General Fund Expenditures

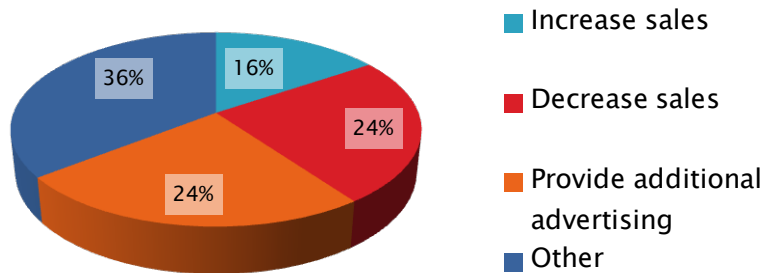

Managing Resources

In 2005, the City pumped 641 acre feet (AF) of water to serve a population of 4,886. In 2014, the City's population grew to 7,915, but water usage was the same as 2005.

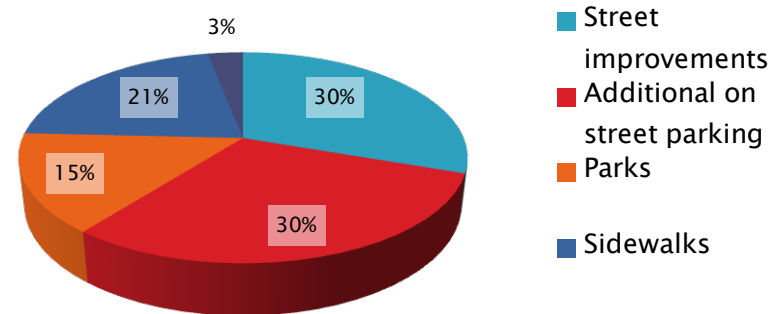

Business Survey – Key Findings

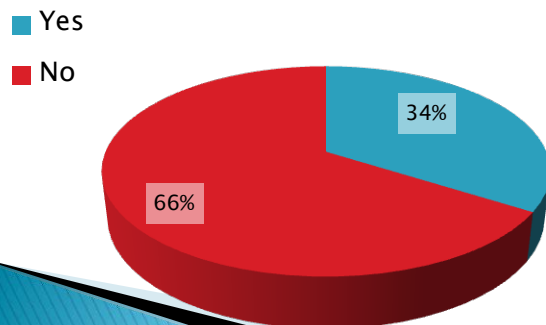

How do community events affect your business?

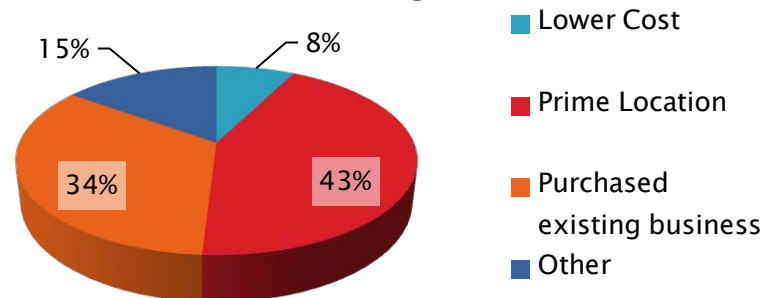

What change to community wide facilities would you suggest?

Have you added or changed signage in the past 4 years?

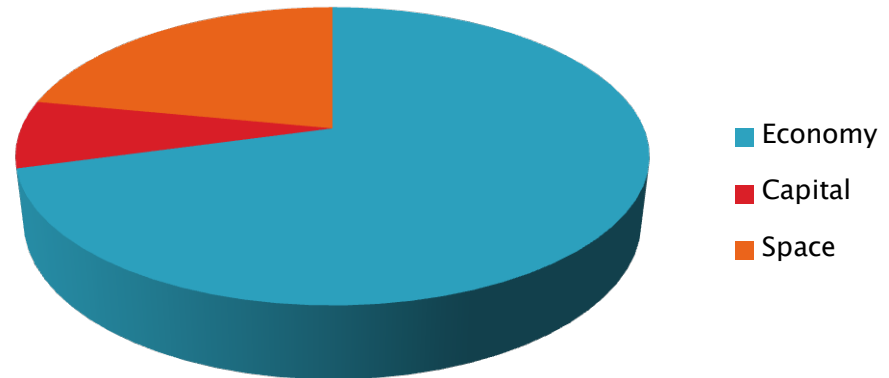

Why did you locate in your current building?

Business Survey – Follow up

- ▶ Community Development is reaching out to those businesses who wanted more signage, but aren't taking advantage of the sign code.
- ▶ The City and Yelm Chamber are working together to address business concerns.

What do you see as the greatest barrier to increasing your business?
