### **JOB SUMMARY:**

Performs a variety of professional accounting work related to the preparation and maintenance of accounting records, the audit of financial transactions and the production of reports and statements in a centralized setting; provides assistance to departments regarding financial or accounting matters and performs other duties as assigned. Positions in this class are flexibly staffed and are normally filled by advancement from the I level if incumbents have met the minimum qualifications and have demonstrated the ability to perform the responsibilities required at the higher performance level.

#### Accountant-Auditor I:

Under general supervision incumbents learn job tasks, progressing to limited direction as procedures and processes of assigned area of responsibility are learned. This is the entry professional level in the accounting series. Positions in this class typically have little or no directly related work experience. The Accountant-Auditor I is distinguished from the II level by the performance of less than the full range of duties assigned to the II level.

#### Accountant-Auditor II:

Under direction incumbents perform the full range of duties. Occasional instruction or assistance is provided as new, unusual, or unique situations arise and incumbents are fully aware of the operating procedures and policies within the work unit. This is the journey professional level in the accounting series.

### **CLASS CHARACTERISTICS:**

This position reports directly to the Auditor Controller or Assistant Auditor Controller. This class is distinguished from the Senior Accountant-Auditor in that the latter performs advanced journey level work and may provide lead direction to assigned staff.
