

TRY OUR NEW CITIZEN SELF SERVICE PORTAL!

The City has a new online portal for electronic plan review and permits.

To enhance customer experience for submitting plans and obtaining permits some of the key features include the ability to:

- Submit Applications and Payments Electronically
- Schedule Inspections Online
- Track the Status of Permits in Real Time
- Submit Plans and Receive Comments Electronically

Use the Link below to access the online portal.

This Link is also available on our city website <http://www.waxahachie.com/>

Important Tips:

- You must register through the portal to utilize these services.
- An e-mail is required to register and you will need to verify the registration is linked to your existing contact e-mail and company name if applicable to view all active permits, plans, and inspections.
