

CLASS SPECIFICATION

CLASS: Buyer I/II
ALLOCATION: Administrative Services
FLSA STATUS: Non-Exempt
UNION AFFILIATION: YCEA

ESTABLISHED: December 2016
REVISED: November 2023

JOB SUMMARY:

Performs a variety of purchasing, surplus and fleet management assignments; prepare bids and requests for proposals; prepare bid advertising; purchases materials, supplies, equipment and services on behalf of County departments; acts as first point of contact for concerns, regarding assigned solicitations; maintains purchasing and insurance tracking databases; monitors, retrieves, tracks and issues surplus property; conduct surplus property auction; maintain surplus inventory reporting; notifies departments for required vehicle services; and performs related work as required.

Positions in this class are flexibly staffed and are normally filled by advancement from the Buyer I level if incumbents have met the minimum qualifications and have demonstrated the ability to perform the responsibilities required at the higher performance level.

Buyer I is the entry level in the buyer series. Initially under immediate supervision, incumbents learn County policies and procedures and state and federal laws, rules and regulations related to purchasing, surplus and fleet management activities. Incumbents at this level are not expected to perform with the same independence of direction and judgment on matters allocated to the journey level. As experience is gained, assignments become more complex and are performed under more general supervision. This class is distinguished from the journey level by the performance of the more routine tasks and duties.

Buyer II is the journey level in the buyer series. Under limited supervision, incumbents are fully competent to independently perform purchasing, surplus and fleet management activities. Incumbents at this level receive only occasional instruction or assistance as new or unusual situations arise and are fully aware of the operating procedures and policies related to the work. This class is distinguished from the Project Manager in that the latter has management and supervisory oversight of the County's purchasing, contract, surplus and fleet management functions.
