WHEREAS, California Government Code section 8630 and Yuba County Ordinance Code section 4.20 empowers the Yuba County Board of Supervisors, or an official designated by ordinance, to proclaim the existence of a local emergency upon the existence of conditions of extreme peril to the safety of persons and property within the County of Yuba (“County”); and

WHEREAS, on September 9, 2020, the County Director of Emergency Services (“Director”) proclaimed a local emergency pursuant to the powers prescribed under County Ordinance Code section 4.20.70(b)(1). Said local emergency arose by the sudden outbreak of a wildland fire in the County’s foothills, which caused the evacuation of a large portion of Loma Rica and destroyed approximately seven (7) homes (“Willow Fire”); and

WHEREAS, California Government Code section 8630(d) further requires the Board of Supervisors to review, and ratify this proclamation within 7 days, to continue the local emergency until the termination of such emergency; and

WHEREAS, the Board of Supervisors does hereby find that conditions of extreme peril to the safety of persons and property continue to exist within the County caused by the Willow Fire, and, therefore, necessitate the continuation of the local emergency; and

WHEREAS, local resources remain insufficient to cope with the effects of said emergency and require the assistance of other political subdivisions.

WHEREAS, pursuant to California Government Code section 8630(d), the Board of Supervisors shall terminate the local emergency as soon as reasonably possible.

THEREFORE, BE IT RESOLVED, that the Yuba County Board of Supervisors does hereby continue the September 9, 2020 Proclamation of a Local Emergency in Yuba County.
