Notes:

1. The horizontal datum used to prepare this map is NAD83 UTM Zone 10N;
2. The 1% annual chance water surface elevations (WSELs) are referenced to NAVD 1988 on this map;
3. The Dry Creek WSELs are derived from the MBK study dated March 2010;
4. The Bear Creek WSELs are derived from the Wood Rogers Study dated February 2011;
5. The WSELs presented on the map are best available data for unnumbered Zone A in and around the City of Wheatland.
