

# Final Official Statement Dated January 11, 2022

**REFUNDING ISSUE: BOOK-ENTRY-ONLY**

**RATING: S&P Global Ratings: "AA+"**

In the opinion of Bond Counsel, rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with certain representations and covenants relating to the applicable requirements of the Internal Revenue Code of 1986, as amended (the "Code"), under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes and is not treated as an item of tax preference for purposes of calculating the federal alternative minimum tax under the Code. In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based in the case of individuals, trusts and estates required to pay the federal alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. (See "Tax Matters" herein.)

## Town of Watertown, Connecticut

**\$9,430,000**

### General Obligation Refunding Bonds, Issue of 2022

**Dated: Date of Delivery**

**Due: Serially March 15,  
as shown below:**

Year	Principal	Coupon	Yield	CUSIP <sup>1</sup>	Year	Principal	Coupon	Yield	CUSIP <sup>1</sup>
2022	\$ 115,000	4.000%	0.350%	941893W88	2029	\$ 960,000	4.000%	1.150%	941893X79

\* Priced assuming redemption on March 15, 2029; however, any such redemption is at the option of the Town.

The General Obligation Refunding Bonds, Issue of 2022 (the "Bonds") will bear interest payable March 15, 2022 and semiannually thereafter on March 15 and September 15 in each year until maturity. The Bonds will be general obligations of the Town of Watertown, Connecticut (the "Town") and the Town will pledge its full faith and credit to pay the principal of and the interest on the Bonds when due. See "Security and Remedies" herein.

**The Bonds are subject to redemption prior to maturity as more fully described under "Redemption Provisions" herein.**

The Bonds will be issued in book-entry-only form and registered in the name of Cede & Co., as nominee for the Depository Trust Company ("DTC"), New York, New York. The beneficial owners of the Bonds will not receive certificates representing their ownership interest in the Bonds. Principal of, redemption premium, if any, and interest payments on, the Bonds will be made by the Town to The Depository Trust Company, New York, New York ("DTC"), or its nominee as registered owners of the Bonds. DTC will credit its participants in accordance with their respective holdings shown in the records of DTC. It is anticipated that the beneficial owners of the Bonds will receive payment or credit from DTC participants and other nominees of the beneficial owners. Ownership of the Bonds may be in principal amounts of \$5,000 or integral multiples thereof. (See "Book-Entry-Only Transfer System" herein.)

The Registrar, Transfer Agent, Paying Agent, Escrow Agent and Certifying Agent for the Bonds will be U.S. Bank National Association, CityPlace I, 185 Asylum Street, 27th Floor, Hartford, Connecticut 06103.

The Bonds are offered for delivery when, as and if issued, subject to the final approving opinions of Pullman & Comley, LLC, Bond Counsel, of Hartford, Connecticut. It is expected that delivery of the Bonds in book-entry-only form will be made to DTC in New York, New York on or about January 25, 2022.

<sup>1</sup> Copyright, American Bankers Association. CUSIP® is a registered trademark of the American Bankers Association. CUSIP numbers have been assigned by an independent company not affiliated with the Town and are included solely for the convenience of the holders of the Bonds. The Town is not responsible for the selection or use of these CUSIP numbers, does not undertake any responsibility for their accuracy, and makes no representation as to their correctness on the Bonds or as indicated above. The CUSIP number for a specific maturity is subject to being changed after the issuance of the Bonds as a result of various subsequent actions including, but not limited to, a refunding in whole or in part of such maturity or as a result of the procurement of secondary market portfolio insurance or other similar enhancement by investors that is applicable to all or a portion of certain maturities of the Bonds.

No dealer, broker, salesman or other person has been authorized by the Town of Watertown, Connecticut (the “Town”) to give any information or to make any representations, other than those contained in this Official Statement; and if given or made, such other information or representation must not be relied upon as having been authorized by the Town. This Official Statement does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Bonds by any person in any jurisdiction in which it is unlawful for such person to make such offer, solicitation or sale.

This Official Statement has been prepared only in connection with the initial offering and sale of the Bonds and may not be reproduced or used in whole or in part for any other purpose. The information estimates and expressions of opinion in this Official Statement are subject to change without notice. Neither the delivery of this Official Statement nor any sale of the Bonds shall, under any circumstances, create any implication that there has been no material change in the affairs of the Town since the date of this Official Statement.

Set forth in Appendix A – “2021 General Purpose Financial Statements Excerpted from the Town’s Comprehensive Annual Financial Report” hereto is a copy of the report of the independent auditors for the Town with respect to the financial statements of the Town included in that appendix. The report speaks only as of its date, and only to the matters expressly set forth therein. The auditors have not been engaged to review this Official Statement or to perform audit procedures regarding the post-audit period, nor have the auditors been requested to give their consent to the inclusion of their report in Appendix A. Except as stated in their report, the auditors have not been engaged to verify the financial information set out in Appendix A and are not passing upon and do not assume responsibility for the sufficiency, accuracy or completeness of the financial information presented in that appendix.

Bond Counsel is not passing on and does not assume any responsibility for the accuracy or completeness of the statements made in this Official Statement, (other than matters expressly set forth in Appendix B - “Form of Opinion of Bond Counsel” herein), and makes no representation that it has independently verified the same.

This Official Statement may include “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Without limiting the foregoing, the words “may,” “believe,” “could,” “might,” “possible,” “potential,” “project,” “will,” “should,” “expect,” “intend,” “plan,” “predict,” “anticipate,” “estimate,” “approximate,” “contemplate,” “continue,” “target,” “goal” and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these words. All forward-looking statements included in this Official Statement are based on information available to the Town up to the date as of which such statements are to be made, or otherwise up to, and including, the date of this document, and the Town assumes no obligation to update any such forward-looking statements to reflect events or circumstances that arise after the date hereof or after the date of any report containing such forward-looking statement, as applicable. Actual results could differ materially from those anticipated in these forward-looking statements as a result of certain important factors, including, but not limited to (i) the effect of and from, future municipal, state and federal budgetary matters, including state and federal grants and other forms of financial aid to the Town; (ii) federal tax policy, including the deductibility of state and local taxes for federal tax purposes; (iii) macroeconomic economic and business developments, both for the country as a whole and particularly affecting the Town; (iv) financial services industry developments; (v) litigation or arbitration; (vi) climate and weather related developments, natural disasters and other acts of God; (vii) factors used in estimating future obligations of the Town; (viii) the effects of epidemics and pandemics, including economic effects; and (ix) other factors contained in this Official Statement.

Morgan Stanley & Co. LLC., an underwriter of the Bonds, has entered into a distribution agreement with its affiliate, Morgan Stanley Smith Barney LLC. As part of the distribution arrangement, Morgan Stanley & Co. LLC may distribute municipal securities to retail investors through the financial advisor network of Morgan Stanley Smith Barney LLC. As part of this arrangement, Morgan Stanley & Co. LLC may compensate Morgan Stanley Smith Barney LLC for its selling efforts with respect to the Bonds.

<b>Issuer Official:</b>	Questions concerning the Official Statement should be addressed to Susan Zappone, Finance Director, Town of Watertown, Town Hall, 61 Echo Lake Road, Watertown, Connecticut 06795. Phone: (860) 945-5259.

## **I. Bond Information**

### **Introduction**

This Official Statement, including the cover page and appendices, is provided for the purpose of presenting certain information relating to the Town of Watertown, Connecticut (the “Town”), in connection with the issuance of \$9,430,000 General Obligation Refunding Bonds, Issue of 2022 (the “Bonds”) of the Town.

The Bonds are being offered for sale at public bidding. A Notice of Sale dated January 3, 2022 has been furnished to prospective bidders. Reference is made to the Notice of Sale, which is included as Appendix D for the terms and conditions of the bidding.

This Official Statement is not to be construed as a contract or agreement between the Town and the purchasers or holders of any of the Bonds. Any statements made in this Official Statement involving matters of opinion or estimates are not intended to be representations of fact, and no representation is made that any such opinion or estimate will be realized. No representation is made that past experience, as might be shown by financial or other information herein, will necessarily continue or be repeated in the future. All quotations from and summaries and explanations of provisions of Statutes, Charters, or other laws and acts and proceedings of the Town contained herein do not purport to be complete, are subject to repeal or amendment, and are qualified in their entirety by reference to such laws and the original official documents. All references to the Bonds and the proceedings of the Town relating thereto are qualified in their entirety by reference to the definitive form of the Bonds and such proceedings.

U.S. Bank National Association will certify and act as Registrar, Transfer Agent, Paying Agent, Escrow Agent and Certifying Agent for the Bonds.

The presentation of information in this Official Statement is intended to show recent historical trends and is not intended to indicate future or continuing trends in the financial or other positions of the Town.

The Town deems this Official Statement to be “final” for the purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but it is subject to revision or amendment.

### **Global Health Emergency Risk**

#### ***The COVID-19 Outbreak***

The outbreak of COVID-19 was declared a Public Health Emergency of International Concern by the World Health Organization. On March 13, 2020, the President of the United States declared a national emergency as a result of the COVID-19 outbreak. The outbreak of the virus has affected travel, commerce and financial markets globally. There can be no assurances that the continuing prevalence of COVID-19 will not materially affect local, state, national, and global activity; increase public health emergency response costs; and materially adversely impact the financial condition of the Town.

#### ***State and Local Efforts to Mitigate the Ongoing Impact of COVID-19***

On March 10, 2020, Governor Lamont declared a state of emergency throughout the State of Connecticut (the “State”) and took and continues to take steps designed to mitigate the spread and impacts of COVID-19. Public-schools began to operate remotely immediately following the outbreak and continued remotely through the 2019/2020 school year. For the 2020/2021 school year, schools were permitted to reopen and school districts were given the discretion to choose in-person learning, virtual learning or a hybrid model. For the 2021/2022 school year, the Town’s public schools have returned to full time, in-person learning.

Connecticut’s COVID-19 vaccination plan commenced on December 14, 2020. The State is currently making vaccinations available to all individuals aged 5 and over, and has made booster shots available in accordance with CDC guidelines.

The Governor regularly reviews conditions and, accordingly, expands or reduces restrictions. In response to the Spring 2021 decline in the number of positive COVID-19 cases and hospitalizations, effective May 19, 2021, all capacity restrictions related to establishments and social/recreational gatherings were eliminated. Given the increase in positive COVID-19 cases since July 2021, face-covering requirements remain in effect at this time for unvaccinated individuals. Businesses and state and local government offices have the option to require masks be worn by everyone in their establishments. Effective August 5, 2021, municipal leaders have the option of requiring that masks be worn by everyone, regardless of vaccination status, in indoor public places within their respective towns and cities. The Town currently does not have such a mandate in place.

The potential long-term impact of the COVID-19 pandemic on the Town cannot be predicted at this time. The continued efforts to mitigate the spread of the outbreak and any prolonged effects on the national, State and local economy could have a materially adverse effect on the Town's finances.

### ***COVID-19 Outbreak – Municipal Tax Relief Programs***

On April 1, 2020, in response to the COVID-19 emergency, Governor Ned Lamont issued Executive Order No. 7S ("Order 7S"), as amended by Executive Order No. 7W on April 9, 2020 ("Order 7W"), which creates two short-term tax relief programs and requires all towns, cities, and boroughs as well as their water pollution control authorities to adopt either or both of them by a vote of the legislative body. One program defers tax payments by three months for taxpayers based on a showing of need, while the other reduces the interest chargeable for all taxpayers in the municipality for three months.

All municipalities were directed to notify the Secretary of the Office of Policy and Management ("OPM") no later than April 25, 2020 which program or programs it intended to elect. At a Town Council meeting held on April 20, 2020 the Town Council elected to participate in the three month deferment program only. Under this program, eligible taxpayers, businesses, nonprofits and residents could apply for a three month deferment on any taxes on real property, personal property or motor vehicles, sewer and waste charges and assessments from the time such taxes first became due and payable during the period beginning April 1, 2020 to and including July 1, 2020.

On December 16, 2020, the Governor issued Executive Order 9R ("Order 9R"), which applies the two tax relief programs to tax deadlines for Taxes and Charges that become due and payable on January 1, 2021. As of December 30, 2020, the Town was deemed to have adopted the three month deferment program. The deferment program deferred taxes and charges that were due on January , 2021 through and to April 1, 2021 without penalty.

### ***Government Response to COVID-19's Impact on the Economy***

On March 27, 2020, Congress enacted the Coronavirus Aid, Relief, and Economic Stabilization Act (the "CARES Act") that provided in excess \$2 trillion of relief to industries and entities throughout the country, including state and local governments. Under the CARES Act, \$150 billion was appropriated to states and other units of government for activities that are directly related to COVID-19. The State received approximately \$1.4 billion in such funding, and it was given the discretion to provide those funds to local governments.

On June 4, 2020, Governor Lamont established the Connecticut Municipal Coronavirus Relief Fund Program (the "Program") which established a process by which Connecticut municipalities can receive funds from the State to offset non-budgeted COVID-19 related expenditures that were incurred between March 1, 2020 and December 30, 2020. In Fiscal Year 2020, the Towny received \$225,277 in reimbursement from the Program and FEMA for pandemic-related costs. The Town received \$225,277 in reimbursement from the two programs in Fiscal Year 2021.

On December 27, 2020, President Trump signed into law the Coronavirus Response and Relief Supplemental Appropriations Act of 2021, which extends certain programs and benefits first authorized by the CARES Act. The relief package includes, among other items, over \$900 billion in stimulus for various COVID-19 relief programs, \$8.75 billion for vaccine distribution, \$54.3 billion of Elementary and Secondary School Emergency Relief Funds, \$4.1 billion for the Governors Emergency Education Relief Fund, and an allocation of \$284 billion of Paycheck Protection Program funds to support eligible small businesses and non-profits, and the legislation expands and modifies the program by allowing second draw loans for certain borrowers.

On March 11, 2021, President Biden signed into law the \$1.9 trillion American Rescue Plan Act of 2021 (the "Rescue Plan"). The Rescue Plan relief package includes, amongst other provisions, \$350 billion in state and local government aid. Of the \$350 billion, the State and its local governments are expected to receive approximately \$4.2 billion as a result of this legislation, with \$2.6 billion in State relief and another \$1.6 billion in relief for local governments.

The Rescue Plan relief package also includes approximately \$123 billion to allow for a return to full-time, in-person teaching at elementary and high schools, which funds may be used for numerous purposes, including but not limited to expanding testing, modifying classrooms, improving ventilation, and hiring more custodial staff. The State's K-12 schools are expected to receive approximately \$1.1 billion.

The Rescue Plan relief package includes another \$160 billion dedicated to COVID-19 vaccination development and distribution.

Over the next two years, the Town expects to receive \$6,386,022 in federal funding as a result of the Rescue Plan. The Town received its first installment of \$3,193,011 million in funding from this program. The Town is developing a plan for the use of such funds that will focus on infrastructure improvements and other initiatives that comply with the program eligibility criteria.

### ***Climate Change***

Numerous scientific studies have detailed changing global weather patterns and the potential for increasing extreme weather events across the world. The Town faces certain threats due to climate change, including flooding, drought and damaging wind that could become more severe and frequent. The Town cannot predict the timing, extent or severity of climate change and its impact on the Town's operations and finances.

### ***Cybersecurity***

The Town, like many other public and private entities, relies on technology to conduct its operations. The Town and its departments face cyber threats from time to time, including but not limited to hacking, viruses, malware, phishing, and other attacks on computers and other sensitive digital networks and systems. To reduce the risk of a successful cyber security threat the Town has invested in IT security firewalls, anti-virus software, anti-malware software, and ransomware protection software. All of the Town computers and computer servers are protected by this security software and firewalls. These security protection systems are evaluated annually for upgrades or replacements.

To mitigate the risk of business operations impact and/or damage from cyber security incidents or cyber-attacks, the Town has invested in disaster recovery systems and a continuity of IT operations plan which leverages regular daily system backups. In the event of a cybersecurity incident recovery from an earlier state for any enterprise application system is possible. The Town currently has a cybersecurity insurance policy. No assurances can be given, however, that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact financial operations and/or damage the Town's digital networks and systems and the costs of remedying any such damage could be substantial.

### ***Municipal Advisor***

Phoenix Advisors, LLC, of Milford, Connecticut has served as Municipal Advisor to the Town with respect to the issuance of the Bonds (the "Municipal Advisor"). The information in this Official Statement has been prepared by the Town of Watertown, with the help of the Municipal Advisor. The Municipal Advisor is not obligated to undertake, and has not undertaken, either to make an independent verification of or to assume responsibility for the accuracy, completeness, or fairness of the information contained in the Official Statement and the appendices hereto.

The Municipal Advisor is an independent firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities.

## **Description of the Bonds**

The Bonds will mature on March 15 in each of the years as set forth on the cover page hereof. The Bonds will be dated the date of delivery and bear interest at the rates per annum specified on the inside cover page, payable semiannually on March 15 and September 15 in each year until maturity, commencing March 15, 2022. Interest will be calculated on the basis of a 360-day year, consisting of twelve 30-day months. Interest is payable to the registered owner as of the close of business on the last business day of February and August, in each year, by check mailed to the registered owner; or so long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, by such other means as DTC, the Paying Agent and the Town shall agree.

## **Redemption Provisions**

The Bonds maturing on or before March 15, 2029 are not subject to redemption prior to maturity. The Bonds maturing on March 15, 2030 and thereafter are subject to redemption prior to maturity, at the election of the Town, on or after March 15, 2029 at any time, either in whole or in part, in such amounts and in such order of maturity, (but by lot within a maturity) as the Town may determine, at the redemption prices (expressed as a percentage of the principal amount of the Bonds to be redeemed), set forth in the following table, plus interest accrued and unpaid to the redemption date:

<u>Redemption Dates</u>	<u>Redemption Prices</u>
March 15, 2029 and thereafter .....	100%

Notice of redemption shall be given by the Town or its agent by mailing a copy of the redemption notice by first-class mail not less than thirty (30) days prior to the redemption date to the registered owner of the Bonds at the address of such registered owner as the same shall last appear on the registration books for the Bonds kept for such purpose. Failure to give such notice by mailing to any registered owner, or any defect therein, shall not affect the validity of the redemption of any other Bonds. Upon the giving of such notice, if sufficient funds available solely for redemption are on deposit with the Paying Agent, the Bonds or portions thereof so called for redemption will cease to bear interest after the specified redemption date.

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot in such manner as the Town in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof and that, in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds which is obtained by dividing the principal amount of such Bond by \$5,000.

The Town, so long as a book-entry system is used for the Bonds, will send any notice of redemption only to DTC (or successor securities depository) or its nominee. Any failure of DTC to advise any Direct Participant or of any Direct Participant or Indirect Participant to notify any Indirect Participant or Beneficial Owner, of any such notice and its contents or effect will not affect the validity of the redemption of such Bonds called for redemption. Redemption of a portion of the Bonds of any maturity by the Town will reduce the outstanding principal amount of Bonds of such maturity held by DTC. In such event it is the current practice of DTC to allocate by lot, through its book-entry system, among the interests held by Direct Participants in the Bonds to be redeemed, the interest to be reduced by such redemption in accordance with its own rules or other agreements with Direct Participants. The Direct Participants and Indirect Participants may allocate reductions of the interest in the Bonds to be redeemed held by the Beneficial Owners. Any such allocations of reductions of interests in the Bonds to be redeemed will not be governed by the determination of the Town authorizing the issuance of the Bonds and will not be conducted by or the responsibility of the Town, the Registrar or Paying Agent.

## **Authorization and Purpose**

The Bonds are issued pursuant to Title 7 of the General Statutes of the State of Connecticut, as amended, the Charter of the Town of Watertown, and a refunding resolution adopted approved by the Town Council at a meeting held October 18, 2021.

## Plan of Refunding

The Bonds are being issued to refund at or prior to maturity all or a portion of certain maturities of certain of the outstanding series of general obligation bonds of the Town as set forth below (the “Refunded Bonds”). The refunding is contingent upon delivery of each series of the Bonds.

<i>Issue</i>	<i>Dated Date</i>	<i>Maturity Date</i>	<i>Interest Rate</i>	<i>Par Amount</i>	<i>Redemption Date</i>	<i>Redemption Price</i>	<i>CUSIPs</i> <sup>1</sup>
Issue of 2012	5/29/2012	4/1/2022	3.000%	\$ 535,000	n/a	n/a	941893YS2

Upon delivery of the Bonds, the proceeds of the Bonds will be placed in an irrevocable escrow fund (the “Escrow Deposit Fund”) established with U.S. Bank National Association, as escrow agent (the “Escrow Agent”) under an escrow agreement (the “Escrow Agreement”) to be dated as of the date of delivery between the Escrow Agent and the Town. The Escrow Agent will either hold such proceeds in the form of cash or use such proceeds to purchase a portfolio of non-callable direct obligations of, or obligations guaranteed by, the United States of America, which may include, without limitation, United States Treasury securities, United States Treasury State and Local Government Series securities (“SLGS”), Federal National Mortgage Association securities and Federal Home Loan Mortgage Corporation securities, or other investments permitted by Section 7-400 of the Connecticut General Statutes, as amended, all of which shall not be callable or prepayable at the option of the issuer thereof (the “Escrow Securities”). The principal of and interest on the Escrow Securities, when due, together with cash held in the Escrow Deposit Fund, will provide amounts sufficient to meet principal, interest and redemption payments on the Refunded Bonds on the dates such payments are due. All investment income on, and the maturing principal of, the Escrow Securities held in the Escrow Deposit Fund and needed to pay the principal of, interest and redemption prices, on the Refunded Bonds will be irrevocably deposited by the Town for payment of the Refunded Bonds. The balance of the proceeds of the Bonds will be used to pay certain costs of issuance, including Underwriter’s discount.

**Verification of Mathematical Computations**

AMTEC of West Hartford, Connecticut (the “Verification Agent”) will verify from the information provided to it the mathematical accuracy as of the date of the closing on the Bonds of (1) the adequacy of the maturing principal amounts of the Escrow Securities, together with interest income thereon, and uninvested cash, if any, set forth in the Municipal Advisor’s schedules, will be sufficient to pay, when due, the principal, interest and applicable premium, if any, for the Refunded Bonds, (2) the computation of yield on the Bonds and the Escrow Securities contained in the provided schedules for purposes of determining compliance with certain requirements of the Code, and (3) net present value savings as contained in the provided schedules. AMTEC will express no opinion on the information and assumptions provided to it. Such verification, information and assumptions will be relied upon by Bond Counsel in rendering its opinion described herein.

**Sources and Uses of Bond Proceeds:**

<b>Sources:</b>	
Par Amount of the Bonds .....	\$ 9,430,000.00
Net Original Issue Premium .....	1,209,460.45
<b>Total Sources</b> .....	<b>\$ 10,639,460.45</b>
<b>Uses:</b>	
Deposit to Escrow Deposit Fund .....	\$ 10,534,474.16
Costs of Issuance .....	81,363.29
Underwriter’s Discount .....	23,623.00
<b>Total Uses</b> .....	<b>\$ 10,639,460.45</b>

**Tax Matters**

**Federal Taxes.** In the opinion of Bond Counsel, under existing law, (i) interest on the Bonds is excluded from gross income for federal income tax purposes, and (ii) such interest is not an item of tax preference for purposes of the federal alternative minimum tax.

Bond Counsel’s opinion with respect to the Bonds will be rendered in reliance upon and assuming the accuracy of and continuing compliance by the Town with its representations and covenants relating to certain requirements of the Internal Revenue Code of 1986, as amended (the “Code”). The Code and regulations promulgated thereunder establish certain requirements which must be satisfied at and subsequent to the issuance of the Bonds in order that interest on the Bonds be and remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds irrespective of the date on which such noncompliance occurs. In the Tax Regulatory Agreement, which will be delivered concurrently with the issuance of the Bonds, the Town will covenant to comply with certain provisions of the Code and will make certain representations designed to assure compliance with such requirements of the Code including, but not limited to, investment restrictions, periodic payments of arbitrage profits to the United States, requirements regarding the proper use of the Bond proceeds and certain other matters. The opinion of Bond Counsel delivered on the date of issuance of the Bonds is conditioned upon compliance by the Town with such requirements.

No other opinion is expressed by Bond Counsel regarding the federal tax consequences of the ownership of, or the receipt or accrual of interest on, the Bonds.

**Original Issue Discount.** The initial public offering prices of certain maturities of the Bonds may be less than the stated principal amount (the “OID Bonds”). Under existing law, the difference between the stated principal amount and the initial offering price of each maturity of the OID Bonds will constitute original issue discount. The offering prices relating to the yields set forth on the cover page of this Official Statement for such OID Bonds are expected to be the initial offering prices to the public (excluding bond houses and brokers) at which a substantial amount of the OID Bonds are sold. Under existing law, original issue discount on the OID Bonds accrued and properly allocable to the owners thereof under the Code is excludable from gross income for federal income tax purposes if interest on the OID Bonds is excludable from gross income for federal income tax purposes.

Under the Code, for purposes of determining an owner's adjusted basis in an OID Bond purchased at an original issue discount, original issue discount is treated as having accrued while the owner holds such OID Bond and will be added to the owner's basis. The owner's adjusted basis will be used to determine taxable gain or loss upon the sale or other disposition (including redemption or payment at maturity) of such an OID Bond.

Prospective purchasers of OID Bonds should consult their own tax advisors as to the calculation of accrued original issue discount, the accrual of original issue discount in the case of owners of OID Bonds purchasing such OID Bonds after the initial offering and sale, and the state and local tax consequences of owning or disposing of such OID Bonds.

**Original Issue Premium.** The initial public offering prices of certain maturities of the Bonds may be more than their stated principal amounts payable at maturity (the "OIP Bonds"). In general, an owner who purchases an OIP Bond must amortize the original issue premium as provided in the applicable Treasury Regulations, and amortized premium reduces the owner's basis in the OIP Bond for federal income tax purposes. Prospective purchasers of OIP Bonds at a premium to its principal amount should consult their tax advisors regarding the amortization of premium and its effect upon basis.

**Other Federal Tax Matters.** Prospective purchasers of the Bonds should be aware that ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers, including, without limitation, financial institutions, certain insurance companies, recipients of Social Security or Railroad Retirement benefits, certain S corporations, foreign corporations subject to the branch profits tax, taxpayers eligible for the earned income credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Bond Counsel does not express any opinion regarding such collateral tax consequences. Prospective purchasers of the Bonds should consult their tax advisors regarding collateral federal income tax consequences. Prospective purchasers of the Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

**State Taxes.** In the opinion of Bond Counsel, under existing statutes, interest on the Bonds is excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Interest on the Bonds is included in gross income for purposes of the Connecticut corporation business tax.

Accrued original issue discount on an OID Bond is also excluded from Connecticut taxable income for purposes of the Connecticut income tax on individuals, trusts and estates and is excluded from amounts on which the net Connecticut minimum tax is based for individuals, trusts and estates required to pay the federal alternative minimum tax.

Owners of the Bonds should consult their own tax advisors with respect to the determination for state and local income tax purposes of original issue discount or original issue premium accrued upon sale or redemption thereof, and with respect to the state and local tax consequences of owning or disposing of such Bonds.

**Changes in Federal and State Tax Law.** Legislation affecting tax-exempt obligations is regularly considered by the United States Congress. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court, after the issuance of the Bonds will not have an adverse effect on the tax status of interest on the Bonds or the market value or marketability of the Bonds. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

Investors in the Bonds should be aware that future legislative actions may increase, reduce or otherwise change (including retroactively) the financial benefits and the treatment of all or a portion of the interest on the Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of the Bonds may be adversely affected and the ability of holders to sell their Bonds in the secondary market may be reduced. The Bonds are not subject to special mandatory redemption, and the interest rates on the Bonds are not subject to adjustment, in the event of any such change in the tax treatment of interest on the Bonds.

**General.** The opinion of Bond Counsel is rendered as of its date, and Bond Counsel assumes no obligation to update or supplement its opinion to reflect any facts or circumstances that may come to its attention or any changes in law that may occur after the date of its opinion. Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

The discussion above does not purport to deal with all aspects of federal or state or local taxation that may be relevant to a particular owner of the Bonds. Prospective owners of the Bonds, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal, state and local tax consequences of owning and disposing of the Bonds.

### ***Book-Entry-Only Transfer System***

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered Bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Town as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and Interest on, and redemption premium, if any, with respect to the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Town or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the Town, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest, and redemption premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Town or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Town or its Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Town may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Town believes to be reliable, but the Town takes no responsibility for the accuracy thereof.

### ***DTC Practices***

The Town can make no assurances that DTC, Direct Participants, Indirect Participants or other nominees of the Beneficial Owners of the Bonds will act in a manner described in this Official Statement. DTC is required to act according to rules and procedures established by DTC and its participants which are on file with the Securities and Exchange Commission.

## **Replacement Bonds**

In the event that: (a) DTC determines not to continue to act as securities depository for the Bonds, and the Town fails to identify another qualified securities depository for the Bond to replace DTC; or (b) the Town determines to discontinue the book-entry system of evidence and transfer of ownership of the Bonds, the Town will issue fully-registered Bond certificates directly to the Beneficial Owner. A Beneficial Owner of the Bonds, upon registration of certificates held in such Beneficial Owner's name, will become the registered owner of the Bonds.

## **Security and Remedies**

The Bonds will be general obligations of the Town and the Town will pledge its full faith and credit to pay the principal of and interest on the Bonds when due. Unless paid from other sources, the Bonds are payable from general property tax revenues. The Town has the power under Connecticut statutes to levy ad valorem taxes on all taxable property in the Town without limit as to rate or amount, except as to certain classified property such as certified forest land taxable at a limited rate and dwelling houses of qualified elderly persons of low income or qualified disabled persons taxable at limited amounts. The Town may place a lien on the property for the amount of tax relief granted, plus interest, with respect to dwelling houses of qualified elderly persons of low income or qualified disabled persons. Under existing statutes, the State of Connecticut is obligated to pay the Town the amount of the tax revenue which the Town would have received except for the limitation under certain of the statutes upon its power to tax dwelling houses of qualified elderly persons of low income.

Payment of the Bonds is not limited to property tax revenues or any other revenue source, but certain revenues of the Town may be restricted as to use and therefore may not be available to pay debt service on the Bonds.

There are no statutory provisions for priorities in the payment of general obligations of the Town. There are no statutory provisions for a lien on any portion of the tax levy or other revenues to secure the Bonds or judgments thereon, in priority to other claims.

The Town is subject to suit on its general obligation bonds and notes and a court of competent jurisdiction has power in appropriate proceedings to render a judgment against the Town. Courts of competent jurisdiction also have power in appropriate proceedings to order a payment of a judgment on such debt from funds lawfully available therefor or, in the absence thereof, to order the Town to take all lawful action to obtain the same, including the raising of the required amount in the next annual tax levy. In exercising their discretion as to whether to enter such an order, the courts may take into account all relevant factors including the current operating needs of the Town and the availability and adequacy of other remedies.

Enforcement of a claim for payment of principal of or interest on the Bonds would also be subject to the applicable provisions of Federal bankruptcy laws as well as other bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and to the exercise of judicial discretion. Section 7-566 of the Connecticut General Statutes, as amended in 1993, provides that no Connecticut municipality shall file a petition in bankruptcy without the express prior written consent of the Governor. This prohibition applies to any town, city, borough, metropolitan district and any other political subdivision of the State having the power to levy taxes and issue bonds or other obligations.

**THE TOWN HAS NEVER DEFAULTED IN THE PAYMENT OF PRINCIPAL OR INTEREST ON ITS BONDS OR NOTES.**

## **Qualification for Financial Institutions**

The Bonds shall NOT be designated by the Town as qualified tax-exempt obligations under the provisions of Section 265(b) of the Internal Revenue Code of 1986, as amended, for purposes of the deduction by financial institutions for interest expense allocable to the Bonds.

## **Availability of Continuing Disclosure Information**

The Town prepares, in accordance with State law, annual independent audited financial statements and operating statements and files such annual reports with the State of Connecticut, Office of Policy and Management on an annual basis. The Town provides, and will continue to provide Moody's Investors Service and S&P Global Ratings ongoing disclosure in the form of independent annual financial reports, adopted budgets, and other materials relating to its management and financial condition, as may be necessary or requested.

The Town will enter into a Continuing Disclosure Agreement with respect to the Bonds, substantially in the form attached as Appendix C to this Official Statement ("Form of Continuing Disclosure Agreement"), to provide or cause to be provided, in accordance with the requirements of SEC Rule 15c2-12(b)(5) (the "Rule") (i) annual financial information and operating data with respect to the Bonds, (ii) timely notice of the occurrence of certain events not in excess of 10 business days after the occurrence of such events with respect to the Bonds, and (iii) timely notice of a failure by the Town to provide the required annual financial information and operating data on or before the date specified in the Continuing Disclosure Agreement with respect to the Bonds. The winning bidder's obligation to purchase the Bonds shall be conditioned upon it receiving, at or prior to the delivery of the Bonds, an executed copy of the Continuing Disclosure Agreement.

The Town has previously undertaken in continuing disclosure agreements entered into for the benefit of holders of certain of its general obligation bonds and notes to provide certain annual financial information and event notices pursuant to the Rule. In the past five years, the Town has not failed to comply in any material respect with its undertakings under such agreements.

## **Rating**

The Bonds have been rated "AA+", with a negative outlook by S&P Global Ratings ("S&P"). The Town furnished the rating agency certain information and materials, some of which may not have been included in this Official Statement. The rating reflects only the view of the rating agency and an explanation of the significance of the rating may be obtained from such rating agency. There is no assurance that the rating will continue for any given period of time or that it will not be revised or withdrawn entirely if in the judgment of such rating agency, circumstances so warrant. A revision or withdrawal of the rating may have an effect on the market price of the Town's bonds and notes, including the Bonds.

The Town expects to furnish the rating agency with certain information and materials that the agency may request. However, the Town may issue short-term or other debt for which a rating is not requested.

## **Bond Insurance**

The Town does not expect to purchase a credit enhancement facility for the Bonds.

## II. The Issuer

## Connecticut

### **Description of the Municipality**

The Town of Watertown, first settled as part of Plymouth and Thomaston, was incorporated as a separate town in 1780. The Town covers an area of 29.8 square miles and lies slightly over five miles west of Waterbury. It is bounded on the north by Morris and Thomaston, on the southeast by Waterbury, on the south by Middlebury, and on the west by Bethlehem and Woodbury. The Town is traversed by Connecticut Route 8, a limited-access, four-lane north-south highway. State Routes 63, 73, 132, and 262 also serve the Town. Freight service is provided by various motor common carriers, and passenger transportation is available by bus to Waterbury and surrounding towns.

### **Form of Government**

Watertown utilizes the Council/Manager form of government under a Town Charter first adopted in 1961 and last revised in November 2011. The nine-member Council is elected at-large every two years and acts as the legislative body, enacting and amending ordinances and determining Town policies, programs, and legislation. The Town Manager, appointed by the Council, serves as the Chief Executive Officer of the Town and administers Council policy. The Council also acts as the fiscal authority, assisted by a Director of Finance appointed by the Town Manager and a full-time Treasurer appointed by the Director of Finance. A referendum approves the budget and the Town Council lays the tax rate based on the adopted budget.

## **Town Officials**

<b>Office</b>	<b>Name</b>	<b>Manner of Selection</b>	<b>Expiration of Term</b>

Superintendent of Schools.....	Alison Villanueva	Appointed	-

## **Municipal Services**

**Police Department:** Watertown’s Police Department consists of 35 sworn officers and a civilian staff of three under the direction of a Chief of Police. The Department is divided into Administrative, Patrol and Investigative Services divisions and operates on a 24-hour basis. Watertown’s Communications Department is responsible for answering and dispatching all police, fire and 911 emergency calls.

**Fire Protection and Ambulance Service:** Fire protection is provided by a 105-person Volunteer Fire Department under the supervision of a paid Chief and Deputy Chief. Department expenses are underwritten by the Town. The Department operates from two stations, and equipment includes eight engines and two ladder trucks. Training drills are conducted throughout the year, and over 50% of the Department has advanced training in areas such as hazardous materials. The Department has two emergency vehicles for first response use in emergencies. Ambulance service is provided by private carriers.

**Public Works:** The Department of Public Works consists of Engineering and Operations and Maintenance Divisions. Engineering is responsible for design and construction inspection of Town-owned sewer and water mains, roads and storm drains. Operations and Maintenance is responsible for maintenance of Town facilities including 130 miles of road, 45 miles of storm drains, 52 miles of water mains, 62 miles of sewer mains, three water pumping stations, five sewer pumping stations and Town equipment.

**Solid Waste:** Although solid waste collection in Watertown is collected by private firms under direct contract to the user, the Town has executed a Municipal Services Agreement (the “Municipal Services Agreement”) with the Materials Innovation and Recovery Authority (the “MIRA”) for the disposal of solid waste through the Mid-Connecticut System (the “System”). The Municipal Services Agreement became effective upon execution and will remain in effect so long as any bonds issued by MIRA remain outstanding, provided the last installment of principal on any bond shall become due no later than 30 years from the effective date of the Municipal Services Agreement.

Each municipality signing a Municipal Services Agreement, including the Town, has agreed to cause to be delivered to the System, after the date when the consulting engineer for the System has certified in writing that the Facility is ready for testing, all of the solid waste under the legal control of the municipality. MIRA is required to impose Service Payments at a uniform rate per ton for all municipalities. There is no minimum commitment, but the Municipal Services Agreement specifies that MIRA gets all municipal solid waste or regular solid waste and recyclables generated in the Town.

MIRA is required to accept and dispose of solid waste in accordance with the Municipal Services Agreement and with acceptable business standards. Each municipality retains the responsibility for the collection, disposal and treatment of solid waste which does not meet the requirements of or which MIRA refuses or is unable to accept under the Municipal Services Agreement.

MIRA is required to calculate and impose Service Payments for all solid waste accepted at the System, such that the aggregate of all such Service Payments received by MIRA shall be sufficient to pay for the net cost of operation of the System as defined in the Municipal Services Agreement. Service Payments shall be at a uniform rate per ton for all municipalities. If a municipality delivers less than its Minimum Commitment (as defined in the Municipal Services Agreement) such rate shall be applied to its Minimum Commitment amount. For fiscal year 2019–20, the Town’s cost was \$81.35 per ton for municipal solid waste and was only valid until January 1, 2020 at which time it changed to \$92.00 per ton. MIRA does not accept bulky solid waste anymore, and is currently sent to Frost Bridge Associates, LLC at \$85.00 per ton. The Town does not currently have a contract with Frost Bridge Associates, LLC.

MIRA is required to submit bills to the participating municipalities on or before the fifteenth day following the end of a billing period. Municipalities are required to pay Service Payments within 30 days of the date of invoice.

**Sewage Disposal:** Town sewage disposal in the Oakville section of Town is provided by the Watertown Water and Sewer Authority operating through the Department of Public Works. Approximately 3.1 million gallons per day are transported through Town-owned mains to City of Waterbury treatment facilities. Private septic systems serve the rest of the Town.

**Water:** The Watertown Water and Sewer Authority provides water service to approximately 3,950 customers. Consumption is currently 1 million gallons per day. Water is purchased from the City of Waterbury. Under terms of a contract with the City of Waterbury, Watertown may purchase up to 3 million gallons per day. Water is provided to the central portion of Town by the Watertown Fire District which distributes approximately 640,000 gallons per day from well fields in Woodbury. Private wells serve the rest of the Town.

In compliance with Public Act 89-305, the Water and Sewer Authority has implemented a conservation program. The program's intent is to educate the public on water conservation, to determine adequate water specifications for new developments and to design plans that will reduce water consumption for residential and commercial customers.

**Utilities and Other Services:** Watertown is served by Eversource Energy. Common carriers provide over the road freight service; passenger and freight rail service are available in Waterbury. A regional airport is located in nearby Oxford, and the Town is served by international airports in Windsor Locks, Connecticut and New York.

**Parks and Recreation:** Watertown provides a variety of recreational facilities and programs. Facilities include two swimming areas, an 18-hole golf course, tennis courts, playgrounds and ball fields. The 34-acre Veteran's Memorial Park is off of Nova Scotia Hill Road. Black Rock State Park is located in Watertown with additional facilities for swimming, camping and hiking. The Watertown Recreation Department provides year-round athletic and instructional programs for all age groups.

**Public Library:** Watertown is served by the Watertown Public Library, a non-profit organization which receives approximately 90% of its funding from the Town. The Library is open 64 hours per week and has over 60,000 volumes as well as an extensive collection of periodicals, records and cassettes. Through membership in an inter-library loan program, the resources of 36 other libraries are available to members.

**Social Services:** Through its Social Services Department, Watertown provides various services to the elderly, troubled youths and the indigent, including meals and rides programs, counseling and public assistance. Public health needs are addressed through Watertown's membership in the Torrington Health District. St. Mary's Hospital and Waterbury Hospital, both teaching hospitals, are located in adjacent Waterbury.

## Educational Services

The Watertown school system services grades pre-kindergarten through 12 and is governed by the local Board of Education. The nine members of the Watertown Board of Education are elected for two year terms. The primary function of the Board is to establish policy. Some of the areas for which such policies are set include curriculum, budget requests submission, ensuring funds for education as appropriated by the Town are properly expended, implementation of both State and Federal laws, and planning for facilities needed by the system, including construction and renovation.

The Town has five schools for grades pre-kindergarten through 12 comprising of: one senior high school, one junior high school, two elementary schools, and one primary school. Enrollment in grades pre-kindergarten through 12 as of October 1, 2021 was 2,580. The rated capacity of the system facilities is 4,037.

**Binding Arbitration**

Connecticut General Statutes Sections 7-473c, 7-474, and 10-153a to 10-153n provide for a procedure for binding arbitration of collective bargaining agreements between municipal employers and organizations representing municipal employees, including certified teachers and certain other employees. The legislative body of a municipality may reject the arbitration panel's decision by a two-thirds majority vote. The State of Connecticut and the employee organization must be advised in writing of the reasons for rejection. The State then appoints a new panel of either one or three arbitrators to review the decisions on each of the rejected issues. The panel must accept the last best offer of either party. In reaching its determination, the arbitration panel gives priority to the public interest and the financial capability of the municipal employer, including consideration of other demands on the financial capability of the municipal employer. For binding arbitration of teachers' contracts, in assessing the financial capability of a town, there is an irrefutable presumption that a budget reserve of 5% or less is not available for payment of the cost of any items subject to arbitration. In light of the employer's financial capability, the panel considers prior negotiations between the parties, the interests and welfare of the employee group, changes in the cost of living, existing employment conditions, and wages, salaries, fringe benefits, and other conditions of employment prevailing in the labor market, including developments in private sector wages and benefits.

## **IV. Tax Base Data**

### **Property Tax – Assessments**

Under Section 12-62 of the Connecticut General Statutes, the Town must do a revaluation every five years based on generally accepted mass appraisal methods. Since the Town completed its last statistical revaluation effective as of October 1, 2018, the next physical revaluation is planned for October 1, 2023.

Prior to the completion of each revaluation, the Assessor shall conduct a field review. Any required revaluation subsequent to such a delayed revaluation shall re-commence at the point in the schedule required pursuant to Section 12-62 that the municipality was following prior to such delay. The Assessor must fully inspect each parcel of improved real property once in every ten assessment years, provided that the Assessor is not required to fully inspect all of a town's improved real property parcels in the same assessment year or to fully inspect any such parcel more than once during every ten assessment years. Section 12-62 provides that the full inspection requirement shall not apply to any parcel of improved real property for which the Assessor obtains satisfactory verification of data listed on the Assessor's property record by means of a questionnaire sent by the Assessor, at any time during the period in which a full inspection of an improved parcel of real property is required, to the owner of such parcel to (A) obtain information concerning the property's acquisition, and (B) obtain verification of the accuracy of data listed on the Assessor's property record for such parcel.

The maintenance of an equitable tax base by locating and appraising all real and personal property within the Town for inclusion onto the grand list is the responsibility of the Assessor's Office. The grand list represents the total assessed values for all taxable and tax-exempt real estate and taxable personal property and motor vehicles located within the Town on October 1. Assessments for real estate are computed at 70% of the estimated market value at the time of the last general revaluation, while assessments for motor vehicles and personal property are computed at 70% of the current fair market value. Each year a Board of Assessment Appeals determines whether taxpayer petitions for assessment reductions on the current grand list are warranted.

When a new structure, or modification to an existing structure, is undertaken, the Assessor's Office receives a copy of the permit issued by the Building Official. Upon issuance of a certification of completion, a physical inspection is conducted and a new fair market value is determined with the aid of schedules developed at the time of the last revaluation. All value adjustments are reviewed to determine equity with similar properties and estimate changes to existing income streams.

All personal property (furniture, fixtures, equipment, machinery, supplies, non-registered motor vehicles, and leased equipment) is revalued annually. Random audits are conducted periodically.

Motor vehicle registration lists are furnished to the Town by the State Department of Motor Vehicles. The Office of Policy and Management has determined that the average retail values represented by the National Automobile Dealers Association pricing guides must be utilized in preparation of the grand lists. These values are applied uniformly and equitably to all vehicles in the Town; a myriad of exemptions are then applied to qualifying applicants. The same process is applied to the Supplemental Motor Vehicle list, which represents new or replacement vehicles which were registered after the October 1 assessment date, but before the following July 1. Bills for this supplemental list are issued the following January, eighteen months after the grand list date.

The Town of Watertown has not approved the use of Section 12-124a of the Connecticut General Statutes, which permits a municipality, upon approval of its legislative body, to abate property taxes on owner-occupied residences to the extent that the taxes exceed eight percent of the owner's total income, from any source, adjusted for self-employed persons to reflect expenses allowed in determining adjusted gross income.

**Motor Vehicle Property Tax Cap:** Connecticut General Statutes Section 12-71e creates a cap on the local property tax mill rate for motor vehicles. For the assessment year October 1, 2018 (the fiscal year ending June 30, 2020), and each assessment year thereafter, the mill rate for motor vehicles shall not exceed 45 mills. No district or borough may set a motor vehicle mill rate that if combined with the motor vehicle mill rate of the town or city in which such district or borough is located would result in a combined motor vehicle mill rate in excess of these mill rate caps. The Town's mill rate for motor vehicles for fiscal year ending June 30, 2022 is 34.56 mills.

For the fiscal year ending June 30, 2020, and each fiscal year thereafter, motor vehicle property tax grants to municipalities that impose mill rates on real property and personal property other than motor vehicles greater than 45 mills or that, when combined with the mill rate of any district located within the municipality, impose mill rates greater than 45 mills, shall be made in an amount equal to the difference between the amount of property taxes levied by the municipality and any district located within the municipality on motor vehicles for the assessment year October 1, 2013, and the amount such levy would have been if the mill rate on motor vehicles for that assessment year was 45 mills.

## **Authority to Incur Debt**

The Town of Watertown has the power to incur indebtedness as provided by the Connecticut General Statutes and the Town Charter. When general obligation bonds have been authorized, bond anticipation notes may be issued maturing in not more than two years (CGS Sec. 7-378). Temporary notes may be renewed up to ten years from their original date of issue as long as all project grant payments are applied toward payment of temporary notes when they become due and payable, and the legislative body schedules principal reductions by the end of the third year and for each subsequent year during which such temporary notes remain outstanding in an amount equal to a minimum of 1/20th (1/30th for sewer and certain school projects) of the estimated net project cost (CGS Sec. 7-378a). The term of the bond issue is reduced by the amount of time by which temporary financing exceeds two years. Refunding bonds may be authorized by resolution of the Town Council.

Temporary notes must be permanently funded no later than ten years from their initial borrowing date, except for sewer notes issued in anticipation of State and/or Federal grants. If a written commitment exists, the municipality may renew the sewer notes from time to time in terms not to exceed six months until such time that the final grant payments are received (CGS Sec. 7-378b).

Temporary notes may also be issued for up to 15 years for certain capital projects associated with the operation of a waterworks system (CGS Sec. 7-244a) or a sewage system (CGS Sec. 7-264a). In the first year following the completion of the project(s), or in the sixth year following the original date of issue (whichever is sooner), and in each year thereafter, the notes must be reduced by 1/15th of the total amount of the notes issued by funds derived from certain sources of payment specified by statute. Temporary notes may be issued in one-year maturities for up to 15 years in anticipation of sewer assessments receivable, such notes to be reduced annually by the amount of assessments received during the preceding year (CGS Sec. 7-269a).

## **Maturities**

Except for refunding bonds that achieve net present value savings, general obligation (serial or term) bonds are required to be payable in maturities wherein a succeeding maturity may not exceed any prior maturity by more than 50%, or aggregate annual principal and interest payments must be substantially equal. The term of the issue may not exceed twenty years, except in the case of sewer and school bonds, which may mature in up to thirty years.

## **Limitation of Indebtedness**

Municipalities shall not incur indebtedness through the issuance of bonds which will cause aggregate indebtedness by class to exceed the following:

General Purposes:	2.25 times annual receipts from taxation
School Purposes:	4.50 times annual receipts from taxation
Sewer Purposes:	3.75 times annual receipts from taxation
Urban Renewal Purposes:	3.25 times annual receipts from taxation
Unfunded Past Pension Purposes:	3.00 times annual receipts from taxation

“Annual receipts from taxation” (the “base”) are defined as total tax collections including interest and penalties, late payment of taxes and state payments for revenue losses under Connecticut General Statutes Section 12-129d and 7-528. In no case shall total indebtedness exceed seven times the base.

The Connecticut General Statutes also provide for exclusion from the debt limit calculation debt (i) issued in anticipation of taxes; (ii) issued for the supply of water, gas, electricity, electric demand response, conservation and load management, distributed generation and renewable energy projects; for the construction of subways for cables, wires and pipes; for the construction of underground conduits for cables, wires and pipes; for the construction and operation of a municipal community antenna television system and for two or more of such purposes; (iii) issued in anticipation of the receipt of proceeds from assessments levied upon property benefited by any public improvement; (iv) issued in anticipation of the receipt of proceeds from State or Federal grants evidenced by a written commitment or for which allocation has been approved by the State Bond Commission or from a contract with the state, state agencies or another municipality providing for the reimbursement of costs but only to the extent such indebtedness can be paid from such proceeds; (v) issued for certain water pollution control projects; and (vi) upon placement in an escrow of the proceeds of refunding bonds, notes or other obligations or other funds of the municipality in an amount sufficient to provide for the payment when due of principal of and interest on such bond, note or other evidence of indebtedness.

## School Projects

Pursuant to Section 10-287i of the Connecticut General Statutes, the State of Connecticut will provide proportional progress payments for eligible school construction expenses on projects approved after July 1, 1996.

Debt service reimbursement will continue under the prior reimbursement program for all projects approved prior to July 1, 1996. Under the prior program, a municipality issues bonds for the entire amount of the school construction project and the State of Connecticut reimburses the Town for principal and interest costs for eligible school construction projects over the life of outstanding school bonds and subsequent bond issues necessary to completely fund the approved school project.

Under the new program, the State of Connecticut will make proportional progress payments for eligible construction costs during project construction. The State grant will be paid directly to the municipality after it submits its request for progress payments, and accordingly, the municipality will issue its bonds only for its share of project costs.

## **VI. Financial Administration**

### ***Fiscal Year***

The Town's fiscal year begins July 1 and ends June 30.

### ***Basis of Accounting***

See footnote number 1 in "Notes to Financial Statements" of Appendix A.

### ***Budget Procedure***

Annually, the Town Manager presents the budget to the Board of Finance. After required hearings, the Board of Finance, which administers the budget, recommends its budget to the Town Council. At the annual budget meeting held in April, the Council may, by the required number of votes, reduce or increase the proposed estimated expenditures. After completing such action, the Council adopts the budget by resolution. The Board of Finance then calculates a rate of taxation on the most recent Grand List, which will produce the revenue required to preserve a balance between estimated receipts and expenditures, net of provisions for other estimated revenue and cash surplus or deficit.

Subject to the provisions of Chapter VII of the Town Charter, the Town Council, on recommendation of the Board of Finance, may appropriate at any time any unappropriated and unencumbered appropriation balance, or portion thereof, between general classifications of expenditures within an office, department or agency, up to a maximum of \$500. The Town Council must approve any transfer over \$500 from one office, department or agency to another to meet a pressing need for public expenditure. The Board of Finance and the Town Council may review the budget after recommendation by the Town Manager and certification by the Director of Finance that sufficient funds exist.

The budget is prepared on a modified accrual basis of accounting, except for the accrual of payroll. Encumbrances that are outstanding at year-end are not recorded as budgetary expenditures. The Town Council approves those items as continued appropriations in the following year's budget. Authorized continuing appropriations are presented as reservation of fund balance since the commitments will be honored in subsequent years. Encumbrances do not constitute expenditures or liabilities for generally accepted accounting principles or budgetary purposes. The control level on which expenditures may not legally exceed appropriation is the department level.

### ***Audit***

Pursuant to the Municipal Auditing Act (Chapter 111 of the Connecticut General Statutes), the Town is obligated to undergo an annual examination by an independent certified public accountant. The audit must be conducted under the guidelines issued by the State of Connecticut, Office of Policy and Management. The Town of Watertown is in full compliance with said provisions.

### ***Liability Insurance***

See Note number 8 in "Notes to Financial Statements" of Appendix A.

## Pensions

The Town of Watertown is the administrator of two single employer, contributory, defined benefit plans:

Town of Watertown - General Town Employees

Police Benefit Fund - Police Employees

The pension plans are included in the financial statements as Pension Trust Funds. Individual stand-alone statements are not issued. Prudential Financial is the trustee of the Plan's assets. The latest actuarial valuation was completed for January 1, 2021. The budgeted fiscal year 2021–22 annual required contributions ("ARCs") is \$546,415 for the Town Retirement System and \$1,254,215 for the Police Benefit Fund for a total ARC of \$1,800,630. The Town's practice is to always budget 100% of the pension ARC.

### Town Retirement System

The Town of Watertown Retirement System covers all full-time employees other than police officers, supervisors, certified Board of Education teachers and Water and Sewer Authority employees hired prior to February 1986.

All employees working at least 30 hours per week and 40 weeks per year are eligible under the plan. All eligible employees are 100% vested after 10 years of continuous service. The retirement benefit is 2% of final earnings per year of credited service, subject to a maximum percentage offset of the social security benefit defined by division group. Final earnings are defined as the average earnings during the highest three full earnings computation periods prior to normal retirement. Normal retirement date is the first month coinciding with or next following the employee's 65th birthday, except for the Highway Division. The normal retirement date for the Highway Division is the first month coinciding with or next following the earlier of the employee's age of 55 and 25 years of service or age 65. For early retirement, the normal accrued benefit is actuarially reduced for the number of months the annuity commencement date precedes the normal retirement date. Disabled employees are entitled to receive normal pension benefits based on service and final pay at the time of disability.

The aggregate actuarial cost method that is used for calculating the annual required contribution does not separately identify unfunded actuarial accrued liabilities. The schedule of funding progress presented below has been developed using the entry age actuarial cost method for the Town Retirement System.

### **Town Retirement System**

<b>Actuarial Valuation Date</b>	<b>Actuarial Value of Assets</b>		<b>Actuarial Accrued Liability (AAL)</b>	<b>Overfunded (Unfunded) AAL (b-a)</b>	<b>Funded Ratio (a/b)</b>

6/30/2018	538,056	538,056		100.0%

<sup>1</sup> Budgeted amounts.

## Police Benefit Fund

The Police Benefit Fund is open to all police employees represented by the union for collective bargaining purposes.

All police officers who work more than 20 hours per week and five months per calendar year are eligible to participate in the plan. All employees are 100% vested after 10 years of continuous service. The retirement benefit is 2.5% of final earnings per year of credited service, less 35% of social security. Final earnings are defined as the average earnings received in the last three full calendar years before retirement date. A temporary retirement annuity equal to 35% of the social security benefit shall be paid from normal retirement date to age 65. The normal retirement age is 55 or 25 years of service. An employee may accumulate up to 30 years of service. For early retirement, age 50 with 10 years of service, the normal benefit accrued is actuarially reduced for the number of months the annuity commencement date precedes the normal retirement date.

<b>Actuarial Valuation Date</b>	<b>Actuarial Value of Assets</b>		<b>Actuarial</b>	<b>Overfunded</b>	<b>Funded</b>

<sup>1</sup> Budgeted amounts.

The information presented in the required supplementary schedules to the audited financial statements was determined as part of the actuarial valuations at the dates indicated.

Governmental Accounting Standards Board Statement No. 67 ("GASB 67") requires a determination of the Total Pension Liability ("TPL") for a plan using the Entry Age Normal actuarial funding method. The Net Pension Liability ("NPL") is then set equal to the TPL minus the plan's Fiduciary Net Position ("FNP") which, generally, is the market value of assets in the plan as of the measurement date. Among the assumptions needed for the liability calculation is a Single Equivalent Interest Rate ("SEIR"). To determine the SEIR, the FNP must be projected into the future for as long as there are anticipated benefits payable to the membership and beneficiaries of the system on the measurement date. If the FNP of the plan is not expected to be depleted at any point in the future, the plan may use its long-term expected rate of return as the SEIR. If, on the other hand, the FNP of the plan is expected to be depleted, then the SEIR is the single rate of interest that will generate a present value of benefits equal to the sum of (i) the present value of all benefits through the date of depletion at a discount rate equal to the long-term expected rate of return, plus (ii) the present value of benefits after the date of depletion discounted at a rate based on 20-year, tax-exempt, general obligation municipal bonds, with an average credit rating of AA/Aa or higher.

The Town has received from its actuarial firm Prudential Financial's reports prepared as of June 30, 2021 containing information to assist the Town in meeting the requirements of GASB 67. These reports indicated the following results as of June 30, 2021 in accordance with GASB 67:

	<b>Town</b>	<b>Police</b>
Total Pension Liability .....	\$ 30,140,345	\$ 34,079,900
Plan Fiduciary Net Position .....	28,591,778	28,924,100
Total Net Pension Liability .....	<u>\$ 1,548,567</u>	<u>\$ 5,155,800</u>
Plan Fiduciary Net Position as a		
Percentage of the Total Pension Liability .....	94.86%	84.87%
Covered Payroll.....	\$ 5,773,751	\$ 3,308,561
Net Pension Liability as a Percentage		
of Covered Payroll.....	26.82%	155.83%

The report for the Town of Watertown Retirement Income Program as of June 30, 2021 used its long term investment rate of 7.00% as the SEIR since the results currently indicate that the FNP will not be depleted at any point in the future. GASB 67 also requires sensitivity calculations based on a SEIR 1% in excess and 1% less than the SEIR used as shown below:

	<b>Current</b>		
	<b>1% Decrease</b>	<b>Discount Rate</b>	<b>1% Increase</b>
	<b>(6.00%)</b>	<b>(7.00%)</b>	<b>(8.00%)</b>
Town Net Pension Liability .....	\$ 4,456,993	\$ 1,548,567	\$ 1,075,558

The report for the Town of Watertown Police Retirement Income Program as of June 30, 2021 used its long term investment rate of 7.00% as the SEIR since the results currently indicate that the FNP will not be depleted at any point in the future. GASB 67 also requires sensitivity calculations based on a SEIR 1% in excess and 1% less than the SEIR used as shown below:

	<b>Current</b>		
	<b>1% Decrease</b>	<b>Discount Rate</b>	<b>1% Increase</b>
	<b>(6.00%)</b>	<b>(7.00%)</b>	<b>(8.00%)</b>
Police Net Pension Liability .....	\$ 8,196,512	\$ 5,155,800	\$ 1,439,345

See Appendix A – “Audited Financial Statements, Notes to Financial Statements, Note 11” herein.

*(The remainder of this page intentionally left blank)*

## Other Post-Employment Benefits (OPEB)

The Town has complied with the requirements of Governmental Accounting Standards Board (“GASB”) Statement Nos. 43 and 45, which require municipalities and other governmental entities to undertake an actuarial evaluation of their Other Post-Employment Benefit (“OPEB”) plans and include information concerning the valuation of such plans in their financial statements. The Town is contributing the “pay-as-you-go” portion only and is not currently amortizing any of the unfunded accrued liability, however the Town is in the process of creating a trust fund, and all investment earnings and positive variances from the “pay-as-you-go” budgeting will be used to mitigate the accrued liability.

The Town’s total OPEB liability of \$94,087,249 was measured as of June 30, 2021 and was determined by an actuarial valuation as of January 1, 2020. The following table shows the changes in Net OPEB Liability:

	<b>Increase (Decrease)</b>		
	<b>Total OPEB</b>	<b>Plan Fiduciary</b>	<b>Net OPEB</b>
	<b>Liability</b>	<b>Net Position</b>	<b>Liability</b>
	<b>(a)</b>	<b>(b)</b>	<b>(a) - (b)</b>

**Sensitivity of the Net OPEB Liability to Changes in the Discount Rate:** The following presents the net OPEB liability of the Town as of June 30, 2021, as well as what the Town's net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (1.25%) or 1-percentage-point higher (3.25%) than the current discount rate:

	<b>1% Decrease</b>	<b>Current Discount Rate</b>	<b>1% Increase</b>
	<b>1.25%</b>	<b>2.25%</b>	<b>3.25%</b>
Total OPEB Liability.....	\$ 114,457,770	\$ 94,087,249	\$ 78,558,969
Plan Fiduciary Net Position.....	1,446	1,446	1,446
Net OPEB Liability.....	\$ 114,456,324	\$ 94,085,803	\$ 78,557,523

**Sensitivity of the Net OPEB Liability to Changes in the Healthcare Cost Trend Rates:** The following presents the net OPEB liability of the Town as of June 30, 2021, as well as what the Town's net OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower (3.50%) or 1-percentage-point higher (5.50%) than the current healthcare cost trend rates:

	<b>1% Decrease</b>	<b>Current Trend Rate</b>	<b>1% Increase</b>
	<b>3.50%</b>	<b>4.50%</b>	<b>5.50%</b>
Total OPEB Liability.....	\$ 77,631,564	\$ 94,087,249	\$ 116,107,666
Plan Fiduciary Net Position.....	1,446	1,446	1,446
Net OPEB Liability.....	\$ 77,630,118	\$ 94,085,803	\$ 116,106,220

### **Investment Policy**

The Town Charter and Sections 7-400, 7-401 and 7-402 of the Connecticut General Statutes govern the investments the Town is permitted to acquire. Generally, the Town may invest in certificates of deposit; repurchase agreements; municipal notes, bonds, obligations of the United States, including joint and several obligations of the Federal Home Loan Mortgage Association, the Federal Savings and Loan Insurance Corporation, obligations of the United States Postal Service, all the Federal home loan banks, all Federal land banks, the Tennessee Valley Authority, or any other agency of the United States government. Mutual funds and money market funds that meet certain statutory requirements are also permitted investments.

See Appendix A – “Audited Financial Statements, Notes to Financial Statements, Note 3” herein.

**Municipal General Budget Expenditures Cap:** Connecticut General Statutes Section 4-661 creates a cap on adopted general budget expenditures for municipalities in Connecticut in order for municipalities to be eligible to receive the full amount of the State's municipal revenue sharing grant. Beginning in fiscal year ending June 30, 2018, and in each fiscal year thereafter, the Office of Policy and Management ("OPM") must reduce the municipal revenue sharing grant amount for those municipalities whose adopted general budget expenditures (with certain exceptions including but not limited to debt service, special education, implementation of court orders or arbitration awards, budgeting for an audited deficit, nonrecurring grants, capital expenditures of \$100,000 or more, or payments on unfunded pension liabilities, and certain major disaster or emergency expenditures) exceeds the spending limits specified in the statute. For each applicable fiscal year, OPM must determine the municipality's percentage growth in general budget expenditures over the prior fiscal year and reduce the grant if the growth rate is equal to or greater than 2.5% or the inflation rate, whichever is greater, each of those amounts adjusted by an amount proportionate to any increase in the municipality's population from the previous fiscal year. The reduction is generally equal to 50 cents for every dollar the municipality spends over this cap. Each municipality must annually certify to the Secretary of the OPM whether such municipality has exceeded the cap set forth in the statute and if so the amount by which the cap was exceeded. The fiscal 2022-2023 biennium budget legislation adopted by the General Assembly in June 2021 provides funding for the municipal revenue sharing grant for the fiscal years ending June 30, 2022 and June 30, 2023. The Town expects to receive a total of \$135,423 in municipal revenue sharing grants for fiscal year 2021-2022.

<sup>1</sup> Budgetary Basis of accounting.

<sup>2</sup> For the fiscal year ending June 30, 2021, the Town experienced a general fund deficit of approximately \$1.8 million. The deficit was due to unbudgeted special education costs and unreimbursed COVID-19 related expenditures incurred by the Board of Education. Although the Board of Education did not discover and report the deficit until May 2021, the Town has taken steps to improve the function and accuracy of its monthly budgetary reports with regards to education costs and it is believed that such COVID-19 related expenditures are unlikely to recur.

## **VII. Legal and Other Information**

### ***Litigation***

The Town of Watertown, its officers, employees, boards, and commissions are named defendants in a number of lawsuits, tax appeals, administrative proceedings, and other miscellaneous claims. It is the opinion of the Town Attorney, following consultation with Town officials and other attorneys providing legal services to the Town, that such pending litigation will not be finally determined, individually or in aggregate, so as to result in final judgments against the Town which would have a material adverse effect on the Town's financial position.

### ***Documents Furnished at Delivery***

The winning bidder will be furnished the following documents when the Bonds are delivered:

1. A signature and No Litigation Certificate stating that at the time of delivery no litigation is pending or threatened affecting the validity of the Bonds or the levy or collection of taxes to pay them.
2. A certificate on behalf of the Town, signed by the Town Manager and the Finance Director which will be dated the date of delivery, which will certify, to the best of said officials' knowledge and belief, that at the time the bids were awarded for the Bonds, the descriptions and statements in the Official Statement relating to the Town and its finances were true and correct in all material respects and did not contain any untrue statement of a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition of the Town from that set forth in or contemplated by the Official Statement.
3. A receipt for the purchase price of the Bonds.
4. The approving opinion of Pullman & Comley, LLC, Bond Counsel, of Hartford, Connecticut in substantially the form set out in Appendix B to this Official Statement.
5. An executed Continuing Disclosure Agreement for the Bonds in substantially the form attached hereto as Appendix C to this Official Statement.
6. The Town of Watertown has prepared an Official Statement for the Bonds which is dated January 11, 2022. The Town deems such Official Statement final as of its date for purposes of SEC Rule 15c2-12 (b)(1), but it is subject to revision or amendment. The Town will provide the winning bidder with a reasonable number of copies of the final Official Statement at the Town's expense. The copies of the Official Statement will be made available to the winning bidder at the office of the Town's Municipal Advisor no later than seven business days of the bid opening. If the Town's Municipal Advisor is provided with the necessary information from the winning bidder by noon of the day following the day bids on the Bonds are received, the copies of the final Official Statement will include an additional cover page and other pages indicating the interest rates, yields or reoffering prices, the name of the managing underwriter, the name of the insurer, if any, and any changes on the Bonds. The winning bidder shall arrange with the Municipal Advisor the method of delivery of the copies of the Official Statement to the winning bidder.

A record of the proceedings taken by the Town in authorizing the Bonds will be kept on file at offices of U.S. Bank National Association, and may be examined upon reasonable request.

**Concluding Statement**

To the extent that any statements made in this Official Statement involve matters of opinion or estimates, such statements are made as such and not as representations of fact or certainty, and no representation is made that any of such statements will be realized. Information herein has been derived by the Town from official and other sources and is believed by the Town to be reliable, but such information other than that obtained from official records of the Town has not been independently confirmed or verified by the Town and its accuracy is not guaranteed.

This Official Statement has been duly prepared and delivered by the Town, and executed for and on behalf of the Town by the following officials:
