**Re: Walla Walla County Local Emergency Planning Committee (LEPC) Hazardous Materials Contingency Plan, 2017**

Dear Ms. Jessee:

Thank you for submitting the *Walla Walla County Local Emergency Planning Committee Hazardous Materials Contingency Plan* on behalf of the Walla Walla County LEPC.

Your plan currently meets all nine federal requirements for hazardous materials plans. On behalf of the Washington State Emergency Response Commission (SERC), we truly appreciate all the effort it took to comply with the Federal SARA Title III planning requirements. The enclosed comments are additional recommendations provided by the SERC for the continual improvement of the Walla Walla County LEPC Hazardous Material Plan.

If further assistance is needed, please contact Susan Forsythe, Local Emergency Planning Program Supervisor, the Emergency Management Division point-of-contact for LEPC plan reviews. Susan can be reached at (253) 345-9010 or [susan.forsythe@mil.wa.gov](mailto:susan.forsythe@mil.wa.gov).

Sincerely,

Robert Ezelle  
Director
