

DENTAL INSURANCE

Yuba County offers two dental plans through **Delta Dental of California**. Both plans include orthodontic coverage for children and adults at 50% coverage. Participants of both plans have a choice of seeing a non-network provider, a Delta Premier provider or a Delta PPO (DPO) Provider. Participants will see additional out-of-pocket savings by utilizing the Delta Dental network, with the most savings being realized through the PPO (DPO) providers.

The base plan provides a \$1,500 calendar year maximum. For employees wishing additional coverage the County offers a buy-up plan with a \$2,000 calendar year maximum.

To locate a provider please visit **Delta Dental of California**: <https://www1.deltadentalins.com/>
