In compliance with the Americans with Disabilities Act, the meeting room is wheelchair accessible and disabled parking is available. If you have a disability and need disability-related modifications or accommodations to participate in this meeting, please contact the Clerk of the Board's office at (530) 749-7510 or (530) 749-7353 (fax). Requests must be made two full business days before the start of the meeting. To place an item on the agenda, contact the office of the Clerk of the Board of Supervisors at (530) 749-7510.

PUBLIC INFORMATION

PUBLIC COMMUNICATIONS: Members of the public shall be allowed to address the Board of Supervisors on items not appearing on the agenda which are of interest to the public and are within the subject matter jurisdiction of the Board, provided that no action shall be

taken unless otherwise authorized by law. The total amount of time allotted for receiving such public communication shall be limited to a total of 15 minutes and each individual or group will be limited to no more than 5 minutes.

AGENDA ITEMS: The opportunity of the public to be heard on an item shall be provided during the consideration of that item. In the interest of time, the Board has limited the length of such comment or input on each item to 15 minutes total, with a limit of no more than 5 minutes per person or group. The period for public comments on a particular item may be extended upon a majority vote of the Board. These time limits do not apply to applicants appearing before the Board on behalf of their applications.

ACTION ITEMS: All items on the Agenda under the headings "Consent," "County Departments," Ordinances and Public Hearings," "Items of Public Interest," and "Closed Session," or any of them, are items on which the Board may take any action at this meetings.

PUBLIC HEARINGS: All members of the public shall be allowed to address the Board as to any item which is noticed on the Board's agenda as a public hearing. The Board has limited each person or group input to no more than 3 minutes. Any person or group may provide the Board with a written statement in lieu of or in supplement to any oral statement made during a public hearing. Written statements shall be submitted to the Clerk of the Board.

ORDINANCES: Ordinances shall not be passed within five days of their introductions, nor at other than a regular meeting or at an adjourned regular meeting. The Board of Supervisors will address ordinances at first readings. The public is urged to address ordinances at first readings. Passage of ordinances will be held at second readings, after reading the title, further reading is waived and adoption of the ordinance is made by majority vote. An urgency ordinance may be passed immediately upon introduction. The Board reserves the right to amend any proposed ordinances and to hold a first reading in lieu of a second reading.

INFORMATIONAL CORRESPONDENCE: The Board may direct any item of informational correspondence to a department head for appropriate action.

SCHEDULED LUNCH BREAK: Between the hours of 12:00 noon and 1:00 p.m. and at the discretion of the Chair, the Board will recess one hour for lunch.

SPECIAL MEETINGS: No public comment shall be allowed during special meetings of the Board of Supervisors, except for items duly noticed on the agenda.

PUBLIC INFORMATION: Copies of §6.7 shall be posted along with agendas.

CLERK RECORDER – REGISTRAR OF VOTERS

915 8th Street, Suite 107
Marysville, CA 95901-5273

• Elections (530) 749-7855
• Recorder (530) 749-7850

• Clerk (530) 749-7851
• Fax (530) 749-7854

Ms. Terry A. Hansen

TO: Board of Supervisors

FROM: Terry A. Hansen, Clerk / Recorder

A handwritten signature in cursive script, appearing to read "Terry Hansen", is written over the "FROM:" line.

SUBJECT: Appointments to Fill Vacant Offices

DATE: September 20, 2012

Recommendation:

Adopt resolution appointing members in lieu of election to the Board of Directors for Special Districts pursuant to elections Code §10515.

Background:

The Board of Supervisors, as the Supervising Authority, is required to make appointments when on the 83rd day prior to the District Election:

- A petition signed by 10 percent of the voters or 40 voters, whichever is the smaller number in the district or division if elected by division, requesting that the general district election be held has not been presented; and
- Only one person has filed a declaration of candidacy for any elective office to be filled at that election, or
- No one has filed a declaration of candidacy for such an office, or
- In the case of directors to be elected from the district at large, the number of persons who have filed a declaration of candidacy for director at large does not exceed the number of offices of director at large to be filled at the election, or
- In the case of directors who must reside in a division but be elected at large, the number of candidates for director at large from a division does not exceed the number required to be elected at large while residing in that division.

Discussion:

Certificate of Facts on file with Clerk of the Board.

Committee Action:

Routine, not required.

Fiscal Impact: None.

Attachments:
None

WHEREAS, no petition has been filed by 10 percent of the voters or 50 voters, whichever is the smaller number, in the district or division, if elected by division, requesting that the district election be held; and

WHEREAS, in this event, Elections Code Section 10515 provides for a request that the Board of Supervisors, "at a regular or special meeting held prior to the Monday before the first Friday in December, in which the election is held, appoint to such office or offices the person or persons, if any who have filed Declarations of Candidacy... If no person has filed a Declaration of Candidacy for any office, the supervising authority shall appoint any person to the office who is qualified on the date when the election would have been held. The person appointed shall qualify and take office and serve exactly as if elected at a general district election for the office."; and

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Supervisors of the County of Yuba that the persons listed below are hereby appointed for the terms set forth as director of the specified districts to serve in such capacities from noon on December 5, 2012 until the expiration of the term.

**CERTIFICATE OF FACTS AND REQUEST TO FILL VACANT OFFICE
PURSUANT TO ELECTION CODE §10515**

I, **TERRY A. HANSEN**, County Clerk/Registrar of Voters of the County of Yuba, California, under Elections Code §10515 certify that by 5:00 p.m. on the 83rd day prior to **November 6, 2012** the date fixed by Law for the general district election for the office of Director of the **Browns Valley Irrigation - Division 4** (District) the following, as marked "X", exists:

- ☒ Only one person has filed a declaration of candidacy for such office to be filled at such election.
- ☐ No one has filed a declaration for candidacy for such office.
- ☐ In the case of directors to be elected from the district At Large, the number of persons who have filed the declaration of candidacy for director At Large does not exceed the number of offices of director At Large to be filled at such election.
- ☒ In the case of directors who must reside in a division but be elected At Large, the number of candidates for director At Large from a division does not exceed the number required to be elected director At Large while residing in that division.
- ☒ A petition signed by 10 percent of the voters of 50 voters, whichever is the smaller number, in the district or division if elected by division, requesting that the general district election be held has not been presented to me, the officer conducting the election.

I request the Yuba County Board of Supervisors, as supervising authority of the District, at a regular or special meeting held prior to the Monday before the first Friday in December in which the election is held, appoint as follows to such office or offices:

- ☒ The person or persons who have filed declarations of candidacy:

Name	Address	Term
Bill Lowe	9886-A Spring Valley Rd, Marysville, CA 95901	4 Years

And ☐ appoint any person to the office who is qualified on the date when the election would have been held because no person filed a declaration of candidacy for the office. The District recommends the following person(s) be appointed:

Name	Address	Term

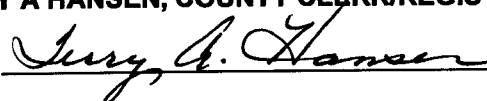

The person(s) appointed shall qualify and take office and serve exactly as if elected at a general district election for such office.

I, the undersigned, certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

**CERTIFICATE OF FACTS AND REQUEST TO FILL VACANT OFFICE
PURSUANT TO ELECTION CODE §10515**

I, **TERRY A. HANSEN**, County Clerk/Registrar of Voters of the County of Yuba, California, under Elections Code §10515 certify that by 5:00 p.m. on the 83rd day prior to **November 6, 2012** the date fixed by Law for the general district election for the office of Director of the **North Yuba Water – Division 1** (District) the following, as marked "X", exists:

- ☒ Only one person has filed a declaration of candidacy for such office to be filled at such election.
- ☐ No one has filed a declaration for candidacy for such office.
- ☐ In the case of directors to be elected from the district At Large, the number of persons who have filed the declaration of candidacy for director At Large does not exceed the number of offices of director At Large to be filled at such election.
- ☐ In the case of directors who must reside in a division but be elected At Large, the number of candidates for director At Large from a division does not exceed the number required to be elected director At Large while residing in that division.
- ☒ A petition signed by 10 percent of the voters of 50 voters, whichever is the smaller number, in the district or division if elected by division, requesting that the general district election be held has not been presented to me, the officer conducting the election.

I request the Yuba County Board of Supervisors, as supervising authority of the District, at a regular or special meeting held prior to the Monday before the first Friday in December in which the election is held, appoint as follows to such office or offices:

- ☒ The person or persons who have filed declarations of candidacy:

Name	Address	Term
Loren M. Olsen	8945 Idlewood Cir, Forbestown, CA 95941	4 years

And ☐ appoint any person to the office who is qualified on the date when the election would have been held because no person filed a declaration of candidacy for the office. The District recommends the following person(s) be appointed:

Name	Address	Term

The person(s) appointed shall qualify and take office and serve exactly as if elected at a general district election for such office.

I, the undersigned, certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

October 9, 2012

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: MICHAEL G. LEE, DIRECTOR OF PUBLIC WORKS *Tom 4/12
for
Mike Lee*

SUBJECT: APPROVE PLANS & SPECIFICATIONS & AUTHORIZE ADVERTISEMENT
FOR BIDS TO CONSTRUCT THE RUPERT AVE WIDENING PROJECT

RECOMMENDATION:

Approval of Plans and Specifications and authorize the subject project for advertisement of bids with a tentative bid opening date of November 6, 2012. The specifications are available for review at Public Works.

BACKGROUND:

A 1,600 foot segment of Rupert Avenue between Puddle Drive and Hammonton Smartsville Road is in substandard condition with regard to the pavement structural section and drainage facilities. To correct these deficiencies, Public Works secured partial funding through a Community Development Block Grant (CDBG), with the remainder funded through East Linda Specific Plan Development fees.

DISCUSSION:

The project will entail reconstructing and widening the roadway to meet current design standards and will re-align the northern end of Rupert Avenue with Avondale Avenue and create a three-way stop. This project will also provide bike lanes, on-street parking, curbs, gutters, sidewalks and drainage facilities. The project is expected to be completed by October 30, 2013.

COMMITTEE ACTION:

The Land Use and Public Works Committee was bypassed as this project is included in the current Public Works budget.

FISCAL IMPACT:

Total construction costs are estimated at \$850,000. Three Hundred and fourteen thousand Dollars (\$314,000) is funded through the CDBG program with the remainder \$536,000 funded by the East Linda Specific Plan Development Fees.

OCTOBER 9, 2012

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: MICHAEL G. LEE, DIRECTOR OF PUBLIC WORKS *For MH FOR MICHAEL*

SUBJECT: Accept North Beale Road Shoulder Improvements and Overlay as Complete and Authorize the Public Works Director to Sign and Record the Notice of Completion

RECOMMENDATION:

The Public Works Department recommends that the Board of Supervisors accept the project as complete and authorize the Public Works Director to sign and record the Notice of Completion.

BACKGROUND:

Knife River Construction was awarded the contract for North Beale Road Shoulder Improvements and Overlay in the amount of \$1,345,847.30 on May 15, 2012. Actual construction cost was \$1,360,719.64. The project consisted of shoulder improvements and placing rubberized hot mix asphalt overlay on North Beale Road from Griffith Avenue to Beale Air Force Base in Yuba County.

DISCUSSION:

The Contractor has completed the work. Once the Board accepts the project as complete the Public Works Department will file a Notice of Completion with the Yuba County Recorder.

COMMITTEE ACTION:

The Land Use & Public Works Committee was bypassed as this project was included in the Public Works Budget, and the request is routine in nature.

FISCAL IMPACT:

The entire construction phase of this project, including construction engineering, was funded 88.53% through the RSTP and CMAQ programs and the remaining 11.47% was funded by the Road Fund.

RECOMMENDATION:

Authorize the Chairman to execute Memorandum of Understanding (MOU) between the County of Yuba and the Yuba County Office of Education. The Office of Education will provide basic General Equivalency Degree (GED) Education Program for the Yuba County Day Reporting Center. The Term of the MOU is September 1, 2012 through June 30, 2013.

BACKGROUND:

This program is part of AB 109 Criminal Justice Realignment Implementation Plan submitted and approved by the Board of Supervisors on September 27, 2011.

DISCUSSION:

The Yuba County Probation Department recognized that services beyond their capabilities would be needed from the Yuba County Department of Education, as part of the Criminal Justice Implementation Plan.

COMMITTEE ACTION:

This matter has not been referred to committee, as the implementation plan was approved by the Board on September 27, 2011.

FISCAL IMPACT:

No General Fund expenditures are included in this request.

_ MEMORANDUM OF UNDERSTANDING BETWEEN COUNTY OF YUBA AND YUBA COUNTY OFFICE OF EDUCATION

This Memorandum of Understanding is between the County of Yuba and the Yuba County Office of Education. Term of the agreement is September 1, 2012 through June 30, 2013.

1. Yuba County Office of Education agrees to provide an educational program for probation clients at the Yuba County Probation Department between September 2012 and June 2013, consisting of a basic General Equivalency Degree (GED) education. In connection therewith, the Yuba County Office of Education shall provide a teacher and all materials and supplies required for such programs.
2. County of Yuba agrees to make one payment of \$9,000 to the Yuba County Office of Education, due January 1, 2013, and will be invoiced for the remainder of the costs based on actual cost of the program for continued services through June 30, 2013. The total amount of contribution from County of Yuba is estimated to not be more than \$12,000 for the year.
3. Full accounting is available for review annually.
4. If for any reason either party wishes to cancel this agreement, it must be in writing at least 90 days before the next fiscal year begins.
5. Indemnity. County of Yuba shall indemnify and hold harmless Yuba County Office of Education (and Yuba County Office of Education's officers, officials, employees, independent contractors, volunteers, and agents) from and against any and all claims, actions, and proceedings (including all costs, attorneys' fees, expenses, and liabilities incurred in the defense of any such claim, action, or proceeding brought thereon, relating to damage to property or injury to persons) caused by the performance or omission to perform under this Agreement by County of Yuba or County of Yuba's agents, representatives, employees, contractors and subcontractors.

Yuba County Office of Education shall indemnify and hold harmless County of Yuba (and County of Yuba's officers, officials, employees, independent contractors, volunteers, and agents) from and against any and all claims, actions, and proceedings (including all costs, attorneys' fees, expenses, and liabilities incurred in the defense of any such claim, action, or proceeding brought thereon, relating to damage to property or injury to persons) caused by the performance or omission to perform under this Agreement by Yuba County Office of Education or Yuba County Office of Education's agents, representatives, employees, contractors and subcontractors.

If any such claim, action, or proceeding is brought against an indemnified party or that party's officers, officials, employees, independent contractors, volunteers, or

agents, the indemnifying party, upon notice from the indemnified party, shall defend the same at the indemnifying party's expense by counsel satisfactory to the indemnified party.

Each party shall promptly notify the other party of any claim, action, or proceeding against that party or that party's officers, officials, employees, independent contractors, volunteers, or agents relating to the performance or omission to perform, any term or condition of this Agreement. The indemnified party shall cooperate fully in the defense of any such claim, action or proceeding.

6. The County of Yuba and Yuba County Office of Education certify that they are self insured with respect to this agreement in an amount adequate to provide coverage for any liability which may arise as a result of this Memorandum of Understanding.

REQUESTED PROCLAMATIONS

Yuba County Board of Supervisors
918 8th Street Suite 109
Marysville, CA 95901

Dear Honorable Board Members:

Our primary concern at Casa de Esperanza is the personal safety of women and children in our community, and in larger sense the world. There is no room for domestic violence in Our Community, Our State, Our Nation, and Our World. This year all of us at Casa de Esperanza ask you to TAKE A STAND, THERE IS NO ROOM FOR VIOLENCE IN OUR COMMUNITY.

Each year we come before you and request your support in proclaiming October as Domestic Violence Awareness Month. Each year you have shown your support to the abused and battered women and children of our community through your proclamation. This year we again ask for your support. By working together as a team with our community through prevention and intervention, we hope to attain the goal of minimizing and eventually eliminating domestic violence, sexual assault, and child abuse.

We ask that your board help us kick off the beginning of the month by adopting a proclamation (example attached). We invite you to wear a purple ribbon and to hang purple ribbons on your home and from your car antenna or mirror during the month of October. This will be evidence of your personal commitment to ending the tragedy of domestic violence, as well as support to those individuals and agencies that daily fight the battle against domestic violence.

We appreciate the support you have provided in the past and look forward to your continuing support in the future.

If you would like any additional information regarding domestic violence, or if you have any questions, please feel free to contact us at (530) 674-5400.

Sincerely,

Linda Hodges
Director, Client Services
Casa de Esperanza

DECLARING OCTOBER 2012 DOMESTIC VIOLENCE AWARENESS MONTH

WHEREAS, in the County of Yuba, women, men, and children are victims of violence each year; and

WHEREAS, the County of Yuba is committed to restoring our first civil rights, the right to freedom from fear in our own homes; and

WHEREAS, the problems of domestic violence are not confined to any group or groups of people but cross all economic, racial, affectional preference, and social barriers, thereby affecting society as a whole; and

WHEREAS, in our quest to impose sanctions on those who break the law by perpetrating violence, we must also meet the needs of battered women and their children who often suffer grave financial, physical, and psychological losses; and

WHEREAS, the crime of domestic violence violates an individual's privacy, dignity, and security, often leaving an imprint of fear and hostility;

NOW, THEREFORE BE IT RESOLVED, in recognition of the important work done by domestic violence programs, in cooperation with Casa De Esperanza, Inc., that the Yuba County Board of Supervisors do hereby proclaim the month of October 2012 as Domestic Violence Awareness Month. We urge all citizens, agencies, and businesses to actively proclaim **TAKE A STAND, THERE IS NO ROOM FOR VIOLENCE IN OUR COMMUNITY** and support the efforts of domestic violence prevention, intervention, and treatment programs.

Administrative Services Memorandum

To: Board of Supervisors
CC: Robert Bendorf, County Administrator 
From: Doug McCoy, Director, Administrative Services
Date: October 9, 2012
Re: Elite Security price increase request

Recommendation

It is recommended that the Board of Supervisors consider the attached Cost of Living Adjustment request from Monty Hecker of Elite Security, for security services and directs the Purchasing Agent to execute a contract amendment for this change.

Background

In the fall of 2010, the County renewed its contract with Elite Security for uniformed physical security presence at County facilities. The contract agreed to a fixed hourly rate for services and did not include a cost escalator for annual or periodic increases. We further agreed to a maximum annual contract expense of \$314,580. We are currently averaging less than \$190,000 per year.

Discussion

Elite is asking for an increase of either \$.40 per hour or at least a cost of living increase. According to the Bureau of Labor Statistics, a COLA adjustment based on the start date of the contract to current would equal a 5% increase.

Committee Action

This item was reviewed by the Public Facilities Committee and is brought to the full Board without recommendation.

Financial Impact

The County currently pays a base rate of \$13.44/hour for security services. A 5% increase would equate to \$14.11/hour.

Re: Cost of Living Request

In October 2010, our employees agreed to accept a reduced rate of pay so we could retain the County contract and continue to offer employment to these men and women. We think they have done an exemplary job since then even though they have been earning less. It has been almost two years since that reduction in pay. As the contract is written, Elite Universal Security cannot afford to increase their wages without County cooperation. We respectfully request an increase of \$.40/hour or a cost of living expense based on the Consumer Price Index so we can keep these trained men and women on your job. We would appreciate an opportunity to discuss this matter.

Sincerely,

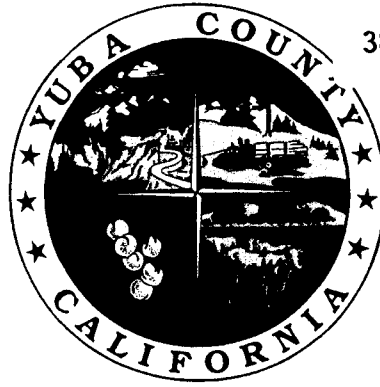

Monty D. Hecker

October 9, 2012

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: MICHAEL LEE, DIRECTOR OF PUBLIC WORKS

SUBJ: DISCUSS OPTIONS FOR HAMMONTON ROAD AND TAKE ACTION AS APPROPRIATE

RECOMMENDATION:

It is recommended that the Board of Supervisors consider options for maintenance of Hammonton Road and provide direction / take action as appropriate.

BACKGROUND:

The maintenance issue of Hammonton Road has been discussed by your Board numerous times over the years. Recently, a group of citizens approached your Board with a request that the County perform maintenance on the road. Your Board directed staff to investigate the matter further and bring back options for consideration.

Currently, Hammonton Road is a public right of way, but is not a County-maintained road. The road is primarily gravel, heavily potholed, and has not been maintained in a decade; it receives very little traffic. It has been determined in the past that if the County were to perform maintenance on the road, by default it would become a County-maintained road.

DISCUSSION:

Staff discussed the matter of Hammonton Road and its maintenance, and has determined 3 potential options or paths forward. The 3 options are identified below followed by a brief discussion of each:

- A) Maintain the status quo.
- B) Turn Hammonton Road into a County-maintained road and perform the necessary repair work.
- C) Abandon the Hammonton Road right-of-way in which case the public will no longer have an interest in and can no longer use the road.

Option A is staff's recommended alternative and consists of leaving things as they are. This would entail doing no maintenance work to the road and continue posting notification at either end of the road that it is not a maintained road and travel on the road is at your own risk, and would not take away from the County's limited road maintenance resources. The down-side to this alternative is the road will continue to remain in poor condition, and eventually may become impassable with enough erosion from the river.

Option B entails the County repairing the road and continuing forward with its ongoing maintenance. This is an extremely expensive option and would divert limited resources away from other County-maintained roads in need of repair. Staff has estimated the cost to repair the existing road at \$1 million and ongoing maintenance at \$50,000 per year. There are already inadequate funds to maintain the County's other roads in a good state of repair. Diverting enough resources to handle Hammonton Road would exacerbate this problem and significantly hinder the County's maintenance of other roads; roads that are much more heavily travelled than Hammonton Road.

Option C is not desirable because it will eliminate public access to the area. This is in direct contradiction with the lawsuit the County previously fought, wherein the County was defending the challenge to restrict public access to Hammonton Road. Furthermore, this option would not improve the condition of Hammonton Road.

COMMITTEE ACTION:

The Land Use and Public Works Committee was bypassed as this item has been previously discussed by the full Board.

FISCAL IMPACT:

Varies depending on action taken. There is no financial impact with the recommended action of keeping things as-is, or maintaining the status quo (Option A).

YUBA COUNTY
HUMAN RESOURCES & ORGANIZATIONAL
SERVICES DEPARTMENT
915 8TH STREET, SUITE 113, MARYSVILLE, CA 95901

DATE: October 9, 2012
TO: Board of Supervisors
FROM: Martha Wilson, Human Resources Director *Martha Wilson*
Jim Arnold, Chief Probation Officer

RECOMMENDATION

Approve the recommendation to amend the Position Allocation and Classification System – Basic Salary Schedules as they relate to the Probation Department, effective October 1, 2012.

BACKGROUND

The Probation Department upper management currently consists of a Chief Probation Officer and a Superintendent of Institutions. The Superintendent of Institutions is tasked with the administrative and daily oversight of the two bi-county Juvenile institutions. In July of 2011 the Superintendent of Institutions retired, creating a vacancy in the Probation department and an opportunity to study the departmental structure and needs.

DISCUSSION

The Probation Department has assessed its organizational needs to create a more efficient structure to meet growing demands. Concurrently, Human Resources conducted a survey of the Probation departments throughout the State of California and their organizational structure, salaries and qualification requirements. After discussions with the Probation Department and a review of the information gathered, Human Resources recommends establishing an Assistant Chief Probation Officer classification in order to mitigate the growing demands on the Chief Probation Officer. The Assistant Chief Probation Officer will focus on the operational side, including personnel matters and program management, thereby allowing the Chief Probation Officer to focus on overall department administration, and program direction and development.

Additionally, Human Resources recommends a re-title at the first-line management level to accurately reflect the duties and authority of these classifications. The Chief Probation Officer and Superintendent of Institutions currently oversee a management team of five consisting of three Probation Program Managers and two Deputy Superintendents. The Probation Program Managers are assigned to the community-based probation services and oversee a total of twenty-two Deputy Probation Officers, eleven Senior Deputy Probation Officers and three Supervising Deputy Probation Officers. The Deputy Superintendents are assigned to the bi-county institutions and oversee a total of twenty-four Group Counselors and seven Supervising Group Counselors. With the alteration of the department structure to include the Assistant Chief Probation Officer instead of a program-dedicated Superintendent of Institutions, the title of Deputy Superintendent is no longer intuitive. Human Resources recommends re-titling the Deputy Superintendents to Probation Program

Manager I to more accurately reflect their duties within the bi-county institutions and the reporting structure of the Department. Additionally, Human Resources recommends re-titling the Probation Program Manager to Probation Program Manager II to maintain consistency. The Probation Program Manager I/II series will be alternatively staffed and future recruitments will require a competitive process to promote to the II level.

The attached Resolutions update the County position allocation and salary schedule.

COMMITTEE

This item has bypassed committee due to pressing staffing needs.

FISCAL IMPACT

There is no additional fiscal impact; monies were previously accounted for during the 2012/2013 budget cycle.

The County Of Yuba

PROBATION DEPARTMENT

JAMES L. ARNOLD
CHIEF PROBATION OFFICER

(530) 749-7550
FAX (530) 749-7364

DATE: October 9, 2012
TO: Board of Supervisors
FROM: Jim Arnold, Chief Probation Officer

JA

DISCUSSION

The Probation Department today faces many demands, including budget cuts, a relatively new management team, a depleted workforce, and massive legislative demands on when and how we operate; all of which can't be met under our current mode of operations and structure. When the Superintendent of Institutions retired I took the opportunity to examine what changes we could make to improve our efficiency and stabilize the department during this uncertain time.

Legislation affecting probation services has changed drastically over the last few years and is expected to continue to do so as more and more measures move through the legislative process. Probation as we knew it has changed forever.

The Public Safety Realignment Act (AB 109) significantly changed the criminal justice system and the future of the Probation Department. The State has shifted the responsibility of probation oversight for a large number of offenders to the County, drastically increasing our workload. Currently we are supervising an additional 115 clients as a direct result of this legislation and this number could increase to as many as 160 by the end of this calendar year. In contrast, our workforce has continued to shrink under increasing financial restrictions.

The California Community Corrections Performance Incentives Act (SB 678) requires probation departments to identify and track specific outcome-based measures, the performance and effectiveness of which will determine the level of funding provided to the agency. One of the many requirements is that the County must do case plans and assessments on all of our clients and requires an enormous amount of data to be collected, stored, analyzed and shared on the State level, all according to strict guidelines.

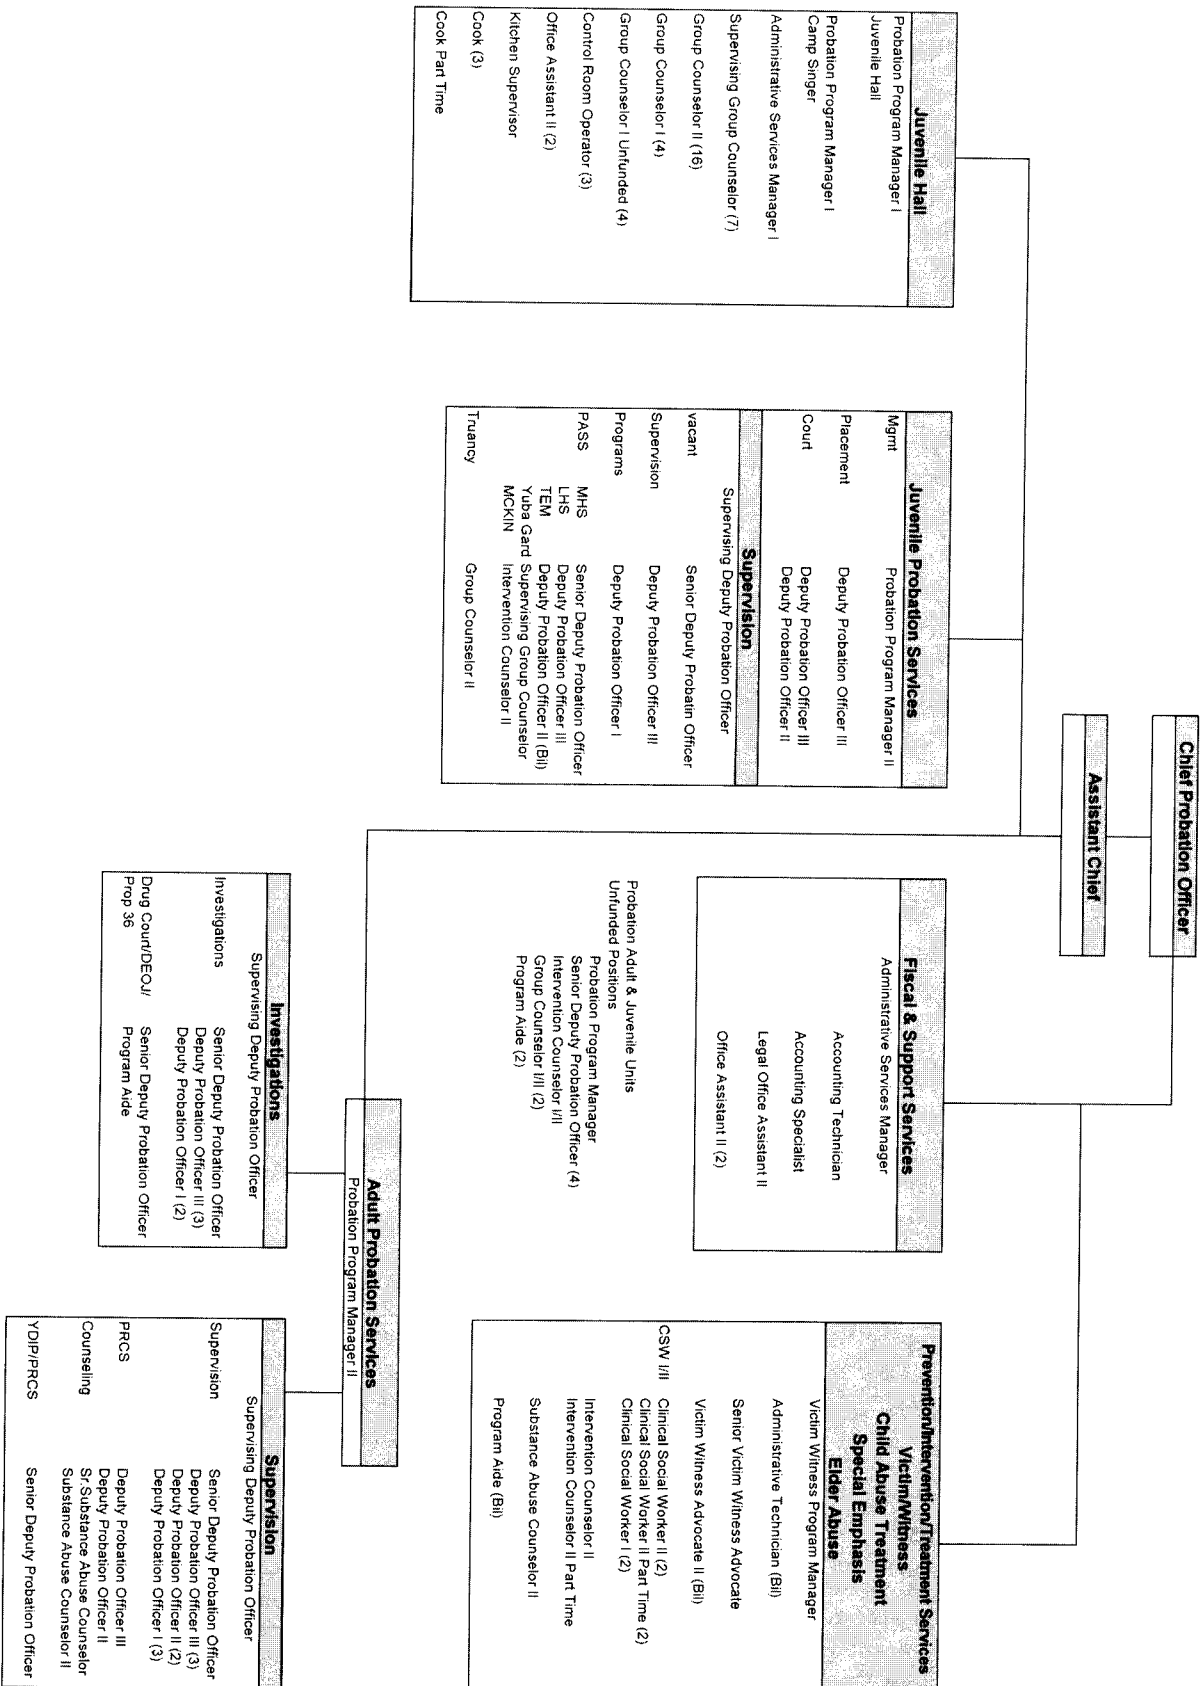

California Fostering Connections to Success Act (AB 12) extends foster care and other assistance for eligible youths beyond the current age of 18 until the age of 21. This not only increases the number of youths in the juvenile system but the requirements of the Act place an additional strain on the way their cases are managed in order to ensure the eligibility for these vital services. The long-lasting positive results from a long history of early intervention and prevention would be jeopardized if even one element is eliminated.

Many County Probation agencies have created managers specifically to oversee the implementation and administration of these bills. This is a luxury that Yuba County cannot afford and yet the financial risk of non-compliance, and the more important risk to public safety, is far too costly to entertain. It is imperative that this department focus its energies on programmatic management of the new legislations.

Currently, the Chief Probation Officer is performing the vast majority of the legislative monitoring, review and analysis related to these changes, as well as designing and managing the transition to the new performance measures, case management techniques and requirements. The Probation Program Managers and Deputy Superintendents have been assisting in this review when possible but it takes away from their daily program management and could result in the long-term in an impact on the effectiveness of our services. We cannot continue to function effectively under this model.

During this transitional period it became clear that the Managers in the Institutions division are fully capable of managing the responsibilities they are faced with, and that managerial oversight of these positions could be accomplished by other means. It is no longer necessary to dedicate an entire position to oversee just this function. It would be more efficient to have a managerial position which can oversee more functional areas and assist in the increased programmatic management demands. Adding this one classification is more efficient and fiscally conservative than establishing multiple positions to meet these increased demands.

To Whom It May Concern:

My name is Matthew Hodges, I am from troop 59 up in Loma Rica, and right now I am working on getting my Eagle Scout. My Eagle Project is fixing up the Loma Rica Hall. So far I have put in two new hitching posts in the front of the building, and poured a concrete slab in the back of the building for the landing of the back door and stairs. At this time the stairs are unsafe and not up to code, so I would like to also repair them as well. I am working with a licensed engineer and drawing up plans for new stairs. My funds for this project are very minimal at this time and I was wondering if there was a way that I could get my fees waved or reduced. I am trying to make our community a better looking and safer place for everyone. I am hoping that you will be able to make this possible for me.

Thank You,

Matthew Hodges

October 9, 2012

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: KEVIN MALLEN, CDSA DIRECTOR
RYAN McNALLY, PARKS AND LANDSCAPE COORDINATOR

SUBJ: CONSIDER STAFF TO APPLY FOR A FIRST FIVE YUBA GRANT WHICH WILL PROVIDE FUNDING FOR RECREATIONAL PROGRAMMING SCHOLARSHIPS FOR TWO ADDITIONAL YEARS

RECOMMENDATION:

That the Land Use and Public Works Committee considers staff to apply for grant funds made available by First Five Yuba to prolong the successful Recreation Coordinator Program by funding the popular scholarship program for two additional years.

BACKGROUND:

The First Five Yuba Commission is currently soliciting proposals for programs supporting their strategic plan initiatives. It is staff's intent to submit a proposal to support the recreational scholarship program for 0 – 5 year olds, and their families, for two additional years.

DISCUSSION:

Having expired June 30, 2012, the First Five Yuba grant, which helped conceive the Yuba County Recreation Program, demonstrated that through collaboration seemingly insurmountable challenges can be overcome. True to its original intent, in four short years the grant was used to seed what has now become a self-sustained recreation program. Through partnerships, the County is able to offer programming to the community without subsidy from the general fund

If awarded an additional round of First Five Yuba funds, we will have the means to provide a foundation of programming for another generation of Yuba County children by offering scholarships to income dependent families. To measure the impact of this program, and the effect it has had on our community, staff has gleaned the following total attendance statistics from the past year of programming facilitated by Yuba County Recreation:

PROGRAM	AGES 0 - 5	AGES 6 - 17	ADULT (18+)
AQUATICS	203	575	51
ART LESSONS	4	12	0
DANCE	14	12	0
FENCING	0	3	1
GYMNASTICS	18	18	0
INDOOR SOCCER	6	116	3
JIU JITSU	1	2	0
KID FIT	7	1	0
TAE KWON DO	5	2	0
SUBTOTAL	258	741	55
GRAND TOTAL	1054		

FISCAL IMPACT:

If awarded the grant, the Recreation Scholarship program will continue for an additional two years without the need for a general fund contribution.

October 9, 2012

TO: LAND USE AND PUBLIC WORKS COMMITTEE

FROM: TIM YOUNG, ASST. DIRECTOR OF PUBLIC WORKS *Tim Young*

SUBJECT: FLOODPLAIN DEVELOPMENT VARIANCE FOR AGRICULTURAL
STORAGE BUILDING AT 7388 DOC ADAMS ROAD

RECOMMENDATION:

Recommend approval to the Board of Supervisors for the application of a floodplain development variance for the agricultural storage building planned at 7388 Doc Adams Road, APN 018-340-017.

BACKGROUND:

The owners of 7388 Doc Adams Road, located west of SR 70, in District 10 are proposing to construct a concrete and steel agricultural building to support an existing farming operation. The new building will consist of a 650sf enclosed structure with a 500sf overhang. The building will be used to store tractors, hay and feed.

DISCUSSION:

Floodplain management regulations cannot be written to anticipate every imaginable situation. Yuba County Ordinance 10.30.090 "Variance Procedure" was adopted as a way to seek permission to vary from the letter of the rules because of a special situation. It is the Floodplain Manager's opinion that this is such a situation. The structure is for the storage and processing of an agricultural equipment and products. Requesting a variance for wet floodproofing this type of agricultural structure is one of the most common. It is specifically listed as allowable in the National Flood Insurance Program (NFIP).

FISCAL IMPACT:

There is no fiscal impact to Yuba County.

GENERAL APPLICATION

INFORMATION FORM

This document, once completed, will provide necessary information about the proposed project. Please answer applicable questions as accurately and completely as possible. Further information could be required from the applicant to evaluate the project.

PLEASE PRINT CLEARLY OR TYPE
USE A SEPARATE SHEET, IF NECESSARY, TO EXPLAIN THE FOLLOWING:

I. Project Characteristics:

- A. Describe the proposed project including all existing and proposed uses of the site. METAL BUILDING FOR STORING EQUIPMENT (TRACTOR)

- B. Parcel size (square feet or acres): 4.9 SQ. AC

- C. Existing land use (attached photographs of the site):
Undeveloped (vacant) _____ Developed A/RP-1

If developed, describe extent (type and use of all structures): _____

Single Family Dwelling
Pump house
12' x 16' Cabin

- D. Existing surrounding land uses:

North HORSES
South HORSES
East HORSES
West HORSES

- E. Will the project use, store, or dispose of any potentially hazardous materials, such as toxic substances, flammables, or explosives? NO

If yes, please explain _____

- F. Will the project include utility services (electric, gas, water, sewer) to the proposed building? NO

If yes, please explain _____

G. Will the project include any stationary mechanical equipment in the proposed building? NO

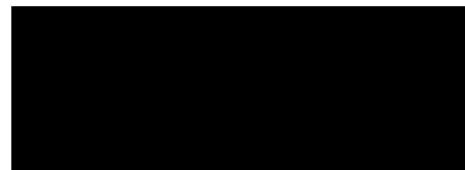

If yes, please explain _____

H. What is the necessity of the facility to have a waterfront location? NO

I. Is there an alternative location available for the proposed structure that is not subject to flooding or erosion damage? NO

I hereby certify, to the best of my knowledge, that the above statements are correct.

Richard Ferraro 8/17/2012
Signature of Person Preparing Form Date

ELIGIBILITY CRITERIA

(Completed by Applicant)

In order to approve a variance, specific findings must be made and supported by evidence of record. Your application for a variance will be considered on the basis of the degree to which your statements fulfill the mandatory findings for approval:

1. Identify why the parcel's physical characteristics are so unusual that complying with the requirements of the ordinance would create an exceptional hardship to the applicant or the surrounding property owners. Applicant may wish to reference FEMA Technical Bulletin 7-93. Identify if this variance is for wet floodproofing an agricultural building that would be used exclusively in connection with production, harvesting, storage, drying or raising of agricultural commodities.

Applicant's Statement: STORAGE OF EQUIPMENT (TRACTOR)
(HAY AND FEED)
This variance is for wet floodproofing

2. Identify whether this variance is for new construction, substantial improvement, or other proposed new development, and also include lot size. Please note that as the lot size increases beyond one half acre, the technical justification required for issuing the variance increases.

Applicant's Statement: NEW CONSTRUCTION (BARN)
LOT SIZE IS 4.9 ACRES

3. Identify whether the variance is for the repair or rehabilitation of "historic structures" (as defined in Section 10.30.050 of the floodplain management ordinance). If so, include a determination that the proposed repair or rehabilitation will not preclude the structure's continued designation as an historic structure and the variance is the minimum necessary to preserve the historic character and design of the structure.

Applicant's Statement: NEW CONSTRUCTION N/A

4. Is the proposed development within a regulatory floodway? If so, certification by a registered civil engineer demonstrating that the proposed encroachment shall not result in any increase in flood levels during the base flood discharge is required prior to consideration of a variance. Identify whether this "No-Rise" certification is available if the proposed development is within a regulatory floodway.

Applicant's Statement: NO N/A

5. Variances shall only be issued upon a determination that the variance is the "minimum necessary" considering the flood hazard, to afford relief. "Minimum necessary" means to afford relief with a minimum of deviation from the requirements of the floodplain management ordinance. Is the request for your variance the minimum deviation possible from code to enable reasonable development of the property?

Applicant's Statement: YES

**Acknowledgement of Adverse Effects
Application for Floodplain Management Variance
Yuba County, California**

The issuance of a variance to construct a structure below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 per \$100 of insurance coverage. Such construction below base flood level increases risks to life and property.

Structures built below the Base Flood Elevation shall maintain all wet floodproofing elements for the life of the structure. All interior walls, ceilings and floors below the Base Flood Elevation shall be unfinished or constructed of flood resistant materials. Mechanical, electrical or plumbing devices shall not be installed below the Base Flood Elevation except as allowed under FEMA Technical Bulletin 7-93 or successor documents. The walls of the enclosed areas below the Base Flood Elevation shall be equipped and remain equipped with vents as shown on the Permit. Any alterations or changes from these conditions constitute a violation of the Permit. The County may take any appropriate legal action to correct any violation.

Pursuant to the authority of the County of Yuba, California, Section 10.30.090 of the Yuba County Ordinance Code, the undersigned owner of the property so described below is requesting a variance to the Floodplain Management Ordinance. I, the owner of said property, do hereby acknowledge and accept full responsibility for the property value, loss during flooding conditions and any increase of risk whereby flood and/or other insurance may increase in cost by the granting of this variance. It is further understood that the County of Yuba shall not be held liable for any damage or cost incurred that may result from the granting of the attached variance request.

THE FOLLOWING QUESTIONS MUST BE ANSWERED BY STAFF WHEN ANALYZING THIS REQUEST FOR VARIANCE. PLEASE INCLUDE ANY PERTINENT FACTS THAT MAY ASSIST IN THIS ANALYSIS.

- I. What danger is there that materials may be swept onto other lands to the injury of others?

Little or none. The structure will be designed to automatically equalize the hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters via flood vents. The structure will be adequately anchored to prevent flotation, collapse, or lateral movement of the structure resulting from hydrodynamic and hydrostatic loads, including the effects of buoyancy.

- II. What danger to life and property may occur due to flooding or erosion damage?

Little or none. The structure will be constructed using flood resistant materials and the project will not have utility services (electric, gas, water, sewer) to the proposed building.

- III. How susceptible is the proposed facility and its contents to flood damage and what effects will such damage have on the existing individual owner and future owners of the property?

This property is in the area being designated Flood Zone A due to the levee to the west not being certified by FEMA. Unless there is a levee failure there is little chance of flood damage. The National Flood Insurance Program allows certain uses in enclosures below the Base Flood Elevation because they can be designed so that they are subject to minimal flood damage. This storage structure is too be used exclusively for storing a tractor, hay and feed.

- IV. What is the importance of the services provided by the proposed facility to the community?

The storage of equipment within the structure eliminates environments that create safety hazards and preserve a minimum standard of community living by battling blight and public nuisance conditions. Maintain property values and increase generating continued County growth that will enhance the enjoyment of people who live, work and visit within the community. Agricultural equipment, hay and feed will be stored to reduce/eliminate weather damage and vandalism.

- V. What is the compatibility of the proposed use with existing and anticipated development? The type of storage being proposed is consistent and accessory to the principal use of the existing structures on this parcel and within the community.

- VI. What is the relationship of the proposed use to the comprehensive plan and floodplain management program for that area?

This property is zoned A/RR-1. The type of storage being proposed is consistent with the County's General Plan and zoning.

- VII. How will the property have safe access for ordinary and emergency vehicles in time of flood? Access to this community is provided by State Highway 70. This structure would not require additional response from emergency vehicles in time of flood.
- VIII. What is the expected height, velocity, duration, rate of rise, and sediment transport of the flood waters expected at the site?
Flooding would only occur if levee fails. Historically a break in the levee occurred in 1937. In 1955, water reached the top of the levee, but did not overtop. In 1986 and 1997, water overtopped the levees on the south side of the district but did not affect the area in question.
- IX. What are the anticipated costs of providing governmental services during and after flood conditions, including maintenance and repair of public utilities and facilities such as sewer, gas, electrical, and water system, and streets and bridges?
None for this structure. It is an accessory structure. In this rural agricultural community, the property owners own and maintain their own wells and septic systems. Electrical power is provided by Pacific Gas & Electric Co. and the State Highway provide access to the community.

SITE PLAN REQUIREMENTS

The site plan will aid in evaluation of the project by graphically depicting the existing features of the parcel and the proposed development. As a planning level document the site plan may be hand-drawn by the applicant using a straight edge and scale. It must be easily reproducible.

- ✓A. Plans to be drawn to a recognized scale. (i.e. 1"=10'), paper size not to exceed 11" x 17".
- ✓B. Show **north** arrow.
- C. Title block.
- D. Show elevation of existing ground at the proposed building site. (Existing ground elevations may be taken from a USGS quadrangle map; no formal survey is required for a variance application.) Show anticipated finish floor elevations for all proposed buildings.
- ✓E. Show property lines and lot dimensions.
- ✓F. Show all existing and proposed structures and the distances between each including accessory buildings, decks, pools, pool equipment, spas, sheds and detached garages. Clearly distinguish between what is existing and what is proposed as new.
- ✓G. Show existing and proposed front, side and rear setbacks for all floors from the property line to the closest portion of the building.
- ✓H. Show driveways and adjacent streets.
- I. Show existing or proposed path of known utilities: electrical, gas, sewer or septic tank location, storm drains, and water or well location.
- J. Show any water feature (streams, canals, culverts, ditches, lakes, ponds, and any body of water (intermittent or perennial)).
- K. Identify portion of parcel in special flood hazard area and denote base flood elevation at proposed building site (this information can generally be obtained by contacting the Yuba County Public Works staff at 530-749-5420).

Summary Sheet (to be completed by Public Works Staff)

Type of Variance Requested:

- ☐ Wet floodproofing of an accessory structure;
- ☒ Wet floodproofing of a structure used solely for agricultural purposes;
- ☐ Reconstruction, rehabilitation or restoration of an historic structure;
- ☐ Wet floodproofing of a structure requiring a waterfront location for the conduct of a functionally dependent use.

Is application complete?	(X) Yes	() No
Would variance comply with FEMA regulations?	(X) Yes	() No
Would denial result in exceptional hardship?	(X) Yes	() No
If within Floodway, is No-Rise Certification provided? N/A	() Yes	() No
Would variance constitute minimum relief?	(X) Yes	() No
Would there be a risk of debris transport?	() Yes	(X) No
Would there be an increased risk to life or property?	() Yes	(X) No
Is proposed location necessary?	(X) Yes	() No
Is there a better alternate location for facility?	() Yes	(X) No

**NOTICE OF ACKNOWLEDGEMENT OF ADVERSE EFFECTS
FOR FLOODPLAIN DEVELOPMENT VARIANCE**

The issuance of a variance to construct a structure below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25 per \$100 of insurance coverage. Such construction below base flood level increases risks to life and property.

Structures built below the Base Flood Elevation shall maintain all wet floodproofing elements for the life of the structure. All interior walls, ceilings and floors below the Base Flood Elevation shall be unfinished or constructed of flood resistant materials. Mechanical, electrical or plumbing devices shall not be installed below the Base Flood Elevation except as allowed under FEMA Technical Bulletin 7-93 or successor documents. The walls of the enclosed areas below the Base Flood Elevation shall be equipped and remain equipped with vents as shown on the Permit. Any alterations or changes from these conditions constitute a violation of the Permit. The County may take any appropriate legal action to correct any violation.

Pursuant to the authority of the County of Yuba, California, Section 10.30.090 of the Yuba County Ordinance Code, the undersigned owner of the property so described below is granted a variance to the Floodplain Management Ordinance. I, the owner of said property, do hereby acknowledge and accept full responsibility for the property value, loss during flooding conditions and any increase of risk whereby flood and/or other insurance may increase in cost by the granting of this variance. It is further understood that the County of Yuba shall not be held liable for any damage or cost incurred that may result from the granting of the variance.

October 23, 2012

TO: LAND USE AND PUBLIC WORKS COMMITTEE

FROM: MICHAEL LEE, PUBLIC WORKS DIRECTOR 
RYAN McNALLY, PARKS AND LANDSCAPE COORDINATOR 

SUBJ: CONSIDER LEASE AGREEMENT WITH THE OLIVEHURST LINDA LITTLE LEAGUE FOR JOINT USE
AND ASSOCIATED IMPROVEMENTS

RECOMMENDATION:

That the Land Use and Public Works Committee consider a five (5) year Lease Agreement with the Olivehurst Linda Little League for the use of their field in support of our Parks Master Plan in exchange for our assistance with critical facility improvements.

BACKGROUND:

In FY 2012 – 2013, the Community Development and Services Agency budgeted \$10,000 in improvements for the Olivehurst Linda Little League complex on Pasado Road. A component of this project is also the execution of a five (5) year lease which would allow the County free access for functions pursuant to its ongoing recreation program.

The scheduled improvements will include minor improvements into the facility and basic baseball field rehabilitation.

DISCUSSION:

The attached lease agreement with the Olivehurst Linda Little League will give the County free, unobstructed access to the facility when not otherwise occupied for Little League games for the purpose of expanding outdoor recreational programming into the Olivehurst and Linda areas as demand increases.

FISCAL IMPACT:

No additional fiscal impact as this is a budgeted item.
