## Answers The Triad Theater

1. An estimated 6,000 people throughout the year travel multiple times to attend events at the Triad Theater. We have regular attendees from Olympia and Tacoma areas.
2. Based on sales information and ticket sales that anywhere from 500-1,000 travel from out of state.
3. We have had feedback from area Bed and Breakfasts and The Prairie hotel that approx 25% of the ticket holders have paid to stayed at location in Yelm.
4. Many local and semilocal attendees have friends and family stay with them to see performances at the theater and many of the performers stay in Yelm as guests.
5. We are able to follow attendance and location of visitors from our credit card purchases and social media advertisements and links. We have mailing list and followers on social media we are able to calculate these figures from.
6. We have contact with Conley Suites and Air BNB participates in Yelm that keep us up today on their guests in addition to all the records we keep and monitor.
7. Many of our speakers are from around the world and bring in people worldwide. We have local theater that brings in friends and family to see performances. Our presenters have overwhelming number of followers that extend the globe. YouTube and live feeds are watched long after performances that attract attendees to upcoming events.
8. We have lists we provide and advertisements with event promotions
9. The Director is working to have Yelm recognized as a support of the arts. Such self-funded events and fundraiser sponsored by The Triad Theater have brought in more tourist than any other events in Yelm. The UFO festival has a higher attendance than any other Festival in Yelm.
10. The condition and safety of the historical site that houses The Triad Theater is very important on many many levels to the town and the tourism. We can increase our professionalism and attract higher-end entertainment.
11. We have partnered with most of the organization in Yelm and the surrounding area. We work with the Reservation, RedWind Casino, local breweries, local restaurants and all the local talent. I could not list all the connection there are with The Triad Theater.
12. The Triad Theater is 100% volunteer run. The amount that has been given back to the community from the dedication of the support is strong. The Triad Theater have survived with little financial support from the City of Yelm, Business, and surrounding interest groups. We ask that we can receive financial support to keep the theater thriving.

**\* VOLUNTEERING to other Organizations (Teaching Beginning Acting to the Girls and Boys at Summer Camp Programs)**

**\* PARTICIPATION IN 2 MAJOR PARADES PER YEAR providing colorful floats, laughter, and music for the viewers.**

**\* The 2nd Annual UFO FEST**

**\*We provide the space for artists and speakers for half the price of any other venue in town plus offer stage and lighting and help with their marketing.**

**\*We offer classes for children in public speaking and drama and music and scholarships for children as well.**

**We have been providing the likes of these wonderful shows to the Community for 7 years in an old fashioned, cozy, artsy environment with professional sound and lights, stage and raised theater seating.**

**But the theater needs the financial support to help keep this theater alive and thriving.**

**\* We need a marquee and/or an electric sign board to inform the community in drive by traffic what shows are being offered weekly. It is the only effective way of reaching the community with the constant changes of shows occurring daily. . (The outside posters get ripped in the wind and rain and not everyone reads the local paper.) In spite of countless articles in the Nisqually Local Newspaper and window posters and flyers, many people in the community are not even aware that the theater exists!**

**\* We need to replace windows, rugs; we need to get air conditioning for the hot summer months,**

**\* We need Live Stream Equipment and cameras to allow us to show the shows on public television and post the shows on YouTube.**

**\* We need to upgrade our sound system with more microphones and stands and a new sound board. Projectors and computers wear out from daily use and need to be replaced or upgraded. Stage lighting bulbs need to be**

replaced annually. We need to pay professional people for their services i.e. sound/light tech, Office Manager w Booking acts and Advertising and Accounting and Janitorial Services. This is a full operation that has been going on for 5 year but volunteers come and go and don't care for the equipment and service. So certain jobs need to be contracted in on a as needed basis.

\* We also need financial help to offset the monthly costs of rent, utilities and internet services since ticket sales in any art theater rarely support the theater alone., Sometimes there are cancellations due to the weather, sometimes the show is cancelled and we lose the revenue for that weekend.

**Without The Theater, There is No Heart for the Downtown Area of Yelm.**

The Triad Arts Theater in the Historic Wolf Building is right in the heart of the town and with some TLC would make a great impact on people as they enter the historic district.

**There Is No Centralized Facility That Offers Theatrical and Educational Entertainment as Provided By The Triad Arts Theater in Our Community.**

\* The Yelm Recreational Center cannot provide the ambiance or staging, technical support and indoor seating for artistic presentations and lectures of this quality.

\* The Moose Lodge and Lions Club cannot provide what this theater provides either. They are wonderful meeting places and social gatherings but cannot offer what the Triad offers.

**The Triad Arts Theater Brings Business To Yelm!**

\* People from outside of the community stay overnight in the local hotel and eat at our local restaurants while attending many of our events.

\* People purchasing property in town are happy to know there are local facilities in the community for entertainment and culture. The Triad adds

**charm and civility to our community and even more so when we can renovate the historic building it resides in.**

### **The Triad Theater Is a Sanctuary For Local Artists and Actors!**

**\*It contributes to culture and softens the town image. And Art, Music and Comedy are healing!**

### **Our Town is Very Diversified but Unified by Having an Arts Theater!**

- \* Art knows no boundaries so it brings people together from all walks of life.**
- \* The Triad Arts Theater reaches out to all ethnic and religious groups and races.**
- \* It serves the rich, the middle class and the poor in our community.**
- \* It reaches out to men, women and children of all ages.**
- \* It unites our community in more ways than many imagine!**

### **The Hard Part of Creating a Non-Profit Community Theater in Yelm is Done!**

**\* The state of the art sound system is up and running. The projector and remote drop down custom screen is installed. The lightening system and follow spot is working. The sound bridge is built and working. The seats are installed and resting on elevated tiers. The stage is raised and painted. A new women's bathroom was installed with financial support from Thurston County. We have a lovely lobby with chandeliers and vintage booths for seating. Deep red colorful wall to wall rug installed. The walls are painted. Coffee is on, Popcorn is popping. Lights Camera, Action!**

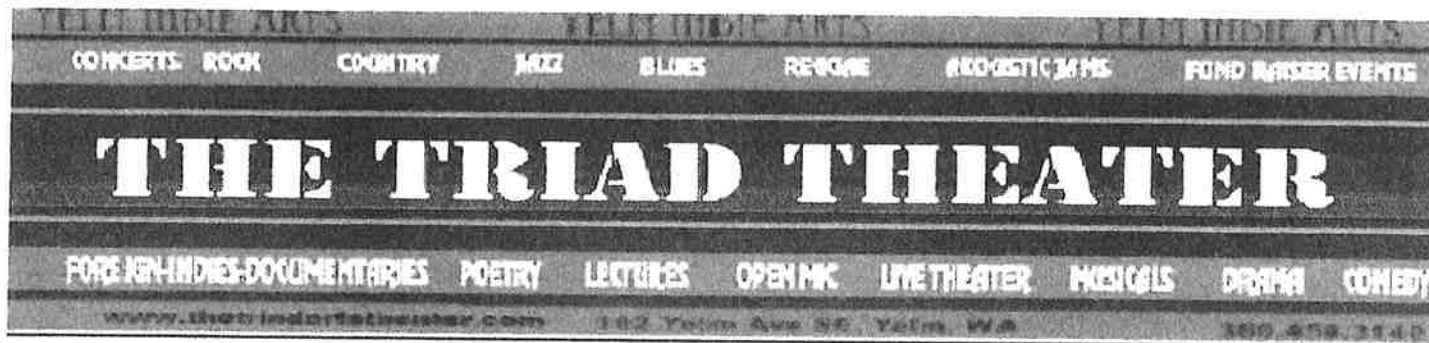

### **The Triad Theater has a 501 C status for non- profits.**

**\* We are set up to take credit cards and have bank accounts. We are set up on Facebook and have a beautiful website and mailing list of over 1000 people that we serve. We have had packed houses and countless elated patrons that are elated and influenced by the entertainment we provide.**

**\* We have proven our ability to create and maintain and provide service with a community theater with a track record of over 5 years.**

**\* It would be a shame to let this theater die with so much time and private investment put into this historical building only to start from scratch in the future.**

**Won't You Help Us So That We Can Continue To Grow?**

**Welcome to Yelm's Non Profit Community Theater... The Triad Arts Theater located in the heart of downtown Yelm, serving the Greater Yelm Community for over 7 years**

**The Triad Arts Theater is a sanctuary for countless musicians, actors, poets, singers, lecturers, scientists, and philosophers.** The theater provides classes for children of all ages to learn public speaking, poise and performance to overcome the fear of standing in front of a crowd of people which is vital for success in their future. It includes an art gallery that displays the work of local artists and artisans.

The Triad Arts Theater is the last bastion for free speech ...free creativity as long as it is done with integrity and from the heart. This theater has a purpose to raise the spirit...and bring light to all the community...pure and simple.

The Triad Arts Theater serves all walks of life, **gender, ages, races, creeds, and social status.** Under this roof we drop our walls to become unified with laughter, song, merriment or enlightenment.

**Other towns have huge funds set aside for the arts.** We have none or at least none that was available to us from the city for the past 7 years.

The Hotel Motel Tax Revenue...is waiting to be distributed to businesses that generate tourism to the community...but let's face it; Yelm has only one motel to fund all the businesses that support tourism in the community. That money won't go very far...and the community theater is a major contributor to tourism in the community. We must come up with other ways to support the arts.

**It is common knowledge that a community theater no matter how efficient, still makes less than 30% from Ticket sales for events. The rest of the money needs to be provided by grants or funding from the city or state to help keep the doors open.** Even a full year of events does not guarantee that unexpected weather, or cancellations won't affect the attendance.

**We have proven our ability to provide amazing events and shows to the community without any funding for over 8 years but we need assistance to continue as the burden is heavy and**

without improvements we cannot increase our attendance, extend our exposure, do repair work and upgrade equipment to continue our commitment to the community. We are a non-profit theater and totally run by volunteers. But we need your help.

### **WHAT WE NEED TO CONTINUE...**

- \*Upgrades to our sound and lighting system and Projector.
- \*A marquee outside to show all the events and shows being shown weekly
- \*An outdoor sign that designates the building is THE TRIAD ARTS THEATER
- \*A HD Video Camera and accessories including an Apple Computer editing bay to facilitate us recording our events like Who's Who in the Nisqually Water Shed, and other great interviews that bring the community together on YouTube and on Thurston County Public Television.
- \*Funding to improve the outside of the building and to create an entrance to the theater on the main road that would lead into the gallery and then into the theater itself instead of the side door speakeasy entrance that is confusing to the patrons
- \*Reconstruction costs and expenses to upgrade the total image of the theater and to provide a wine bar in the art gallery

Yelm is a diverse Community which means there are many different perspectives of life that we can draw from but that also brings a challenge to keep us from attacking each other's differences. Art is the one thing that unifies us all.

The Triad Arts Theater is the heart of the community and needs support to thrive. Won't you help us?

Thank You for your consideration.
