AGREEMENT TO PAY

RECITALS

The costs to provide specific project related services are billed to the applicant/owner pursuant to the Yuba County Ordinance Code Chapter 13 (Fee Schedule). As listed in the fee schedule of Chapter 13, the fees for services are billed at an hourly rate unless a "flat fee" is notated. This initial deposit amount and an original completed Agreement to Pay Form must be submitted to the Community Development and Services Agency (CDSA) in order for services to begin and be assessed at the specified hourly rate. The herein fees are intended to compensate CDSA for staff time and/or consultant time spent on the applicant's project. I/We understand that the initial deposit does not include any fees required for compliance with the California Environmental Quality Act (CEQA) and that once the appropriate CEQA document is determined I/We will be required to submit the appropriate deposit.

TERMS OF AGREEMENT

I/We understand that Yuba County Ordinance Code Chapter 13 requires a deposit for services and CDSA will bill as services are rendered against that deposit. I/We agree to pay any required additional deposit(s) to maintain a positive deposit balance. I/We understand that all services by CDSA will cease for this project if the deposit is depleted to zero balance and a request for an additional deposit payment has not been fulfilled by the applicant within 30 days of the request. I/We further understand that until CDSA receives written notification of a change in the information provided on the application I/We am/are responsible for payment for all services performed by CDSA.

In the event there is an outstanding balance due for the project and the request for payment is 90 days or more past due, I/We agree to allow and hereby consent to the delinquent payment amount being made by the Yuba County Board of Supervisors for placement of a lien on the property equal to the past due amount plus additional penalties as described in Yuba County Ordinance Code Chapter 13.

Further as a condition of this application and to the fullest extent of the law, applicant hereby agrees to and shall defend, indemnify, release and hold harmless the County, its officers, officials, employees, and agents (collectively, "Indemnitees") from any claim, action, lawsuit, or proceeding brought against any of the Indemnitees, the purpose of which is to challenge, attack, set aside, void, or annul the approval of this application, including but not limited to, any related action, approval, entitlement, permit, agreement, or environmental document, or the processing thereof. The applicant shall indemnify the County for all of its costs, attorney's fees, and/or damages which the County incurs in enforcing the indemnification provision set forth herein.
