If one (1) of the participants of a job sharing arrangement terminates employment or is reassigned to another position, the Department Head or designee must first offer the remaining participant the right to full-time status before proceeding with the normal process to fill the vacancy as a regular part-time position.

ARTICLE 3 – PAYMENT OF SALARY

Rules regarding processing of payroll are established by the Human Resources Director or designee. The salary for part-time employees will be in proportion to the employees' scheduled working hours. Deductions for uncompensated periods of time during a pay period will be on the basis of the actual hours, or fraction of an hour worked, divided by the full-time number of working hours in that pay period.

In the event that the County determines during the term of this Agreement that a bi-weekly pay period will be implemented, the County will provide MSA with at least a ninety (90) calendar day advance notification of such a change. The County will meet with MSA representatives to discuss the impacts if requested in writing by MSA.

Section 3.02 Salary Schedule for Categories of Employment

The salaries prescribed in the Classification System - Basic Salary/Hourly Schedule are fixed on the basis of full-time positions. The salary schedule for the respective categories of positions as set forth in the Classification System - Basic Salary/Hourly Schedule is interpreted, applied and computed as follows:

A. Full-time Regular Employees

Service commencing on the first (1st) working day of a pay period and continuing for all working days of that pay period is deemed service for that pay period. Service terminating on the last day of a pay period but including all working days of that pay period is deemed service for the entire pay period. Full-time employees who commence work after the first (1st) day of a pay period, or from whom deductions are to be taken for leave of absence without pay, unearned vacation, unearned sick leave, or for other causes will be paid that portion of the salary for that pay period equal to the ratio of the days worked to the total working days in that pay period.

That ratio will applied to the monthly salary for the class and step which such part-time employee is occupying. Deductions from salary for leave of absence, unearned vacation, unearned sick leave, or for other causes is computed on the basis of the ratio of the number of hours of service, including holidays rendered by the part-time employee in the pay period to the number of hours of service required of such employee in that pay period and the ratio applied to the salary payable to such employee for that pay period.

Section 3.03 Fees, Commissions, and Compensation

Except as otherwise provided by law: any fees, commissions and compensation (other than that allowed by any County officer, deputy, assistant or employee) earned by virtue of their office/position or by performance of any regularly assigned duty or function will

5. Time spent on paid vacation will not be counted as time worked for purposes of computing overtime except:

ARTICLE 5 BENEFIT PROGRAMS

Section 5.01 Benefit Program Coverage

All regular employees working an average of twenty (20) regularly scheduled hours per week and their dependents are eligible to participate in the County health plans. Coverage commences upon eligibility for coverage under the health plan carriers' rules. If the employee elects medical coverage, then the employee must select a dental plan and the vision insurance.

Section 5.02 Medical Insurance

A. Health/Dental/Vision Coverage

Yuba County offers the following medical options: CalPERS Health Insurance, Dental Insurance and Vision Insurance. Employees have a variety of PPO and HMO medical plans available through CalPERS, however the HMO's are available through zip code eligibility. Dental/Vision plan options include a basic plan and a buy-up plan. Once the selection is made, it will remain in force until the current calendar year ends and will automatically renew unless the employee makes a new selection during an open enrollment period. Changes made during open enrollment will be effective January 1st of the next calendar year.

The County will maintain health insurance through the CalPERS Health Insurance Program and make available all plans for which employees are otherwise eligible to participate in as employees of the County of Yuba.

The County contributes the PEMHCA statutory monthly MEC set annually by CalPERS on behalf of each employee. The County makes an additional contribution through the County's established Section 125 Cafeteria Plan. In no event will the total contribution exceed the employee's actual cost.

Effective January 1, 2025, the County's total monthly contribution, which includes the PEMHCA statutory monthly MEC, is as follows:

Employee only: Up to one hundred percent (100%) of the CalPERS Gold employee only premium and one hundred percent (100%) of the dental and vision basic premium;

Employee plus one: Up to ninety percent (90%) of the CalPERS Gold employee plus one premium and eighty percent (80%) of the dental and vision basic premium;

Employee plus family: Up to ninety percent (90%) of the employee plus family CalPERS Gold premium and eighty percent (80%) of the dental and vision basic premium.

The County of Yuba agrees to continue the current level of coverage for the Health, Dental, and Vision Insurance for the term of the contract. However, due to the continued rising cost of health care, the County must explore alternatives to our current plans and funding. Both parties agree to proactively review alternative options by continuing to be active in the health care committee.

B. In-Lieu Health

Eligible employees may elect to opt out of the County provided health coverage and receive two hundred fifty dollars (\$250) per month in so doing.

Employees declining health plan coverage and receiving in-lieu health may re-enroll upon proof of involuntary loss of other coverage. In-lieu health is taxable income.

Section 5.04 Life Insurance Plan

Employees receive a life insurance benefit in the amount of fifty thousand dollars (\$50,000). Dependent life insurance is available to employees at their expense.

More than 20 years completed	16.00 hours per month

Section 6.04 Part-Time Employee

Part-time employees accrue vacation leave on a prorated basis.

Section 6.05 Maximum Accrual

Vacation leave may accumulate to a maximum of 384 hours. Employees at the maximum will not accrue vacation leave until the vacation leave is below the maximum limit. Effective July 1, 2025, vacation leave may accumulate to a maximum of 484 hours.

The Department Head or designee and employee will, while considering the needs of the department, schedule sufficient vacation to avoid the employee reaching the maximum accrual. Should the employee fail to request time off, the Department Head or designee may schedule the vacation to the extent necessary to ensure the employee does not reach the maximum accrual.

The employee's Salary Anniversary Date (SAD) will be the first (1st) day of the month following their SCD unless specifically specified otherwise. However, if the SCD is within the first (1st) three (3) calendar days of the month, the SAD will be the first (1st) day of that month in which the employee is hired.

Longevity Step Index increases will occur automatically on the employee's SAD.

A. Employees hired on or before June 30, 2013

Merit Step Index increases will occur automatically on the employee's SAD, unless the Human Resources Department is notified at least thirty (30) calendar days in advance that the employee has received an evaluation that is less than Meets Standards and is on a Performance Improvement Plan (PIP). If an increase is withheld due to a PIP, any further increase will not be approved until the Department notifies the Human Resources Department that the employee's performance at least meets standards.

B. Employees hired on or after July 1, 2013

1. If the employee does not receive a satisfactory performance evaluation, the employee will be given a Performance Improvement Plan (PIP) detailing what is required for the employee to achieve at least satisfactory performance levels. Merit increases will be automatically withheld until such time the employee receives at least a "Meets Standards" performance evaluation. In this instance, the employee's Salary Anniversary Date (SAD) will be the first (1st) day of the month following said successful performance evaluation. However, if the successful performance evaluation is given on the first (1st) day of the month then the merit increase will be given in that same month.
2. Salary Anniversary Date (SAD) delays for receiving a less than a "meets standard" performance evaluation will be computed as follows: each month beyond the current SAD the employee does not have at least a "meets standards" performance evaluation will permanently reduce an employee's SAD by one (1) month (i.e. move the SAD forward one (1) month).
3. Upon an employee's tenth (10th) anniversary of employment with the County, as computed through the SAD process above, the employee will receive a longevity step increase to 1.325% of base salary.
4. Upon an employee's fifteenth (15th) anniversary of employment with the County, as computed through the SAD process above, the employee will receive a longevity step increase to 1.35% of base salary.

Section 22.07 Prior Service - Only applicable to employees hired on or before June 30, 2013

Prior service refers to the number of calendar days between a current employee or applicant's previous hire date and their previous termination date with the County of Yuba as a regular employee. If, when applying the employee's prior service credit on a calendar day basis, it results in a date which falls within the first (1st) three (3) calendar days of the month, the employee will be given credit for that entire month. Should the application of prior service on a calendar day basis result in a date other than the first (1st) three (3) calendar days, the employee's adjusted SCD will be the first (1st) day of the following month.

Section 22.08 Leave With Out Pay (LWOP)

LWOP will be computed in either one of two ways.

1. Effective January 1, 2004, each accumulated eight (8) hour increment of LWOP from work (i.e. excluding nonscheduled work days such as weekends) will reduce an employee's SCD by one (1) day (i.e. move the SCD forward one (1) day) or,
2. Prior to January 1, 2004, the granting of any leave of absence without pay exceeding fifteen (15) calendar days will cause the regular employee's salary anniversary date to be postponed (moved forward) a number of months equal to the nearest whole number of months for which the leave was taken. All such calculations will be based on the number of calendar days of such leave.

Section 22.09 Advanced Index Rate Hires (external recruitments only)

When it is necessary to attract the best-qualified applicants to a critical position or when an applicant's prior experience justifies, the Department Head is authorized to hire a new employee at an index rate equivalent to the third (3rd) step (index rate 1.10). At the request of the Department Head, the Board of Supervisors may approve the appointment of a new employee at an Index Rate equivalent to the seventh (7th) step (index rate 1.30).

Section 22.10 Salary Upon Promotion

When an employee is promoted to a classification with a higher Base Rate, the employee will have their salary adjusted by multiplying the Base Rate for the new classification as specified on the Classification System - Basic Salary Schedule by the index rate from the appropriate table and will be determined consistent with Section 8.02 and/or Section 8.09.

Section 22.11 Salary Upon Transfer

When an employee transfers from one (1) position to another within the County, their salary will be determined by multiplying the base salary of the classification to which they transferred by the appropriate index rate consistent with the employee's SCD and other applicable sections of this Agreement.

Section 22.12 Salary Upon Reclassification

A. No Change

When a reclassification results in no change to the base rate of the classification, there will be no change to the employee's salary.

B. Higher Class

If a reclassification results in an employee's position being assigned to a classification having a higher base rate of pay, the employee's salary will be determined consistent with Section 8.10.

C. Lower Class

If a reclassification results in an employee's position being assigned a lower classification having a lower base rate of pay, the employee's salary will be determined consistent with Section 8.02.
