1.4 Regular Part-time Employee: An employee hired in a regular position but working less than forty (40) hours per work week but at least eighty (80) hours per calendar month. A part-time employee is entitled to pro-rated benefits. Such employees are paid an hourly rate for the position in which they are working.

1.5 Trial Service Employee: An employee hired in a regular position of employment as defined in this Article hereinabove, who has completed less than the initial six (6) month period of continuous employment in the position. During the Trial Service period, the employee shall be on a trial basis and shall be subject to discipline or discharge without cause and without recourse.

1.6 Temporary or Seasonal Employee: An employee hired to work on a limited or seasonal basis for no more than six (6) months in a twelve (12) month period. Temporary and seasonal employees are paid an hourly rate and are not entitled to fringe benefits. Temporary and seasonal employees are not covered by the terms of this agreement.

ARTICLE II PURPOSE

2.1 The purpose of this Agreement is to insure true collective bargaining with respect to wages, hours and working conditions. By doing so, it is the intent of the parties to promote cooperation and understanding between the Employer and its employees, to encourage economy of operation, elimination of waste, cleanliness of plant, protection of County property, and safety of employees; and to that end, the Employer pledges itself to give its employees considerate and courteous treatment, and the employees in turn pledge themselves to render the Employer loyal

and efficient service, and the parties each agree to treat the other with proper courtesy and respect.

2.2 The County shall provide the Union with written notification of any proposed changes to the Personnel Policies and Operations Manual or work rules prior to adoption by the County. Nothing herein shall limit Employer's rights to promulgate such personnel policies and work rules. A copy of any procedures or work rules to be implemented by the Employer shall be posted or otherwise made available for employee inspection in each district.

ARTICLE III MANAGEMENT RIGHTS

3.1 The Management of the County and the direction of the workforce are vested exclusively in the County subject to the terms of this Agreement. Without limitation, all matters not specifically and expressly covered or treated by the language of this Agreement may be administered for its duration as the County may determine. All rights and prerogatives not specifically abridged herein shall reside with the County. Such rights shall include, but not be limited to the right to control and supervise all operations and direct all working forces including the right to hire, fire, transfer, promote, demote, discipline or discharge, layoff, promulgate policies and procedures and work rules (including any new or modified rules or policies, regardless of specific type), amend the same, assign work, control and regulate the use of all the equipment and other property of the County and do any other act not inconsistent with this document.

3.2 The County shall continue to have and exercise the right to contract out per the past practice of the Employer. The Employer shall notify the Union prior to contracting out positions covered under this Agreement.

ARTICLE IV UNION SECURITY

4.1 Subject to RCW 41.56.122, all bargaining unit employees as defined in Article IV of this agreement, who are or who become members of the union on or after the effective date of this agreement or the day following completion of their initial probation/trial period of their employment with the employer, whichever date is later, shall as a condition of continued employment maintain their membership in good standing in the union during the lifetime of this agreement, unless meeting criteria for religious or agency fee exemption as they apply to union membership.

4.2 The Employer agrees to deduct any membership initiation fee, the Union's Life Insurance premium, and once each month, dues from the pay of all union employees who individually request in writing that such deductions be made. The amount to be deducted should be certified to the Employer by the Secretary/Treasurer of the Union and the aggregate deductions of all employees shall be remitted together with an itemized statement to the Washington State Council of County and City Employees, P.O. Box 750, Everett, Washington, 98206-0750 after such deductions are made.

4.3 If an employee terminated his/her employment on or before the 15th day of the month, dues will not be deducted for that month; if the termination is after the 15th, dues will be deducted.

ARTICLE V NO STRIKE/NO LOCKOUT

5.1 The parties agree that there shall be no strike or job action on the part of the Union or its members or employees in the bargaining unit during the life of this agreement, nor shall there be any lockout on the part of the Employer during the life of this agreement.

ARTICLE VI UNION/MANAGEMENT RELATIONS

6.1 All collective bargaining with respect to wages, hours and working conditions shall be conducted by authorized representatives of the Union and the Board of County Commissioners or their authorized representatives.

6.2 Agreements reached shall become effective only when signed by the President of Local 1191, the Representative of Washington State Council of County and City Employees, AFL-CIO and the Board of Walla Walla County Commissioners.

6.3 By March 1 of each year, the Union shall submit to the Employer a written list of Union officers, stewards and negotiating committee. The Employer shall be notified in writing of any changes that occur during the year within thirty (30) days after such changes are made.

6.4 An employee shall have the right upon request to inspect his/her personnel file in the presence of the Director of Public Works or their designee at a reasonable time during the work day and said request shall be granted not later than one (1) week after the request. For purposes of this agreement, the employee's personnel file shall include the employment file, medical file and counseling record. Any disciplinary actions and evaluations placed in the file shall require the employee's signature acknowledging receipt or that a copy was provided to the employee. If upon review the employee disagrees with any matter contained in the personnel file, the employee shall be given the opportunity to attach his/her comments.

ARTICLE VII LABOR MANAGEMENT COMMITTEE

7.1 The purpose of the Labor Management Committee is to approach matters collaboratively and cooperatively in order to engage in problem solving.

7.2 The Employer and the Union agree to establish a Labor Management Committee. The committee shall consist of three (3) bargaining unit employees selected by the Union and three (3) management representatives selected by the Employer.

7.3 The Committee shall meet at least once per quarter for the purpose of discussing and facilitating the resolution of issues relevant to working conditions in the department, improving County services, or considering other issues relevant to the organization or the public.

7.4 Prior to each meeting the Public Works Director (or his/her designee) shall request from the Committee members items for discussion that should be placed on the Agenda. The Agenda shall be provided to each Committee member and posted at each District no later than one week prior to the labor management meeting. Minutes shall be taken at the meeting, identifying items discussed, action items required, persons responsible for such action items and timelines for reporting back to the committee on such items. Minutes of the Labor Management Committee meeting shall be posted in each District no later than seven (7) days after the meeting.

7.5 Nothing contained in this section shall be construed as giving the Committee the authority to modify or supplement any terms or conditions of the collective bargaining agreement, or existing conditions of employment at the Public Works Department. Recommendations agreed to by a majority of the Committee may be forwarded to the Employer and the Union for further consideration.

ARTICLE VIII WARNING/SUSPENSION/DISCHARGE

8.1 The Employer may discharge or otherwise discipline any employee for just cause, but no employee shall be discharged unless a written warning notice shall previously have been given to such employee of a complaint against him/her concerning his/her work or conduct. No prior warning shall be necessary if the cause for discharge or suspension is dishonesty, insubordination, abuse or theft of County property, violation of any provision of the Department's Fit For Work Policy, violation of any provision of the Department's Workplace Violence Policy, violation of the Department's and/or County's discrimination, harassment and/or sexual harassment policies, acceptance of gratuities for service performed as part of the County employment, private use of County property, proven recklessness, and carrying of firearms. The parties agree that in order to provide a safe workplace for Department employees, and to ensure efficiency and the highest level of customer service with respect to the Department's mission, that the County shall have the ability to strictly enforce the provisions of this section. Reasonable proof of any of the above enumerated violations is agreed to constitute just cause for discipline, including discharge.

Discipline may, in the appropriate case, be coupled with a corrective action component designed to assist the employee in bringing his/her behavior up to an acceptable level. In deciding what level of discipline to impose the Employer will consider the nature and severity of the employees conduct, and such other factors which are determined by the Employer to be relevant in a specific case. The disciplinary actions which the Employer may take against an employee include, but are not limited to the following:

- A) Oral reprimand which may be documented in writing;
- B) Written reprimand;
- C) Probation;
- D) Suspension;
- E) Demotion;
- F) Discharge

8.2 An employee shall have the right to request that his/her union representative be present during any investigative interview that could lead to discipline. Prior to the imposition of disciplinary suspension, demotion or discharge, the employee shall be informed of the basis for the discipline and given an opportunity to explain his/her conduct or supply mitigating facts relative to the conduct at issue. Discipline shall usually be conducted in private with the employee. Action other than oral reprimands shall be documented in written form. The employee shall sign all such documentation only as an acknowledgement that he/she received same. The Employer may retain warning notices and/or letters of reprimand issued to the employee as a result of disciplinary and/or corrective action. After a period of 24 months, an employee may request, in writing, removal from his/her personnel file a notation of an "oral reprimand" and/or a "written reprimand" issued to that employee, if the employee has not been subject to additional disciplinary action in the time period leading up to the request.

8.3 Any employee may request an investigation of his/her discipline, and the Union shall have the right to grieve any such disciplinary action. Any such grievance shall be presented to the Public Works Director, or designee, in writing within five (5) working days after the disciplinary action; and if not presented within such period, the right to grieve shall be waived. The grievance process will then proceed from Step 2A as defined in Section 9.4 of this agreement.

8.4 A suspended employee shall be placed on a probationary period following his/her return to work. The length of such period shall be determined by the Employer, relative to the seriousness of the offense. At the time of the notification of the suspension, the employee shall be informed in writing of the length of time the probationary period shall remain in effect. If an employee fails to fully comply with the terms of probation, the Employer may discharge the employee. The Employer may, in its complete discretion, elect to increase the probationary period in lieu of discharging the employee for failure to fully comply with the terms of probation. The Union shall be notified of any increase in a probationary period in writing with the cause of the increase. If the Employer elects to increase the probationary period, the employee shall agree to execute a "Last Chance Agreement" associated with his/her continued employment. The parties agree that violation of the Last Chance Agreement shall result in the employee's discharge.

8.5 A "Last Chance Agreement" is an agreement between the Employer, an employee undergoing disciplinary action, and the Union. The purpose of the Agreement is to provide the employee with one final opportunity to conform his/her conduct or performance to standards acceptable to the Employer. Failure of the employee to successfully complete the terms of the Last Chance Agreement will result in termination. Termination pursuant to a Last Chance Agreement shall be without recourse.

8.6 The Employer shall give to a discharged employee a written notice stating reasons for termination and at the same time send a copy to the Local Union 1191 President.

8.7 Employees in their initial trial service period may be disciplined or discharged at any time without cause and without recourse during the trial service period.

ARTICLE IX GRIEVANCE PROCEDURE

9.1 A grievance is defined as any dispute involving the interpretation, application or alleged violation of any provision of this Agreement.

9.2 Step 1: Within ten (10) working days from the date of occurrence, or the date on which the employee knew or should have known of the alleged conduct, but in any event, no later than thirty (30) working days from the date of the occurrence, an employee must present his/her grievance in writing and signed by either the Union Steward or Union President, to his/her immediate supervisor. The Union may also file a grievance on behalf of an employee by presenting it to the employee's supervisor within the time period provided for herein. In addition, if the Union wishes to grieve a matter not relating to employer action involving a specific employee, the Union President may file such a grievance with the Public Works Director within the same time period as provided above.

9.3 A grievance must be filed on an official Union grievance form and the form must be complete to be valid. Grievances will be investigated and a written answer will be provided within ten (10) working days of the date of submission.

9.4 Step 2A: A grievance that is not resolved in Step 1 may be submitted in writing to the Director of Public Works within ten (10) working days of receipt of the Step 1 response. The Director of Public Works will respond to the grievance within ten (10) working days of receipt.

Step 2B: If the Union does not find the step 2A response satisfactory, it may request the matter be conciliated. In an attempt to resolve the dispute, conciliation shall take place within ten working days of the step 2A response, in a meeting between the Union and the Employer. Either party may be represented by counsel.

If the grievance is not resolved by the Step 2A response or the conciliation efforts made at Step 2B or if the Union filed the grievance at Step 1 with the Director of Public Works and it was not resolved at that step, then, the grievance may be submitted to grievance mediation pursuant to Step 3. Grievances must be presented, as outlined above, within the period of time indicated, otherwise the Union, the Employer and the employee agree that the grievance is forever waived.

9.5 Step 3: If the grievance is not resolved at Step 2, the grievance may be submitted to grievance/mediation to the Public Employment Relations Commission within ten (10) working days of the conclusion of Step 2. The Mediator shall meet with the two parties within twenty (20) working days of the filing of the request, or as soon as can be calendared, in an attempt to formally mediate any submitted grievance. Any agreement resolving the matter shall be reduced to a written memorandum, signed by all parties.

9.6 Step 4: If the grievance is not resolved at Step 3, the Union shall, within fifteen (15) working days of receipt of the Mediator's non-binding opinion, submit the facts of the grievance in writing, along with the Mediator's opinion, to the Board of County Commissioners. The Board of County Commissioners may, within ten (10) working days, either accept and implement the Mediator's opinion or convene a hearing to receive evidence regarding the

grievance. If a hearing is convened both the Department and the Union may call witnesses and present evidence relevant to their respective positions. Within ten (10) working days of the conclusion of the hearing the County Commissioners shall then issue their decision. The proceedings before the Board of County Commissioners and the Commissioners deliberations and decision with respect to the grievance shall be conducted in closed executive session pursuant to RCW 42.30.140(4) (a) and (b).

9.7 The time limits within which action must be taken or a decision made may be extended by mutual written agreement signed by the parties. Further, a grievance may be advanced to any step in the grievance procedure if the parties jointly agree. Any grievance shall be considered settled at the completion of any step if the parties agree or if the grievant fails in a timely manner to advance the grievance to the next step of the procedure. A workday for purposes of this contract shall be defined as a regular workday of the Public Works Department.

ARTICLE X SENIORITY

10.1 Seniority, according to this Agreement, shall consist of continuous service of the employee with the Walla Walla County Road Department. No seniority shall be accrued for the actual time spent on an approved leave of absence as set forth in Article XXI, Section 1.

10.2 No employee shall have his/her seniority established prior to completing six (6) months continuous employment with the Road Department. Upon attaining regular employee status, the employee's seniority shall be established from their most recent date of hire.

10.3 Seniority shall be considered on a County-wide basis in the County Public Works Department. Nothing in this section shall prohibit the Public Works Director from shifting employees between crews and districts where it is deemed necessary.

10.4 The employee's earned seniority shall not be lost because of absence due to illness, authorized leave of absence, or temporary layoffs up to a maximum of two (2) years. The seniority list shall be brought up to date on the first working day of the new year and posted in a conspicuous place.

10.5 Two (2) copies of the seniority list shall be sent by mail to the Secretary/Treasurer of Local 1191 by January 30th of each year.

10.6 The employer retains the right to decide if a reduction in force is required. The employer also retains the right to designate the classification from which the layoff will occur. When it is necessary to reduce the work force, all employees who are not on a regular status shall be laid off or transferred first. Once the classification is designated, a reduction in force will be based on seniority as defined by Article 10.1. The employee targeted for layoff may be considered for bumping to other classification(s) previously held by the employee, for which the employee is still qualified. The employee may bump into such classification if seniority is greater than the least senior person in that classification.

10.7 Employees who are ultimately laid off will be placed on a Reinstatement List. For two years after being placed on the Reinstatement List, an employee will first be offered their former position, if it becomes available, so long as the laid off employee is still qualified.

10.8 When it becomes necessary for overtime, the supervisor or foreman shall use the seniority list from the affected district to select the employee or employees. The Department shall make every reasonable effort in this selection process to equitably distribute the overtime to employees of each classification assigned to each district. A record of all overtime work shall be posted monthly on the pertinent district bulletin board.

In case of emergencies in which the public safety is threatened, or other circumstances that require immediate response and services of public works employees, the County may call out the nearest available qualified employee. This does not limit the County's obligation to equitably distribute overtime to employees within each classification in each district.

10.9 Job Posting: When a regular vacancy occurs in a job classification covered by this Agreement and management determines it is to be filled, then, it shall be bulletined for five (5) working days. The position shall be filled within sixty (60) days thereafter or the Union shall be advised of the reason the position has not been filled. All regular employees in other job classifications covered by this Agreement shall be eligible to bid by signing his/her name on the bulletin. Employees shall not be eligible to make lateral transfers until after they have served six (6) months in their current appointment.

All applicants signing for an internal posting will undergo both an interview and an equipment operator test to validate qualifications for the posted job.

If two (2) or more employees have substantially equal qualifications, ability and performance the Public Works Director shall first select the bidder from the affected crew. If none of the bidders are from the affected crew, the most senior bidder shall be awarded the vacancy.

Should the employees selected to fill a job opening decide he/she does not want the job, the employee shall be returned to his/her previous job within thirty (30) calendar days of accepting the position.

Regular employees shall be promoted over temporary employees.

10.10 Employee Movement to Higher or Lower Classifications: Changes from a higher to a lower job classification may be made at the request of an employee with the approval of the Public Works Director or his/her designee.

If an employee is selected to fill a higher job classification, he or she shall be placed in the higher job classification at the same step he or she currently occupies in his or her current classification (i.e. an employee being promoted from Group II Step C to Group I should be placed at Step C). The promoted employee shall be assigned a new anniversary date for movement in the pay scale consistent with the date of promotion.

When an employee accepts a position in a lower paid classification he/she will be paid at the same step in the lower classification as was previously held in the higher classification. The reduced employee shall retain the same anniversary date for movement in the pay scale as the employee had in his or her former position.

10.11 Temporary appointments: Temporary appointments to fill a specific position or job title in the road crew of the public works department may only be made by the Public Works Director. Typically, temporary appointments are made for extended periods of time (generally to exceed thirty (30) calendar days). In making temporary appointments, the Director shall consider qualifications and seniority. The most senior qualified employee shall be given the appointment.

Daily work assignment to operate pieces of equipment or to otherwise perform identified work duties shall be made at the discretion of the employer.

10.12 Voluntary Employee Lateral Transfer: In order to increase the potential for flexibility in employee movement within the department, without causing disruption or erosion of performance levels, the following transfer provisions shall apply:

- (a) Any two (2) employees occupying the same position may submit a request to the Public Works Director for a lateral transfer.
- (b) Employees who are on probation shall not be eligible to request a lateral transfer, nor can they object to any change request made by other employees.
- (c) All requests will be made public to employees in all districts.
- (d) Any employee objecting to a filed request must submit their objection in writing within five (5) days to the Public Works Director. The person making the objection will not be identified, but must list specific reasons for the objection.
- (e) The Public Works Director will in his/her discretion decide whether to grant the request. The decision by the Public Works Director shall be final and will be non-grievable.
- (f) An employee receiving a lateral transfer is not eligible to receive another such transfer for three (3) years after the effective date of the transfer.
- (g) If there are more than 2 people who want the lateral transfer, the transfer shall not be allowed for anyone.

ARTICLE XI WORK DAY/WORK WEEK/OVERTIME

11.1 The regular hours of work each day shall be consecutive except for interruption for the lunch period.

11.2 The work week shall consist of five (5) consecutive eight (8) hour days (Monday through Friday), or four (4) consecutive ten (10) hour days, Monday through Thursday, except for employees in continuous operations.

11.3 All employees shall be scheduled to work a regular work shift and each shift shall have regular starting and quitting times. One-half (1/2) hour for lunch period shall be granted to all employees, as close to mid-shift as possible. To the best of its ability and consistent with the demands of the work load, the County shall endeavor to schedule employees commencing the first Monday of March and ending the last day of Daylight Savings time as follows: the workweek/workday will consist of four (4) ten (10) hour work days beginning at 7:00 a.m. and

ending at 5:30 p.m. with one-half (1/2) hour for lunch close to mid-shift. With the commencement of Pacific Standard Time the workweek/workday will consist of five (5) eight (8) hour work day beginning at 7:00 a.m. and ending at 3:30 p.m. with one-half (1/2) hour for lunch close to mid-shift. Time worked over eight (8) hours per day in a 5-8 work schedule or ten (10) hours per day in a 4-10 work schedule shall be considered overtime and paid for as such.

11.4 Adjustment in the normal working hours of the employee(s), for the convenience of the Employer and the employee(s), shall not be construed to be in conflict with this Agreement. Prior to such adjustments, discussions shall be held with the employee(s) and/or their representatives and a minimum of two (2) weeks-notice shall be given prior to such changes being made, but only if there is not agreement with the affected employee(s) to implement the change immediately.

Seniority and qualifications shall prevail and the least senior employee(s) must accept the change of days and/or hours.

Employees of the Signing and Vegetation Control crew shall have a flexible work schedule. The starting time for each shift may be adjusted by the end of the previous shift. This provision shall not affect callouts for unexpected work as described in Section 11.7.

11.5 Employees' shifts, work days and hours shall be posted on all bulletin boards at all times. Normal work schedules shall only be changed in accordance with Section 11.4 of this agreement except in emergency situations.

11.6 All work and/or compensated time in excess of eight (8) hours in a day or forty (40) hours in a week shall be paid at the rate of one and one-half (1-1/2) times the regular hourly rate. Employees working under a four (4) ten (10) hour day work week shall receive overtime over ten (10) hours in a day or forty (40) hours in a week. Overtime applies to all work on Saturdays and Sundays unless schedules are changed in accordance with Section 11.4 of this agreement or during emergency operations. All overtime must be by authorization of the Employer. The employee may take compensatory time in lieu of overtime if agreed by the Employer. Compensatory time is earned at 1.5 times the hourly rate of pay, the same as overtime, for overtime worked during a workweek. Compensatory time must be charged against the activity employee was doing when earned. Compensatory time cannot be used for any grant-funded or other reimbursable work. The maximum accumulation of compensatory time shall be thirty-two (32) hours at any one time. Compensatory time must be used within 90 days of the date accrued. If not, compensatory time will be paid as overtime. Compensatory time cannot be carried over into the next calendar year. Any compensatory time remaining at the end of a calendar year shall be paid as overtime. An employee who separates from the County service shall be paid for all accrued compensatory time on the employee's record at the time of separation.

11.7 Any employee called to work outside his/her regularly scheduled shift shall be paid for a minimum of two (2) hours.

11.8 Coffee breaks will be granted to each employee twice during a normal shift one prior to lunch time and the other after lunch time. Such coffee breaks shall be taken for fifteen (15) minutes and shall not interfere where continuous operations are necessary.

11.9 Any employee detained from scheduled work shall notify the Employer within an hour before his/her scheduled work shift begins, except in cases of extreme emergency and then as soon as possible.

11.10 If Walla Walla County requires an employee to obtain a CDL, who is not otherwise required to possess this certification by law, the County shall make time available for the employee to take such tests required to become properly licensed.

11.11 Paid leave (e.g. holidays, sick leave, vacations and compensatory time) shall be considered hours worked for the purpose of computing overtime.

11.12 Assistant Foreman: In the absence of a Foreman, the Assistant Foreman shall assume the duties and responsibilities of the Foreman for the entire period of time. The Assistant Foreman shall receive 3% in addition to their hourly base rate of pay, in compensation for the assignment as Assistant Foreman and performing additional duties throughout the year. When the Foreman and the Assistant Foreman are absent and the Foreman or Assistant Foreman expressly assigns Foreman responsibilities to an employee in an acting capacity the Acting Foreman assigned to assume such duties shall receive a premium of 5% of their base hourly pay rate for the entire period serving as Acting Foreman.

ARTICLE XII DISCRIMINATION

12.1 The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, sexual orientation, military/veteran's status or political affiliation. No employee shall unlawfully discriminate against or harass another employee, citizen or vendor interacting with the County on the basis of race, color, religion, sex, age, national origin, marital status, political affiliation, or disability. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement.

12.2 All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

12.3 The Employer agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Employer representative against any employee because of Union membership or because of any employee activity in an official capacity on behalf of the Union, or for any other cause.

ARTICLE XIII UNION ACTIVITIES

13.1 The Employer agrees that during work hours, on the Employer's premises with notice to the Public Works Director, Union Representatives shall be allowed to:

- A) Post Union notices;

- B) Distribute Union literature;
- C) Transmit communications, authorized by the Local Union or its officers, to the Employer or his/her representative;
- D) Consult with the Employer, his/her representative, local Union officer, or with other Union Representatives concerning the enforcement of any provisions of this Agreement;
- E) Union President or his designee shall be able to attend grievance procedures including hearings;
- F) Have negotiation meetings between the Union Negotiations Committee and representatives of the Board of County Commissioners when such meetings are by mutual agreement scheduled during work hours.

13.2 It is provided that no conferences and meetings between the employees and the Union Representative shall in any way stop, hamper or obstruct normal flow of work.

13.3 The Employer agrees to furnish and maintain suitable bulletin boards in convenient places in each work area to be used by the Union. The Union shall limit its posting of notices and bulletins to such bulletin boards.

ARTICLE XIV SAFETY & HEALTH

14.1 Both parties to this Agreement hold themselves responsible for mutual cooperative enforcement of safety rules and regulations.

The parties to this Agreement shall establish a joint safety committee to review the safety program. The committee shall, at a minimum, consist of two (2) employees and two (2) management selections.

ARTICLE XV TRAINING PROGRAM

15.1 The Public Works Director is committed to providing regular training opportunities for each employee with the goal of developing employee potential and skills, consistent with the continuing needs of the Department, and the economic resources of the Department.

15.2 Equipment Operator Training Program. The intent of the training program is to promote development of potential, skills, and knowledge in order to increase the efficiency, effectiveness, and overall job satisfaction of employees. To achieve those goals the County will provide regular training opportunities for employees, within the constraints of the time and funding available, and consistent with the provisions below.

- A) Equipment Operators may register for training on no more than 2 pieces of equipment at the same time.

- B) Within operational limits, the employer shall provide a meaningful amount of training time as close together as possible so that training may be accomplished more efficiently. The timeframe for starting and completing training on each piece of equipment will be provided.
- C) For all equipment, there shall be a (1) one Month, county-wide sign up period in January of each year. Requests for training outside the sign up period will only be considered if workload and schedules allow. The order of training shall be on a seniority basis with the more senior employee given the first opportunity. When an employee completes training on a piece of equipment the next lower seniority employee shall begin training. Except for withdrawals requested in writing by the employee, the seniority list for training shall not be changed. If an employee has signed for a piece of equipment, they shall be allowed to complete their training before subsequent training order lists go into effect. A list of pool equipment and equipment infrequently operated will be provided.

For certain pieces of equipment operated infrequently it may be necessary to limit the number of employees in training so that enough time is available for the people training to get done in a reasonable amount of time.

An employee who feels they have sufficient training may request a challenge test. The challenge test shall be given as soon as practicable.
