner District 3. (District 2 Population: approx. 184, District 3 Population: approx. 2,108)

Proposed District 1 - Population: 20,834 (27 below ideal)

Proposed District 2 - Population: 20,832 (29 below ideal)

Proposed District 3 - Population: 20,918 (57 above ideal)
