PLUMAS LAKE ELEMENTARY SCHOOL DISTRICT

RESOLUTION NO. 23-6

DONNA HILLEGASS, Clerk
BY Donna Hillegass
DEPUTY CLERK

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE PLUMAS LAKE
ELEMENTARY SCHOOL DISTRICT ORDERING A SCHOOL BOND ELECTION,
AND AUTHORIZING NECESSARY ACTIONS IN CONNECTION THEREWITH**

WHEREAS, the Board of Trustees (the "Board") of the Plumas Lake Elementary School District (the "District"), within Yuba County, California (the "County"), is authorized to order elections within the District and to designate the specifications thereof, pursuant to sections 5304 and 5322 of the California Education Code (the "Education Code");

WHEREAS, the Board is specifically authorized to order elections for the purpose of submitting to the electors the question of whether bonds of the District shall be issued and sold for the purpose of raising money for the purposes hereinafter specified, pursuant to section 15100 *et seq.* of the California Education Code;

WHEREAS, pursuant to section 18 of Article XVI and section 1 of Article XIII A of the California Constitution, and section 15266 of the California Education Code, school districts may seek approval of general obligation bonds and levy an *ad valorem* tax to repay those bonds upon a 55% vote of those voting on a proposition for the purpose, provided certain accountability measures are included in the proposition;

WHEREAS, such a bond election must be conducted concurrent with a statewide primary election, general election or special election, or at a regularly scheduled local election, as required by section 15266 of the California Education Code;

WHEREAS, on March 5, 2024, a Presidential Primary election is scheduled to occur throughout the District;

WHEREAS, pursuant to section 15268 California Education Code, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the legal limit of \$30 per year per \$100,000 of assessed valuation of taxable property;

WHEREAS, section 9400 *et seq.* of the California Elections Code requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

NOW, THEREFORE, be it resolved, determined and ordered by the Board of Trustees of the Plumas Lake Elementary School District as follows:

Section 1. Specifications of Election Order. Pursuant to sections 5304, 5322, 15100 *et seq.*, and section 15266 of the California Education Code, an election shall be held within the boundaries of the District on March 5, 2024, for the purpose of submitting to the registered voters of the District the following proposition:

BOND AUTHORIZATION

By approval of this proposition by at least 55% of the registered voters voting on the proposition, the District shall be authorized to issue and sell bonds of up to \$18,000,000 in aggregate principal amount to provide financing for the specific school facilities projects listed in the Bond Project List attached hereto as Exhibit A, subject to all of the accountability safeguards specified below. Bonds will be issued in one or more series.

ACCOUNTABILITY SAFEGUARDS

The provisions in this section are specifically included in this proposition in order that the voters and taxpayers of the District may be assured that their money will be spent to address the specific facilities needs of the District, in compliance with the requirements of Article XIII A, section 1(b)(3) of the State Constitution, and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at section 15264 *et seq.* of the California Education Code).

Evaluation of Needs. The Board has updated its Facilities Master Plan in order to evaluate and address all of the facilities needs of the District, and to determine which projects to finance from a local bond at this time. The Board hereby certifies that it has evaluated safety, class size reduction and information technology and other needs in developing the Bond Project List contained in Exhibit A.

Independent Citizens' Oversight Committee. The Board shall establish an independent Citizens' Oversight Committee (section 15278 *et seq.* of the California Education Code), to ensure bond proceeds are expended only for the school facilities projects listed in Exhibit A. The committee shall be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Annual Performance Audits. The Board shall cause an annual, independent performance audit to be conducted to ensure that the bond proceeds have been expended only on the school facilities projects listed in Exhibit A.

Annual Financial Audits. The Board shall cause an annual, independent financial audit of the bond proceeds to be conducted until all of those proceeds have been spent for the school facilities projects listed in Exhibit A.

BOND PROJECT LIST

The Bond Project List attached to this resolution as Exhibit A shall be considered a part of the ballot proposition and shall be reproduced in any official document required to contain the full statement of the bond proposition.

The Bond Project List, which is an integral part of this proposition, lists the specific projects the District proposes to finance with proceeds of the Bonds. Listed repairs, rehabilitation projects and upgrades will be completed as needed. Each project is assumed to include its share of costs of the election and bond issuance, architectural, engineering, and similar planning costs, construction management, and a customary contingency for unforeseen

design and construction costs. The final cost of each project will be determined as plans are finalized, construction bids are awarded, and projects are completed. In addition, certain construction funds expected from non-bond sources, including State grant funds for eligible projects, have not yet been secured. Therefore, the Board cannot guarantee that the bonds will provide sufficient funds to allow completion of all listed projects.

FURTHER SPECIFICATIONS

No Administrator Salaries. Proceeds from the sale of bonds authorized by this proposition shall be used only for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

Single Purpose. All of the purposes enumerated in this proposition shall be united and voted upon as one single proposition, pursuant to section 15100 of the California Education Code, and all the purposes shall constitute the specific single purpose of the bonds and proceeds of the bonds shall be spent only for such purpose, pursuant to section 53410 of the California Government Code.

Other Terms of the Bonds. When sold, the bonds shall bear interest at an annual rate not exceeding the statutory maximum, and that interest will be made payable at the time or times permitted by law. The bonds may be issued and sold in several series, and no bond shall be made to mature more than 25 years (if issued pursuant to the provisions of the California Education Code) or 40 years (if issued pursuant to the provisions of the California Government Code) from the date borne by that bond.

Section 2. Brief Statement of Proposition. Pursuant to section 13247 of the California Elections Code and section 15122 of the California Education Code, the Board hereby directs the Registrar of Voters to use the following abbreviation of the bond proposition on the ballot:

“To maintain safe facilities and quality education for District students and qualify for State matching funds by upgrading, constructing and equipping core curriculum classrooms, bathrooms and other essential school facilities, shall the Plumas Lake Elementary School District issue \$18,000,000 of bonds at legal rates, by levying approximately \$30 per \$100,000 of assessed value (raising \$970,000 each year while bonds are outstanding) and with independent citizens’ oversight, annual audits, and all funds staying in Plumas Lake?”

YES: _____ NO: _____

Section 3. Voter Pamphlet. The Registrar of Voters of the County is hereby requested to reprint Section 1 hereof (including Exhibit A hereto) in its entirety in the voter information pamphlets to be distributed to voters pursuant to section 13307 of the California Elections Code. In the event Section 1 is not reprinted in the voter information pamphlets in its entirety, the Registrar of Voters of the County is hereby requested to print, immediately below the impartial analysis of the bond proposition, in no less than 10-point boldface type, a legend substantially as follows:

“The above statement is an impartial analysis of Measure _____. If you desire a copy of the measure, please call the Yuba County Registrar of Voters at (530) 749-7855, and a copy will be mailed at no cost to you.”

Section 4. Required Vote. Pursuant to section 18 of Article XVI and section 1 of Article XIII A of the State Constitution, the above proposition shall become effective upon the affirmative vote of at least 55% of those voters voting on the proposition.

Section 5. State Matching Funds. In addition to the amount of Bonds issued, it is the Board’s intention to seek State funding, in the event and to the extent it is available.

Section 6. Request to County Officers to Conduct Election. The Registrar of Voters of the County is hereby requested, pursuant to section 5322 of the California Education Code, to take all steps to call and hold the election in accordance with law and these specifications.

Section 7. Consolidation Requirement; Canvass.

(a) Pursuant to section 15266(a) of the California Education Code, the election shall be consolidated with the Presidential Primary election on March 5, 2024.

(b) The Boards of Supervisors of the County is authorized and requested to canvass the returns of the election, pursuant to section 10411 of the California Elections Code.

Section 8. Election Costs. The District shall pay its allocable costs of the election approved by the Board of Supervisors of the County pursuant to section 5421 of the California Elections Code.

Section 9. No Boundary Map Changes. There have been no boundary map changes to the District since the last held election.

Section 10. Delivery of Order of Election to County Officers. The Clerk of the Board is hereby directed to deliver, no later than December 8, 2023, one copy of this Resolution to the Yuba County Superintendent of Schools and the Registrar of Voters of the County together with the Tax Rate Statement (attached hereto as Exhibit B), completed and signed by the Superintendent, and shall file a copy of this Resolution with the Clerks of the Boards of Supervisors of the County.

Section 11. Ballot Arguments. The members of the Board are hereby authorized, but not directed, to prepare and file with the Registrar of Voters of the County a ballot argument in favor of the proposition contained in Section 1 hereof, within the time established by the Registrar of Voters of the County.

Section 12. Further Authorization. The members of this Board, the Superintendent, and all other officers of the District are hereby authorized and directed, individually and collectively, to do any and all things that they deem necessary or advisable in order to effectuate the purposes of this resolution.

Section 13. Effective Date. This Resolution shall take effect upon its adoption.

PASSED AND ADOPTED this 16th day of November, 2023, by the following vote:

Plumas Lake Elementary School District

EXHIBIT A

PLUMAS LAKE ELEMENTARY SCHOOL DISTRICT

KEY FINDINGS

The Plumas Lake Elementary School District (PLESD) has a strong commitment to educate students academically, socially, and emotionally and to provide an inclusive environment which cultivates creative, curious, resourceful, and inspiring learners who will make positive contributions within their local, national, and global communities.

Excellent schools benefit the District's ability to recruit and retain high quality teachers and keep our community vital by continuing to attract young families. To maintain high quality education, the PLESD Board of Trustees (Board) has undertaken extensive stakeholder and community engagement to obtain community input to address overcrowding and the lack of middle school facilities available to Plumas Lake students and families.

The Board has received information regarding the possibility of a local bond measure to address facility improvements including the construction of core academic classrooms, facilities, infrastructure, and essential spaces to ensure Plumas Lake students are prepared for high school and beyond in a fiscally prudent manner.

The Board recognizes that all residents benefit from living in a community with good schools whether or not residents have school age children, and believes that protecting the quality of our schools, the quality of life in our community, and the value of our homes, is a wise investment.

Without a local school bond, the District will lose its opportunity to receive state matching funds which will then be awarded to other school districts.

To maintain safe school facilities and a high-quality education, the District has three different companion bonds on the ballot that will provide needed school facilities.

Core Academic Classrooms Bond

This bond focuses on the classrooms, facilities, infrastructure, and essential spaces for core academic and special education classrooms.

STEAM and High School Readiness Bond

This bond focuses on the classrooms, facilities, infrastructure, and essential spaces needed for Science, Technology, Engineering, Art and Music (STEAM) and enrichment classrooms.

Health and Safety Bond

This bond focuses on the facilities, infrastructure, and essential spaces needed for a comprehensive middle school athletic and physical education program including a gymnasium, athletic fields, a track, and other classrooms and necessary spaces.

The purpose of this Bond Measure is to provide PLESD with classrooms, facilities, infrastructure, and essential spaces for core academic and special education classrooms.

ACCOUNTABILITY MEASURES

This bond measure has strict accountability requirements including:

1. All money will benefit local schools and CANNOT BE TAKEN BY THE STATE.
2. Require CITIZENS' OVERSIGHT and yearly reports to the community to keep the District accountable for how the funds are spent.
3. NO ADMINISTRATOR SALARIES. Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher or administrator salaries, pensions and other operating expenses.
4. FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

BOND PROJECT LIST

- Construct, furnish, and equip, upgrade, repair, replace:
 - Classrooms focused on core academic subject and special education services;
 - Administrative support spaces including but not limited to work spaces for school office staff, administrators, counselors, and custodians.
 - Essential site development for Title 5 and or Title 22 facilities;
 - School library;
 - Restrooms;
 - Hardcourts, and play areas.
- Improvements to school grounds, including irrigation, drainage, landscape, lighting, fencing, gates, signage, and hardscape to support core academic classrooms;
- Construct, improve, upgrade, repair, replace parking and drop-off areas and access to school facilities;
- Install, upgrade and/or replace school safety and security measures, including fire and security alarms, security cameras, campus clock, public address and bell systems, lock and key systems, and heating, ventilation, and air conditioning systems to support core academic programs;
- Furnish classrooms, labs, learning, and support spaces with furniture, screens, bulletin boards, and window coverings;
- Provide up-to-date core classroom technology infrastructure.

For any project involving modernization or renovation of a building or the major portion of a building, the District shall be authorized to proceed with new replacement construction if the Board of Trustees determines that replacement and new construction is economically more practical considering the building's age, condition, and other relevant factors.

* * *

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program management, staff training expenses and a customary contingency, and escalation for unforeseen design and construction costs. In

addition to the listed projects stated above, the Project List also includes the acquisition of a variety of instructional, maintenance and operational equipment, including the reduction or retirement of outstanding lease obligations and interim funding incurred to advance fund projects from the Project List, payment of the costs of preparation of all facility planning, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated District activities caused by bond projects. The upgrading of technology infrastructure includes, but is not limited to, fiber optic cable and hardware necessary to increase bandwidth.

The allocation of bond proceeds may be affected by the District's receipt of State matching funds and the final costs of each project. In the absence of State matching funds, which the District will aggressively pursue to reduce the District's share of the costs of the projects, the District may not be able to complete some of the projects listed above. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans are finalized, construction bids are awarded and projects are completed. Based on the final costs of each project, certain portions of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating enhanced and operationally efficient campuses. Necessary site preparation/restoration and landscaping, may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, redirecting fire access, and acquiring any necessary easements, licenses, or rights of way to the property.

Bond proceeds shall be expended only for the specific purposes identified herein. Proceeds of the bonds may be used to pay or reimburse the District for the cost of District staff when performing work on or necessary and incidental to the bond projects, but not for other administrator or teacher salaries. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

FISCAL ACCOUNTABILITY: IN ACCORDANCE WITH EDUCATION CODE SECTION 15272, THE BOARD OF TRUSTEES WILL APPOINT A CITIZENS' OVERSIGHT COMMITTEE AND CONDUCT ANNUAL INDEPENDENT AUDITS TO ASSURE THAT FUNDS ARE SPENT ONLY ON DISTRICT PROJECTS AND FOR NO OTHER PURPOSE. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

EXHIBIT B

TAX RATE STATEMENT

An election will be held in the Plumas Lake Elementary School District (the "District") on March 5, 2023, to authorize the sale of up to \$18,000,000 in bonds of the District for the specific school facilities projects listed in the Bond Project List established by the District, as described in the proposition. If the bonds are authorized and a State bonding capacity waiver is received, the District expects to sell the bonds in two or more series. Principal and interest on the bonds will be payable from the proceeds of tax levies made upon the taxable property in the District. The following information is provided in compliance with Sections 9400-9404 of the Elections Code of the State of California.

1. The best estimate from official sources of the average annual tax rate that would be required to be levied to fund that bond issue over the entire duration of the bond debt service, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors is 2.73 cents per \$100 of assessed valuation (\$27.28 per \$100,000 of assessed valuation) of all property to be taxed. The best estimate of the final fiscal year in which the tax is anticipated to be collected is 2059-60.

2. The best estimate from official sources of the highest tax rate that would be required to be levied to fund that bond issue, and an estimate of the year in which that rate will apply, based on assessed valuations available at the time of the election or a projection based on experience within the same jurisdiction or other demonstrable factors is 3.00 cents per \$100 of assessed valuation (\$30.00 per \$100,000 of assessed valuation) of all property to be taxed. The best estimate of the year in which the highest tax rate will apply is anticipated to be 2025-26.

3. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold is \$39,800,000.

Voters should note that such estimated tax rates are specific to the repayment of bonds issued under this authorization and are and will be in addition to tax rates levied in connection with other bond authorizations approved or to be approved by local voters for the District or for any other overlapping public agency.

Voters should note that estimated tax rate is based on the ASSESSED VALUE of taxable property on Yuba County's official tax rolls, not on the property's market value. Property owners should consult their own property tax bills to determine their property's assessed value and any applicable tax exemptions.

Attention of all voters is directed to the fact that the foregoing information is based upon the District's projections and estimates only, which are not binding upon the District. The actual tax rates and the years in which they will apply may vary from those presently estimated, due to variations from these estimates in the timing of bond sales, the amount of bonds sold and market interest rates at the time of each sale, and actual assessed valuations over the term of repayment of the bonds. The dates of sale and the amount of bonds sold at any given time will be determined by the District based on need for construction funds and other factors. The actual interest rates at which the bonds will be sold will depend on the bond market at the time of each sale. Actual future assessed valuation will depend upon the amount and value of taxable property within the District as determined by the Yuba County Assessor in the annual assessment and the equalization process.
