**TO:** Yuba County Board of Supervisors  
**FROM:** Robert Bendorf, County Administrator *RB/KS*  
**RE:** Brophy Water District – Annexation of Huckins Property  
**DATE:** July 28, 2015

## **RECOMMENDATION**

It is recommended that the Board of Supervisors adopt the attached zero tax exchange resolution for the Brophy Water District (BWD) annexation of APN 019-210-058.

## **BACKGROUND**

As part of any annexation of property into a city, county or special district, agencies receiving property taxes with the annexation must agree on what changes, if any, will occur with distribution of the property taxes. In many cases involving special district annexations there is no property tax collected by either entity involved; however the Local Area Formation Commission (LAFCO) is required by law to be presented a negotiated tax share agreement or a zero tax exchange agreement.

## **DISCUSSION**

Yuba County LAFCO has received BWD Resolution # 01/13/2015-02 initiating a LAFCO proceeding regarding an annexation of the Huckins property, consisting of approximately 129 acres into the BWD. The purpose, as stated by the resolution, is to allow the property to receive an irrigation water supply from the BWD.

The BWD does not receive a portion of property taxes; therefore the proposed annexation does not necessitate a change in the distribution as reflected in the attached resolution. BWD Vice President Al Lassaga was contacted by the County Administrator and it was confirmed to him there is no property tax exchange between any entities.

## **COMMITTEE**

Due to the routine nature of the request, this item is being presented directly to the Board.

## **FISCAL IMPACT**

None.

**WHEREAS**, under the provisions of Proposition 13 adopted in 1978, the distribution of property taxes within each county became the responsibility of the County Board of Supervisors; and

## PROBATION DEPARTMENT

JAMES L. ARNOLD  
CHIEF PROBATION OFFICER

(322-0715) Appro... - 1 of 33

(530) 749-7550  
FAX (530) 749-7364

**TO:** Board of Supervisors

**FROM:** James L. Arnold *JCM for JSK*  
Chief Probation Officer

**SUBJECT:** Authorize the Chairman to execute Memorandum of Understanding between the County of Yuba and the Superior Court of California, County of Yuba for the Probation Department to perform risk assessments and provide supervision to pretrial release population in the Court's Pretrial Release Program.

**DATE:** July 28, 2015

### *Recommendation*

Authorize the Board Chairman to sign a Memorandum of Understanding (MOU) between the County of Yuba (County) and the Superior Court of California, County of Yuba (Court) for the Probation Department to perform risk assessments and provide supervision to pretrial release population in the Court's Pretrial Release Program beginning April 1, 2015.

### *Background*

The Superior Court of California, County of Yuba, was awarded a grant in the Pretrial Release Program category of the Recidivism Reduction Fund Court Grant Program (RRF). Prior to the grant award, Yuba County did not have a pretrial release program. Since the implementation of AB 109, the county jail population has evolved and now includes many inmates who previously would have served their sentences in the state prison system and who are serving considerably longer sentences than was previously the norm for county jails. As a result, the jail population has slowly, but steadily, increased. The County's AB 109 implementation plan included a provision for a pretrial release program and the RRF program was released at an opportune time.

### *Discussion*

The Superior Court administers the grant; however the Probation Department performs all but a small fraction of the work implementing the grant. The scope of the MOU between the Court and the Probation Department is for probation to provide two deputy probation officers, working fulltime within the Pretrial Release Unit. These officers screen all recently arrested inmates who meet the eligibility criteria for pretrial release. Risk assessment reports are completed and

presented daily by the officers in court. These officers also directly supervise all inmates released under the Pretrial Release Program. The maximum amount the court may reimburse the Probation Department over the period of April 1, 2015 to April 30, 2017, is \$290,901, which is broken down into the following categories: Personnel: \$278,519; Travel (attending conferences/trainings): \$4,621; Equipment (computers & tablets): \$4,116; Incentives: \$1,725; Drug testing: \$1,200; Automated call services: \$720.

*Committee Action:*

This request is submitted directly to the Board of Supervisors, as it was included in the County's AB 109 Implementation Plan that was approved by your Board on September 27, 2011.

*Fiscal Impact:*

Administration of the Pretrial Release Program should be cost neutral and have no impact on the General Fund. The Pretrial Release Program should result in an overall saving in jail bed day cost avoidance by reducing the jail population.

**Memorandum of Understanding  
Between  
The Yuba County Probation Department  
And  
Superior Court of California,  
County of Yuba  
Regarding Recidivism Reduction Fund Court Grant Program**

---

This Memorandum of Understanding (“MOU”) is entered into by and between the Yuba County Probation Department (“Probation”) and the Superior Court of California, County of Yuba (“Court”). This MOU sets forth each party’s roles and responsibilities as they relate to the Recidivism Reduction Fund Court Grant Program, for the grant period April 1, 2015 through April 30, 2017.

**WHEREAS**, Court is to receive funding from the Judicial Council of California (“Judicial Council”) for the Recidivism Reduction Fund Court Grant Program (“Program”) under the terms and conditions of Agreement No. 1030044 between Court and the Judicial Council (the “Contract”);

**WHEREAS**, Court desires to subcontract with Probation, subject to the authorization of the County of Yuba, for Probation to provide certain services necessary to complete the Program objectives as set forth in the Contract;

**WHEREAS**, the Judicial Council has consented to Court’s subcontracting with Probation for certain services necessary to complete the Program objectives as set forth in the Contract;

**WHEREAS**, it is the intent of the parties that such services be in conformity with the Contract and all applicable federal, state and local laws; and

**NOW, THEREFORE**, Court and Probation mutually agree as follows:

1. **Definitions:** If not otherwise defined in this MOU, the definitions of capitalized terms used in this MOU are as set forth in the Contract.
2. **Scope of Services:** Consistent with the terms and conditions of the Contract and this MOU, Probation shall provide the following in furtherance of the Program objectives:
  - Two full-time Probation employee (FTE) Pretrial Service Specialists;
  - Review bookings of all individuals booked into Yuba County jail;
  - Risk Assessment tools for use in determining an offender’s pretrial risk;

- Pretrial risk assessment and recommendation report to Court;
- Supervision of individuals released on supervised release;
- Pretrial Program services including drug and alcohol testing and an electronic reminder system; administration and distribution of incentives and bus passes/fares;
- Data collection and reporting for statistical outcome measures;
- Participation of Probation in meetings as required by Court to meet Contract requirements for the Program.

Probation warrants to Court that funds provided to Probation under this MOU will only be used for new or expanded services and that no ongoing or completed projects of Probation will duplicate or overlap any Work under the Contract consistent with the requirements in Exhibit B, Sections 12 and 13 of the Contract.

3. **Term:** This MOU is effective April 1, 2015 through April 30, 2017, subject to the election of the Judicial Council to exercise its options to extend the Contract term beyond fiscal year 2014–2015 as provided in Exhibit B, Section 3 of the Contract. Either party may terminate this MOU earlier by providing written notice of intent to terminate to the other party at least thirty (30) days before the intended termination date. In addition and upon notice to Probation, Court may terminate this MOU, in whole or in part, without prejudice to any right or remedy of Court, if expected or actual funding is withdrawn, reduced, or limited in any way. Court may also terminate this MOU for deficient performance of Probation consistent with the requirements of Exhibit B, Section 7 of the Contract.
4. **Reporting:** Probation agrees to provide (and to coordinate with the Yuba County Sheriff's Department to provide) data relevant to the Deliverables in a timely manner but no less than 10 days prior to the Due Date as outlined in Court's Contract with the Judicial Council for the Program. The Judicial Council's Quarterly Program Evaluation, Data and Data Collection Report is attached as Attachment A to this MOU for information purposes only. Data collection requirements are subject to change by the Judicial Council or the Court Program Manager from time to time. Court commits to communicating any such changes to Probation in a timely manner.
5. **Compensation for Services:**

The maximum amount Court may pay Probation under this MOU is **\$290,800** for the period **April 1, 2015** through **April 30, 2017**, subject to the provisions of this Section 5. This maximum amount includes all fees and expenses.

Program Start-up Costs, Fiscal Year 2014–2015 (April 1 to June 30, 2015): Probation shall timely provide detail necessary for Court to complete a Program Start-up Cost Report to the Judicial Council that documents the funding needed to initiate Program planning/implementation or enhancement. This Program Start-up Cost Report must

detail the funds needed for Probation's personnel and travel costs until June 30, 2015, as outlined in Court's Budget Detail and Narrative/Justification. The report will cover how the funding will be utilized, and include an itemized budget. The budget, as agreed upon in the Contract between Court and the Judicial Council, is attached as Attachment B to this MOU.

Fiscal Year 2015–2016 and Fiscal Year 2016–2017: Requests for reimbursement, with proper financial documentation, should be submitted to Court monthly in arrears by no later than the 20th of the following month. Probation's final invoice must be received by Court no later than May 1, 2017. **Invoices received by Court after May 1, 2017, will not be accepted.**

Probation shall submit all invoices to Court in arrears monthly with documentation acceptable to Court to support actual costs billed. Such documentation to be provided to Court monthly includes:

- a. Documentation of salaries and fringe benefits paid by Probation to two FTE Pretrial Service Specialists;
- b. Copies of vendor invoices detailing services and for costs associated with risk assessment tools, drug and alcohol testing, electronic monitoring, continuous alcohol monitoring devices, electronic reminder system;
- c. Adequate backup documentation as deemed necessary by Court to substantiate expenses claimed; and
- d. Such additional information as Court may require from Probation to comply with the terms of the Contract.

Subject to compliance with the requirements of the Contract that are applicable to Probation's role as a Subcontractor and this MOU, Court shall reimburse Probation for actual costs incurred following (i) Court's receipt of Grant funds from the Judicial Council and (ii) submission to and acceptance by the Judicial Council of required reports identified in the Contract and Attachment C – Deliverables of this MOU.

If Probation receives payment from Court for a service or reimbursement that is later disallowed, Probation shall promptly refund the disallowed amount upon request. Court may offset the amount disallowed from any payment due or to become due to Probation under this MOU or any other agreement with Probation or the County of Yuba.

## 6. General Provisions

- a. Entire Agreement. This MOU, including those portions of the Contract applicable to Probation's services as a Subcontractor of Court, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous modifications, agreements, proposals, negotiations,

representations, and commitments, both oral and written, between the parties to this MOU.

- b. Amendment. No addition to or alteration of the terms of this MOU will be valid unless made in the form of a written amendment, which is formally approved and executed by the governing bodies of each of the parties, or their respective authorized designees.
- c. Further Assurances. Each party agrees to cooperate with the other, and to execute and deliver, or cause to be executed and delivered, all such other instruments and documents, and to take all such other actions as may be reasonably requested of it from time to time, in order to effectuate the provisions and purposes of this MOU. Time is of the essence in the performance of this MOU.
- d. Waiver. Any waiver by either party of the terms of this MOU must be in writing and executed by an authorized representative of the waiving party and will not be construed as a waiver of any succeeding breach of the same or other term of this MOU.
- e. Severability. The provisions of this MOU are separate and severable. If any provision of this MOU shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired thereby. Any such provision will be enforced to the maximum extent possible so as to effect the reasonable intent of the parties and will be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.
- f. Relationship of Parties. Probation and the employees and agents of Probation in the performance of this MOU shall act in an independent capacity and not as officers, employees or agents of Court or the Judicial Council. Neither Probation nor any person engaged by Probation to perform the services described herein is covered by any employee benefit plans provided to the employees of Court. Each party is liable for the acts and omissions of itself, its employees and its agents. Nothing in this MOU will be construed as creating an employment or agency relationship between the parties. Each party will determine the method, details, and means of performing its obligations under this MOU, including, without limitation, exercising full control over the employment, direction, compensation and discharge of all persons assisting the respective party. Probation will be solely responsible for all matters relating to the payment of its employees, including compliance with social security, withholding any and all employee benefits, and all regulations governing such matters.

- g. Risk Allocation. It is the intention of both parties that neither will be responsible for the negligent and/or intentional acts and/or omissions of the other, or its judges, subordinate judicial officers, directors, officers, agents and employees. The parties therefore disclaim in its entirety the pro rata risk allocation that could otherwise apply to this MOU pursuant to Government Code section 895.6. Instead, pursuant to Government Code section 895.4, the parties agree to use principles of comparative fault when apportioning any and all losses that may arise out of the performance of this MOU.
- h. Counterparts. This MOU may be executed in counterparts, each of which is considered an original but all of which together shall constitute one instrument.
- i. Notices. Any notices required to be given pursuant to the terms and provisions of the MOU shall be in writing and shall be delivered to:

County: Yuba County Probation Department  
215 5<sup>th</sup> St Ste 154  
Marysville, CA 95901

- j. Retention of Records; Audit. Probation shall maintain all financial data, supporting documents, and all other records related to performance and billing under this MOU for a period in accordance with state and federal law, a minimum retention period being no less than four (4) years. The retention period starts from the date of submission of Probation's final payment request. Probation shall permit all records related to performance and billing under the MOU to be inspected and/or audited, at any reasonable time, by an authorized representative of Court or the Judicial Council. This MOU is subject to examination and audit by the State Auditor for a period of three (3) years after final payment.
- k. Limitation on Publication. Probation shall not publish or broadcast any article, press release, advertisement, or other writing that references the Judicial Council unless previously approved in writing by the Judicial Council.

- l. Interpretation. The provisions and terms of this MOU shall be interpreted in accordance with the plain meaning thereof, and shall not be construed in favor of or against any party.

## BUDGET JUSTIFICATION/NARRATIVE

### Personnel & Fringe Benefits

None requested

### Travel

Included in this budget line item is the required Judicial Council Training for members of the Project Management Team (PMT) Staff. We have budget for four members of our PMT to attend this training. Should more members of the PMT be available to attend, the costs will be covered by the County of Yuba.

A second conference has been included in the budget to allow attendance at the annual California Association of Pretrial Services (CAPS) Conference. The California Association of Pretrial Services is a statewide organization of professionals working in the field of pretrial services. The association grew out of a series of informal meetings of pretrial practitioners in 1972. The current membership includes pretrial managers, line staff, criminal justice consultants, and researchers.

The mission of the California Association of Pretrial Services is to:

- Promote professional competence and responsibility in the field of pretrial services;
- Promote the exchange of ideas, communication, and discussion of issues;
- Sponsor educational and training programs for professionals in the field and the public;
- Encourage the continuation, expansion, and establishment of pretrial services in the State of California; and
- Promote research, improvements, and development of standards for the field of pretrial services.

We have budgeted two people to attend the annual CAPS conference which is a proven resource for education and networking among pretrial services staff and management. The budget allows for travel to Southern California though the venue for this event has not yet been chosen. There are few if any alternatives for the training and networking provided by this conference.

### Equipment

Two computers and associated software are needed for the Pretrial Services Specialists to investigate and confirm criminal history information, to use the automated risk assessment program, which includes a decision tree, point calculation and automated recommendation. The alternative to the computer is using a manual system for the risk assessment tool. The automated system has benefits that make it a cost effective resource such as the data only has to be entered once and is duplicated as necessary saving valuable staff time in making duplicate manual entries. The automated system allows for data access, data collection and data analysis that is labor intensive and prone to error in a manual system. The network printer is needed as the office space provided by the County of Yuba for the Pretrial Services Specialist does not have a secure network printer nearby for printing sensitive documents such as criminal history reports. The printer must be network capable because access to the California Law Enforcement Telecommunications System (CLETS) is through the County's computer network. The pretrial release reports must be printed in order to provide this information to the Judges during court appearances. REVISED 3-23-15: Two computer tablets are needed to help perform pretrial services tasks and enter information while in the courtroom or away from the office.

### Supplies

The County of Yuba will provide the supplies needed by staff to perform their duties as Pretrial Services Specialists.

### **Other Operating Costs**

We have included a nominal budget for incentives such as McDonalds Bucks for program clients to entice them to check into the day reporting center and to appear in court. We also have requested funding for bus passes/fares to assist clients in reporting to the day reporting center and for court appearances. Office space, furniture and other office supplies will be provided by the County of Yuba.

### **Consultants/Contracts**

The bulk of the funding request is for personnel to staff the pretrial release program. We have requested funding for two Pretrial Services Specialist that will be provided by the Yuba County Sheriff's Department on contract/MOU. The Pretrial Services Specialists will review the bookings of all persons booked into the Yuba County jail and screen them for initial eligibility. The vast majority of persons booked will be eligible to be interviewed by one of the Pretrial Services Specialists and that information will be verified through a Criminal History check, both locally and through CII/FBI. That information will be entered into the risk assessment tool and a recommendation developed. The Pretrial Specialist will appear in court and be prepared to provide testimony on the release recommendation. Pretrial Services Specialist will also be responsible for data collection and reporting for statistical and outcome measures. They will also be responsible for some supervision duties over those on supervised release and helping to ensure court attendance by arranging/making reminder calls and other related duties. These will be full-time positions and will be employed during the three months of the First Year. The Yuba County Jail books approximately 5000 persons each year. Some of the 5000 arrestees are immediately released on their own recognizance (OR) or receive an OR after a sobering period. However, if you consider only those who posted bail (cash or bond) and those who were released time served having remained in custody until their criminal case was resolved, approximately 1200 arrestees would be contacted by the Pretrial Services Specialists each year. In the publication Pretrial Services Program Implementation: A Starter Kit, the recommended staff size for a pretrial services program doing 324 annual interviews is one staff member, while a pretrial release program doing 1,498 annual interviews is 4 staff members. Based on this information, our proposal for two staff seems lean, conservative and cost effective. The pay for the Pretrial Services Specialists was based on a survey of surrounding counties. The pay was set in the bottom 5% of the range of similar classifications in surrounding agencies.

We will also contract (through the Sheriff's Office) for electronic monitoring service for those on supervised release that have electronic monitoring as a condition of release. The proposed company is already under contract by the Sheriff's Office and Probation Department and is considered a reliable company offering competitive rates.

We also intend to contract (through the Sheriff's Office) for drug and alcohol testing in order to test those who have drug/alcohol testing as a condition of their release. The company proposed already provides services to the Probation Department and are considered reliable and cost-effective.

Finally, we intend to contract (through the Sheriff's Office) for an automated call service to remind clients of their court appearance at a pre-determined time prior to their scheduled court date. A reminder call to clients in pretrial release programs is an evidence based method in reducing failures to appear. Appointment reminder software can be very expensive; however, a web based services is a very cost effective manner of scheduling automated telephone, email and/or text notifications to clients and continues to contact until the client makes and affirmative action (eg.; pressing "1" when prompted)

**REVISED 3-18-15:** The two Pretrial Services Specialists will be provided by the Yuba County Probation Dept, not the Sheriff's Dept.  
The drug/alcohol testing and the automated call service will be provided through the Yuba County Probation Dept., not the Sheriff's Dept.

### **Indirect Costs**

None requested.

### **Summary**

During the first three months, staff will be hired and trained, equipment will be purchased and contracts completed. The pretrial release program will be implement early in this period. The grant activities rely heavily on the staff which is the focus and major component of our request.

## BUDGET JUSTIFICATION/NARRATIVE

### Personnel & Fringe Benefits

None requested.

### Travel

We have budgeted for funds to allow attendance at the annual California Association of Pretrial Services (CAPS) Conference. The California Association of Pretrial Services is a statewide organization of professionals working in the field of pretrial services. The association grew out of a series of informal meetings of pretrial practitioners in 1972. The current membership includes pretrial managers, line staff, criminal justice consultants, and researchers.

The mission of the California Association of Pretrial Services is to:

- Promote professional competence and responsibility in the field of pretrial services;
- Promote the exchange of ideas, communication, and discussion of issues;
- Sponsor educational and training programs for professionals in the field and the public;
- Encourage the continuation, expansion, and establishment of pretrial services in the State of California; and
- Promote research, improvements, and development of standards for the field of pretrial services.

We have budgeted two people to attend the annual CAPS conference which is a proven resource for education and networking among pretrial services staff and management. The budget allows for travel to Southern California though the venue for this event has not yet been chosen. There are few if any alternatives for the training and networking provided by this conference.

### Equipment

None requested

### Supplies

The County of Yuba will provide the supplies needed by staff to perform their duties as Pretrial Services Specialists.

### Other Operating Costs

We have included a nominal budget for incentives such as McDonalds Bucks for program clients to entice them to check into the day reporting center and to appear in court. We also have requested funding for bus passes/fares to assist clients in reporting to the day reporting center and for court appearances. Office space, furniture and other office supplies will be provided by the County of Yuba.

### Consultants/Contracts

The bulk of the funding request is for personnel to staff the pretrial release program. We have requested funding for two Pretrial Services Specialist that will be provided by the Yuba County Sheriff's Department on contract/MOU. The Pretrial Services Specialists will review the bookings of all persons booked into the Yuba County jail and screen them for initial eligibility. The vast majority of persons booked will be eligible to be interviewed by one of the Pretrial Services Specialists and that information will be verified through a Criminal History check, both locally and through CII/FBI. That information will be entered into the risk assessment tool and a recommendation developed. The Pretrial Specialists will appear in court and be prepared to provide testimony on the release recommendation. Pretrial Services Specialist will also be responsible for data collection and reporting for statistical and outcome measures.

They will also be responsible for some supervision duties over those on supervised release and helping to ensure court attendance by arranging/making reminder calls and other related duties. These will be full-time positions and will be employed during the entire 12 month period of Year Two.. The Yuba County Jail books approximately 5000 persons each year. Some of the 5000 arrestees are immediately released on their own recognizance (OR) or receive an OR after a sobering period. However, if you consider only those who posted bail (cash or bond) and those who were released time served having remained in custody until their criminal case was resolved, approximately 1200 arrestees would be contacted by the Pretrial Services Specialists each year. In the publication Pretrial Services Program Implementation: A Starter Kit, the recommended staff size for a pretrial services program doing 324 annual interviews is one staff member, while a pretrial release program doing 1,498 annual interviews is 4 staff members. Based on this information, our proposal for two staff seems lean, conservative and cost effective. The pay for the Pretrial Services Specialists was based on a survey of surrounding counties. The pay was set in the bottom 5% of the range of similar classifications in surrounding agencies.

We will also contract (through the Sheriff's Office) for electronic monitoring service for those on supervised release that have electronic monitoring as a condition of release. The proposed company is already under contract by the Sheriff's Office and Probation Department and is considered a reliable company offering competitive rates.

We also intend to contract (through the Sheriff's Office) for drug and alcohol testing in order to test those who have drug/alcohol testing as a condition of their release. The company proposed already provides services to the Probation Department and are considered reliable and cost-effective.

Finally, we intend to contract (through the Sheriff's Office) for an automated call service to remind clients of their court appearance at a pre-determined time prior to their scheduled court date. A reminder call to clients in pretrial release programs is an evidence based method in reducing failures to appear. Appointment reminder software can be very expensive, however, a web-based service is a very cost effective manner of scheduling automated telephone, email and/or text notifications to clients and continues to contact until the client makes and affirmative action (eg.; pressing "1" when prompted)

**REVISED 3-18-15:** The two Pretrial Services Specialists will be provided by the Yuba County Probation Dept, not the Sheriff's Dept.

The drug/alcohol testing and the automated call service will be provided through the Yuba County Probation Dept., not the Sheriff's Dept.

### **Indirect Costs**

None requested

### **Summary**

Year Two the pretrial release program will be in full swing and is heavily dependant on the Pretrial Services Specialists as well as other contracts to assist the pretrial release program staff and assist the clients in succeeding.

**Summary**

In the final year (10 months) of the grant period, we will be making plans to transfer the cost of the pretrial release program to the Yuba County General Fund. One of the intended outcomes of this program is to reduce the number of pretrial detainees in the Yuba County Jail. Reducing the number of inmates in custody will reduce the costs associated with the jail operation and the saving could be redirected to the pretrial release program effort.

SUBJECT: Adopt a Resolution confirming the report of delinquent charges and order of assessment

DATE: July 8, 2015

**Recommendation:** Adopt a resolution confirming the report of delinquent charges and order of assessment to be placed on the property tax roll.

**Background:** The owner of any improved property within the mandatory pickup area is required to subscribe to and pay for refuse collection service to be rendered by Yuba Sutter Recology per County Ordinance 7.05.

**Discussion:** Yuba Sutter Recology submitted a report of delinquent accounts as required by Ordinance to the Yuba County Director of CDSA for all of the unpaid bills for the service rendered by them. Per Yuba County Ordinance 7.05, a hearing was held on June 29, 2015, which provided the county residents an opportunity to have their name removed from the report. After the conclusion of the hearing process, the final report of delinquent charges and order of assessment was created. A resolution from the Board is needed to place this report on the property tax roll.

**Fiscal Impact:** There will be no additional cost to the county and no impact to the general fund.

## AGENDA

Hearing is located at

Board Chambers, 915 Eighth Street  
Marysville, California

June 29, 2015

**2:00 P.M.      Hold Public Hearing of the Report of Delinquent Accounts For Refuse Collection by Recology Yuba Sutter and any appeals, protests or objections thereto [Yuba County Ordinance §7.05.220(c)] by the Director of Community Development and Services Agency.**

Hearing Re Unpaid Recology Bills per Ordinance 7.05  
Minutes  
June 29, 2015

Those in attendance were Angel Morris-Jones, Kevin Mallen, Tejinder Maan,, Chris Thornburg and Michael Leggins of Recology, Ms. Albertson, Benjamin Persen, Frank Grisso, William Leach, Tracie Reed, and Bernard Nahlen.

Hearing assistance devices were provided to those in need. Request to speak slips were filled out by those wishing to speak.

The hearing was called to order by Kevin Mallen. Mr. Mallen first read a list of properties that were included on the list but were not in the mandatory service area. He explained that those properties would be taken off the list.

Citizens speaking:

1701 5<sup>th</sup> Avenue, Ms. Albertson      She provided a receipt to show that she had paid the bill.

1539 2<sup>nd</sup> Avenue, Mr. Grisso      He had a question about who is responsible to pay the bill when the account is in the name of the tenant. It was explained that the owner is responsible for the bill. He said he would make a payment arrangement with Recology.

1791 11<sup>th</sup> Avenue, William Leach      He said that the owner (his mother) had passed away and his sister had falsified a will and had rented out the property. She had not paid the taxes so Mr. Leach paid the taxes. Mr. Leach related that he is having to start probate and get the property straightened out so he didn't think he should have to pay the bill of an illegal tenant who had to be evicted. Ms. Morris-Jones explained that it would be dealt with by the probate court if it was on the taxes. Mr. Maan explained that that is how the ordinance was approved by the BoS.

5889 Cohn Avenue, Tracie Reed      Ms. Reed explained that she has paid \$200 in the past week on behalf of the owner. She will call the office and make payment arrangements.

5593 Arboga Road, Bernard Nahlen      Mr. Nahlen had to evict the tenant and has had to make \$10,000 of repair work and said tenant owes him \$2000. He said that she receives service at another address and that she should be billed for the past due service she

owes. Chris Thornburg said that the prior tenant has been billed for the past due amount and that she hasn't paid it. Mr. Nahlen said that making him pay the tenant's bill is assignment of debt and that it is unconstitutional. He asked for a copy of the ordinance and was directed to the Board of Supervisors office to get one.

5528 Arboga Road, Bernard Nahlen He said add to the taxes it's okay with me.

1255 & 1259 A Pasado Road, Nahlen He said he lives in one of the two houses on the property, the other house is a rental. He also said that there are not 9 carts as 3 of them were picked up a year ago. He said he thought that a debris box might be cheaper for him than 2 accounts for 3 carts each. Chris Thornburg told him that a debris box would not be cheaper than the 2 residential accounts.

As no others appeared to speak the hearing was adjourned by Mr. Mallen at 2:40 p.m.

## HUMAN RESOURCES and ORGANIZATIONAL SERVICES

JILL ABEL, DIRECTOR

**TO:** Board of Supervisors

**FROM:** Robert Bendorf, County Administrator *RB*  
Jill Abel, Human Resources Director *JA*

**RE:** Consideration of Labor Agreement between the County of Yuba and the Deputy District Attorney Association

**DATE:** July 28, 2015

### RECOMMENDATION

It is recommended that the Board of Supervisors approve the negotiated terms of the agreement effective July 1, 2015, between the County and the Deputy District Attorney Association and authorize staff to bring back a comprehensive MOU incorporating all terms at a future date.

### BACKGROUND

The Memorandum of Understanding (MOU) between the County and the Deputy District Attorney Association (DDAA) terminated on September 30, 2014. Last year, the Board of Supervisors authorized staff to engage in discussions with the DDAA representatives in order to negotiate a successor agreement.

The County and the DDAA met several times to discuss the successor MOU, beginning in July of 2014. Following lengthy discussions, impasse was declared on October 31, 2014. The County and the DDAA participated in mediation in November of 2014, however an agreement wasn't successfully reached. The County and the DDAA presented information to a fact-finder on April 7, 2015. Prior to the issuance of a final report by the fact finder, the County and the DDAA were able to reach a tentative agreement on the terms of a comprehensive MOU. The terms of this agreement are summarized below. The comprehensive MOU, once completed, will be brought to your Board for signature.

### DISCUSSION

Similar to the discussions last year for the new labor agreement with the Yuba County Employees Association (YCEA), a primary focus was to present the fiscal challenges the County has faced over the last seven fiscal years and the lingering impacts. The discussions focused on containing cost of business increases and overall fiscal health of the County. Three primary issues were addressed: 1) the ongoing increasing salary

costs of longevity, 2) the impact of rising pension costs for the County costs of health insurance premiums.

(325-0715) Appro... - 2 of 2

The major provisions of the agreement are outlined below and a comprehensive MOU will be developed by both parties and presented to your Board upon completion. The following is a summary of what will be included in the comprehensive MOU:

- **Term of Contract:** 2 Years, July 1 2015 – June 30, 2017
- **Health Insurance Cost sharing:** The County currently pays 80% of the monthly health insurance base-plan premium for DDAA members who have one or more dependents or 100% for single coverage. Effective July 1, 2015, the County will pay 70% of the monthly health insurance base-plan premium for DDAA members who have one or more dependents or 90% for single coverage.
- **CalPERS Retirement Contribution sharing:** Beginning with the 2016/2017 Fiscal Year, DDAA members will share the increased employer pension cost by increasing the employee contribution by 1%.
- **Cost of Living & Equity Adjustments:** Beginning with the 2016/2017 Fiscal Year and effective on July 1, 2016, DDAA members will receive a 2% Cost of Living Adjustment.

Effective January 1, 2017, all DDAA classifications will receive a 2% Equity Adjustment.

- The County and the DDAA were successful in negotiating **other contract provisions** that will be included in the comprehensive MOU. These include:
  - Seniority definition will now take into consideration time an employee did not receive compensation for any period of time while on unpaid disciplinary suspension.
  - Vacation Maximum Accrual will accumulate to a maximum of 350 hours.
  - Voluntary Time Off and Voluntary Work Furlough provisions will be maintained.
  - Disciplinary guidelines are amended to include Reduction in Pay and Unpaid Administrative Leave as options in the disciplinary process.
  - Grievance Procedures are amended to clarify timeliness in the process.
  - Right of Appeal procedures regarding the selection of a hearing officer are amended to create more flexibility in the process.
  - The provision allowing the annual conversion of vacation to deferred compensation will not be available for the term of this contract and until successor negotiations are completed.
  - The computation of an employee's probationary period based on position date is clarified.
  - Language regarding the Affordable Care Act (ACA) will be added outlining our agreement to meet and confer on benefit plans in force if coverage, contributions, eligibility or other provisions are impacted by the ACA.

## FISCAL IMPACT

The fiscal impact for the 2 year term of this agreement is estimated at a savings to the County of \$1,314.

## Public Nuisance Hearing

To: Yuba County Board of Supervisors  
From: Jeremy Strang, Code Enforcement Division Manager  
Date: July 28, 2015

### Statement of Facts:

The property that is subject of this hearing is Assessor's Parcel Number (APN) 021-341-015-000. The parcel is located in the unincorporated area of the County of Yuba in the community of West Linda and is commonly referred to as 5603 'D' South Gledhill Avenue. The property has the zoning designation R-2, Medium Density Residential and is 0.22 of an acre in size. The property is improved with a single family dwelling.

Jagjit Singh Powar is the owner of record and is listed on the most recent equalized tax assessment.

### Current Code Case:

Case Number: MMJ15-0115  
Date: 6/22/2015  
Complaint: Marijuana Cultivation  
Disposition: Founded; cultivation of 91 marijuana plants. Notice and Order to Abate Public Nuisance issued.  
Case Closed: N/A

On June 24, 2015, Officers Christopher Monaco and John Jacenich made contact with the tenant and cultivator at the subject address. The cultivator, Robert Moreno, admitted to cultivating marijuana in the rear yard and claimed he had approximately 50 plants. Officer Monaco verbally advised Mr. Moreno about the Yuba County Ordinance Code ["the Code"] requirements for marijuana cultivation and requested Mr. Moreno to remove the plants to come into compliance and avoid steep penalties for non-compliance. Mr. Moreno denied access to the rear yard for inspection and instead scheduled an inspection appointment for Friday, June 26, 2015.

On the morning of June 26, 2015, Officers John Jacenich and Tracie Clark made contact with Mr. Moreno. Mr. Moreno claimed he was unable to remove the marijuana, citing lack of adequate time

and a broken down pickup truck and asked for a time extension until Monday, June 29<sup>th</sup>. Officer Jacenich agreed to the extension pending approval from the Code Enforcement Supervisor.

After consulting with the Code Enforcement Supervisor, it was decided that no extension would be offered and that a Notice and Order to Abate Public Nuisance would be issued.

Public Nuisance Declared:

On June 26, 2015, an inspection of the property, performed by Officers Jacenich and Clark and Yuba County Sheriff's Deputy Davis, confirmed that:

1. Marijuana was being cultivated without first registering the cultivation
2. The number of plants, 91, exceeded the maximum amount allowed
3. The cultivation of marijuana was not within a qualifying accessory structure

After confirming the violations and providing multiple opportunities to correct the violation, Code Enforcement Officer John Jacenich served a Notice and Order to Abate Public Nuisance ["Order"] (see **Attachment A – Notice and Order**). The Order was personally served to the cultivator, Robert Moreno, and was also mailed to the cultivator and the property owner by U.S. Mail, both Certified Mail with Return Receipt and First Class; a proof of Service for each was completed (see **Attachment B – Proof of Service**).

The Order alleges the following violations:

1. 7.40.300A Outdoor cultivation of 91 marijuana plants
2. 7.40.340 Failure to register marijuana cultivation prior to cultivating
3. 7.40.400A Cultivation of marijuana in violation of any of the provisions of Chapter 7.40 of the Yuba County Ordinance Code.
4. 7.40.400E The cultivation of marijuana in a manner that exceeds 12 plants.

Yuba County Ordinance Code, Section 7.40.540B requires that the nuisance be abated immediately but not more than 3 days from the date the Order is posted. The Code also requires that an Administrative Penalty be imposed. Pursuant to Section 7.40.550B, the Administrative Penalty imposed was calculated for the amount of \$9,400.00 per day and began to accrue immediately upon the issuance of an Order (7.40.550C) (see **Attachment C – Administrative Penalty Worksheet**).

Attached and incorporated as part of this report as **Attachment D – Photographs**, are photographs taken on June 26, 2015, by Officer Jacenich. The photographs accurately depict the conditions of the subject property observed by Officer Jacenich on that date and further support the existence of a public nuisance.

On July 1, 2015, a compliance inspection was performed by Officer Christopher Monaco along with the property owner Mr. Powar; Officer Monaco verified that the marijuana had been removed.

On July 6, 2015, Mr. Powar, through his attorney Michael Barrette, filed a timely request, along with the fee deposit of \$4,116.00, for hearing to appeal the amount of Administrative Penalty imposed (see **Attachment E – Request for Hearing**).

In the event an appeal has been properly filed with the County, the appeal shall have no effect on the Administrative Penalty and said Penalty shall continue to accrue during the pendency of the hearing. At the conclusion of the hearing the Yuba County Board of Supervisors is authorized to modify or waive the Administrative Penalty for cause and shall make express findings into the record for such modification or waiver.*

**YOU ARE HEREBY ORDERED** to correct or remove all violations from subject property pursuant to the following:

**YOU ARE HEREBY ADVISED** that Administrative Penalties in the amount of ~~\$9400.00~~ **\$4,116.00 per day** pursuant to Yuba County Code § 7.40.550 **have begun to accrue** and will continue to accrue until the date compliance with the Order has been met and verified by the Enforcement Officer; you must call this office to schedule an inspection to verify compliance.

If you disagree with the determination that a public nuisance exists on the subject property, you have the right to a hearing to show cause, if any, why the use of said real property should not be found to be a public nuisance and abated pursuant to the Yuba County Code. You may request a hearing by filing a written request for a hearing with the Yuba County Code Enforcement Office, whose address appears above, within 10 calendar days of the date of this Notice. A \$4,116.00 deposit, pursuant to Yuba County Ordinance Code § 13.20.500, shall accompany the written request. Even if you do not request a hearing with respect to the existence of a public nuisance, you may contest the Administrative Penalties by filing a written request for a hearing solely to contest the imposition of the Administrative Penalties. A \$4,116.00 deposit pursuant to Yuba County Ordinance Code § 13.20.500, shall accompany the written request.

If you do not request a hearing and fail to comply with the time requirements set forth, the County will abate the nuisance. If you request a hearing, and after such hearing a public nuisance is found to exist, you shall abate said violations as set forth in the Findings of Fact, Conclusions of Law, and Orders. Furthermore if the County

abates the nuisance, you will be responsible for the actual costs of the abatement, and the Administrative Penalties, if any, which shall be paid within thirty (30) days from the date of the demand for payment. The "cost of abating a violation" shall include, but not be limited to, the county's attorneys' fees, the cost of the administrative hearing, the cost of prior time and expenses associated with bringing the matter to hearing, the cost associated with any appeals from the decision of the administrative hearing, the cost of judicially abating the violation, the cost of men and material necessary to physically abate the violation, and the cost of securing expert and other witnesses.

If such abatement costs are not paid within thirty (30) days of the date of the demand for payment therefore, such costs will become a lien against the subject property and will also be specially assessed against the property in the same manner as taxes. The abatement lien shall be recorded and shall have the same force and effect as an abstract of judgment, which is recorded as a money judgment obtained in a court of law. Special assessments have the same priority, for collection purposes, as other County taxes; and, if not paid, may result in a forced sale of your property.

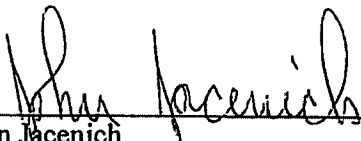

If there is a hearing, and subject property is found to be in violation of any or all of the provisions stated above, the County will contend that you are bound by such finding at any subsequent and relative judicial action. If you fail to request a hearing, or appear at the hearing and fail to raise any defense or assert any relevant point at the time of hearing, the County will assert, in later judicial proceedings to enforce an order of abatement, that you have waived all rights to assert such defenses or such points.

**IMPORTANT: READ THIS NOTICE CAREFULLY. FAILURE TO RESPOND WITHIN THE TIME SET FORTH IN THIS NOTICE WILL LIKELY RESULT IN ADMINISTRATIVE AND/OR JUDICIAL ABATEMENT AND TERMINATION OF USES OF, OR CONDITIONS ON YOUR PROPERTY WHICH THE ENFORCEMENT OFFICER CONTENDS ARE IN VIOLATION OF THE YUBA COUNTY ORDINANCE CODE.**

**Violation Address, 5603 South Gledhill, #D, West Linda, CA 95961**  
**APN: 021-341-015**

Dear Clerk of the Yuba County Code Enforcement Office:

Please be advised that the above-named client hereby appeals the Notice to Abate dated June 26, 2015 to the Yuba County Board of Supervisors. A hearing is requested. A check for the required deposit of \$4,116.00 is enclosed. Please note that the undersigned will be representing the appellant in the appeal hearing. I will be on vacation from July 9, 2015 and returning back to work on July 20, 2015. It is requested that the appeal not be set for hearing during my vacation.

The appellant DOES NOT appeal the determination of a nuisance existing on his property. The basis for the appeal is the propriety of an administrative penalty being issued against an absent landlord of the residential premises prior to the landlord being given notice of the nuisance, which did not exist on the property at the time the landlord leased the property to the tenant, and being given a reasonable period of time to abate the nuisance before administrative penalties accrue to the landlord.

Thank you for your kind attention to this matter.

Very truly yours,

**MICHAEL R. BARRETTE**

Date: July 28, 2015

The parcel is located in the unincorporated area of the County of Yuba in the community of West Linda and is commonly referred to as 5519 South Gledhill Avenue. ### Current Code Case:

Case Number: MMJ15-0119  
Date: 6/22/2015  
Complaint: Marijuana Cultivation  
Disposition: Founded; cultivation of 86 marijuana plants. Notice and Order to Abate Public Nuisance issued.  
Case Closed: N/A

On June 23, 2015, Officer Christopher Monaco attempted an inspection of the subject property. Officer Monaco observed two male adults and was greeted by one who identified himself as Rob Gomez. Mr. Gomez purported to be performing clean-up work around property for the owner. Officer Monaco advised Mr. Gomez of the complaint of marijuana cultivation and Mr. Gomez stated that he had no knowledge of any marijuana being on the property. Mr. Gomez attempted to make a phone call from his cell phone, stating that he was attempting to contact the property owner; the phone call was unsuccessful. Officer Monaco provided Mr. Gomez his business card, asked that Mr. Gomez have the property owner contact him as soon as possible, and left the property. While walking back to his County vehicle, Officer Monaco was able to clearly see and identify three small marijuana plants – two planted in the ground and one in a pot – on the North facing side yard of the property.

On June 24, 2015, after not hearing from the property owner, Officer Monaco accompanied by Officer Jacenich attempted to make contact with any occupants of the property in order to conduct an inspection. During their attempt, Officers Monaco and Jacenich observed several windows that were open. The South facing side yard contained personal property consisting of chairs and a barbeque. Officer Monaco called into the house through an open window attempting to alert anyone inside. From that location the Officers observed that the PG&E electric meter had been removed. While still attempting contact, the Officers proceeded to the North side yard. The three marijuana plants were still present. Once again Officer Monaco called into the house through an open window, identifying himself and requesting contact. From that location the Officers observed that the flooring in the house had been removed. Also from that location, the Officers were able to view the rear yard and could easily see and identify additional marijuana plants in the ground. Officer Monaco noted that a full-size Dodge Ram pick-up, license 39246N1, was parked in the driveway. It was later discovered that the Dodge pick-up was registered to Joshua Hatfield.

On June 29, 2015, after not hearing from the property owner, Officer Monaco accompanied by Yuba County Sheriff's Deputy Hareh, again attempted an inspection. Deputy Hareh attempted contact in the same manner as Officer Monaco had on the 24<sup>th</sup>. During this inspection, Officer Monaco noted that the Dodge pick-up was gone and now there was a Harley Davidson Motorcycle (license 20H2588) parked in the driveway. As Deputy Hareh moved down the Northern side yard he observed marijuana. After investigating further, Deputy Hareh and Officer Monaco observed a large-scale outdoor marijuana grow at the rear of the property. A section of fencing was present providing a limited amount of screening; however, the grow was not fully surrounded by a fence and no security measures were present. Officer Monaco and Deputy Hareh counted 86 live marijuana plants and 10 dead plants. No doctor recommendation(s) was posted.

Public Nuisance Declared:

On June 29, 2015, pursuant to his observations, Officer Monaco issued a Notice and Order to Abate Public Nuisance. His inspection confirmed that:

1. Marijuana was being cultivated without first registering the cultivation
2. The number of plants, 86, exceeded the maximum amount allowed
3. The cultivation of marijuana was not within a qualifying accessory structure

The Notice and Order to Abate Public Nuisance ["Order"] (see **Attachment A – Notice and Order**) was issued to the property owners, Jesus and Maria Torres and was posted on the property. The Order was also mailed to the property owner by U.S. Mail, both Certified Mail with Return Receipt and First Class; a proof of Service for each was completed (see **Attachment B – Proof of Service**).

The Order alleges the following violations:

1. 7.40.300A Outdoor cultivation of 86 marijuana plants
2. 7.40.340 Failure to register marijuana cultivation prior to cultivating
3. 7.40.400A Cultivation of marijuana in violation of any of the provisions of Chapter 7.40 of the Yuba County Ordinance Code.
4. 7.40.400E The cultivation of marijuana in a manner that exceeds 12 plants.

Yuba County Ordinance Code, Section 7.40.540B requires that the nuisance be abated immediately but not more than 3 days from the date the Order is posted. The Code also requires that an Administrative Penalty be imposed. Pursuant to Section 7.40.550B, the Administrative Penalty imposed was

calculated for the amount of \$8,900.00 per day and began to accrue immediately upon the issuance of an Order (7.40.550C) (see **Attachment C – Administrative Penalty Worksheet**).

Attached and incorporated as part of this report as **Attachment D – Photographs**, are photographs taken on June 29, 2015, by Officer Monaco. The photographs accurately depict the conditions of the subject property observed by Officer Monaco on that date and further support the existence of a public nuisance.

On July 2, 2015, a compliance inspection was performed by Officer Monaco at the request of the property owner, Maria Torres.; Officer Monaco verified that the marijuana had been removed.

On July 6, 2015, Jesus and Maria Torres, through their attorney Roberto Marquez, filed a timely request, along with the fee deposit of \$4,116.00, for hearing to appeal the amount of Administrative Penalty imposed (see **Attachment E – Request for Hearing**).

**YOU ARE HEREBY ORDERED** to correct or remove all violations from subject property pursuant to the following:

**YOU ARE HEREBY ADVISED** that Administrative Penalties in the amount of \$375 per day pursuant to Yuba County Code § 7.40.550 have begun to accrue and will continue to accrue until the date compliance with the Order has been met and verified by the Enforcement Officer; you must call this office to schedule an inspection to verify compliance.

If you disagree with the determination that a public nuisance exists on the subject property, you have the right to a hearing to show cause, if any, why the use of said real property should not be found to be a public nuisance and abated pursuant to the Yuba County Code. You may request a hearing by filing a written request for a hearing with the Yuba County Code Enforcement Office, whose address appears above, within 10 calendar days of the date of this Notice. A \$4,116.00 deposit, pursuant to Yuba County Ordinance Code § 13.20.500, shall accompany the written request. Even if you do not request a hearing with respect to the existence of a public nuisance, you may contest the Administrative Penalties by filing a written request for a hearing solely to contest the imposition of the Administrative Penalties. A \$4,116.00 deposit pursuant to Yuba County Ordinance Code § 13.20.500, shall accompany the written request.

If you do not request a hearing and fail to comply with the time requirements set forth, the County will abate the nuisance. If you request a hearing, and after such hearing a public nuisance is found to exist, you shall abate said violations as set forth in the Findings of Fact, Conclusions of Law, and Orders. Furthermore if the County

abates the nuisance, you will be responsible for the actual costs of the abatement, and the Administrative Penalties, if any, which shall be paid within thirty (30) days from the date of the demand for payment. The "cost of abating a violation" shall include, but not be limited to, the county's attorneys' fees, the cost of the administrative hearing, the cost of prior time and expenses associated with bringing the matter to hearing, the cost associated with any appeals from the decision of the administrative hearing, the cost of judicially abating the violation, the cost of men and material necessary to physically abate the violation, and the cost of securing expert and other witnesses.

If such abatement costs are not paid within thirty (30) days of the date of the demand for payment therefore, such costs will become a lien against the subject property and will also be specially assessed against the property in the same manner as taxes. The abatement lien shall be recorded and shall have the same force and effect as an abstract of judgment, which is recorded as a money judgment obtained in a court of law. Special assessments have the same priority, for collection purposes, as other County taxes; and, if not paid, may result in a forced sale of your property.

If there is a hearing, and subject property is found to be in violation of any or all of the provisions stated above, the County will contend that you are bound by such finding at any subsequent and relative judicial action. If you fail to request a hearing, or appear at the hearing and fail to raise any defense or assert any relevant point at the time of hearing, the County will assert, in later judicial proceedings to enforce an order of abatement, that you have waived all rights to assert such defenses or such points.

**IMPORTANT: READ THIS NOTICE CAREFULLY. FAILURE TO RESPOND WITHIN THE TIME SET FORTH IN THIS NOTICE WILL LIKELY RESULT IN ADMINISTRATIVE AND/OR JUDICIAL ABATEMENT AND TERMINATION OF USES OF, OR CONDITIONS ON YOUR PROPERTY WHICH THE ENFORCEMENT OFFICER CONTENDS ARE IN VIOLATION OF THE YUBA COUNTY ORDINANCE CODE.**
