David Fennell

Occupation: Entrepreneur

AGE: 54

Education and Qualifications:

My name is David Fennell and I am running to be your State Senator. We have been through a lot together in the North State with rising costs, increased crime, decreased water, fire outbreaks & economic uncertainty. Our great region is constantly being outvoted by more populated Los Angeles who doesn't understand our problems or share our values.

Why are violent criminals allowed to rob at will?

Why are we releasing water farmers need into the ocean?

Why are forests mismanaged, resulting in historic burns?

Why are bureaucrats being allowed to destroy business & innovation?

Why are the values of the families of the North State under assault?

The answer is we have a lack of leadership in Sacramento.

Newly redrawn Senate District 1 calls for new leadership! Unlike outgoing State Senator Brian Dahle, I have a college degree & 30+ years of real-world business experience & will bring practical solutions to Sacramento. Our region is the most beautiful! While others leave California, I visited all our counties. 60+ campaign stops. Time to elect a fighter! Will you join me in the fight to save our North State? I will not let you down.

Vote David Fennell for State Senate!

Megan Dahle

Occupation: Farmer/Businesswoman/Mother

Education and Qualifications:

As an Assemblywoman, I have championed the issues of the North State in Sacramento and have successfully secured tens of millions of dollars for our communities.

There is more work to be done.

California's high cost of living is forcing families to decide between buying groceries or putting gas in their cars. By voting to suspend the state's 54 cent/gallon gas tax, I fought to save consumers over \$1,600 a year and make it less expensive for farms and manufacturers to get products to market.

Families can't afford higher taxes and increased healthcare costs. That's why I have repeatedly opposed efforts to raise our gas, sales, property and other taxes – while working to reduce healthcare costs.

Crime is out of control and we need criminals off our streets.

I have pushed legislation to crack down on smash-and-grab robberies, co-authored a law to more severely punish human traffickers and backed measures to more effectively prosecute fentanyl dealers.

To reduce homelessness, I've supported legislation that addresses mental health and addiction issues that are often a root cause.

By working to improve forestry management, properly maintain power lines and make fire insurance more affordable, I am fighting to protect homes from wildfires.

The California Professional Firefighters support my re-election. Please join them and my campaign to get California back on track.

I'd be honored to have your vote.
