Fire Safe Driveway - REBUILD FIRE DESTROYED SFD (BLD08-0022)  
 ?Rural Driveway No. 127  
 ?Schedule a pre-construction meeting with Public Works Inspection prior to beginning construction.  
 ?Traffic control to conform with current CA Manual of Uniform Traffic Control Devices.  
 ?Yuba County does not give permission for tying into the highway. Driveway off CalTrans Highway must meet CalTrans requirements and have their permission.  
 Applicant shall notify Underground Service alert at least 48 hours prior to excavation by calling 1 (800) 227-2600.  
 All construction materials and workmanship shall conform to the latest edition of the Yuba County Improvement Standards, the latest edition of the State of California Department of Transportation Standard Specifications, and other agencies' standards as applicable.  
 Before starting work, the permittee shall notify Yuba County Department of Public Works Inspection, (530)749-5656, two working days in advance of the date work is to begin and prior to final inspection. See General Provisions for delay. Attention is directed to the General Provisions and to any specific conditions attached hereto and made a part hereof.  
 All work shall be conducted and completed to the satisfaction of Public Works Representatives.  
 Work conducted under this encroachment permit shall be conducted in compliance with all applicable requirements of the National Pollutant Discharge Elimination System (NPDES), to govern the discharge of storm water and non-storm water from its properties. Work shall also be in compliance with all other applicable Federal, State and Local Laws and regulations. If this permit is in conjunction with a building permit, all work required by this permit must be completed and approved by Yuba County Department of Public Works Inspection before a Building Department Final is Scheduled.
