Renick House

AGE: 38

Occupation: Teacher, Rancher, Community Servant

Education and Qualifications:

I was raised in Yuba County and am raising my family here. I am a local teacher, teaching productive careers to high school and adult students, elevating lives every day. I believe we all need to take action now to protect what sets Yuba County apart from the state, protect parental rights and secure prosperous lives for the next generation.

For over 10 years I worked for a major railroad company. Rising to a high-level manager, managing budgets of millions of dollars and supervising several hundred employees. I served as the contract Transit Manager for Yuba-Sutter Transit Authority for 3 years, operating and guiding our transit service through the pandemic and various complicated service changes.

Growing up on a farm in Arboga, I experienced the 1986 and 1997 floods giving me additional perspective on the Supervisor role. I currently or previously have volunteered with or served the following boards, organizations or committees- Sutter-Yuba Behavioral Health Advisory Board, Sutter-Yuba 4-H Council, Hallwood 4-H Club, Yuba-Sutter Friday Night Live, Yuba-Sutter Transit Authority, LEAD Yuba-Sutter, Yuba County Community Services Commission, and Wheatland FFA.

Our Supervisor needs to be proactive in listening and truly represent our residents. I promise to use my experience and abilities to connect with residents and serve you best, as we preserve and guide Yuba County's prosperity.

Don Blaser

Occupation: Incumbent, Small Businessman

Education and Qualifications:

A lifelong Yuba-Sutter resident, it has been an honor to serve as your Yuba County Supervisor. I am proud of our accomplishments over the past 3+ years and the plans we have put in motion to make District 2 a better place to live, work and play.

District 2 is thriving with meaningful improvements to our quality of life. We are witnessing a surge in momentum for Marysville with new businesses and housing. But there is more work to be done: homelessness, code enforcement, traffic congestion and cleaning up Ellis Lake.

It's important that our residents feel safe and protected in their homes and businesses therefore I will continue my strong support of public safety. As the founder of The BRICK Coffeehouse Café and a former farmer, I understand that small businesses and farming are the backbone of our local economy, therefore I will continue to advocate for both.

It has been an honor to represent your voice on the Yuba Water Agency, Peach Tree Health, Regional Housing Authority, Yuba-Sutter Transit, California State Association of Counties, Yuba-Sutter Economic Development and more.

My wife and I raised our family in Yuba-Sutter and we continue to be dedicated to enriching the lives of our neighbors. I humbly ask for your vote on March 5th.

Your friend. Your neighbor. Your Supervisor.
