RESOLUTION NO. 2021-070

WHEREAS, the existing Public Works corporation yard has been in use for decades. The current structure is a World War 2 era building that does not meet the current needs of the road maintenance and shop crews; and

WHEREAS, the Main Public Works Corporation Yard Project will include a remodel of the existing structure, a new 60' x 180' metal building adjacent to the existing structure, which will provide vehicle maintenance space for Public Works vehicles, new office space, locker rooms, restrooms, and additional storage space for equipment and materials; and

WHEREAS, the plans and specifications for the project are complete and, pending board approval, the project is anticipated to go out to bid on or around June 8, 2021; and

WHEREAS, a large component of the new plans is a wash rack system that will provide a heated pressure washer, water cannon, mud dewatering conveyor system, and filtration system to recycle the water; and

WHEREAS, this is a sole source purchase with a 16-week delivery time that will commence upon receipt of purchase order and deposit; and

WHEREAS, in order to meet deadlines for the project the equipment needs to be purchased in an urgent time frame; and
