ANNUAL COUNTYWIDE CAPITAL FACILITIES FEE REPORT

FISCAL YEAR 2020-2021

YUBA COUNTY ANNUAL COUNTYWIDE CAPITAL FACILITIES FEE REPORT FISCAL YEAR 2020-2021

BACKGROUND

The Mitigation Fee Act, Government Code §66000 et seq., (the “Act”) governs the establishment and administration of development impact fees paid by new development projects for public facilities needed to serve new development. Fees must be separately accounted for and used for the specific purpose for which the fee was imposed. The County’s adopted development impact fees are listed in the attached exhibits. Expenditures are authorized through the annual Capital and Operating Budgets and the County’s Capital Improvement Program. The annual adopted budget is on file with the County Clerk of the Board.

ANNUAL DEVELOPMENT FEE REPORTING

The Act requires that the County prepare an annual review of all development impact fees as defined in the Act and make a public report on the fees available to the public after the end of each fiscal year. Government Code §66006(b)(2) requires the report to be placed on a Board of Supervisor’s agenda for review at a public meeting not less than 15 days after the report is made available to the public.

The County is also required to adopt by resolution certain findings for any fund accounts that contain unexpended funds as of the fifth fiscal year following the first deposit into those funds. (Government Code §66001(d).)

REPORT EXHIBITS

- **Exhibit A:** A brief description of the purposes of each development impact fee and its authorizing legislation (Government Code §66006(b)(1)(A).)
- **Exhibit B:** Displays summary of the July 1, 2020 beginning balance, annual fee revenue collected and interest earned, identification of public improvements on which fees were expended and the ending balance as to June 30, 2021 for each fee (Government Code §66006(b)(1)(C)-(E).) The annual expenditures on each specific public improvement listed that were funded with development impact fees. In addition to public improvement project costs, the County incurs costs to administer each mitigation fee program and to prepare the annual reports and the five-year compliance analysis also required by the Act. As shown in the mitigation fee cost studies that support the various impact fees, the County charges administrative and compliance costs at 3% of the program cost for each fee as a program expense. The actual dollar cost for these expenditures is listed for each fee. No individual impact fee fund has collected sufficient funds to construct all improvements covered by that fund as described in the Nexus studies (Government Code §66006(b)(1)(F).)
- **Exhibit C:** Identifies the current amount of each development impact fee (Government Code §66006(b)(1)(B).)
- **Exhibit D:** Identifies any inter-fund loans, transfers, refunds or reallocation of funds in lieu of refunds in Fiscal Year 2020-2021 (Government Code §66006(b)(1)(G)-(H).)
