

# 2022 TRANSPORTATION SYSTEM PLAN

City Council Study Session  
November 2, 2021

---

---

## Background

**CITY OF YELM**

- A transportation system plan provides guidance for 20 years of planning
- Includes road classifications, levels-of-service, future project list, and funding options

## Changes from 2009 Plan

**CITY OF YELM**

---

- Road classifications have changed to match TRPC & WSDOT classifications
- Grouping projects and adding priority designations
- Adding funding estimates based on 2021 numbers
- New section: focuses for future updates
