**PLEASE NOTE:**

Work sessions are informal and, with the exception of executive sessions, are open to the public; however, as this time is set aside as a work session generally no public comment on matters to come before the Board, etc., will be taken outside of the regularly scheduled Commissioners' sessions/public hearings, unless a special agenda item calls for same.

Normally no formal actions will be taken, unless of an emergent nature, and no decisions on any pending matters will be made. This is intended as an informational time for the Board and a catch-up period, to allow the Board to review correspondence, receive committee meeting reports from individual commissioners, review the status of current Board-related projects, other meetings as scheduled, etc.

The length of time the Board will meet is estimated.
