Dear Mrs. Rosa,

I am both surprised and appreciative of you responding to my recent email. I did not expect to hear back given everyone's busy schedules. I did feel compelled to contact the Council, though, given the rise in all of our personal fees and the impending increase in next quarter's water and sewer rates. With the evaluation complete, I have a feeling I can expect a tax increase this summer. When speaking to a friend who shares my concerns, his response was quite different from yours. He voiced his worry at town hall. He was told, "If it's too much for you, you can always move out." I didn't want to believe that someone would address a resident in that manner and I hope he exaggerated.

I implore the Town Council to keep the inflation rates and fee increases in mind when setting the new mill rate. Many of us looked forward to our retirement years, hoping to live out the dreams we put off during our working years. Slowly but surely we're watching our dreams whittle away either due to health issues or mounting financial responsibilities.

Again, thank you for your valued attention.

Sincerely  
Gary Saunders

Good Morning - My name is Mary Ann Rosa and I am the Chairman for the Town Council. Thank you for sending us an email advising of your concerns. We haven't changed the mill rate since the budget was approved and became effective last July 1st. I fully understand your position. I am a senior citizen that lives on social security with my disabled son. I too have lived in town 50+ years and know how the costs have increased. Please know all Council members share your concern about taxes and we will do our best to address town needs and recognize citizens ability to pay. We will be setting a new mill rate following the reevaluation. That will take place for the new fiscal year starting July 1st. Again, thank you for bringing your concern to our attention.

To the Town Council:

I would like to express my dismay and disappointment in the council's approval of increasing the mil rate to the point that it has such a negative impact on the citizens of Watertown. My disabled husband and I,

as his caregiver, live on fixed incomes. ALL of our monthly bills have increased due to inflation. We were recently notified by our lending institution that our monthly mortgage will increase close to \$48.00/monthly due to the increase in the mill rate. Add that to the looming increase in our water and sewer rates and we question how we are going to meet our financial responsibilities. We are both senior citizens and have resided in Watertown for many years ( my husband is a life-long resident, I have lived here for 50+ years). Given the demands Watertown is now placing on our ability to live here, I'm not sure how much longer we can afford to do so.

Please know I am not one to write letters or complain about town policies and procedures. This hardship we now face and will face with the increases by the WSA gives us GREAT concern. Please begin to consider the impact your decisions are having on those of us who live on fixed incomes and struggle monthly to make ends meet.

Thank you,  
Carla Saunders

RE: Judge of Probate Vacancy  
Region 22 Probate District  
Probate District 22

Dear Governor Lamont:

It has been an honor and a privilege to serve as the Judge of Probate for the Woodbury Probate Court since January 8, 2003, and the newly created Region 22 Probate District since January 5, 2011. In 2010 the Connecticut Legislature agreed to merge the Probate Courts of Bethlehem, Oxford, Roxbury, Southbury, Washington, Watertown, and Woodbury creating the Region 22 Probate District.

I have decided to retire from the bench effective August 31, 2024. Connecticut General Statutes Section 9-218 as amended provides that "whenever it is shown to the Governor that a vacancy is about to exist in said office by reason of resignation of the incumbent to take place at a future time...the Governor may issue writs of election directed to the town clerk or clerks or assistant town clerks or clerks within such district, ordering an election to be held on the day named therein...".

In accordance with C.G.S. §9-218, I respectfully request that you issue writs of election to add the position of Judge of Probate to fill the vacancy that will occur beginning September 1, 2024. Specifically, I request a writ for a special election to be held on November 5, 2024 for the Region 22 Probate District to the ballot. The writs would need to be issued to the Town Clerks of Bethlehem, Oxford, Roxbury, Southbury, Washington, Watertown, and Woodbury. Your issuance of said writs would allow the municipalities to conduct the special election on the same day as the general election, minimizing additional associated expenses to the taxpayers of the seven towns comprising the Region 22 Probate District.

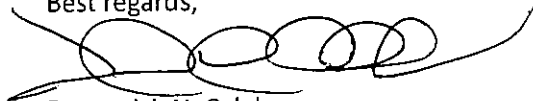

The chief executive officers of all seven towns in the Region 22 Probate District support a special election to coincide with the regular election on November 5, 2024.

The Probate Court Administrator will cite a probate judge or judges from other probate districts to act as judge in the district during the vacancy in accordance with Conn. Gen. Stat. § 45a-120.

Should you have any questions or require additional information, please contact me.

Thank you for your courtesy and attention to this matter.

Best regards,
